TO THE AMERICAN PEOPLE

SUBJECT: A RECOMMENDATION...

FROM THE CHIEF JUSTICE OF THE U. S.

Supreme Court of the United States
Washington, D. C.

CHAMBERS OF THE CHIEF JUSTICE 1426 TWENTY-FOURTH STREET, N. W.

June 29, 1943

The Honorable
The Secretary of the Treasury
Washington, D. C.

My dear Mr. Secretary:

Both you and the country are to be congratulated on the striking success of the Voluntary Payroll Savings Plan. Through it twenty-seven million wage earners are regularly investing in Government bonds more than $420,000,000 a month to meet the cost of the war. This is of primary importance as an aid to winning the war and as a safeguard against inflation. But it is also important that so many of our fellow citizens are reviving the forgotten art of saving from earnings. One way of securing freedom from want in the future is by saving something from the plenty of today.

Yours sincerely,
Harlan F. Stone

FROM THE CONGRESS OF THE U. S.

Congress of the United States
JOINT COMMITTEE ON INTERNAL REVENUE TAXATION
Washington

June 29, 1943

Dear Mr. Secretary:

Thank you for sending us the description of your expanded payroll savings drive based on the theme "Figure It Out Yourself".

The House Ways and Means Committee and the Senate Finance Committee are happy to support the present drive to increase the purchases of War Savings Bonds through the Payroll Savings Plan. This plan has already achieved a fine record. The fact that twenty-seven million American workingmen and women are setting aside almost ten percent of every pay envelope and salary check speaks for itself.

We agree with you, however, that public participation in the financing of this war should be and must be stepped up materially. Not only does the Treasury need added funds, but every dollar diverted from the purchasing stream into savings is a contribution to the fight against inflation. We wish you success in this campaign and we know that the American people will respond to this appeal as they have in the past.

Sincerely,

Hon. Henry Morgenthau, Jr.

AN ORDINANCE

An Ordinance to Amend an Ordinance to Provide for the Collection of Employees Victory Tax Pursuant to the Requirements of the U. S. Revenue Act of 1942.

The Village of Tecumseh ordains:

Section 1. Deduction to be made. That, beginning with the first payroll after July 1, 1943, the Village Clerk and/or Village Treasurer is hereby authorized and directed to deduct and withhold from the wages or salary paid to each officer or employee of the village, the tax of twenty (20%) per cent of the excess of each wage payment over the withholding exemption, allowable under the schedule shown in sub chapter D, chapter nine (9), Internal Revenue code of 1943.

Section 2. Accumulation, depositing and payment of funds: The Village Clerk and/or Village Treasurer at the time of making up the payroll or immediately thereafter, shall transfer the monies deducted therefrom under the provisions of this ordinance to a separate account in the United Savings Bank of Tecumseh, Michigan, where they shall be deposited and designated as a withholding tax account. The monies accumulated from such withholdings during each quarter of the calendar year shall be paid by the Village Treasurer to the United States Collector of Internal Revenue for the District in which this Village is located on or before the last day of the month following the close of any such quarter, or in such other manner or time as the collector of Internal Revenue or Secretary of the Treasury may designate.

Section 3. Report of Tax Withheld. The Village Clerk and/or Treasurer shall furnish to each employee, from whose wages they withheld taxes, a written statement (W-2), showing the wages paid and the amount of tax withheld during the calendar year. This statement (unless an extension of time has been previously granted by the commissioner of Internal Revenue) shall be given to the employee on or before January 31 of the succeeding year; or, if the employment ends before the close of the year, or the day on which the last payment of wages is made.

In case of intermittent employment, when at the end of any term of employment, it is not expected that the employee will be re-employed, then a statement must be furnished him for the amount of tax withheld from payment made during the term of employment.

With respect to the calendar year, 1943, only one statement is required. It should cover the five (5%) victory tax withheld, beginning January 31, and the twenty (20%) per cent tax withheld, beginning July 1.

Section 4. Amendment. The provisions of all ordinances or parts thereof now in effect relating to the payroll procedure of this Village inconsistent herewith or with the provisions of the Revenue Acts of 1942 relating to the victory tax are to that extend modified.

Section 5. Emergency. This ordinance is hereby declared to be an emergency measure made necessary for the preservation of the public peace, health and safety and to meet the requirements of the Revenue Act of 1943 and shall take effect immediately.

J. FLOYD ELLIOTT,
Village President.
Attest: WADE L. JONES,
Village Clerk.

Your Idle Car—Trade Now!

Delivery After the War

Save Upkeep Now

With gasoline rationing and spreading restrictions on pleasure driving, you may be one of those who are tired of paying upkeep on an idle car.

Under our Universal C.I.T. Postwar Automobile Trade Plan you can start now to save insurance, storage, depreciation and maintenance charges on a car from which you get or may expect little use.

Your car is probably worth more today than it ever will be again. Save further depreciation and trade it now under the advantages and safeguards of this new plan.

Preferred Postwar Delivery

Are you interested in the early delivery of a new car after the war? If so, you can get a higher value today for your present car if you trade it in than if you sell it for cash. Bring in your car or ask for our appraiser. We agree on a cash value and also upon an even higher trade-in value. By trading now for delivery later, you put yourself in a preferred position to receive early delivery from us of your new car when wartime restrictions are lifted. Moreover you make your present car available to farmers and workes in war areas where it is needed.

Trade-in Allowance Guaranteed

Under this future delivery plan, we have arranged with the world's largest independent finance company, Universal C.I.T. Credit Corporation, backed by $100,000,000 capital and surplus, to safeguard our customers' interests. Your trade value will be deposited in a special escrow account, and no charge will be made for this service. Universal C.I.T. will send you a Postwar Automobile Trade Escrow Receipt reciting its obligation to pay the trade value to apply on your purchase of a new car from us upon receipt of your written authorization to do so.

Allowance Payable on Demand

No one but you can obtain release of these funds from Universal C.I.T. Credit Corporation. You may find it necessary to obtain extra cash on short notice. If for any reason you decide not to wait until new automobiles are again available for delivery, Universal C.I.T., upon presentation of your receipt, will redeem it at its stated cash value—equal to an agreed amount which your car would bring if sold now for cash. This amount will be paid direct to you. You may present your receipt for such payment at any time.

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER FORTY-FOUR | TECUMSEH, MICHIGAN, THURSDAY, JULY 29, 1943 | FIVE CENTS PER COPY

Meat is Scarce Due to Ceiling

BUTCHERS SAY THAT THEY CANNOT AFFORD TO HANDLE PRODUCT AND LOSE MONEY

If you are longing for a nice juicy steak and have plenty of red points in your ration book to buy it, you'd better call your butcher before you visit his market. The reason: 10 chances to one he'll tell you that he hasn't any beef steak; he can't afford to handle it under OPA ceiling prices.

"There's plenty of beef in the country but how can I afford to cut it and weigh it, wrap it and sell it at from four to 10 cents a pound less than it costs me," one Tecumseh butcher said yesterday. "I can't afford to buy meat at the packers' price and sell it at OPA's price. If I observe the law I lose money; if I violate the law I'm in wrong with OPA and am faced with a fine. Either way I jump, I'm due to lose so I've figured it out that the best way to do is to not handle it at all."

And this butcher's attitude about summed up the trend of thought in other Tecumseh markets this week. True, there was a little beef, but for the most part local markets have been out of "red meat" since Monday or Tuesday. Most of them said that they expected a shipment today, but what they would get was problematical.

Some meat dealers say that the trouble with the market is that packers are unable to buy and sell meat at the OPA ceiling and therefore they are not doing it. The government has promised subsidies to care for the loss but the butchers say that the money is not forthcoming. And around and around the argument goes and where it'll stop—well, there isn't any beef.

Another butcher also complained that he couldn't handle chickens at OPA ceilings and not go broke. Farmers just won't sell chickens at the OPA price, he said, because they can get more for them by selling them directly to customers, two or three at a time. The meat market operator declared that unless he could get paid for his time and effort in handling the birds he'd rather leave them in the country.

There's some pork to be had—once in a while—and a little veal and lamb, sometimes, but for the most part the average shop is offering little for sale in the meat line except cold cuts and sausage.

Butter, too, was a scarce article in most of the local stores this week. The reason for this shortage the dealers said, was not explained by wholesalers.

PRESBYTERIAN PLAN FOR ANNUAL FAIR

Mrs. D. W. Beck and Mrs. John R. Lott entertained the Presbyterian Ladies Aid Society last Wednesday afternoon at their home south west of town. The annual church fair was discussed and the date chosen and it was decided to hold the usual chicken dinner in connection with the fair.

The program consisted of readings by Mrs. H. E. Whelan, a talk on Bible women by Mrs. John R. Thompson and assembly singing, after which refreshments were served.

SMITH FAMILY

The Smith family reunion was held Sunday at the home of Mr. and Mrs. Clarence Smith in Onsted. A potluck dinner was served. At the business meeting William Smith of Adrian was elected president and Mrs. Edna Bugbee of Adrian secretary treasurer. The guests were Mr. and Mrs. Medford Pfeister and son John of Adrian, Mr. and Mrs. Ira Ashley, Tecumseh, Mrs. R. D. Kidman, Mr. and Mrs. W. A. Smith, Mrs. Edna Bugbee, Myrna and Ivan Bugbee, Donald Lee and Elaine Ann Faust, Mr. and Mrs. Arthur A. Smith, Mr. and Mrs. Edwin M. Smith, Mr. and Mrs. Roy Griffin and sons Wayne, Royal and Paul of Adrian and Mrs. Bertha Mann Smith of Onsted. The reunion will be held at the home of Mr. and Mrs. Medford Pfeister in Adrian next year.

TOWN BLACKED OUT

Tecumseh was subjected to a complete blackout except for the business district, Monday night, when street lights failed to operate as usual. Officials of the Consumers Power Company said today that lightning apparently had caused a ground in a cable.

Chicago boulevard street lights also were out on Tuesday night, due to similar trouble.

$110 FOR RED CROSS

Llugo Gallo who operates a swimming pool for children at the gravel pit has donated all contributions collected to the Lenawee Red Cross. Last year's collection was nearly $100 and this year's returns to date are $110. No charge is made at the pool, the children giving what they wish to.

Major Marsh Speaker At Rotary Meeting

Major R. G. B. Marsh of Camp Livingston, La., was the guest speaker at the regular noon-day luncheon meeting of the Tecumseh Rotary Club, Tuesday at Brees House. Major Marsh, former local physician and surgeon, is home on a 14-day leave with Mrs. Marsh and their family. They are staying with Mrs. Marsh's brother and family in Adrian, Mr. and Mrs. Guy Hindes.

"I would like to compliment Tecumseh and Lenawee county on its war effort," Major Marsh said, "I think that the Lenawee folk realize that we are at war." He intimated that there might be other sections of Michigan less war conscious and declared that "there are no strikes in the United States Army."

Major Marsh spoke interestingly of Camp Livingston telling of camp life and duties.

George E. Green, jr., a member of the United States Navy, located at Springfield, Mass., was also a guest. Mr. Green is a member of the local club as is Major Marsh. The latter also is a past president of the club.

Bruce Casting Company Formed

IDLE PLANT AT HOMER TO BE REOPENED; WILL EMPLOY SOME 40 MEN

The Vulcan Foundry Company at Homer, Michigan, has been purchased by a group, headed by W. J. Bruce of Tecumseh, and will be in operation in about two weeks employing some 40 men, it was said today. The Vulcan plant has been idle for some time.

The new organization, incorporated as the Bruce Casting Co., will have Tecumseh as its postoffice address. It is capitalized at $25,000 paid-in capital. The board is made up of Mr. Bruce as president, James A. Murphy of Homer as vice president, and John R. Zeigler of Tecumseh is a member of the board. George McCombs of Tecumseh is the agent for the company.

The Homer company will manufacture gray iron castings, Mr. Bruce said.

W. J. Bruce is president of the Bruce Foundry and Manufacturing Company of Tecumseh. The plant here is employing some 90 men at present and is working almost entirely on war contracts.

DENNISON REUNION

The annual Dennison reunion was held at Wilson Memorial Park in Milan, Sunday, July 25 with 60 members of the family present. Pot luck lunch was served to every one shortly after noon. In the afternoon, a business meeting was called to order by the vice president, George Dennison. The minutes of the last meeting were read and approved, and officers elected for the coming year as follows: Ora Dennison, president; Elmer Dennison, vice president; and Delta Gibson, secretary and treasurer. The motion was made and carried that the meeting next year be held at the same place. The rest of the afternoon was spent in visiting and ice cream and cake was served to everyone before departing.

The oldest member present was George Auten, aged 72 years; and the youngest member present was James Gibson, aged 4 months.

Those presented were from Milan, Cone, Britton, Whitaker, Ypsilanti and Detroit, Michigan, Toledo, Ohio and St. Petersburg Florida.

CAR CATCHES FIRE

The fire department was called to the Gold Bond station on East Chicago Blvd., early Friday evening where a car belonging to Clem Covell, had backfired and caught fire while he was working on it. Due to the quick work of George Hoag, who lives next door, with a fire extinguisher, only slight damage resulted.

HOSTESS AT SHOWER

Mrs. Anna Blesing entertained Thursday evening at a pink and blue shower for Mrs. Paul Breitenwischer. Eighteen were present and games were the diversion, the prize being presented to the guest of honor who also received other gifts. Refreshments were served in conclusion.

MUSICAL TEA

The Presbyterian Ladies Aid Society will hold a musical tea at the church Wednesday afternoon, August 4, 2:30, for the benefit of the church fair to be held October 21. A good program has been arranged. The public is invited.

VILLAGE TAXES

Until further notice I will be at the United Savings Bank every Tuesday afternoon and Saturday afternoon and evening for the collection of Tecumseh village taxes.

K. D. Hall, Treasurer of the Village of Tecumseh.

Dynamic Wheat Yield is Good

CUBIC INCH OF GRAIN MULTIPLIES 33,600 TIMES IN THREE YEAR PLANTING HERE

In the presence of a crowd of intensely interested spectators, estimated by some to have been 1,500 people, Perry Hayden's third crop of "Dynamic Kernels" was threshed Saturday, July 24 on the one-acre plot just east of Tecumseh Hospital.

Although advertised for 2 o'clock, the threshing did not officially commence until Henry Ford, accompanied by his secretary, Frank Campsall, arrived on the grounds. Mr. Ford's delay was occasioned by a conference with Vice-President Henry Wallace at the Willow Run Bomber Plant. An interesting rumor was on the grounds that Vice-President Wallace did consider coming to Tecumseh himself, but of course this did not materialize.

As a step showing the progress in wheat threshing, this year a wheat separator, bearing the mark, "H. & E. M. Birdsell, makers, Penn Yann, N. Y.-1863" was loaned by Mr. Ford from his Edison Institute at Greenfield Village, and it was run by power from a 10 horse sweep.

In 1941 the first crop of wheat of 18,000 kernels(harvested from the original cubic inch of 360 kernels planted in September 1940) was threshed by lung power in the Hayden dining room. In 1942, the crop of 881,499 kernels was threshed by a special plot thresher at Michigan State College Experimental farm. This year, 10 of the finest Belgian horses in the county brought here by Will Knight, famed horseman of Adrian, supplied the power that turned the sweep. In addition to his own team, Mr. Knight brought a team belonging to Alton Knowles, RFD Adrian, and two teams from the farm of Stacy Diver and son, Joe Diver, of Deerfield. The only mishap to mar the day's festivities were when a bobbied bearing on the separator got hot, and tightened, causing such a strain on one of the whiffle trees that it snapped, severely bruising the left hand of Will Knight. However, when the bearing was cooled and lubricated, the horses finished the work and Mr. Knight went back to "draw" boss and kept things humming. Among those who pitched bundles were Wilfred Waldron, Paul Bowen, Ellsworth Collins, Ira Ladd, Percy Morgan, Charles Figy, state commissioner of agriculture, and Perry Hayden. Among those who cut bands were George Bowen, those who fed the bundles into the 80-year-old separator were Herb Roff, Eugene "Spooks" Harris, Leroy Matthews. Percy Cadmus tended the bags, and Walter Bird and Wilfred Waldron helped on the straw stack. Alonzo Sisson was general handy man, giving the benefit of his many years experience running a threshing rig.

Wilfred Waldron, jr., fourth generation from the same family to deliver wheat to the Hayden's from the same land, pitched a few bundles of wheat, while Billy Hayden representing the fourth generation of Haydens, acted as general errand boy. Gordon Comfort, son of Ralph Comfort, official movie photographer for "Dynamic Kernels", is the fifth generation of the Comfort family, and was very much on the alert. His grandfather Aaron Comfort, together with Joseph Satterthwaite, at one time operated the old Quaker Mill, southeast of Tecumseh. Perry Comfort Satterthwaite, great grandson of Samuel Satterthwaite and now president and general manager of the Hayden Fuel & Supply Co, was the fourth generation of his family present.

The thresher weight of wheat was 1,027 pounds which is slightly over 17 bushels of wheat final yield. This is considerably lower than was anticipated even by the best guessers who looked at the wheat July 10. At that time Henry Ford estimated a yield of 29 bushels, Frank Campsall 29 bushels; C. D. Finkbeiner, who supplied the original Bald Rock Wheat estimated 26 bushels, as did Chas. Figy; Frank A. Gottschalk, guessed 24 bushels, as did Edgar Clark, superintendent of the Macon Ford Farms; Howard Moore, RFD 3, Adrian guessed 23 bushels, as did Wilfred Waldron, Jim Preston and George Robey. Florence Schler Roberts guessed 22 bushels Wilfred Waldron Jr. 21 bushels and

Molly Pitcher Tag Day, Aug. 4

The modern Molly Pitcher will greet you throughout the nation on August 4th when brigades of Mollys will tag every buyer of War Bonds and Stamps. They will carry on the tradition of the Revolutionary War heroine who has gone down in history because she aided her fighters at the battle of Monmouth in 1778.

Gay Nineties Minstrel Is Now In Rehearsal

Rehearsals are progressing nicely every Tuesday evening for the minstrel show to be held at the Recreation Park August 27 and 28.

There will be 35 or 40 voices in the male chorus, under the direction of Rev. E. T. Rodda.

As yet the band has not been decided upon, probably the Military Police Band from Fort Custer, composed of the best talent from all the leading orchestras over the country, or the Navy Band from Great Lakes Naval Training Station. August 27 this band will give a concert before the show. August 28 there will be the parade of quartets' from other SPEBSQSA chapters throughout Michigan, this will include the "Accoustical Persecuting Four" from Jackson, which placed in the finals at the National Convention at Chicago last June, also the American Legion four from Detroit, which was in the contest at Chicago, and we hope the "Unheard of Four" from Muskegon, who are now state champions.

Plans for the stage and sound speakers are well under way and will soon be installed.

The National Secretary of the SPEBSQSA will be in attendance and will participate in the program.

The minstrel show will combine leading features of the old time minstrel and the old time barber shop harmony quartet.

WAITS NEW ASSIGNMENT

Norfolk, Va., July 29—Navy Carpenter's Mate William J. LaBounty, 22, Tecumseh, Mich., is at much at home at sea as he is with his carpentry tools for prior to his enlistment in the Navy in August, 1942, he was a seaman in the Merchant Marine.

LaBounty went through recruit training at the Naval Training Station, Newport, R. I., and because of his previous sea experience, was immediately assigned to a Navy supply ship where he spent a half year. He has been studying the prescribed course for advancement in rating and is now awaiting a new assignment here.

LICENSE RULING

The branch office of the Secretary of State at Adrian warned today that it had received from Lansing the following ruling: "Upon application for last half year license tabs, applicant must surrender the first half year tabs in every case, until August 25."

This means, the office says, that plates for the last half of the year 1943 cannot be sold unless the first half year tabs have been surrendered. It indicates, however, that such practice will not be necessary after the 25th of next month.

Michigan Sends 350,000 to War

IS APPROXIMATELY TWICE WORLD WAR I FIGURE; FIGURE MAY REACH 500,000 TOTAL

BY GENE ALLEMAN

(Special To The Herald)

Lansing, July 29.—Michigan's contribution of manpower to World War II is already more than double the entire record for the first conflict, 25 years ago.

Approximately 350,000 men and women(yes, don't forget the ladies!) have left Michigan homes in cities and on farms to serve in Uncle Sam's forces all over the globe. That is a bit more than a third of a million people—quite a legion.

World War I records list the following: Army, 152,598; navy, 19,413; marines, 3,348. Total: 175,329. Of the latter number 4,295 became gold stars on the state's service flag—2.4 per cent of all—and not all of those were killed in action, as influenza and other diseases took a heavy toll of lives.

* * *

In other ways the contrast is sharp. Our part in today's war has already exceeded the entire time of our participation in the first conflict. Instead of fighting one war—and with France, Italy and Japan among our allies—we have two wars on our hands; our troops are yet to land on the continent of Europe (when this column was written); and only four of our divisions saw action in Tunisia.

We still have a long ways to go before the boys march into Berlin and Tokio.

There appears to be a long, long trail ahead. But victory is certain. Of this we know.

* * *

It should be remembered also that the present rate of inductions is high, after a temporary lull last spring, and that fathers are still subject to call. A total contribution of 400,000 to 500,000 is not improbable in view of Washington warnings of preparations to carry on the war for six more years.

And yet, surprisingly and happily enough, the Michigan mortality rate of our modern world-wide engagements is up to be considerably less than 2.4 per cent. Airplanes and tanks are the front lines of today's fighting. They require a comparative small number of men to operate them. It is a mechanized war, so goes the new parlezvous version; 'not a war of mass movements and entrenched lines.

* * *

Word from Africa is encouraging with respect to the price paid for Allies victory. Tunisia was taken with an unexpected small loss of men and material. The same holds true, so far, for our invasion of Sicily. In fact, cocky as we always are—and Americans are the world's worst braggerts—Washington is now concerned over our optimism that the war would be over soon. Why look at the way we licked Rommel in Tunisia? And isn't Sicily already an easy push-over?

While the war-makers may worry about our complacency, it is a fact that the casualty lists have been small to date. And as for the boys who have been wounded—say, there's something else worth crowing about. Approximately 98 per cent of all American wounded men have recovered to date, leaving a mortality rate of only 2 per cent!

Our boys in the service are disgustedly healthy, too. They receive the best of food and medical care.

Every doughboy and sailor acquires a fatalistic attitude about his chances of returning home. Since only 2 per cent of the wounded die and since today's mechanized war has reduced the number of fatalities to date as compared with World War I, military service becomes a great adventure to the average young man and young woman.

* * *

As you contrast the state's participation in the two wars to date, you recall also how the Michigan State Police was a creation of the first war and that the state troopers were dispatched to the Upper Peninsula to check I.W.W. agitators attempting to stop iron mine operations. Today, the state administrative board plans to enlarge the home guards and maintain a permanent force at Detroit, equipped with jeeps, tommy guns and all else, ready for emergency duty for the next race riot.

In the last war the state war board bought tractors, seed corn and seed wheat and retailed them at cost to farmers. The voters approved a $5,000,000 bond issue and the legislature created a war board of which Col. Roy Vandercook, now with the Michigan Railroads Association, was secretary. Governor Albert E. Sleeper was chairman.

We have just received a new stock of Shox-Stok electric fence controllers, both wet battery and all-electric. Butler Motor Sales.

BOW YOUR HEAD

American citizens should not overlook the fact that John L. Lewis called off his coal strike only on condition that the government would operate the mines. The government strictly obeyed Mr. Lewis' terms. The implications involved in that capitulation of government to labor leader dictatorship, are staggering. The pattern is now perfected to set aside the right to private ownership and operation of property and establish state socialism, strike by strike.

Discussing this situation, the New York Times says: "Mr. Ickes may declare that the government has 'no desire and no plans for nationalization' of the coal industry. He may declare that it hopes to return the mines to private ownership 'at the earliest possible moment.' But meanwhile the government does precisely what Mr. Lewis has demanded.

"Even Mr. Ickes, after saying that he hopes government operation will be 'exceedingly brief,' adds, 'but I regret to say there is nothing that leads me to believe that this will be so.' And he emphasizes the fact the government is settling down on a long tenure of operating the mines at Mr. Lewis' insistence of announcing the appointment of Mr. Newton, president of the Chesapeake & Ohio Railway, as head of a government organization being built up to operate the mines.

"Thus the United States government, whatever its verbal protestations may be to the contrary, has in its actions accepted the terms of John L. Lewis. It has done nothing to enforce the War Labor Board's order for a contract. And the government will continue to operate the mines, according to Mr. Ickes (meanwhile collecting Mr. Lewis' dues for him) until there is reasonable assurance that the miners will work for private owners. This means that not only the miners, but any other group of workers, can now force government operation of an industry simply by declaring that they will not work for private owners.

"What the Administration is saying, in brief, is that it must accept John L. Lewis' terms because it is powerless to do anything else. It might review its labor policies of the last ten years, the one-sided set of laws it has placed on the books, and the one-sided enforcement policies of its agencies, to learn how it came to be so powerless."

And that is a picture before which every redblooded American should bow his head in shame—government impotent before a labor dictator—government violation of private property rights for a labor dictator—government collecting dues for a labor dictator—government powerless to employ a workman not sanctioned by a labor dictator.

Materials of WAR

Get Right-of-Way!

Yes, Uncle Sam has first call on the railroads of our nation—materials of war must go through, and rightfully—but we have been indeed fortunate in being able to obtain most of the materials needed to keep home buildings in repair for the duration.

We have a good stock of roof and sidewall shingles in colors that are certain to have eye-appeal. We also can furnish needed insulating materials, so important to the war effort because insulation reduces fuel consumption.

And may we also suggest that you place your orders immediately for storm sash and storm doors. Our mill is operating at capacity, but we will be glad to put your order in production to make delivery before cold weather arrives.

Don't neglect these important things about your home. Leaky roofs, poorly insulated attics, windows and doors—all of these things add to your winter's fuel expense.

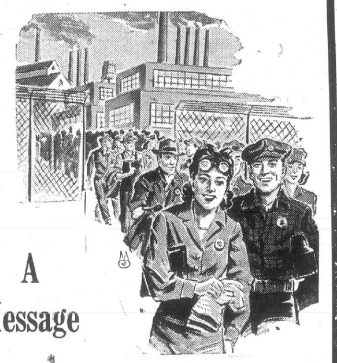
One of our every two families have at least two workers. Figure it out yourself how much beyond 10 percent of your family income you can put into War Bonds every payday.



A Message

To Busy War Workers!

Shopping today requires an endless amount of time because many stores are low on stock, due to the war effort.

This message, therefore, may save you a lot of shopping time because we have done our best to "keep in stock" many of the now hard-to-get items on many shelves.

Kitchen needs, pots and pans, paint, shelf hardware, many tools, electrical repairs, bicycle and auto repairs, radio and phonograph supplies, these are some of the items you'll find.

True, we haven't got a complete stock, but we're striving our hardest to serve you.

NEW STATE LAW AFFECTING MOTORISTS IS DRASTIC

There are teeth that really bite in the New Financial Responsibility Law—the motorist who fails to have adequate insurance coverage may lose his right to drive.

Unless an uninsured motorist can furnish proof that he can pay any claims that might follow an accident his right to drive is suspended. He cannot drive again until all claims are paid and he has furnished satisfactory proof of Financial Responsibility for the future.

A Wolverine "No Exclusion" policy is recognized as satisfactory Proof of Financial Responsibility and protects you under any and all circumstances. Ask us at once for full details.

Dynamic Wheat

(Continued from Page 1)

Mrs. Grant Schreder 20 bushels.

"We really expected more wheat than that," said Perry Hayden, "and are positive that the yield was cut by possibly as much as a third due to the wet weather, sparrows, and shelling out in the many times the wheat was handled and rehandled."

Perley Tripp, a veteran wheat grower from Franklin township said: "You had a good yield considering that you only planted 63 lbs. of seed to the acre. We always plant two bushels of seed (120 lbs.) per acre, in reality, had you planted two bushels of seed you might have had a yield of 34 bushels, which would be comparable to other wheat producers."

The three and three-quarters acres of white wheat owned by the Tecumseh Hospital Board was cut by combine July 23 and yielded 17.5 bushels of 58 lb. test wheat. Two bushels of seed were used to the acre.

"So actually" said Perry Hayden, "We don't think the Lord did let us down, we got about 17 fold increase where the adjoining field only got about 8½ fold., The difference in final yield was the price we paid for putting on a show for our friends. But even after paying out two tithes, we now have around 33,600 times as much wheat as we started out with three years ago."

David Kempf now has the wheat in his granary and will clean it this week.

There is some talk that the Tecumseh Friends church may plant the tithe of approximately 1.5 bushels, which will be presented to the church August 8.

WILD BILL ELLIOTT IN WESTERN SERIAL

According to advance reports Clinton Theatre fans are in for something new, on Friday and Saturday, July 30-31 when Columbia's latest chapter play starts its weekly run. Gun blazing action, suspense filled mystery and uproarious comedy are all combined in this thrill roaring serial of western advenuret. Bill Elliott was a middleweight boxing champion in his college days and still fights expertly. Those that know him are not adverse to mixing with Elliott, because of his superb control of his dukes. He hails from Pattonsburg, Mo., which is near the beef center of the nation and has learned to ride and rope at an early age. His buddy, Slim Summerville who is a veteran comedian and who has been laughed at for 29 years plays only a secondary part to that of Bill Elliott who is the star of the production.

The feminine lead is played by the typical model of 1942 Miss Carmen Morales, the dark eyed brunette beauty.

No, Madam, Quality in Not Rationed

With practically all of the essential processed foods and meats rationed, there's one fact that the housewife should not overlook and that is that QUALITY HAS NOT BEEN RATIONED.

QUALITY is mighty important in our every-day life—more important NOW than ever before. It is important today that we be able to use ALL of what we buy; we must make our ration points go their limit.

And that is where our store plays an important part. We have prided ourselves for over 75 years in the sale of QUALITY MERCHANDISE.

TECUMSEH

"I have seen a lot of washers that need repairs and parts that are hard to get these days, only because someone failed to follow instructions or use ordinary care," says Reddy Kilowatt, Your Electrical Servant.

"In peacetime this wouldn't matter a great deal since repair parts were easy to get and if necessary, a new washer could be purchased. But today washing machines are not being made and it's up to all of us to take care of them and make them last. If you neglect your electric washer it is just like committing an act of sabotage," says Reddy. "Your washer helps to protect your family's health. Good health is vital to our war effort."

Here are a Few Suggestions that Will Prolong Your Washer's Life and Save You TROUBLE . . . TIME and MONEY

When it's not in use leave lid slightly ajar to prevent moisture from collecting inside tub. Never let the extension cord lie on the floor. Inside of washer should be kept clean. Hard water deposits may be removed with vinegar water on a cloth. (4 Tbs. of vinegar to a pint of water.)

THIS IS IMPORTANT . . . Don't cram your washer full of laundry. Wash in a single batch only as much as your instruction book calls for, or less. Overloading prevents a good washing job, and also puts a strain on the mechanism. Don't start the machine with either agitator or wringer engaged. This could put enough strain on the motor to burn it out.

CARE OF WASHER WRINGER ROLLS . . . Spread clothes and use all of roll rather than letting them pile up in the center of roll. Don't allow clothes stick to get into wringer rolls. Adjust buckles and snaps so that they will not cut the rolls. Don't allow clothes that are in water over 140° F to be put through the wringer. Water of this temperature will soften the rolls. Release pressure on rolls when washing is completed. Remember rubber rolls for your washer are very hard to replace.

To Get Your
FURNACE REPAIRED

Don't give up in despair if your furnace needs repairs during these war times. There's not need for it.

True, repairs are coming through very slowly, but if you'll call us NOW and let us check your heating plant and order the needed parts you'll be sure of heat when winter comes.

The same holds true about the plumbing you so urgently need in your home. Plumbing supplies can be obtained but it, too, takes time to get them.

Call us for an inspection. Let us order the parts before the break-down comes.

ANNUAL SCHOOL MEETING DISTRICT NO. 7

Tecumseh, Michigan
July 12, 1943

The meeting was called to order by the President, Mr. P. C. Satterthwaite, at 7:40 p. m.

The minutes of the last annual meeting were read and approved.

The reports of the Secretary, Mr. John Larsen, and the treasurer, Mr. Earl Lindsley, were read and on motion approved.

Superintendent Berkhof again presented in his annual report a detailed analysis of the activities of the Tecumseh schools during the past year. Special emphasis was placed in the report upon the numerous adjustments made necessary in the school program as a result of the war and upon the various activities related to the war in which the school had been called upon to participate.

The annual report of the librarian, Miss Edith Ingersoll, was read and ordered placed on file. This report was supplemented by a financial report for the library given by Mr. Berkhof showing total receipt of $2,881.81, and expenditures of $2,419.10, leaving a cash balance of $462.71.

The annual report of the Athletic Control Committee was given by Mr. Fay Whelan and approved. This report indicates that total receipts for the fiscal year amounted to $5,156.73, including cash balance, and that expenditures for improvements and purchases amounted to $2,206.46, leaving a cash balance of $2,950.27.

The term of office of Trustee Dr. Brown having expired the meeting proceeded to the election of a trustee to the vacancy. The name of Dr. Brown was placed in nomination. There being no other nominations a motion was made and seconded that the nominations be closed and that Dr. Brown be declared elected. The motion was carried.

The communication from the Secretary of the Board of Education calling attention to the need for immediate careful planning in the matter of an expansion of school facilities lead to a general discussion of the proposal that steps be taken at an early date to facilitate such an expansion. Following the discussion it was moved and seconded that the chairman appoint a committee of three citizens in the community to confer with the Board regarding possible future community growth and development and to assist in the planning of such building or buildings as may be necessary. The motion was carried.

Upon a motion made and seconded the meeting was adjourned.

JOHN LARSEN, Secretary

Tecumseh, Michigan
July 12, 1943

To School District No. 7 at the Annual Meeting:

You have heard the reports of the superintendent and the report of the Audit made by a certified Public Accountant, so that any report by the Secretary would be superfluous and unnecessary.

Your secretary wishes to bring to the Annual Meeting the question of future growth of the facilities of the District which are now inadequate to meet the requirements of the students and the Teaching staff. It is hardly necessary to enumerate the short-comings of our present plant and the needs of the future.

Your Board has been asked by the State Department of Public Instruction to plan now for the future so that plans may be ready for the time when Peace will be declared and for the period of transition from a war economy to the economy of peace. We should be ready as soon as possible with full plans for the building and location with all the prelegal matters taken care of so that there will be no delay and also that we may be in on the ground floor when we are asked for our plans. May I remind those present that the situation will be some what analogous to the case of the village storm sewer project some 10 years ago when the village was given a $60,000 grant by reason of having had prepared just such a plan in advance of the announcement by the Federal Goverment of the conditions under which aid was granted to public subdivisions and at a small cost to the Village.

I propose that the District at this annual meeting approve the appointment of a committee of three to confer with the Board in the planning for such building or buildings as may be deemed necessary. At a later date the matter can be referred to the District for ratification and appropriation of necessary funds.

Our neighbor, Adrian, is planning to set funds aside now to create a building fund for just such future requirement.

As one member of the Board, I believe it would be of help if more of the parents of children and district residents would give to the Board or its Superintendent the benefit of any suggestions for the good of the school as may come to their attention.

Respectfully submitted,
JOHN LARSEN, Secretary

Board of Education
School District No. 7
Tecumseh, Michigan
Gentlemen:

We have made an examination of the books and records of your school district for the fiscal year ended June 30, 1943 and submit our report herewith which consists of the following:

- Statements of Receipts and Disbursements for Fiscal years ended June 30, 1943 by various funds and classifications.
- Recapitulation of Extra Curricular Activities Fund
- State of Various Class Funds
- Comparison of Receipts and Disbursements for years 1942 and 1943

These accounts have all been examined to the extent necessary to satisfy us as to their accuracy. All receipts were traced to the bank. The collection of taxes were verified with the township clerk, and the bank balances reconciled and verified with the bank.

There is a balance of bonds outstanding of $3,000.-00. These bonds are dated October 20, 1939, bear interest at the rate of 3% and will be due April 1, 1944 and April 1, 1945 in equal payments of $1,500.00.

All insurance policies were examined by us and in our opinion the property of the school district is covered by fire, windstorm, war risk, boiler and compensation insurance in sufficient amounts. The Treasurer is under a $10,000 bond.

There are current bills unpaid as of June 30, 1943 of $985.66. These bills will naturally come under next year's budget.

The balance in the bank are divided into the following funds:

$1,599.45	Debt
462.71	Library
17.77	General Fund
2,079.93	

All disbursements of cash have been authorized by the proper officials and supported with the proper data.

We have examined the records of the treasurer, which is a copy of the records kept by the bookkeeper and find them in agreement. We suggest that this duplication of work be eliminated and the treasurer check the records of the bookkeeper periodically if it is necessary to satisfy him that they are correct.

The books of the district are very well kept, correct in detail and any information desired is readily obtained.

Respectfully submitted
EDWARD W. SMITH & CO.

STATE OF MICHIGAN,
COUNTY OF LENAWEE. ss.

I, Robert B. King, Clerk of the County of Lenawee and of the Circuit Court thereof, the same being a Court of Record, and having a Seal, do hereby certify that I have compared the foregoing copy of COURT ORDER with the original COURT ORDER now remaining in my office, and I have found the said copy a correct transcript therefrom, and of the whole thereof.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Circuit Court this 15 day of June A. D. 1943.

R. B. KING,
Clerk.
By DOLORES SMITH,
Deputy Clerk.

AN ORDINANCE

An Ordinance to Amend an Ordinance to Provide for the Collection of Employees Victory Tax Pursuant to the Requirements of the U. S. Revenue Act of 1942.

The Village of Tecumseh ordains:

Section 1. Deduction to be made. That, beginning with the first payroll after July 1, 1943, the Village Clerk and/or Village Treasurer is hereby authorized and directed to deduct and withhold from the wages or salary paid to each officer or employee of the village, the tax of twenty (20%) per cent of the excess of each wage payment over the withholding exemption, allowable under the schedule shown in sub chapter D, chapter nine (9), Internal Revenue code of 1943.

Section 2. Accumulation, depositing and payment of funds: The Village Clerk and/or Village Treasurer at the time of making up the payroll or immediately thereafter, shall transfer the monies deducted therefrom under the provisions of this ordinance to a separate account in the United Savings Bank of Tecumseh, Michigan, where they shall be deposited and designated as a withholding tax account. The monies accumulated from such withholdings during each quarter of the calendar year shall be paid by the Village Treasurer to the United States Collector of Internal Revenue for the District in which this Village is located on or before the last day of the month following the close of any such quarter, or in such other manner or time as the collector of Internal Revenue or Secretary of the Treasury may designate.

Section 3. Report of Tax Withheld. The Village Clerk and/or Treasurer shall furnish to each employee, from whose wages withhold taxes, a written statement (W-2), showing the wages paid and the amount of tax withheld during the calendar year. This statement (unless an extension of time has been previously granted by the commissioner of Internal Revenue) shall be given to the employee on or before January 31 of the succeeding year; or, if the employment ends before the close of the year, or the day on which the last payment of wages is made.

In case of intermittent employment, when at the end of any term of employment, it is not expected that the employee will be re-employed, then a statement must be furnished him for the amount of tax withheld from payment made during the term of employment.

With respect to the calendar year, 1943, only one statement is required, It should cover the five (5%) victory tax withheld, beginning January 31, and the twenty (20%) per cent tax withheld, beginning July 1.

Section 4. Amendment. The provisions of all ordinances or parts thereof now in effect relating to the payroll procedure of this Village inconsistent herewith or with the provisions of the Revenue Acts of 1942 relating to the victory tax are to that extend modified.

Section 5. Emergency. This ordinance is hereby declared to be an emergency measure made necessary for the preservation of the public peace, health and safety and to meet the requirements of the Revenue Act of 1943 and shall take effect immediately.

J. FLOYD ELLIOTT,
Village President.
Attest: WADE L. JONES,
Village Clerk.

The entertainment, which will launch the War Bond and War Savings Stamp campaign in this community, is under the sponsorship of the local chapter of the S.P.E.B. S.Q.S.A. There will be no admission fee, the only requirement for entrance being the purchase at the gate of war savings stamps or bond.

The complete program will be announced in the next week's issue of The Herald.

Floyd Bracey, Aged 24, Ends His Life With Gun

Floyd Bracey, aged 24 years, took his own life with a shot gun late Thursday. The body was found in Riverside Park at Morenci by a group who had gone to the park for a picnic. Mr. Bracey was employed by the American Chain and Cable Co. in Adrian. He had lived in Tecumseh a few years ago after his marriage to Miss Frances Teske of Tecumseh. Later they moved to Morenci.

Besides the widow he leaves a six months old daughter, his father Clark Bracey of Brooklyn and his mother Mrs. Harley Dewey of Morenci.

No reason for his act is known. Coroner Ed. M. Braun of Adrian decided an inquest was unnecessary.

Funeral services were held Sunday at the Stockwell Funeral Home in Morenci. Rev. H. J. Salmon officiated and burial was in Oak Grove cemetery in Morenci.

ENGAGEMENT ANNOUNCED

The engagement of Miss Evelyn McAtee of Tecumseh to Pvt. Howard F. Hillman was announced at a family dinner held Sunday at the home of his sister and husband, Mr. and Mrs. Edwin Clingaman in Palmyra.

Pvt. Hillman has returned to Camp Shelby, Miss., after 15 days furlough.

75-Year-Old Ridgeway Methodist Church To Be Scene of Celebration Next Sunday

The Ridgeway Methodist church will celebrate its 75th anniversary during the week of August 8-15. The program will open Sunday evening with a special service in charge of the Women's Society of Christian Service. On the evening of August 11 the young people of the congregation have obtained Dr. Leslie Sayre, a former Methodist minister to the Belgian Congo, Africa, as the speaker.

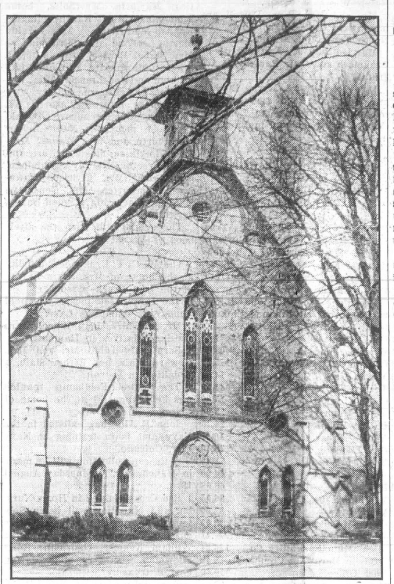
A Jubilee Banquet will be held Saturday evening, August 14, for which an outstanding program has been planned. Dr. Harvey Seifert of Adrian College will be the speaker at the closing service Sunday morning August 15.

The Methodist Episcopal circuit was organized in 1832 with the Rev. Jas. F. Davidson as pastor and Rev. Thos. Wiley as assistant pastor. Charter members were Peter Miller, Lydia Miller, Henry Graves, Polly Gaves, Isaiah Collum, Eliza Collum and Aaron Wright. In 1837 the society at Ridgeway was organized with a class of 54 members and three probationers. In 1852 the Ridgeway and Tecumseh circuits were separated and the Ridgeway circuit became independent with 116 members, nine probationers and three local preachers. In 1859 fifty persons were added to the church.

In 1867 the old frame church which was built in 1845, was sold and a new brick church was erected at a cost of $18,000 and completed and dedicated in 1868 free of debt. The former church now stands as a part of the Barnes garage. On April 26, 1931 a history meeting was held to honor those active in the church history. At that time a large oil painting of Simeon Davidson was unveiled and a picture of Christopher Barrett was on display. Mr. Barrett gave $4,000 including the lot for the new church and Mr. Davidson gave $4,000 and solicited funds for miles around.

The present church is of Gothic design, 36 x 78, plus organ lift. The first floor has a large vestibule, Sunday school room, ladies parlor, two small class rooms, kitchen, study and furnace room. The second floor has an auditorium seating 333 and a gallery to accomodate 50. Several memorial windows have been placed, and in 1915 the church was re-frescoed, slate roof put on, steam heating plant and electric lighting installed. The new parsonage was built in 1902.

Rev. A. B. Johns is the present pastor of the church.



Power Company Playing Fade-out With Lights

The Consumers Power Company has been playing a "now you see him, now you don't" game with the boulevard street lighting system during the past 10 days, the result of a freakish prank played by lightning during recent storms.

The reason the West Chicago boulevard lights have been off more than they have been on in the past 10 days is due to a ground in the cable that is buried in the boulevard. Lightning struck the cable and caused it to "leak" and thus far electricians have found five or six breaks. They repair them, the lights come on for a time and then fade out, indicating another ground.

Officials of the power company said yesterday that under normal conditions the old cable would be torn out and new cable installed. But these are war days and where to find new cable the company doesn't know.

"We think we've got them fixed," S. Henry Smith, of the company said, "but we can't be sure. It's a game of fix and try until we find all of the trouble."

TAX DATE EXTENDED BY VILLAGE COUNCIL

The date for the payment of village taxes without penalty was extended to September 7 by the village council, in regular session, Monday evening.

The council also granted a permit to Mrs. Claude Erwin to operate a trailer camp on East Kilbuck street. The carry-out beer license, formerly held by E. B. Kimball, was transferred to Edward Clark, who has leased the Kimball grocery. Current bills were audited and ordered paid and the reports of officers and committee heads were read and placed on file.

DOGS ATTACK SHEEP

Dogs attacked a flock of sheep on the Percy Morgan farm near Macon Thursday, biting one animal. The dogs were shot at but escaped. Sheriff's officers are investigating.

MARRIAGE ANNOUNCED

Miss Marie Blodgett of Clinton and Orris Jones of Tipton are announcing their marriage which occurred July 7. They are making their home in the Collins apartment.

Rotary Club Votes To Aid In War Bond Drive

The Tecumseh Rotary Club voted unanimously to assume leadership in the September War Bond drive in Tecumseh as a part of the organization's contribution to community service. The action was taken at a club service meeting, Tuesday, following noon-day luncheon at Brees House.

The September bond drive will be launched nation-wide for the purpose of raising some 15 billion dollars. Tecumseh's quota, it is expected, will approximate $250,000. W. L. Berkhof is chairman of bond sales locally.

Tuesday's Rotary meeting was under the direction of J. R. Thompson, chairman of the club service committee. Mr. Thompson spoke briefly upon the duties of his committee and Mr. Berkhof, Wm. Bruce and W. L. Jones, other committee members, also spoke.

Dynamic Kernels Tithe To Be Presented Sunday

The tithe of the 1943 crop of the "Dynamic Kernels" will be presented by Perry Hayden to the Rev. Clifton J. Robinson for Cleveland Bible College at the evening meeting of the Tecumseh Friends Church at 7:30 o'clock on Sunday.

It was on Sunday, September 22, 1940 that the Rev. Mr. Robinson preached in the Tecumseh Friends church from the following text, which inspired Mr. Hayden to carry out the tithing project which is now in its third year: "Verily, verily, I say unto you, Except a corn (or kernel) of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit." John 12:24.

Mr. Robinson is now serving as the pastor of the West Park Friends church in Cleveland, Ohio. Mrs. Clifton J. Robinson is a granddaughter of the founder of Cleveland Bible College so that it is very fitting that her husband should receive the tithe of the third crop of the "Dynamic Kernels" on behalf of Cleveland Bible College. The public is invited to this service.

DIES IN ENGLAND

Mrs. John Boldon has received word from England of the death of her mother Mrs. Janet Hepplewhite, which occurred January 27. Mrs. Hepplewhite who was aged 90 years, died in a hospital. Her home was at Dustin-on-Tyne just across the river from munition plants which were bombed early in the war. Nothing had been heard from her since and Jack Boldon who is in England with the U. S. Army forces was planning to try and locate his grandmother. Previous word of her death had been sent to Mrs. Boldon but had never been received here.

NOW A LIEUTENANT

James E. McClure of Tecumseh has graduated from avdanced flying school at Foster Field, Texas, and has been commissioned a second lieutenant.

We have just received a new stock of Shox-Stok electric fence controllers, both wet battery and all-electric. Buller Motor Sales.

Defense Shops Need Workers

2,500 JOBS AWAIT LENAWEE MEN AND WOMEN WITHIN NEXT 12 MONTHS

The War Manpower Commission at Adrian today appealed to Lenawee county men and women not now steadily employed to go at once to their nearest factory and offer their services in the war effort.

"To work is a patriotic duty," Clifford Rice, head of the Adrian office, declared. "Within the next 12 months there will be 2,500 new jobs opened in defense plants in Lenawee county. They must be filled, our war effort must not lag. We must fill these jobs with Lenawee residents or we must import men and women to fill them."

The WMC is of the opinion that there are many men and women in the county who could accept defense plant jobs but perhaps they are hesitating because of age or some other reason.

In the Tecumseh area, it was said, all persons not now steadily employed should report to local factories for work. Tecumseh plants are sorely in need of both men and women. If employment cannot be found here, the WMC asked that the unemployed person register with the Adrian office that assignment may be made elsewhere.

Persons now steadily employed in essential industry cannot be shifted from one plant to another without a statement of availability. In other words, they must be released from their present job either by their employer or the WMC.

"There's a big job to be done and we all must help. To work today is a patriotic duty. I feel certain that there are many people in Lenawee who are idle or only partially employed who would be willing to take up a large part of the 2,5000 jobs available," Mr. Rice said.

DRILL TEAM MEETS

Mrs. Jesse Nichols entertained the Royal Neighbor drill team for their regular meeting last Tuesday evening. Following the business session tables were arranged for progressive pedro and prizes were won by Mrs. Jennie Hodges, Mrs. Carl Glancy, Mrs. Martha Nye and Mrs. George Kopka. Refreshments were served at the close of the games.

Mrs. Ervie Raymond will be hostess for the next meeting.

FIRE DAMAGES HOUSE

The fire department answered a call to the home of Pete Barnes on Adrian street Monday afternoon where a kerosene stove had exploded and set fire to the kitchen. The rear of the house was badly damaged and the loss is partly covered by insurance.

PARTNERSHIP FORMED

A notice of the dissolution of a partnership between James W. Brady, Jr., and George Brady, operator of Brady's Pool Room has been filed with the county clerk, and a certificate of co-partnership in the same business has been filed by James W. Brady, Jr., and Opal M. Brady.

Teacher Crop Is Very Short

MANY SCHOOLS WILL NOT OPEN; RURAL AREAS MOST SERIOUSLY AFFECTED

Washington, D. C., Aug. 5.—Thousands of schools will not open their doors this Fall. Most of them are located in the open country and villages of the nation. During the last school year in an effort to prevent schools from closing before the end of the term, school authorities issued 38,736 emergency certificates. These were given to men and women willing to undertake teaching but who lacked the qualifications required for normal certification.

More than a million children in the schools of the nation, according to the National Education Association, will sit in classrooms over which these only partially qualified teachers preside during the coming year. About one-half million of these children will attend rural schools. More unfortunately still, according to the national professional organization of teachers, an estimated 400,000 children in 25,000 classrooms will have no teachers at all, or will attend school in greatly abbreviated terms next year.

The teacher shortage, while confined largely to those areas of the United States classified by the Census Buresu as rural, is not restricted to any geographical area. Reports from all states are disconcertingly similar. The State Department of Education in Wisconsin reports that the demand for teachers exceeds the supply by 2,251. Of these, 1,016 positions are in rural schools, and unless teachers are obtained between now and September nearly that number of classrooms will not be open to students of that state next Fall. "The teacher market," says an educational leader of Wisconsin, "has passed from the acute to the alarming stage and threatens to become desperate by September." The situation "requires drastic measures to meet an unprecedented emergency."

Arkansas was among the states first to feel the effect of the teacher shortage. A total of 1,683 emergency certificates was issued in Arkansas last year. The state of Georgia reports that the turnover in rural areas of teachers in high school positions was 46 percent. Temporary teaching permits were granted to 2,250 men and women willing to aid in the emergency. Kansas school authorities granted emergency certificates to 1,200; Iowa authorities certificated 1,500 persons for emergency teachings.

Teachers are being lost to their school systems for a variety of reasons, some of which operate in peace time as well as in wartime. Out of every 100 teachers who quit their positions last year 24 left because of marriage; 33 out of each 100 entered another teaching job. Twelve percent of the teachers who left their positions entered war industries or government jobs. A substantial percentage of the remaining 30 percent entered the armed forces or the auxiliary services.

The teachers who are leaving the profession for war industries and government positions are doing so almost entirely because of the higher salaries paid in factory and office. While the average pay of teachers throughout the nation as a whole is about $1,500 a year, 40 out of every 100 teachers in the United States are getting less than $100 a month. About 66,000 are paid less than $600 a year and 10,000 get less than $300 a year.

Charwomen in government buildings in the nation's capital are paid $1,200 a year. Untrained clerk-

MONDAY CLUB PICNIC TO BE HELD AUG. 9

Mrs. Clarence Fisher and her officers announce that the annual Monday club picnic will be held at the country home of Mrs. Guy T. Pocklington, two miles south of Ridgeway, on Monday evening, August 9 at 6:30 o'clock. All members are cordially invited and if transportation is needed or can be offered, Mrs. C. R. Dustin should be notified by noon Monday. Members should bring table service and a dish to pass.

ANNUAL PICNIC

The Baptist Sunday school held its annual picnic Wednesday at Elliott Park. Games and sports in charge of the Young Blue class and supper was in charge of the Good Cheer class. During the evening session reports of the recent meeting at Hillsdale College were given by Mrs. O. V. Robinson, Misses Ellen Snedecor, Alice Schumm and Colleen Davidson.

INFANT DIES

Dirk Earl Vanderpool, infant son of Mr. and Mrs. Lawrence Vanderpool died July 22 at Tecumseh hospital. The child was only five days old. Burial was made July 23 in Maple Shade cemetery at Onsted. Rev. J. C. Murdock officiated.

Lieut. Leland E. Luke Dies In South Atlantic

Mrs. Carl Glancy and Mrs. Ernest Gregory received word last Thursday that their nephew Lt. Leland E. Luke, had been killed July 25 in the South Atlantic. Lt. Luke was pilot of a Flying Fortress which crashed with another plane and exploded.

Lt. Luke was born in Blissfield and was the son of Mr. and Mrs. E. O. Luke, who now live in Cleveland. He would have celebrated his 23rd birthday August 12 and on the same day notice of his death arrived, word was also received that he was expecting a furlough this week before leaving for overseas service. He had been in service two years receiving his early training in Texas and graduating from Army Air School in Florida. Recently he had been head pilot of a squadron of Flying Fortresses patrolling the Atlantic between Florida and Cuba.

He leaves the widow, a daughter four months old, a son, one year and a half old all in Cleveland with his parents, also four sisters and one brother.

The body has not been recovered.

Lutherans Here Will Celebrate

SUNDAY MARKS CHURCH'S FIFTH ANNIVERSARY; HAS MADE RAPID PROGRESS

On Sunday, August 8, the Grace Lutheran church celebrates its fifth anniversary and mission festival. The anniversary service will be held at 11 a.m. with Rev. A. G. Wacker of Ann Arbor delivering the sermon. The annual mission festival will also be observed with two mission services, one at 3 o'clock with Rev. M. C. Bernthal delivering the sermon and the other at 8 o'clock with Rev. K. Vertz of Detroit delivering the sermon.

On August 14, 1938 the first Lutheran service was held in Tecumseh in the Braun building on East Chicago Blvd. At this opening service conducted by Rev. A. G. Wacker of Ann Arbor, R. W. Scheele was ordained and installed as first pastor of the mission.

On September 11 of that same year a Sunday school was begun with 17 members registered. The first adult instruction class was begun October 6, 1938 and the 12 members were confirmed January 29, 1938. The congregation became officially an organization when its constitution was adopted and signed January 23, 1939, with 13 voting members signing. The officers elected were C. R. Henkel, president; C. A. Wagner, secretary; Otto Teske and Wm. Korth, deacons; Harvey Dinse, Albert Filter and Herman Blohm, trustees. In February, 1939 the Ladies Aid Society and Men's club were organized.

In the fall of 1939 a committee was appointed to investigate the purchase of property and the building of a new church. This idea was hurried considerably when on March 23, 1940, the Braun building and its contents were destroyed by fire. Services were then conducted at the new home of Mr. and Mrs. C. A. Wagner and later at the Episcopal church in Clinton. The house purchased on Maumee street was remodeled for the pastor and his family who moved in June 18 and on August 27 plans were completed for the building of a new church, not to exceed $4600. The basement was excavated September 2 and dedication services were held on December 1, 1940.

During the past five years the congregation has increased from an average attendance of only 30 to 170 persons, 98 communicants and 33 voting members, with an average attendance of 85. In this five year period 50 persons have been confirmed, 45 children and 17 adults baptized.

A reunion banquet for those confirmed was held Thursday evening in the church with 44 of the 50 in attendance. Rev. H. Engel of Saline was the speaker.

On August 14 there will be no Sunday school or church service. The worship service will be resumed August 22 with a guest preacher in charge and Sunday school will be resumed August 29. Meetings of the Young People's Society and Ladies Aid Society are suspended during August and will resume regular meetings in September.

Young Tells of Iceland Beauty

IS LAND OF DAYLIGHT, FLOWERS AND BIRDS, SOLDIER WRITES HIS FRIENDS

Jon Young, former instructor at Tecumseh high school and who for nearly two years has been a member of the American Army, writes an interesting letter giving his impressions of Iceland, where he has been stationed since May, 1942.

Mr. Young's letter, written to a friend here, and which passed the American censor, follows:

For a very long time it has been my great wish that I might write and tell you about this strange land of many contrasts. At last that permission has been granted. This is the first in a series of letters intended to acquaint you with Iceland. After a forced silence of 14 months, you may be sure the floodgates are now opened with genuine pleasure. It is hoped that from these letters you may derive some measure of information and enjoyment.

Perhaps your impression of Iceland is as vague as mine before arrival. In this global war of men and maps, it may be truly said that we are becoming more global-minded. However, I shall assume that we were once alike in thinking Iceland a far north Atlantic little fog-bound country. First lessons in American history told us that Leif Ericsson, son of the Viking warrior, Eiric the Red, and discoverer of Vinland once lived here. Longfellow in his poem "The Skeleton in Armor" and the "Walrus Tooth" mentions Iceland by reference. From news-reels we knew that Icelandic winds could bend men double. Somewhere we had read there was nary a tree. Cartoons had pictured it a land of Eskimos and bitter cold. With these meager scraps of information, I departed from my native land with the silent prayer that the Lord might see His way clear to alter the course of my stars by simply changing the letter "c" to "r."

It isn't my purpose to acquaint you with Iceland through the eyes of a Cook's Tour, but rather to relate my experiences and what was learned as a result of them.

Upon first sight of land in May, 1942, I jotted the following in my journal. "My first impression of welcomed land was a long strip bordered by a range of distant mountains. A number of ancient looking fishing smacks were putting out to sea. One passing near us with a top-heavy smoke-stack labored and coughed like an old Ford approaching the last milestone of life. Riverywhere were signs of bird life—terns, gulls, fat black and white ducks. A procession of five large black winged gulls crossed our bow just above the deep blue.

NONSENSE MUST CEASE

One effective weapon against inflation is greater production of consumer goods. Taxes and bonds can never be made to absorb all of the war inflated earnings of the people. Moreover, it is becoming evident that price ceilings are a limited success. Therefore, to help maintain stability there must be sufficient production of necessities to furnish an outlet for consumers' dollars. If there is no such purchasing power outlet and wages continue to spiral upward, accompanied by astronomical government borrowing, the inevitable result will be more and more inflation.

Civilian production should not be curbed any more than is absolutely necessary to armament demands. The nonsense of artificial restrictions on production merely to make the people realize they are at war, must cease. Lengthening casualty lists carry their own tragic story.

In addition to stepping up production, the reams of red tape entangling retail distribution must be removed. Rationing and price regulations must be simplified. Attempts to stop inflation by bludgeoning retail prices back to lower levels, regardless of costs, should be abandoned before the distribution industry is demoralized. The average merchant, operates on paper thin margins.

If the "get tough" theorists persist in hunting for excuses to curtail production and distribution, instead of hunting for means to achieve greater production and more efficient distribution, the country will have not only inflation but thousands of crippled industries. And instead of being able to sit in Washington issuing decrees from swivel chair to co-operative, organized retailers, the price fixers will be forced to chase up and down the back alleys of the nation in a vain attempt to catch black market operators.

YOUR HOME

Let the sun shine—on your home, while you get it ready for winter; and when cold weather comes, your heat-tight home will be as comfortable as on sunny days in mid-summer! Every home must be conditioned so as not to waste fuel: heavy equipment must be put in good repair: to help Uncle Sam help our boys to Victory.

INSULATE: If you will pay us a call we will be happy to tell you to quickest, easiest, and least costly way to insulate your home. Insulated homes, you know, are heat-tight in winter. Coal bills are reduced.

REPAIR ROOF: The roof is one of the waste-spots of your home, because it may riddled with cracks and holes too small to see, yet big enough to waste fuel heat. Repair it now, before winter comes.

STORM SASH, DOORS: Here's two mighty important factors in your heating problem. Storm windows and doors actually pay for themselves in a short time through the savings effected in winter fuel.

CAULKING: Another mighty important step. Seals your home against fuel waste. It's easy and inexpensive.

cal workers on federal jobs receive $1,440 a year, while the minimum professional government salary is $2,000. Recent action of Congress increased the pay of government workers in order to enable them to meet living costs, which have risen throughout the Nation about 25 percent since the war began. Teacher's salaries in the meantime have increased only 8 percent. In many places there has been no increase at all.

Steps taken to check the teacher shortage include: (1) Increase of teachers' salaries. This has been accomplished by increased taxation in some communities and by larger appropriations from the state treasury in others, or both measures; (2) An appeal to ex-teachers to return to the profession for the duration; (3) The maintenance at teacher training institutions of "refresher" courses to aid former teachers to bring their professional knowledge up to date; (4) Removal of the ban on married teachers which is still in effect in many school systems; (5) An appeal to teachers to remain in the profession if they are financially able to meet the cost of living at the salaries paid; (6) A drive to increase enrollment in the teacher training institutions, which has for some months been rapidly declining; (7) The passage of a bill now before Congress—S. 637 in the Senate and H.R. 2849 in the House of Representatives—to provide federal assistance to schools direct to state departments of education without any government supervision or control. This measure would make available $200,000,000 with which to increase teachers' salaries and $100,000,000 to equalize educational opportunity in states and communities where the schools as a whole are sub-standard because of the absence of local resources which will permit adequate support.

Local Library Receives $67.47 Aid From State

The Tecumseh public library received a check today for $67.47 from the Michigan State Board for Libraries, Miss Edith L. Ingersoll, local librarian announced.

This amount represents the second half of the library's 1943 grant from the State Aid to Libraries Fund.

Coming with practically no strings attached, once a library has qualified, the state aid grants may be used for books, salaries, supplies, and equipment, or to keep the library open more hours.

The grants, in fact, represent a bonus given to the library because the local tax support is being maintained. If the local tax support drops, the library will not qualify for a future grant from this fund. These grants also assist the library in meeting the standards set by the State Board for Libraries.

"In the second year of total war, these added state funds are a boon," declares Miss Ingersoll. "Yankee flair for making the most of what you have in lean times means that libraries must keep at hand a variety of timely and practical aids."

People want the best help they can get on all angles of family living and recreation, she points out. Women are coming to their libraries for books on fabrics, dress design, and the wearing qualities of substitute materials. Housewives are asking for help in feeding their families on a ration book. With pressure cookers scarce, Victory gardeners want to know how to dry vegetables and fruits so as to store up all the vitamins.

Calls for information about America's fighting forces vie with those for details about world geography. Now that sons and daughters are stationed throughout the world, the globe has taken on friendly proportions. How to join WAC or the WAVES and the best place to get nurses' training, along with a thousand details about the United Nations, are among questions being raised frequently in wartime Michigan libraries.

Young Tells

(Continued from Page 1)

water. To my right I was surprised to see a stretch of level grass land extending to the base of a gaunt bleak looking range of mountains.

Later while riding through the streets of a strange city, I peered anxiously in every dooryard for a tree. My reward was four spindly ones, struggling through with their first green.

For several months I was to live on a hillside serving as a buttress for a high plateau. From the rear door of my hut I could see a hot water stream below while far off beyond the valley a range of snow-tipped mountain stood guard upon the horizon.

We settled ourselves with surprising rapidity. Before 24 hours had elapsed after our arrival cots were up and made with clean sheets! Kitchen fires were started, and we had walked a mile to take a much needed shower in a hut where hot water ran continually from a nearby stream.

My first morning in Iceland was spent washing clothes in the hot water stream. By nine o'clock quite a number of us had assumed various positions along the banks.

Laundry methods would have delighted many a mother. Those advocating the "swish-swash" method strode gallantly into the middle of the stream dragging their clothes, tied to a rope, behind them. Others washed in old gasoline tins, while a few rubbed them on a board or whacked them with a paddle. The current was steady and more than one pair of shorts floated past closely followed by long legged worried owners running along the bank.

During those first days we made a number of discoveries. The weather reminded me of late October at home, but was as fickle as a woman. Long hours of daylight set our bed-time schedules awry. It was as if we had come out of the night and we found it so difficult to sleep that we created our own night by putting blackouts at the windows. To look outside at 3 a. m. and see farmers raking hay in the valley below, was an event of endless wonder. Apparently Icelanders never thought of going to bed in the summer. Icelandic money is referred to as Kronur. At first it was quite a novelty (American coins are now) 100 Kronur equals about $15.00. Bills come in 1, 2, 5, 10, 50, and 100. I know the man who signs the money, but it has made me no richer. Each Kronur is divided into 100 aurar, issued in denominations of 1, 2, 5, 10, 25, 100 Kronur bills are large and pink!

One evening accompanied by a group of friends, I took a hike. Walking across a wide stretch of bog, we were amazed at the number of flowers in bloom. Violets, yellow and blue, forget-me-nots, wild strawberry and crow blossoms peered from maiden-hair surrounding green hummocks. Large shiny black snails slithered slowly over the rocks. Half-way up a mountain we stopped to rest on a grassy plot. It was 11:20 p.m. Sitting down we gazed in wonderment at the scene below. The peaceful valley was cleft in the middle by the winding hot water stream from which wraith like vapors floated idly upward. Just above this gossamer veil flew the delicate white tern, one of the mysteries of Icelandic bird life, for no one has ever been able to locate its winter home. On either side of the stream were green fields with yellow patches of butter-cups. Scattered throughout the valley were trim white farm houses with barns attached, their red roofs in sharp contrast with the green fields. Directly below was a field of potatoes and two green houses. To the south was the city of Reykjavik and the harbor dotted with ships, gleaming like bars of gold in the setting sun. Completing this picture was Snaefellsjokull dwarfing all other mountains across the bay and resembling a print of Fujiama with its white crest. It seemed impossible that it could be 75 miles away, so deceiving its distance in this country. Suddenly I realized how wrong I was to have written in my journal soon after my arrival—"It seems to me that this is a land created by God as an afterthought. Perhaps he had some barren mountain ranges, a few glaciers, some bags of bog left over. No wonder Leif Ericsson sought to escape these barren shores 500 years before Columbus braved the unknown terrors of the deep." From this evening forward my re-education began.

Last summer I came to admire the great escarpment which seemed to dominate our physical environment. Its appearance was never quite the same. Wreathed in mysterious clouds, there were times when I was reminded of Mt. Olympus. There were days when it was quite hidden in a mantle of sullen clouds hiding the ancient gods who were holding a conference about the weather. On quiet evenings the mantle was thrown aside for a great encircling white scarf. Ocean breezes would ruffle the scarf, tearing it into soft shreads floating with feathery ease over precipitous cliffs to hang in suspension like a halo tinged with gold by the setting sun. Suddenly a gust of wind would sweep upward, brushing and carding the strands into tufts, which when they floated aloft were turned to pink, soft purple and dun.

Those were the evenings when like Silas Marner I seemed to "go out of myself,"—hurrying out across the ocean into the glowing sunset—to dwell for a brief time among our yesterdays with the long long thoughts of home, loved ones and youth. I have seen eyes grow dim in the setting sun; that moment when a deep well of yearning overflows within. It is a good time for silence when eyes look out to sea.

Months later when I moved away I missed the shelter of the great escarpment. Often at night I go to gaze at it, now far away silent, majestic, beckoning me like an old friend to come and scale its heights.

Down the road from our camp was a restaurant where egg sandwiches, coffee, tea and Danish looking pastries were sold at what seemed to be Yukon prices. It became quite a spot for a late snack. Several blondes lived in this vicinity, who at times disported their charms on the banks of the stream. To a few with field glasses, the sight of these lovely creatures, delicately screened by vapours, was a subject worthy of any Petty drawing.

With the passing of the second month the first strangeness passed also. How I longed for the sight of a friendly maple or a group of stately elms to grace the landscape, but hay-cocks in the fields, the white geese gabbling on the marshes, the gulls winging out to sea in the evening, held an association in memory. The Icelanders bouncing along in their long dump-trucks with a pot of flowers fastened inside against the windshield, the strange language of near-by workmen, and the rumbling milk-carts drawn by small sturdy ponies—all these became a part of life's daily scene. Many of us soon lost ourselves in work and the days marched rapidly along.

Miss June Costigan Bride of Sgt. W. F. Green

Miss June Costigan, daughter of Mr. and Mrs. W. S. Costigan of West Chicago Blvd., became the bride of Staff Sergeant Woodrow F. Green, son of Mr. and Mrs. Francis H. Green of Saginaw, at a ceremony held Wednesday afternoon at 4 o'clock in the rectory of St. Mary's Cathedral in Saginaw. The Rev. Fr. Felix Vogt read the single ring service. Miss Arline Boertman and Michael Gerard Green, brother of the groom, both of Saginaw, attended the couple.

The bride's gown was of white marquisette, colonial style, floor length and no train. She wore a large lacey hat and carried a colonial bouquet of white roses. Miss Boertman was in coral chiffon with white feather hat and a colonial bouquet of white roses and spring flowers. Mrs. Costigan was in navy blue sheer with white accessories and Mrs. Green wore sheer black with light blue accessories, both with a corsage of gardenias.

Following the ceremony a reception was held in the Fleming Room of the Bancroft Hotel in Saginaw, with dinner served at 6 o'clock to 25 guests, which included Mr. and Mrs. W. S. Costigan and June, Dr. and Mrs. M. R. Blanden, Mrs. W. A. Wright and Miss Sarah J. Hellman of Tecumseh.

Sgt. and Mrs. Green left for a four days stay at Johnson's Rustic Tavern at Houghton Lake after which the bride will return to Tecumseh and resume her duties in Dr. M. R. Blanden's Office. The groom will return to Lincoln Air Base at Lincoln, Nebraska. Both are graduates of Saginaw high schools and Mr. Green was employed by General Motors in Saginaw before entering the army air forces.

You might as well CONFESS!

Almost everyone likes a mystery—almost everyone enjoys the thrilling excitement of tracking down a criminal with an ace detective. But some are a little ashamed to admit reading mysteries. Well—you needn't be.

Maybe you didn't know that many college professors, bank presidents, great scientist, captains of industry, even the President of the United States all like their mysteries. In fact, millions of Americans are reading more mysteries today than ever before. Why? Mainly because these fast-paced, easy-reading stories are both relaxing and refreshing. It is for them—and for you—that we are publishing.

Ellery Queen's Mystery Magazine

Edited by Ellery Queen, famous detective of the radio, the movies, and best-seller books, it is devoted exclusively to the best in detective crime short-story literature. And we mean literature. The fact that a story owes its plot to crime and detection need not prevent its being well written. Short detective fiction that is well written is not too readily available. But we are finding them—in books, in magazines, in the files of famous authors—and by arrangement with other publishers as well as with authors, we reprint in the approved Reader's Digest manner the best detective fiction to be procured.

Such masters as Dashiell Hammett, Agatha Christie, Stuart Palmer and Ellery Queen are to be found in it. But stories are selected on their merits, not on authors' names. Tough and suave, casual and swift, comic and tragic, they are mingled with refreshing variety and stimulating change of pace. Rare gems, fit for the most critical, delightful to the most naive. You will find the new magazine well printed—sharp and clear, kind to the eyes. You will find the size-same as The Reader's Digest—convenient to hold, to handle, to slip into your pocket. You will find the cover as pleasing to look at as a book jacket. And you will find the contents the most satisfying quarter's worth of good entertainment you have found in many a day. On sale at all good newsstands—25c a copy.

Special 10c Offer to Readers of

Legion Offers a War Service

FAMILIES OF SOLDIERS MAY CONTACT THEM THROUGH A NEW DEPARTMENT

Families of men in service may now contact them through a new information department that has been established by the American Legion, M. J. Watkins, local commander of Post No. 34, announced today.

Mr. Watkins' communication says:

"Wives and families, mothers and fathers, brothers and sisters of those in our present armed forces are asking for information every day on matter pertaining to their folks in service. More and more as the war develops and casualties mount these questions become most important. The least these people should have in response to their inquiries are correct answers, accurate information, and assistance with their claims.

"Such service is available through the local American Legion Post and Auxiliary Unit. Volunteer service officers and workers are associated with State and National full-time service officers in making up the nation-wide claims and rehabilitation services of this organization. A full-time staff of forty people is on duty at the Nation's Capital getting first-hand data on all matters administered by the Veterans' Administration in behalf of ex-service people, and by the War and Navy Departments in behalf of those in active service and their dependents. Such data is disseminated through the states to twelve thousand Legion Posts and eight thousand Auxiliary Units.

"These officials whether they be volunteer or full-time are available for information and assistance on these cases, and no charge is made. The Legion and Auxiliary are glad to extend their facilities to the families of service men and women as a part of the Americanism and community betterment programs.

"Those in this community who may have questions on these matters are welcome to get in touch with Robert Gillespie, the service officer of the local Post, who lives at 201 East Logan street. The local American Legion Auxiliary Unit may also be called upon by getting in touch with Mrs. Dora Warren whose address is 110 E. Pottawatamie street.

MONDAY CLUB HOLDS MID-SUMMER PICNIC

The Tecumseh Monday club held its mid-summer picnic meeting at the home of Mrs. Guy Pocklington near Ridgeway. Thirty three members and guests attended. Picnic supper was followed by a business session conducted by Mrs. W. C. Fisher and heads of the various departments gave their reports. The remainder of the evening was spent socially.

The guests included Mrs. James K. Bowher of Three Rivers, Mrs. A. H. Veazy of Hudson and Mrs. E. T. Armstrong of Adrian.

Indian To Speak

Chief White Eagle

"Chief" White Eagle, a full blood American Indian of the Winnebago tribe of Wisconsin will speak Sunday evening at 7:30 at the Tecumseh Friends church. He was born in a wigwam and reared in the midst of paganism, and he knows much about the technique of the medicine man's witchcraft, etc.

White Eagle is now a Christian missionary among his own people, among whom he has worked for the past sixteen years. Being acquainted with the beliefs, customs, practices, lodges, languages, religions, music, and also the problems of the pagan Indians he will have an interesting message Sunday evening. At the service he will be fully dressed as a native chief with feathers, beads, peace pipe, tomahawk, moccasins, bows and arrows blankets, etc. His message is "From the Wigwam to Christ."

Market Closes Ceiling Blamed

MANCHESTER BUTCHER SHOP CLOSES DOOR; SAYS IT CAN'T OPERATE WITHOUT PROFIT

Manchester, Mich., Aug. 12—Troiz & Eschelbach closed their meat market Saturday afternoon for the present, at least. The reason: Beginning August 1 the OPA has ordered a price roll back of an average of three cents a pound on all meat killed. This amounts to some five cents a pound on all dressed meats. And the butchers say that they can't even break even on this basis, if they observe the law they lose money and if they violate the law they are in wrong with the OPA and are faced with a fine.

There has been set up, however a subsidy plan for paying butchers the losses the price rollback will cause, but with their usual efficiency government officials have failed to provide funds for this purpose.

Butchers complain that they can't handle chickens at OPA prices and not go broke. Farmers just won't sell chickens at the OPA price because they can get more by selling directly to customers, two or three at a time. The meat market operators declare that unless they can get paid for their time and effort in handling birds they'll leave them in the country.

In other words meat dealers are plain tired—tired of getting the runaround from packers while they send their best meats to restaurants and hotels where they can get higher celling prices; tired of slaughtering their own meat at a cost of four cents a pound than the OPA ceiling, not including labor—tired of fiddling with ration stamps; in other words just plain disgusted and tired out, trying to figure the whole thing out.

We hope that Oscar and Walt can get their troubles straightened out in the near future and so resume business, and we do admire Herman Hanewald's intestinal fortitude in keeping going as well as he can under the circumstances and hoping that the meat muddle will be straightened out before he too becomes sick and tired of the whole mess.—(From Manchester Enterprise.)

HOSPITAL GETS GIFTS

The monthly meeting of Tecumseh Hospital Auxiliary was held Tuesday evening in the Red Cross room. Reports of officers were given, the treasurer reporting that the dues of many of the members are still unpaid. Miss Gertrude Spaulding, superintendent of Tecumseh hospital, reported gifts of a fluoroscope by R. W. Herrick; a fluoroscope table by Dr. P. B. Hardy and a check for $75 from L. Gallio, as a part of the proceeds from the swimming pit on Green Acres Farms, the remainder having been given to the Red Cross; also the gift of a house and lot in Clinton by Clark Semark, a former patent in the hospital.

GETS ADVANCEMENT

Joseph C. Satterthwaite, son of J. N. Satterthwaite, who has been in the foreign diplomatic service nearly 20 years, and is now located at the American Embassy in Ankara, Turkey, is one of eight foreign service officials from Michigan whose class advancements were approved Friday by President Roosevelt. Mr. Satterthwaite has been advanced from class 4 to class 3.

Gay Nineties Program Ready

U. S. NAVY BAND HERE OPENING NIGHT, AUG. 27: WILL AID IN BOND SALES

The complete program of the "Gay Nineties Minstrel and Vaudeville Show", was released by M. W. Wilson, general chairman of the production today.

The show will be staged at The Tecumseh Recreation Center on August 27 and 28 and will inaugurate the September War Bond selling campaign. The show, which is under the auspices of the Tecumseh Chapter S.P.E.B.S.Q.S.A., will feature such outstanding attractions as the U. S. Navy Service School Band from Dearborn, and a number of highly entertaining vaudeville sketches and quartettes. The highlight of the performance will be the original "Gay Nineties Minstrels," composed entirely of local talent and written by a committee under the chairmanship of the Rev. E. Thos. Rodda.

The program is free. Admission is by purchase of War Savings Stamps or Bonds at the gate. The entire cost of the production has been underwritten by R. W. Herrick and The Tecumseh Products Company. All services, both talent and committees are donated as a contribution to the war effort and the bond campaign. The Ford Motor Company is providing transportation for the Navy Band.

During the intermission short addresses will be given by Frank N. Isbey, chairman, War Savings Committee of Michigan and Reardon Peirsol, deputy state administrator War Savings Staff, who will speak for the U. S. Treasury Department on the forthcoming campaign.

The minstrel program follows:

Zoning Law is In the Making

PUBLIC HEARING ON NEW ORDINANCE SET FOR MONDAY, AUGUST 30

A public hearing on Tecumseh's proposed zoning ordinance has been set for Monday evening, August 30, at 7:30 o'clock in the council building, Wade L. Jones, village clerk, said today. A legal notice of the hearing appears in another page of this newspaper.

The proposed new zoning code, drafted by John R. Zeigler, village attorney, was submitted to the council, in special session, Monday evening. The ordinance, which is several pages in length, was canvassed and some slight changes suggested. It will now be opened for hearing and discusion on the part of residents before final enactment.

The new law restricts the building of certain type houses, stores, etc., to certain sections of the village and controls entirely the size of lots, the cubic content of houses, set-back from street line, etc., after its enactment. After the law is passed it will be impossible to build new buildings within the village without first obtaining a permit from the village and the approval by the village engineer.

The ordinance is in many respects similar to ordinances now in force in other cities and villages of Michigan.

Ridgeway Methodist Celebration Underway

The 75th anniversary celebration of the Ridgeway Methodist church opened Sunday evening with a meeting sponsored by the Women's Society of Christian Service. Mrs. S. J. Harrison of Adrian was the speaker and music was by the ladies chorus directed by Mrs. Belva Wiechmer with Miss Lillian Dibble at the piano and Mrs. D. V. Sturtevant as organist. There was a good attendance.

On Monday evening a special Cross service was given for and by the children of the community. Dr. Leslie Sayre, former missionary to the Belgian Congo, Africa, was the speaker Wednesday evening.

A banquet and program for former members and ministers of the church will be held Saturday evening, August 14, at 7:30 and all are welcome to attend.

The celebration will close Sunday with services at 10:30 in charge of Dr. Harvey Seifert of Adrian College. There will be selections by the Ladies Chorus and a vocal solo by Mrs. A. B. Johns.

MURPHYS ENTERTAIN

Mr. and Mrs. Herbert Murphy entertained 35 members of the Wonder family at their home Sunday for the annual gathering in celebration of the birthdays of Mrs. Emma Wonder, Mrs. R. R. Van Winkle and A. R. Wonder. Pot luck dinner was served and the time spent socially.

The guests included Mrs. Mary Wonder, and Mr. and Mrs. J. D. Wonder and family of Bryan, O., Mr. and Mrs. A. R Wonder, Mrs. Paul Ahelman and son and Mr. and Mrs. L. H. Wonder and family of Adrian, Mrs Emma Wonder, Mrs. Minnie Snellenberger, Mr. and Mrs. R. R. Van Winkle and family, Mrs. Naomi Sallows and daughter Joyce.

BIRTHDAY DINNER

Mrs. Elmer Harper was pleasantly surprised at her home Sunday when a number of friends gathered for a cooperative dinner honoring her birthday. The guests were: Mr. and Mrs. Otto Sipe and daughter, Ruth; Mr. and Mrs. Willard House and children; Mr. and Mrs. Silas Kring and son, Junior; Charles Harper and Ed Harper and children of Tecumseh; Mr. and Mrs. Earl Harper and children; Mr. and Mrs. Kenneth Harper and family of Adrian; Mr. and and Mrs. Charles Schultz of Dundee; Miss Ada Mae of Britton and Glen Harrison of Clinton. A large decorated birthday cake was a feature of the dinner and there were many lovely gifts.

RESTAURANT QUITS

Brooklyn, Mich., Aug. 12.—Help shortage and ration restrictions have put another eating place in Brooklyn out of the serving of meals. The Purity Shop now serves only fountain refreshments. With two restaurants entirely out of business since the war started and with all this resort area jam-packed with potential customers for meals, Brooklyn is in embarrassing position trying as best it can to do the impossible.

GRAVEL BOAT SINKS

A wooden boat carrying two large Diesel engines and a large gravel pump sank last Thursday in about 20 feet of water at the Lenawee Sand and Gravel Company. Preparations are being made to raise the boat which will be replaced by an all steel carrier.

RULING IS CHANGED ON HALF-YEAR LICENSES

Motorists may now purchase their last half-year license tabs without turning in their first half year plates, the Adrian office of the Secretary of State has been advised. The office warned, however, that the first half-year tabs do not expire until August 31, and requested that if they are discarded sooner than that date they be destroyed. The reason for this, it was said, is because if they are misused by another motorist the owner in whose name they were registered would be held responsible.

Commercial vehicle owners and owners of trailers must bring their title and the stub of the first half year registration before second period license tabs will be issued.

The Adrian office will be open daily from nine to five, except Thursday and Saturday afternoons when it is closed. On Saturday, August 28, the office will be open until four o'clock.

IS THIS INFLATION, OR WHAT WOULD YOU CALL IT?

Addison, Mich., Aug. 12.—One gardener from this section says he never suspected the lowly bean would get into the inflation class, but it seems things don't give a hang these days how high they go.

By luck he planted several rows of string beans this spring; they didn't happen to get washed out by the heavy rains; and last week he plucked 30 bushels, packed them into his little truck and took off for Detroit. He was back home in no time at all with $180 for his little jag—$6 per bushel. What do you think of that?

A year ago string beans were somewhat of a "drug on the market" locally, but this same gardener received $3 per bushel for them in the Motor City, and he says, 'I felt kind of guilty to take that much for 'em!"

BIRTHDAY SURPRISE

George Rinehart was pleasantly surprised on his 71st birthday anniversary Sunday when a group of relatives and friends gathered at the home of Mr. and Mrs. Harold Ruhl for a cooperative dinner. The guests included: Mr. and Mrs. Clifford Rinehart; Mr. and Mrs. Elwood Rinehart and daughter Janet; Mr. and Mrs. Marvin Watkins and son, Richard of Tecumseh; Mr. and Mrs. Lee Rinehart and Mr. and Mrs. Wesley Rinehart and family of Palmyra; Mr. and Mrs. John Sell and family and Mr. and Mrs. Ed Rinehart and son, William of Blissfield.

DISCUSSED RACE PROBLEMS

Seymour Brown, director of athletics at Northeastern High School, Detroit, and who has been connected with that school for more than 20 years, was the guest speaker at the regular noon-day luncheon of the Rotary Club here on Tuesday at Brees House. He was the guest of Chas. O. Butler.

Mr. Brown discussed the recent race riot in Detroit and told how the race problem is being handled in that city.

BEER IS SHORT

Tecumseh beer parlors are operating on short hours now, due to the shortage of beer. Most of the parlors are opening only during the afternoon and evening hours, and sometimes it is mid-afternoon before sufficient beer reaches Tecumseh by truck to make possible retail sales.

4-H PICNIC AUGUST 19

A picnic for 4-H club members and leaders, and their families, is to be held Thursday, August 19, on the fairgrounds at Adrian.

Ford Building Saline School

TO BE EXACT REPRODUCTION OF HOYT DIST. BUILDING, CLOSED 26 YEARS

A Henry Ford school is being erected in Saline across from the large white Ford Mill on US-112. The school is to be an exact reproduction of the Hoyt district school on the Macon road, which has been closed for 26 years, except that the new school will not have a belfry. The building is 24 x 36 feet in also, with brick foundation and white siding and no basement.

The 8 x 8 cross timbers and studding were taken from the original school house but most of the materials are new. The cornice is like the one at the mill, and like those found on most of Ford's buildings. The school will be ready for use this fall.

At the rear of the school building another building will be erected to be used for a cafeteria, heating system, recreational, training and toilet facilities and will be larger in size than the school house. Everything is being constructed very carefully, so as not to molest the beautiful lawn which surrounds the school which also faces the lake on two sides, large trees overlooking the lake from the Mill hill.

The Hoyt school, also known as the Sumner school, dates back over 100 years. The exact date the school was built was leased from the DePuy and Hoyt families for the life of the school and since Mr. Ford purchased the building the land has been returned to the owners Webb DePuy and Fred Gladish, who lives on the old Hoyt farm. Mina Russell was the last teacher in 1916-17. Salaries paid varied. The highest until 1905 was $35 a month, the lowest $18. Pupils brought their own slates, framed in wood, and used a wet sponge for eraser. The school was the fifth in the district to be built and averaged 15 pupils for the eight grades. The bell was stolen from the belfry in recent years. An organ purchased by Mrs. Arthur Heininger during the three years she taught the school, was still in the building when sold.

Among those who taught in the school only a partial list is known and includes the following names, many of whom will be recognized:

Della Warner Josenhans, 1882-84; Charles Parsons, Delos Townsend, Florence Ruckman Fish, Alma Sumner, Cary Wheeler, Sarah Tate Warner, Hattie Tuttle, Anna Chalmers, Jennie Lindsley, Mattie Kleversaat, 1893; Hattie Tucker, 1894; Eva Schaefer, 1895; Agnes Sears, 1895 to 1899; Fannie Fyfis, 1899-1900; Inez Halliday, 1901; Caroline Cullin, 1901; Ruth Sturm, 1902; Miss Kleversaat, 1902; Margaret Miller, 1903; Margaret Sears, 1904; Violet Sweet, 1907; Mrs. Merritt Martin finished the term for her. Misses Stone, Tuttle, Kleversatt, Blanch Riddle Briggs; Miss Clark, 1910 to 1912; Esther Rentschler Heininger, 1913-14-15; Mina Russell, 1916-17.

The Ford Mill across the road has been converted to defense work, making bearings for bombers. A total of 52 men are employed there. On the second floor two men are employed making paint and approximately 1200 gallons are made weekly in about 8 or 10 colors.

At the rear of the mill the extraction plant employs men who extract oil from soybeans. Eight of the employees are in army service.

KUSTER FAMILY

The Kuster family reunion was held Sunday at the fair grounds in Adrian with 37 relatives from Toledo, Edon and Montpelier, Ohio, Detroit, Britton, Lansing, Jackson, Romulus, Ypsilanti and Adrian present. At the business meeting the following officers were elected: William Kuster, president; Ida Wildman, secretary and Margaret Kuster and Katherine Breckel, amusement committee. Games and contests were enjoyed and prizes were won by Barbara Perkins, Jacquelyn Kuster, Robert Kuster, Josephine McLoughlin, Loretta Reznick, Ruth Zimerman, Ernest Kuster and Owen Kuster. A gift was presented to Mr. and Mrs. Edward Zwicky of Edon, Ohio, the oldest couple present. The reunion next year will be held at the same place the second Sunday in August.

TRI-COUNTY PICNIC

The 13th annual Tri-County picnic for Maccabees of Lenawee, Monroe and Washtenaw counties and their families, will be held Sunday, August 22 at The Island Park on the Huron River at Ann Arbor. Picnic dinner at noon.

CASWELL REUNION

The Caswell school reunion will be held on the school grounds near Cone on Sunday, August 15, with a picnic dinner at one o'clock. All former teachers and pupils are invited to attend.

SAD COMMENTARY

Behind the official bickering and confusion revolving around controlled distribution of civilian necessities, a few facts are all to apparent to the retail merchant.

The public is warned not to pay more than "legal prices," indicating that where price tags do not jibe with the decreed legal price, something shady is going on. Consumers are led to believe that these legal prices are set by a simple procedure based on experience and knowledge of the problems; that all the marchant has to do is follow the law, like the driver of an automobile. Actually, about the only resemblance of "legal price" measures, to other laws, is that the offender is subject to heavy fines and jail. Rationing and price laws have been imposed, not only with no precedent as a guide but by men with little or no practical knowledge of retail distribution. The advice of the merchants has seldom been sought in the formulation of the rules under which they must operate. As a result, the controls are cumbersome, vague, and often unworkable. In fractions have been unavoidable, in spite of the best efforts of the merchants, who fully realize that wartime controls are necessary.

It is a sad commentary on the situation when a representative of one of the nation's leading chain store systems feels impelled to point out that: "Retailers are fully as patriotic, in the main, as those who have been giving them the dictator runaround. Retailers are paying higher taxes. They are contributing generously to every phase of the war effort, with money, time and energy." He could also have pointed out that without the full support of retailers, the price and rationing laws would collapse. Yet retailers have been treated with suspicion and distrust by the very officials whose dependence upon the distribution industry is second only to that of the consuming public.

Shaking Hands with a Bank Account . . .

Yes, shaking hands with a bank account is like clasping the hand of present-day opportunities.

Right now, while wages are high, while employment is steady, is the time to lay aside money for that "rainy day" that is certain to come.

Be prepared by opening a savings account in this bank and by depositing a portion of your earnings each week or month.

WE HAVE A PLAN FOR THE FUTURE!

We're using twenty-five per cent of our income to buy War Bonds NOW. Of course it means doing without a lot of pleasures and comforts—but nothing about war can be pleasant or comfortable.

While a lot of our boys are dying for freedom, the least we can do is back them up by buying bonds. Now, here's our plan for the future: when Victory is won, we'll have enough money in War Bonds to build the home we've always wanted and dreamed of.

If this isn't your family's plan for the future, we suggest that you adopt it. We'll be happy to furnish you with suggestions and estimates of building costs.

Peacetime happiness is essential. There's nothing more important to peacetime happiness than a home.

It's Great to be in MICHIGAN

Roughing it in Michigan's forest wilderness, catching more fish than you've ever caught before — living like a king in a modern resort hotel — or loafing in a family cabin on a tree-fringed lakeshore — Michigan is everyone's grand vacationland.

Thousands of lakes gleam like jewels in the sun. Dancing streams beckon the adventurer. Bracing summer climate adds to your pleasures. Swimming, sailing, canoeing — riding, golf, tennis, dancing — exploring historic sites and Indian country — hiking amid thrilling scenic beauty—they're all yours to enjoy in Michigan.

IS YOUR FURNACE READY FOR WINTER?

YOUR HOME AND HEALTH are VITAL TO THE WAR EFFORT

An insufficiently heated home in the severe cold of winter . . . breeds illness; illness necessitates absence from work, war duties and school; and further taxes the doctors' already limited time.

Think ahead—take everything in consideration—plan for the cold weather that is 90 days away.

Have you had your furnace inspected? We can check it over, clean it and determine its useability. If it needs to be repaired, we can get the essential parts.

But act NOW. Don't delay. These are war times and labor is short, repairs are slow in arriving.

J. A. KRUG, Director
Office of War Utilities

The above statement hits the nail on the head!
But don't overlook the word *"essential."*
It takes precious man-power to produce electric power — men to mine coal, railroaders and mariners to carry coal, electric utility workers to convert coal to electric power and bring it to your home.
To waste electricity is to waste materials and man-power needed for the war.

A message from the United States Treasury about

YOUR WARTIME TAX DOLLARS

THE American people have accepted the highest tax bill in the history of the country with splendid patriotism and cheerfulness. The Treasury Department of the United States feels that an explanation is due them in turn—feels that they deserve to be told why, when and how their tax dollars are vital to winning this war and the peace that will follow.

As a taxpayer, consider these facts:

Our government is currently spending 240 million dollars each day, almost all of it on war, and this figure will increase materially as the war continues. About a third of that amount is being raised through taxes. Those tax dollars are as necessary for weapons with which to defeat our enemies as are dollars raised through the sale of WAR BONDS. Hence, when you pay taxes today you are definitely and directly contributing to victory.

And, at the same time, your taxes actually help to maintain your own purchasing power *now*—and prevent disaster to your country *after the war.* Here's how:

Billions of Dangerous Dollars

Every time your cost of living advances, you are paying a tax on your income. If your cost of living should double, you would pay a tax of 50% on your salary, wages or other income. But it would be a tax that wouldn't benefit our fighting forces, our government or anyone else—except Hitler and Hirohito.

Now—to prevent such a concealed tax on your income from taking place—isn't it good sense as well as sound patriotism to pay your government taxes of 20% on *part* of your total income—or more, if necessary?

And your taxes *do* help prevent just such a price rise! How? *By taking part of the billions of dangerous dollars which otherwise threaten your living standard and putting them to useful work, winning the war. Those billions of dangerous dollars, you know, represent the difference between the income the American people will receive this year and the amount of civilian goods that will be made in the same twelve months. If taxes were lower, prices would tend to rise, and your real income would be reduced by just that much.*

Keeping the America He Knew

There's another reason why your high taxes help your country in wartime—and really a much more important one to you. Your tax money is helping to win the war now—but it's equally essential to winning the peace and keeping the America that boy knew before he went into the armed forces.

All the industrial power, all the inventive genius and productive capacity of this country would not bring back a busy, prosperous America that we know if a drastic *deflation* followed victory. And, as surely as the sun that rises in the morning will set at night, a *deflation* would follow an *inflation* brought about by failure to tax ourselves realistically now.

So, next time that tax burden seems heavy to you—think of these *facts.* Remember that your tax dollars are helping to pay for victory now—that they are in there fighting for your living standard now—and that they are working to keep our country's financial structure sound for that boy now in the armed service, for all your family, and for you in the years of peace to come.

SOME QUESTIONS AND ANSWERS ABOUT YOUR TAX BILL

Q. How much of my federal tax payments is being spent on war and how much on so-called "normal" expenditures?
A. About 96% of your tax payments are currently going to pay for direct war expenditures. Only one dollar in every twenty-two you pay, therefore, goes for all other federal expenses, most of which are indirectly to aid the war effort.

Q. How much of the total war bill is being paid currently out of taxes?
A. A little over one-third.

Q. Is this proportion higher or lower than in England and Canada?
A. Lower. Both Canada and Great Britain are paying approximately half of their war expenses through taxation.

Q. Is there any way other than taxes and war bonds by which the government could finance our share of the war?
A. There is. The government could borrow from the commercial banks, which would put even greater spending power in the hands of the people—thus creating a basis for inflation.

Q. Is there any other advantage in financing as large a share of the war bill as possible through taxes?
A. Yes—and a very real one to you, the taxpayer. *All* the bills for the cost of the war must be paid sooner or later through taxation, but if paid currently, from taxes, there will be no interest charge to mount over the years and provide an extra burden for you to carry.

Q. So far, so good. But don't you think taxation is unfair in the way it distributes the burden for all this?
A. On the contrary, and we believe you will agree if you think it through, that taxes are the fairest, most equitable way to pay for the war. That's because Federal Income taxes are levied on *ability to pay* for something that all of us need and must have—victory now, a sound America later.

ORDER OF PUBLICATION ON BILL TO QUIET TITLE

At a session of said court held at the courthouse in the City of Adrian, in said County on the Twenty-eighth day of July, A. D. 1943.

PRESENT: HON. G. Arthur Rathbun, Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of Henry R. Jewett attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Henry R. Jewett, attorney for the Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof, that said bill of complaint be taken as confessed by the said defendants, or their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper published, printed and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
ALICE M. WELCH,
Dep. Clerk of Circuit court.

Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, **'Shall we be more tender with our dollars than with the lives of our sons?' "** — Secretary Morgenthau.

Gasoline Cut Now in Effect

VALUE OF A, B AND C COUPONS NOW THREE GALLONS INSTEAD OF FOUR

Michigan and Lenawee county motorists went on a reduced gasoline ration at 12:01 a. m., midnight, August 16, when holders of A, B and C ration books found their coupons good for only three gallons of gasoline instead of four, under a new OPA rder. The value of the D coupons (for motorcycles was not changed, but the expiration date for current D rations was extended to November 11, 1944.

Retail gasoline dealers have until midnight, August 21, to surrender to their suppliers A, B and C coupons acquired by them prior to August 16, or to exchange them at the local board in Adrian for inventory coupons. Gasoline suppliers and distributors will have until midnight, August 29, to deposit such A, B and C coupons in their ration bank accounts. The enforcement division of OPA will check all gasoline dealers, commencing August 15, to make sure that no coupons received after that date will be improperly surrendered.

The change in the ration order governing gasoline boiled to simple language, follows:

A, B, C coupons—good for three gallons per coupon.

Occupational driving reduced from 150 miles to 60 miles.

Non-occupational driving increased from 90 to 120 miles per month.

Two gallons out of every three gallons reserved for non-occupational family driving.

Mileage based on 45 miles a coupon instead of 60 miles, at 15 miles per gallon.

No more than 480 miles per month to persons engaged in non-preferred occupation, instead of 720 miles.

Mileage in excess of 480 miles per month may be granted in non-preferred occupations for driving to and from work, where hardship can be proved, for example where no public transportation exists.

No adjustments or restoration of mileage lost by cut in coupon values can be granted prior to August 22.

After August 23, A-book holders who require more than 60 miles per month of occupational driving may be eligible for necessary supplemental mileage under eligibility requirements, and B and C book holders who are unable to meet their eligible and actually necessary occupational driving needs with reduced coupons may apply for such necessary mileage at local boards.

Value of D coupons (motorcycles is not changed but expiration date of current D coupons extended to November 11, 1944.

Class E, R and TT and bulk certificates not altered in value.

IRA A. BROCKWAY DIES IN BLISSFIELD

Mrs. L. W. Johnson was called to Blissfield last week by the illness of her father Ira A. Brockway who died early Thursday morning after a long illness. He was 69 years of age and had spent his entire life in the Blissfield vicinity.

He leaves the widow, two daughters Mrs. M. J. Hueter of Toledo and Mrs. Johnson; two sons Austin of Detroit and Frank of the U. S. Navy; two brothers, George of Adrian and Wesley of Galesburg and one sister Mrs. Clara Hill of Blissfield, also seven grandchildren.

The funeral and burial were held Saturday afternoon in Blissfield.

INJURED IN ACCIDENT

Thomas Johnson and family of Delphi, Ind., have been here since Thursday because of the critical condition of their son Van Johnson, aged 25 years, who was injured last Wednesday night in a truck accident on US-112 west of Clinton near the Evans Lake road. He remains in an unconscious condition at Tecumseh hospital with a possible skull fracture and internal injuries.

Floyd Jones, 28, of Francisville, Ind., driver of the tractor truck owned by Burl Marks of Lafayette, Ind., failed to make the curve and after knocking down several telephone poles the truck overturned and was badly damaged. Johnson was asleep at the time of the accident.

The accident was investigated by the state police and Jones after treatment for minor injuries is being held at the county jail awaiting the outcome of Johnson's injuries.

MARRIAGE ANNOUNCED

Announcements have been received of the marriage of Claire Louise Temple, daughter of Mr. and Mrs. Harry Temple formerly of Tecumseh, and Waldo Wendyl Ransom, USNR, which took place July 31 in Fremont, O.

Tecumseh's Birth Rate Shows 10 Per Cent Gain

The old prophecy that wartime brings an increase in the birth rate is holding true in Tecumseh, Wade L. Jones, village clerk, disclosed today.

Thus far this year, Mr. Jones said, there have been 167 births in Tecumseh, as compared to 151 a year ago, an increase of about 10 per cent. There have been only 50 deaths in the village in 1943.

Births in Michigan this year are expected to exceed 123,000 on the basis of the 61,628 total for the six-month period ending with June but may not reach the all-time high of 124,069 reported for 1942 by the Michigan Department of Health.

Births last January and February exceeded by 2,167 the total for corresponding months last year but early forecasts of a new record in 1943 apparently were premature. The 1942 record total was a gain of 16,571 over 1941.

George French Now in Sicily

FORMER LOCAL MAN WRITES INTERESTINGLY ON NORTH AFRICAN CAMPAIGN

Mr. and Mrs. Ralph Oliver received the following letter this week from George L. French, son of Mr. and Mrs. Frank French. George was employed in the Oliver market before entering army service. He was stationed in North Africa and recently was transferred to Sicily and his letter will be interesting to his many friends here.

July 21, 1943

Dear Ralph and Helen:

Will scribble a few lines before hitting the sack. Have you received my last letter by this time. Wrote you and the folks sometime in March telling you of my transfer but my mail still comes addressed to the old outfit.

Am well satisfied with the change. Was getting plenty fed up with routine. We now get a change of scenery often enough to keep us from getting bored. Have no special working hours. Just day or night or both.

Have you found out where "Ernie" is located yet? What kind of work is he doing?

Haven't seen the kid brother since March and don't expect to see him again until we get home. However you can never tell. We were lucky enough to find each other once.

Suppose the meat business is rather a problem at present. Mother wrote that "Walt" and "Bascom" had closed. Most of the meat business here is done in market places. Arabs bring their lamb or beef to town, use a barrel or anything available for a block and when he is sold out, he's out of business for the time being. Have seen only one meat market over here. It was in a small town and run by a Frenchman. It had a large ice box and a meat counter but no ice. Most of the meat hung on racks around the walls. At this time the temperature was around 90 degrees so you can imagine what a paradise this would be for a State Food Inspector. Business was good however. There were five Arabs out side the shop with charcoal burners and frying pans making steak sandwiches and the butcher was cutting steaks from everything in the market including the plate rib. The G.I.'s were lined up in one of the longest chow lines I have ever seen.

August 5, 1943

An interruption of several days, during which time we arrived safely in Sicily. There isn't much I can tell you at present. The Italians are friendly and they have a beautiful country. The wine is good but I still prefer "Calverts". Am feeling fine and hope this finds all of you the same.

As ever, George.

CLUB PICNIC

The Harmony Home Makers club held a picnic last Wednesday afternoon at Adams Park. Twenty five members and guests attended and during the business meeting Mrs. Wade Hendershot was elected president in place of Mrs. Mervyn Boltz who resigned.

The next meeting on September 8 will be held at the home of Mrs. Frd Sheldon.

12 Quartets to Appear in Show

GAY 90'S MINSTREL ENTERS FINAL WEEK OF REHEARSAL AT RECREATION CENTER

The Gay 90's Minstrel and Vaudeville Show to be staged at the Recreation Center, Friday and Saturday, August 27 and 28, is entering the final week of rehearsal. M. W. Wilson, general chariman, promises an evening of fine entertainment, packed full of laughs, harmony and excellent dancing. 12 S.P.E.B.S.Q.S.A. quartets have accepted the invitation for Saturday night, according to Wiley McCann, and will give a program filled with "Barber-Shop" harmony numbers. Among the quartettes that will participate in the program are the following, who have high ratings in national competition: "The Gay 90's" and the "Four of Us", both of Kalamazoo; the "Progressive Industries Quartette," Detroit; the "Funny Faces" and "Acoustical Persecuting Four," both of Jackson; and the "Oakland County Quartette."

A thirty-two foot stage, sixteen feet deep, is being constructed on the east side of the grounds. Duncan Oliphant is chairman in charge and Harry Tucker is supervising construction. Special scenery carrying out the "Barber Shop" motif has been constructed and painted under the supervision of E. Harper. The stage will be illuminated by foot and overhead lights and two large flood lights. Also an elaborate sound system consisting of several microphones and speakers will make the program audible in all seats. In keeping with the patriotic spirit of the entire production, all construction work has been donated and the lumber has been loaned by R. S. Moore and Son Co.

The program, which will inaugurate the September drive for war bond sales, is free. Admission is by the purchase of War Savings Stamps or Bonds at the gate, on the following schedule:

Children—One 25c stamp; Adults —Two 25c stamps; Reserved Seats —$1.00 down payment on a War Bond.

Those who expect to purchase reserved seats are urged by M. L. Dannells, chairman of the ticket committee, to contact either himself or Paul Breitenwischer at the Products Company and make bond application in advance.

MARRIED 25 YEARS

Mr. and Mrs. Thomas Gallant were guests of honor at a party held Thursday evening in the home of their daughter and husband, Mr. and Mrs. Ronald Muckensturm, in celebration of their 25th wedding anniversary. The party was arranged by their children Mrs. Muckensturm, Mrs. Henry Howard, Thomas, Jr., Donald and Eugene and their niece Norma Gallant.

The time was spent socially and buffet refreshments featured a wedding cake with a miniature bride and groom. Mr. and Mrs. Gallant were presented with a chest of silver and other gifts and Mrs. Gallant also received a gardenia.

The group included Mr. and Mrs. Gallant and family, Mr. and Mrs. Muckensturm, Mr. and Mrs. Howard and daughter, Mr. and Mrs. William Muckensturm and son Donald, Mrs. J. A. Wilson, John Kotts, Miss Eileen Parrish, Mrs. Julius Vincze and daughter Sally, Diana and Eugene Dunbar, Mr. and Mrs. Thomas Gallant Jr., and daughter all of Tecumseh and vicinity and Mr. and Mrs. Homer Watters of Manchester.

HONORS SON

Mrs. Charles Curtiss entertained at a party Saturday afternoon for her son Charles Jr., who was celebrating his third birthday. The party was held in Adams Park with the dinner featuring a birthday cake with three candles, ice cream and a water melon. Charles received many gifts.

The guests were his grandmother Mrs. John Curtis, his great grandmother Mrs. C. H. Covell, Larry and Louise Anderson, John Curtiss, Jr., Dorthy Curtiss, Naomi Ruth Massie, all of Tecumseh and Dolores Anderson of Adrian.

Produce, Fruit Prices Soar; Local Wives Cuss Loudly

Adrian, Mich., Aug. 19.—What is wrong with Lenawee county's produce market?

Why it is that in the heart of the wealthiest agricultural county in the state of Michigan, sweet corn should be selling at from four to six cents an ear, peaches at 25 cents a pound and second-grade early fall apples at 15 cents a pound? Is there any rhyme or reason why string beans should bring $7 a bushel wholesale and the lowly cucumber suddenly become a luxury and command a price of from 12 to 15 cents, depending upon the size?

These are some of the questions that housewives are seeking to have answered after they return from an hour's shopping trip.

With the high ration point value on canned corn, beans, peas and fruits, housewives have turned to fresh produce to make their ration stamps do double duty. The heavy demand for fresh produce, it seems has caused the market to soar to new heights, and, today, produce and truck farmers are selling their wares at prices never before heard of in the history of this section of Michigan.

Today, a survey shows, it is much cheaper to buy canned peaches than it is to buy them fresh. The same is true with peas, string beans, corn and tomatoes. But, again, housewives do not have the ration points to spend for canned goods, and they must buy them fresh if they have them.

Housewives are caught between high prices and a shortage of ration points. They can't possibly obtain extra ration points but they can and must dig deeper into the family's purse if they want the fresh fruit and produce. This they do and have been doing for weeks. But they are not doing it without plenty of cussing.

Who is getting cussed? It's the government, not the producer. Few housewives blame the farmer—he's having his day. He isn't doing any different than the average human would do. The market is there, there is the demand for the produce, he's getting the price. There are no apparent ceilings.

But, housewives ask, why, then, is the government so greatly concerned over the ceiling prices on whiskey, beer and wine; is it more important that rigid ceilings be established on non-essentials? Should fresh foods, necessary to health and growth of children, be permitted to sky-rocket out of sight, they ask?

Has the time of inflation arrived? Will there be no ceilings?

OPA has not answered these questions. There may be ceilings eventually, but the harvest season is short and ceilings may arrive too late to be of value this year.

In the meantime, aspirin or a similar sedative is being recommended for those whose heads ache too severely. Others cuss a little but loudly.

SERGEANT WATKINS TO SPEAK TO ROTARY CLUB

Sergt. Robt. Watkins of Adrian, son of Mr. and Mrs. Robert Watkins, formerly of Tecumseh, will be the guest speaker at next week's meeting of the Rotary Club, at Brees House, Tuesday noon. He will be the guest of Yale Kerby.

Sergt. Watkins, who has returned from a year's foreign service, took part in the African campaign. His talk is expected to be intensely interesting.

Last Tuesday's meeting was in charge of Ralph Comfort and a motion picture, "Cannons on Wings," was shown by George Parsons.

Capt. Ferris G. Hodge, former dentist here, home on leave from his base in North Carolina, was present at the meeting. Capt. Hodge is a member of the club. He is training paratroopers for foreign service.

ON RADIO PROGRAM

Mrs. Ruth Mensing of Tecumseh was one of 30 WACs from Michigan to take part in an hour broadcast over WKZO, Kalamazoo radio station Sunday afternoon, August 15 from the open-air theatre at the Third WAC Training Center at Ft. Oglethorpe, Ga.

The All-WAC program, given before several thousand members of the Women's Army from the stage of the outdoor amphitheatre, brought to the microphone the 40 piece WAC Band and a WAC Chorus of 30 voices under the direction of Lt. Lillian Faust.

Paul Aurandt, of Kalamazoo announced the show and interviewed the WAC privates about their life in the Women's Army Corps.

The Rev. B. O. Bashore of Independence, Iowa, will occupy the pulpit at the Baptist church, Sunday morning, coming as a candidate for the pastorate to succeed the Rev. O. V. Robinson, who leaves in September for Grand Rapids. The Rev. Mr. Bashore is a college friend of Mr. Robinson.

Hearing on New Zoning Ordinance Set for Aug. 30

The village council, in regular session on Monday evening, found but little work other than routine business. Current bills were audited and ordered paid and reports of committees and department heads were read and placed on file.

Finkbeiner, Pettis and Stout, a Toledo engineering firm, was employed to conduct a survey of Tecumseh in accordance with a village contract. An erroneous tax charge was ordered cancelled.

The council also called attention to the hearing, to be held on Monday evening, August 30, at the council building, in connection with the proposed zoning ordinance. Unless objections are received, the zoning code, as drafted, probably will be enacted into law when the council convenes the first Monday in September.

Mrs. Peter J. Waldron, Former Resident, Dies

Mrs. Peter J. Waldron, aged 79 years, a former resident of Tecumseh, died Thursday night at the home of her daughter Mrs. Etta Yeager in Detroit, after a long illness. Motorists Are Reducing Speed

HIGHWAY DEPARTMENT SURVEY DISPUTES CLAIM OF CONTINUING SPEED INCREASES

Lansing, August 19.—The steady rise in Michigan highway travel speeds which started soon after the 35-mile an hour speed limit was ordered on state roads last October has halted, and there has been a slight decrease in the speed being maintained by drivers in the last few weeks according to a recent survey of the State Highway Department, Highway Commissioner Charles M. Ziegler reported this week.

The July average of drivers' speed on Michigan highways was 39.1 miles an hour, compared to 39.3 miles in May and 39.9 miles in April, the commissioner reported.

The low average for July, however, is 3.6 miles an hour faster than the low point of 35.5 miles an hour which was recorded for the first few weeks after the 35 m.p.h. ordered went in effect.

The highway department survey also reveals there has been a drop in the speed of commercial vehicles in recent weeks. The July record of commercial vehicles shows an average speed of 36.8 miles, compared to 37.6 miles an hour in March and 33.9 miles per hour in October, 1942.

A great majority of truck and car drivers are traveling between 36 and 40 miles an hour, the survey showed, tending to produce smoother and less complicated traffic movements.

The survey also showed that only four per cent of vehicles on Michigan highways have been exceeding a 40-mile speed and that 85 per cent of all traffic does not exceed 45 miles an hour.

The highway department's figures tend to dispute claims made by some persons that people are continuing to increase their driving speeds on Michigan highways.

Committee on Health Education Is Formed; To Make Local Survey

Becoming increasingly aware of a need for greater effort concerning community health problems, a committee has been formed, known as the Tecumseh Health Education Committee. This committee met at the office of Dr. H. H. Loveland on Thursday, August 12, and an organization was set up with Mrs. Richard Preston as temporary chairman. The other members of the committee are as follows: Miss Gertrude Spaulding, Mrs. Sam Sisson, Dr. H. H. Loveland, R. W. Herrick, Perry Satterthwaite, J. Rohweder, W. L. Berkhof and Howard Truesdale.

Through the schools, and sponsored by the Child Study Club and the Youth Council, a health inspection has been carried out during the past three years. This inspection has brought to the minds of many, some very worthwhile problems. Industrial and the medical leaders have also found many immediate needs for community health attention. The purpose of this committee is to investigate and study these needs and bring them to the attention of the community as a whole for their consideration.

As the result of the first meeting, it was decided that a survey of the community be conducted as the initial step. This survey will be carried out through the members of the Tecumseh Child Study Club within the next two weeks and the earnest cooperation of the citizens of the community is urged. The results of this survey will be tabulated and presented for further study by the committee. It is felt that the most worthwhile projects for the planning of community health betterment will be found.

Since Tecumseh has many new residents who have been in other communities having a health center of some type, the committee is very anxious to have ideas or criticisms given that may assist them in their study. Any suggestions presented to Dr. Loveland or Miss Spaulding or others on the committee will be cordially received. The committee sincerely believes that Tecumseh as a most progressive and receptive to ideas of growth and progress and their work will be a part of every individual's life in attaining the "Best Little Town on Earth."

Howard Richardson Hurt In Traffic Accident

Howard Richardson, 16, was treated at Tecumseh hospital Sunday for head cuts and bruises received when the car he was driving struck a hole in the road and turned over northwest of Tipton.

The accident happened about 8 o'clock and after medical treatment Richardson was released from the hospital. Five companions in the car were not injured.

AN ALARMING SITUATION

That some labor leaders are looking to the future, is indicated in the statement of Dell E. Nickerson, executive secretary of the Oregon State Federation of Labor, when he told the 41st annual convention of that organization that the increase in governmental control of labor, as well as business, "is an alarming situation."

"Governmental interference," said Mr. Nickerson, "even when apparently intended to protect the rights or interests of one element of industry, may be the beginning of a program which evetually will establish controls that can destroy voluntary relations between labor and management.

"The National Labor Relations Act, like other previous laws, was hailed as labor's Magna Charta. And like other laws of that nature, notably the Clayton amendment to the Sherman Anti-Trust Act, has proved a boomerang . . .

"Control of affairs has been passing gradually into the hands of the government. Almost imperceptibly, and at times with labor's consent or at labor's request, the rights of labor or employers have been subjected to government orders.'

Labor has set a dangerous precedent in its handling of the coal strike situation. It will be a sorry day for the workman if the labor bosses succeed in permanent nationalization of the coal mines.

Mr. Nickerson sounds a timely warning. Labor can deal with an employer. But if labor will look around the world to nations where government has become supreme and where private enterprise has been destroyed, it will see that unions have been destroyed, bargaining power is unheard of, and the workman is a slave.

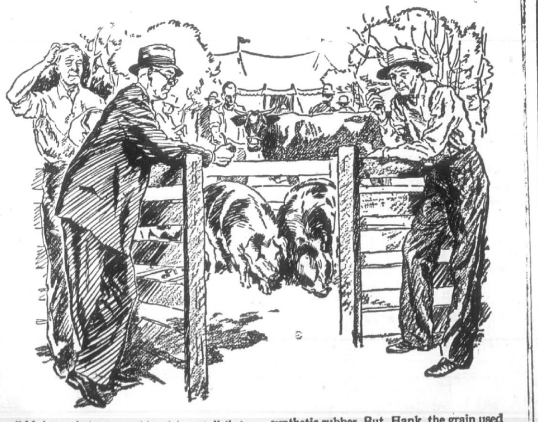
THE OLD JUDGE SAYS...



"Makes me feel extra good hearin' you talk that way, Judge...never realized I was contributin' to the war effort in the way you mention."

"You certainly are, Hank. Part of the grain you farmers grow is used by the beverage distilling industry to make alcohol for war purposes. Hundreds of millions of gallons are required every year for smokeless powder, medical supplies, chemical warfare materials, shatterproof glass, lacquer for camouflaging equipment, fuel to propel torpedoes and in the making of critically needed synthetic rubber. But, Hank, the grain used in distilling this alcohol is not thrown away. It is processed and comes back to the farm again in the form of distillers' dried grains or dried solubles which you use for dairy feeds, hog supplements and poultry mashes. This year alone it is estimated 388,000 tons of these much needed feed stuffs will be produced by the distillers."

"I can see now, Judge, why you say it's a mighty good thing we have a legal distilling industry in times like these."

Car with an "E" Spells Care

Yes, you add an "e" to your car and that makes it "care"—something you must give your car during wartime. Motorists are finding that our service adds greatly to car efficiency.

Q. Why should oil be changed every 2 months or at 1000 miles?

A. Your car produces nearly 1 gallon of water per gallon of gas burned. Short-run driving fails to expel all this water. Some gets into the crankcase and causes contamination of any oil.

PRESENT: HON. G. Arthur Rathbun, Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of Henry R. Jewett attached thereto, from which it satisfactorily appears to the cohrt that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Henry R. Jewett, attorney for the Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof, that said bill of complaint be taken as confessed by the said defendants, or their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper published, printed and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
ALICE M. WELCH,
Dep. Clerk of Circuit ourt.

Osborn Book on Upper Michigan Destined to Find Spot in History

BY GENE ALLEMAN
(Special To The Herald)

Lansing, Aug. 19.—**Few Americans know the** Upper Peninsula of Michigan as well as Chase S. Osborn.

That is why the former governor's new book "Schoolcraft—Longfellow—Hiawatha", written in collaboration with Stellanova Osborn, is destined to occupy a permanent niche in American history.

It is the record of the Ojibways, the native Indians who inhabited this region before the coming of the white men. It is the biography of Henry Rowe Schoolcraft, a man who was America's greatest authority on Indians, the leading literateur of his frontier day, and the living inspiration for Longfellow's "Song of Hiawatha". More than that, it is an historical account of the Lake Superior region which is today known as "The Hiawatha Country," land of Gitche Gumee.

Michigan continues to surprise the newcomer who delves occasionally into its history. And there is no chapter of the state's history more romantic than the account of what the Osborns call "one of the most interesting, beautiful and wholesome regions on earth"—the Lake Superior region and its many grandeurs.

* * *

As all Michigan travelers will testify who have responded to the lure of our north peninsula, the Hiawatha country is unexcelled for friendliness and hospitality of its inhabitants.

Its climate is invigorating and bracing, much like that of the Alps. Schoolcraft himself wrote: "The air itself is of the purest and most inspiring kind. To visit such a scene is to draw health from its purest sources, and while the eye revels in intellectual delights, the soul is filled with the liveliest symbols of God, and the most striking evidences of his creative power."

Lake Superior itself is the greatest body of fresh water in the world, 450 miles long and 176 miles wide with a maximum depth of 1,400 feet. The Osborns compared Superior with Lake Victoria Nyanza, source of the Nile, in Africa with its greatest depth of 270 feet, and the Siberian Lake Baikal which is 397 miles long, only 45 miles wide, and has a recorded sounding of 4,725 feet—deepest lake in the world.

To the authors the air of Hiawatha country" is the clearest and most vitalizing on earth, for it is as invigorating as that of the Alps without the danger and discomfort attendant on high altitude. . . . Especially tired man is born anew."

* * *

The existence of native copper on Isle Royale and the Keweenaw peninsula was known centuries ago to the Indians, and the Osborns report "there is evidence on Isle Royale and other places that early Norsemen may have discovered and worked this metal."

Surely the copper objects, found in hundreds of Indian mounds and graves from Illinois to Florida, must have had their origin in the Upper Peninsula for only in the Upper Peninsula, of all places in North America, has copper ever been found in pure native form.

Schoolcraft, as geologist for Governor Lewis Cass' expedition, took a large specimen of native copper back East. Secretary of War John Calhoun presented pieces of it to foreign ministers at Washington—actual proof of the wealth of this new western country.

* * *

The presence of minerals in the Upper Peninsula is well known, but the Osborns remind us of the presence of gold and precious stones such as chlorastrolites and amethysts and agates. Here was the home of white pine without a knot; spruce, balsam, poplar, hemlock, tamaracks, mahogany birch, beech, basswood, ash, elm, sugar and birdseye maple.

You of hunting inclinations, imagine the sight of 2400 moose on Manitoulin island! That many moose were snared by a band of Chippewas in the winter of 1670-71.

Here was the home also of the buffalo, elk, caribou, panther and wolverine.

Baron La Hontan, who visited the straits in 1688, wrote: "You can scarcely believe what vast shoals of whitefish are seen about the middle of the channel, between the continent and the Isle of Missilimakinac." It was the abundance of whitefish that prompted Father Marquette to establish his mission at Point St. Ignace in 1671.

In fact, it was a custom for the Chippewas to carry their surplus whitefish to Mackinac where they sold it at a high price to both the French and Indians. Whitefish is still the choice piece de resistance for northern Michigan menus.

* * *

It was Schoolcraft who wrote "Algic Researches" containing research into customs of the Indians, from which Henry Wadsworth Longfellow wrote the immortal epic "Hiawatha".

Schoolcraft's career as a glass manufacturer, mineralogist, explorer, artist, literateur, scholar and member of the first Board of Regents of the reorganized University of Michigan is portrayed by the Osborns with painstaking and sympathetic detail. The authors close with this prediction: "Some day a sculptor of genius shall immortalize the epic trail—Schoolcraft—Longfellow—Hiawatha."

And when this sculptor of genius finishes his creation, he will have recreated in art and the spirit of the Upper Peninsula—its blue waters, forests, mineral ranges and friendly people, the Michigan land of Hiawatha.

Minstrel Show This Week-end

2,000 PEOPLE EXPECTED AT PERFORMANCES HERE FRIDAY, SATURDAY NIGHTS

The Gay 90's Minstrels, opening the September War Bond Campaign in Tecumseh, is ready for the first curtain at the Recreation Center tomorrow evening at 8:30 p.m. A record crowd is expected at both performances, Friday and Saturday evenings. M. W. Wilson, general chairman, says that dress rehearsals on Wednesday evening assures those who attend of an evening's entertainment full of laughs and good music.

The program opens with a band concert. On Friday evening, the Navy School Band from Dearborn will play and on Saturday evening, Archie Boyd's Tipton orchestra will take the initial spot. This will be followed by Tecumseh's original Gay Minstrels with a chorus of 30 voices and six end men. This part of the program has been written by local talent and is full of good comedy, chorus, quartet and banjo numbers. The Gay 90's vaudeville will bring down the curtain. This part of the program includes seven acts, singing, dancing and humorous sketches.

An added attraction on Saturday evening's show is the "Parade of Quartets". Twelve outstanding quartets, members of the S.P.E.B.S.Q.S.A., which organization is sponsoring the show, will participate. These groups are from various cities in Lower Michigan, including, Detroit, Kalamazoo, Battle Creek, Jackson. The Tecumseh chapter's quartet also will sing. Carroll Adams, national secretary of the fraternity, will act as master of ceremonies during this part of the program.

Admission to the show is free. Those attending will be asked to purchase War Savings Stamps or bonds at the gate on the following schedule: Children, one 25 cent stamp; adults, two 24 cent stamps; reserved seats, $1 down payment on a bond, which may be secured on payment of the balance at the United Savings Bank or at the Tecumseh Products Co.

Seating has been provided at the Center for 1,000 spectators at each performance and indications are that the show will play to capacity crowds both evenings. Reports from surrounding towns are to the effect that hundreds of people from outside Tecumseh will attend the performances.

Child Study Club To Conduct Health Survey

The Tecumseh Health Education Committee has asked the Child Study Club to conduct the health survey of Tecumseh. The survey is to begin August 30 and every family in Tecumseh will be contacted.

The committee is meeting this evening at the Tecumseh Hospital and at that time Mrs. Mildred Drury, regional nurse consultant, Bureau of Public Health Nursing, state of Michigan, will be present to assist the committee in formulating ideas for future use.

The survey has the entire approval and endorsement of Dr. H. H. Loveland, health physician of Tecumseh.

VOTE TO CONTINUE TO CLOSE STORES THURSDAYS

A majority of the merchants attending a meeting, called this week by the Chamber of Commerce, voted to continue the Thursday closing of the stores in Tecumseh for another thirty days—during the month of September. The decision was announced by Wade L. Jones, secretary.

Mr. Jones said that previously the merchants here had voted to close their stores on Thursdays until September 1.

Jones also said that a majority of the stores here would be closed all day on Monday, September 6, Labor Day.

B AND C GAS USERS MUST EXCHANGE STAMPS

Holders of B and C gasoline ration cards which do not expire until after September 1 must exchange the stamps for new ones, Wade L. Jones said here today. Such bookholders in Tecumseh may take their stamps to Mr. Jones' office in the old Lilley Bank building, where the exchange will be made.

VILLAGE TAXES

Until further notice I will be at the United Savings Bank every Tuesday afternoon and Saturday afternoon and evening for the collection of Tecumseh village taxes.

K. D. Hall, Treasurer of the Village of Tecumseh.

Tecumseh's Barber Shop Quartet

Tecumseh's Barber Shop Quartet, members of the S.P.E.B.S.Q.S.A., will be one of the headline features at the Gay 90's Minstrels here tomorrow and Saturday evenings at Recreation Center. The curtain will be at 8:30. The local quartet is one of 12 that will appear on Saturday evening in the "Parade of Quartets." The show officially launches Tecumseh's September War Bond Drive. Admission is free, the only requirement being that war stamps be purchased at the gate. The expense of the entire entertainment is being paid for by Ray W. Herrick, president of the Tecumseh Products Company, in photo above, left to right, are Leonard Weisner, Wesley Costigan, Neil DePuy and Wiley McCann. All are members of the Products "family" and during the early summer they made a trip to Chicago where they attended the National S.P.E.B.S.Q.S.A. convention.

Says Germans Hard Fighters

GUNNER WHO HELPED BOMB ROME SPEAKS AT ROTARY CLUB LUNCHEON HERE

"Don't let anybody kid you, when you go through a bombing it takes something out of you," Sergt. Robert Watkins, of the U. S. Army Air Corps, son of Mr. and Mrs. Robert Watkins of Adrian, formerly of Tecumseh, told members of the Tecumseh Rotary Club on Tuesday when he spoke at Brees House, following the noon-day luncheon meeting. Sgt. Watkins participated in more than 50 bombings in North Africa, Sicily and Italy and is at home preparatory to becoming an instructor in an American camp. He is only 18 years of age.

"I don't mind being up 25,000 feet in a plane and being shot at but when you lie in a slit trench and the bombs start to fall you think that every one is going to hit you," the veteran said. On one air raid in which he participated in North Africa he said that the radio man on his ship suffered a wound and they were forced to return quickly. The fortress he said, showed that it had been struck 134 times by Axis bullets.

Watkins is a tail gunner in a fortress and when the guns are in action it would seem that you could walk on the path of lead, they shoot so rapidly, he declared. He was on a raid over Rome, Italy, when the railroads were bombed. Asked if they did much damage, he said that photos showed them to be "badly mussed up."

The Italians are not hard fighters, in fact he indicated that they are sick of war. He said, however, that the Germans are sulky and are hard fighters. Italians, he said, sometimes do not even need to be guarded in prison camps.

Asked when he thought Germany and Italy would "crack" he shook his head. "I thought they'd crack before this. The bombings are terrible. But they still carry on," he said.

Most bombing raids, he said, are carried out at about 24,000 feet altitude. The weather is cold but the riding is "swell"—smoother than in a car, the sergeant said.

Watkins, his father and uncle, Herbert, were guests of Yale Kerby at the club luncheon.

Sgt. Herbert Cleveland Weds Margaret Snavely

Miss Margaret Snavely, daughter of Mr. and Mrs. William A. Snavely of Richmond, Va., and Sgt. Herbert L. Cleveland, son of Mrs. Don Cleveland of Tecumseh, were married August 8 at the First Presbyterian church in Amarillo, Texas. The Rev. R. Thomsen read the double ring service and the couple were attended by Mrs. Harry J. Holt of Richmond, sister of the bride as matron of honor, and Earl W. Coles as best man.

Following the ceremony a reception was held at the Capitol Hotel and later Sgt. and Mrs. Cleveland left on a trip to New Mexico.

Mrs. Cleveland is a graduate of George Washington University in Washington, D. C., and is employed as an instructor at Amarillo Army Air Field, where Sgt. Cleveland is crew chief of the bomber inspection division. They will reside at 202 Crestway Terrace, Amarillo.

HOLD SILVER TEA

Mrs. Naomi Williamson gave an interesting talk on a trip to Hawaii, at the silver tea given last Wednesday by the Presbyterian Ladies Aid Society at the home of Mrs. Paul Keyser. Tea was served by Mrs. D. W. Beck and Mrs. Clyde Bailey from a table centered with pink gladiolus and pink candles in crystal holders.

Mrs. J. C. Murdoch was presented with a quilt of the dresden plate design by the ladies.

The group held an all day meeting yesterday at the home of Miss Mary Whitelock and tied a quilt. Pot luck luncheon was served at noon.

INFANT DIES

Judy Diane, two months old daughter of Mr. and Mrs. Everett Culley, died Tuesday at their home in Flint.

Besides her parents she leaves three brothers and her grandparents Mr. and Mrs. Leo Everett and Mr. and Mrs. Geo. Milosh of Tecumseh.

The body was brought to the Belding Funeral Home where services will be held today at 2:30. Rev. N. MacNaughton will officiate and burial will be in Brookside cemetery.

A CORRECTION

In the A & P Tea Company's advertisement in this issue, two prices are in error. The price of peaches should read, $6.49 a bushel and the price of cucumbers, 6 cents each.

Dancers at Bond Drive Show

Photo shows Rae Nita and Lenere Larson, dancing sisters, of Tecumseh, who will appear in the vaudeville section of the Gay 90's Minstrel show at Recreation Center, this week-end. The Misses Larson are well known for their dancing ability and their performance will be one of the headliners in the variety production.

Clinton Woolen Mill Receives Second Star

A second white star has been added to Clinton Woolen Mills Army-Navy "E" flag as a mark of renewal of the award has been made to the original flag presented in July 1942 as recognition for efficient production of war materials. Woolen cloth for the blue uniforms of the navy are the chief product of the plant.

Admiral C. C. Block, U. S. N. (Ret.) made the renewal through a letter from the office of the Navy Board of Production Awards, of which he is chairman.

"The men and women of the Clinton Woolen Manufacturing Company have achieved a signal honor by continuing their splendid production in such volume as to justify this renewal of their award," Admiral Block wrote. "In the first instance it was difficult to win the Army-Navy "E", and by meriting a second renewal, the management and employees have indicated their solid determination and ability to support our fighting forces by supplying the equipment which is necessary for ultimate victory."

Pre-School Meeting For Teachers, Saturday

Mrs. E. T. Armstrong, county school commissioner announces a pre-school meeting for rural teachers to be held Saturday morning at 10 o'clock at the court house in Adrian in preparation for the opening of rural schools on Monday, August 30.

Supplies will be given out and announcements made regarding a special refresher course for teachers to be held at Siena Heights College August 30, 31 and September 1, for which over 30 rural teachers have already enrolled. All new teachers and those returning after an extended lay off are urged to take advantage of the three day course and school boards are urged to pay teachers for a full week if they enroll. Where teachers take the special training schools will not open until September 3. Instructors have not yet been engaged for a few rural schools.

TWO CARS DAMAGED IN TRAFFIC MISHAP

Julian Couseno of Deerfield was brought to Tecumseh hospital early Sunday morning for treatment of head injuries received in an automobile accident three miles east of Tecumseh when the driver was blinded by approaching lights and forced off the road. The driver Caesereo Zartuche, a Mexican, of Tecumseh was unhurt.

Another car driven by E. Zomez, also a Mexican, was badly damaged when it struck a culvert near Holloway, sometime Saturday night.

FORD SCHOOLS TO OPEN

Classes in the Greenfield Village schools will resume for the new school year on Wednesday, Sept. 8, authorities announced today.

Classes at the Nankin Mills School, the Klein School and the schools of the Macon area will resume Tuesday, Sept. 7.

Clinton Honors Men in Service

HONOR ROLL IN PARK DEDICATED AT SERVICE HELD ON SUNDAY

CLINTON, MICH., Aug. 26—The Service Men's Honor Roll erected at Monument Park by the Frederick E. Pieper post of the American Legion was dedicated Sunday afternoon. The parade formed by the school band, American Legion, its auxiliary, the Blue Star Mothers and Boy Scouts, moved from the school ground to Monument Park at 1:30 p.m., where the following program was announced by Clyde W. Way: hoisting of colors by the Boy Scouts, with the band playing "The Star Spangled Banner"; invocation, by F. K. Allen, Legion chaplain; remarks by Village President G. A. Van Deusen; remarks by Mrs. August Feldkamp, first vice president of the Legion Auxiliary; and remarks by Mrs. D. W. Sell, president of Blue Star Mothers.

Mrs. Elmer Martens gave a report of the Red Cross surgical dressing class and Commander F. C. Gilman spoke for the American Legion. The band, directed by Don Allen, played a selection. Clyde W. Way told how the names were chosen for arrangement on the roll and then read eleven more names that are to be added, making a total of 197. The dedication address was given by the Rev. O. E. Priest. The program closed with Miss Doris Jean Gilmna, accompanied at the piano by her mother, singing "God Bless America," and the benediction by Chaplain Allen.

The parade returned to the schoolhouse where relatives and their families numbering 180, were served a pot luck dinner.

A. C. Haner of Flint, field representative of the service department of the American Legion of Michigan, was the speaker.

Out of town guests were the vice-committeemen of the Legion's second district, Walter Kindschy of Adrian, and Louis E. Schneider of Tecumseh, state child welfare director.

INCOME TAX AID

A representative of the Department of Internal Revenue will be at the United Savings Bank, Tecumseh, on August 30-31 for the purpose of assisting taxpayers in making out their estimated income tax blanks. A similar service will be offered by the department at the city hall, Adrian, from August 30 to September 4, inclusive.

MEETING DATE CHANGED

The Price Panel of the War Price and Rationing Board 3346 will hold it regular weekly meetings on Tuesday evening at 7 p.m. at the board's headquarters at 115 E. Maumee St., Adrian. These meetings were formerly held on Thursday afternoons at 2:30 p.m. Anyone who has a complaint regarding meat or other food price ceiling violations can come in and register his complaint between the hours of 7 to 10 p.m.

RELIABLE CLASS

The Reliable class of the Methodist church met Tuesday evening at the church for pot luck supper followed by the regular business meeting.

Zoning Hearing Set For Monday

WOULD REGULATE BUILDING WITHIN VILLAGE; TOWNSHIP MAY ENACT SIMILAR CODE

The hearing on Tecumseh's proposed zoning ordinance, which is printed in its entiety in other pages of this issue of The Herald, is scheduled for Monday evening, August 30, in the council building. Property owners and others interested in the enactment of the new code are urged to attend.

The new ordinance, which completely controls the building and remodeling of houses, stores, industrial buildings, etc., within the corporate limits, is similar in form to ordinances in other Michigan villages and cities.

It is understood that unless objections are raised, the ordinance, as proposed, will be enacted when the council meets in regular session early in September. If there are amendments as the result of Monday's hearing, it is likely that they will be made at the September meeting of the council and the ordinances adopted, it was said.

A petition already is in circulation in the township, asking that the Tecumseh township board enact a zoning ordinance at its September meeting. LeRoy Titley, supervisor, said that he had been advised that the petition was in circulation and that in all probability it would be given consideration by the board early in September.

Woolen Mill Workers Hear U. S. Gunner Talk

Sgt. Ted Nastal of Detroit spoke to Clinton Woolen Mill employees at 3 p.m. Saturday. Sgt. Nastal, a graduate of Clinton high school in 1939, has been in the Army Air Force for 20 months and has participated in 50 bombing raids in Africa and Nazi-held territory.

He was a tail gunner on the Flying Fortresses "Thunderbird." Sgt. Nastal told of one thrilling experience early last year when their ship limped back through a mountain pass from a raid over Tripoli. Two motors were knocked out and the gas supply about exhausted and part of their crew injured. Sgt. Nastal said that the ship was laid up for repairs two and a half months, but is flying again, and has taken part in raids recently in Sicily.

Sgt. Nastal stated that only by the "team work" of the crew and God's help they were able to get back to their air base from Tripoli. Sgt. Nastal, having heard that the woolen mill had been notified that afternoon of being awarded another star for their Army-Navy "E" flag, urged employees to continue their production. Without all help from the United States," he said, "the boys can't do their best over there." He asked the employees to "keep up team work," keep production rolling and not listen to rumors detrimental to the war effort.

He asked them to make more sacrifices, and buy war bonds.

Sgt. Nastal is expecting to enter officers' training school.

After his talk, C. D. Nilsen, vice president and general manager of the company, took Sgt. Nastal and a party of friends from Detroit on a tour of the mill.

GARDEN CLUB MEETS

The Tecumseh Garden Club met Friday afternoon in the home of Mrs. F. C. Dickinson. The president, Mrs. Neil Pearson, conducted the business meeting and afterward Miss Clara Waldron, chairman of the Red Cross Home Service, gave an instructive talk on the work of her department. She also read several of her original poems. Marlou Gilman played accordion numbers. The hostess, assisted by Mrs. Guy T. Pocklington, Mr. C. L. Kempf and Mrs. Stanley Rees, served refreshments in conclusion.

Mrs. Margaret Roberts of Grosse Isle and Mrs. Louise Moss of Toledo were guests.

The September meeting will be held at the home of Mrs. F. C. Hanna.

GRANGE PICNIC

Tecumseh Grange is holding its annual picnic today at the Britton Park with dinner at 12:30.

THROW THEM OUT!

Lou R. Maxon, high official of the OPA, resigned with the declaration that: "There is a strong clique in OPA who believe that the government should manufacture and distribute all commodities. They are using the war as a means of furthering their reform ideas, and will continue to use honest men in OPA as a front for their efforts.

"If this group isn't curbed, we are going to lose a good slice of the very freedom we are fighting for."

Mr. Maxon's charges are similar to those of leading retail distributors, who have reiterated many times that the distribution industry faces total disruption unless the pet theories of extremists are relegated to a back seat.

With inflation gaining inexorably, the spectacle of one of the principal agencies established to combat rising prices experimenting with the doctrines of socialism, while the destinies of a hundred and thirty million people hang in the balance, is intolerable.

The production and distribution system in this country has been developed to a state of perfection never before attained in history. The result has been evident in every American home. Why, in the name of heaven, should this system be scrapped when we need it most? If given a chance, our farms and factories and our merchants will feed and clothe the country. They will do it, inflation or no inflation. The only thing that could conceivably stop them would be hopelessly complex domination by so-called "war agencies," who would rather see Americans growing in rows than fighting for victory.

STATISTICS DON'T TELL

It is irritating to farmers to be informed by statisticians that agriculture is making a financial killing out of the war. If the statisticians would leave the city long enough to take a look at the way a farmer must try to operate under present conditions, they would go back and toss their statistics out of the window.

For example, a lot of ballyhoo has been published about the "flood" of men going back to the farms. One dairy farm was recently subjected to the flood—at seventy-five cents an hour per man. Two men, one a civil engineer professing to help the farmer in a pinch during harvest time, the other an ex-stevedore looking for easy money, went into the field to load hay. At the day's end they had arrived at the barn with one load. Two other loads had been dumped by the wayside, one through the front door of a grocery. They were paid off. Net result: Twelve dollars in labor costs for a couple of tons of hay.

This is merely a sample. But it shows why the country is going to go hungry if the pencil pushers that make the rules don't quit writing fairy tales.

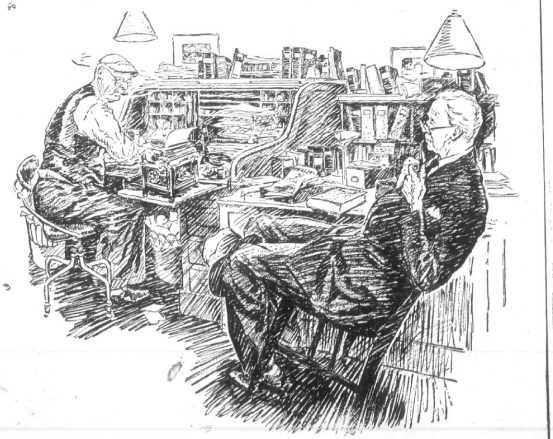
THE OLD JUDGE SAYS...



"Anything new, Bert, on that black market trial up at the county seat?"

"The jury came in 'bout an hour ago, Judge. The verdict was 'guilty.' I understand the sentence is going to be a mighty stiff one."

"Can't be too stiff to suit me. Anything those law-flouting racketeers get will be too good for them. How they thrive every time there's an opportunity to sell something illegally instead of legally in this country. Just like the bootleggers did during the 14 years when liquor was sold illegally instead of legally.

"Unless this black market in meat and other commodities is stamped out and stamped out quickly, Bert, we're in for another close of the crime, corruption and lawlessness we had following the last World War."

Proposed Zoning Ordinance

for the Village of Tecumseh, Michigan, to be given public hearing at the Council building on Monday evening, August 30, at 7:30 p.m.

ORDINANCE NO.
ZONING ORDINANCE FOR THE VILLAGE OF TECUMSEH LENAWEE COUNTY MICHIGAN
Title

An Ordinance to regulate and restrict the location of trades and industries and the location of building designated for specific uses, to regulate and limit the height and bulk of buildings, courts, and other open spaces to limit and restrict the minimum number of families which may be housed in dwellings hereafter erected or altered, for said purposes; to divide the Village into districts, to provide for changes in the regulations, restrictions and boundaries of such districts, to define certain terms used herein, to provide a method of administration and enforcement, the establishment of a Board of Appeals and to prescribe the penalties for the violation of the provisions of the Ordinance.

Preamble

In pursuance of the authority conferred by the public acts of the State of Michigan, in such case made and provided, and for the purpose of promoting the health, safety, morals and general welfare of the Inhabitants of the Village of Tecumseh by the lessening of congestion in the streets; securing safety from fire, panic and such other dangers; providing adequate light and air, preventing the overcrowding of land; avoiding undue congestion of population; facilitating the adequate provisions of transportation, water, sewerage, schools, parks and other public requirements; and by other means, in accordance with a comprehensive plan; now, therefore:

ENACTING CLAUSE

THE VILLAGE OF TECUMSEH ORDAINS:

Section 1
SHORT TITLE

This Ordinance together with the Building Zone Map which is attached hereto and made a part hereof shall constitute and shall be known as the "Zoning Ordinance of the Village of Tecumseh", and will be referred to herein as "this ordinance."

Section 2
DEFINITIONS

Sec. 2.1—GENERAL TERMS

For the purpose of this Ordinance certain terms are herewith defined as follows:

Words used in the present tense include the future; the singular number includes the plural and the plural the singular, the word "building" includes any structure other than a boundary fence or wall, the words "used and occupied" include the words "arranged, designed or intended to be" used or occupied; the word "shall" is always mandatory and not merely directory. Terms not herein defined shall have the meanings customarily assigned to them.

Sec. 2.2—ACCESSORY USE

A use naturally and normally incidental to, subordinate to and devoted exclusively to the main use of the premises.

Sec. 2.3—ACCESSORY STRUCTURE

A subordinate structure on the same premises with and devoted exclusively to the main use of the premises.

Sec. 2.4—ALLEYS

A public thoroughfare or way, not more than 30 feet wide and which affords only a secondary means of access to abutting lots.

Sec. 2.5—BLOCK

For the special purpose of this Zoning Ordinance a block shall mean all land fronting on one side of a street between the nearest streets or alleys intersecting, meeting or crossing the aforesaid street and bounding such land.

Sec. 2.6—BOARD

The word "Board" shall mean the Board of Appeals.

Sec. 2.7—BUILDING

Any structure, either temporary or permanent, having a roof and used for the shelter or enclosure of persons, animals, chattels, or property of any kind. This shall include tents, awnings, or vehicles situated on private property and used for purpose of a building.

Sec. 2.8—BUILDING, HEIGHT OF

The vertical distance from the established sidewalk grade at the center of the front of the building to the highest point of the roof surface if a flat roof, to the deck line for mansard roofs and to the mean height level between eaves and ridge for gable hip and gambrel roofs. Penthouses, towers, cupolas, steeples and other roof structures used only as ornaments or for mechanical operation of the building shall not be included in the height of the building.

Sec. 2.9—DWELLING

Any building, or part thereof, occupied, in whole or in part, as the home, residence, or sleeping place of one or more persons, either permanently or transiently.

One Family Dwelling

A building occupied by not more than one family.

Two Family Dwelling

A building occupied by not more than two families.

Multiple Dwelling

A building or portion thereof, occupied by three or more families, each living independently, in separate housekeeping units.

Sec. 2.10—ERECTED

The word "erected" includes built, constructed, re-constructed, moved upon, or any physical operation on the premises required for the building. Excavations, fill, drainage, and the like, shall be considered a part of erection.

Sec. 2.11—ESTABLISHED GRADE

The elevation of the sidewalk grade as fixed by the Village.

Sec. 2.12—FAMILY

One person, or a group of two or more persons living together and inter-related by bonds of consanguinity, marriage, or legal adoption, occupying the whole or part of a dwelling as a separate housekeeping unit with a common and single set of culinary facilities. The persons thus constituting a family may also include gratuitous guests and domestic servants.

Sec. 2.13—FIRST FLOOR

The floor of a building approximately at or first above the mean level of the ground at the front of the building.

Sec. 2.14—HALF STORY

A story which is situated within a sloping roof, the area of which at a height four feet above the floor does not exceed two-thirds of the floor area directly below it, wherein living quarters are used only as a part of a dwelling situated in a story below.

Sec. 2.15—GARAGE

A building or part thereof in which self-propelled vehicles, trailers or trailer cars are housed or sheltered for the purpose of parking, storage, servicing, sale or display.

Sec. 2.16—GARAGE-PRIVATE

A building or part thereof, not over one (1) story or sixteen (16) feet in height, for use of the occupants of the same premises upon which it is located, for storage of not more than four (4) self-propelled vehicles, and in which no service for profit is rendered.

Sec. 2.17—GARAGE-COMMERCIAL

A garage other than a private garage.

Sec. 2.18—LOT

A piece or parcel of land abutting on a street occupied by a building, structure, accessory building, accessory structure, use or accessory use, including yards and open spaces required by this Ordinance.

Corner Lot

A corner lot is a lot of which at least two adjacent sides abut for their full length upon a street, provided that such two sides intersect at an angle of not more than 135 degrees. Where a lot is on a curve, if tangents through the extreme point of the street line of such lot make an interior angle of not more than 135 degrees, it is a corner lot. In the case of a corner lot with a curved street line, the corner shall be considered to be that point on the street line nearest the point of intersection of the tangents herein described. Any portion of a corner lot distant more than 100 feet from a corner, measured along the street line, shall be treated as an interior lot.

Sec. 2.19—LOT LINES

The boundary lines of a lot area:

Front Lot Line

The line dividing a lot from a street. On a corner lot, only one street shall be considered as a front lot line and the shortest street line shall be considered the front lot line.

Rear Lot Line

A lot line opposite the front lot line.

Side Lot Line

Any lot lines other than front lot line or rear lot line.

Sec. 2.20—NON-CONFORMING USE

A building, structure, or premises occupied by a use that does not conform with the provisions of this Ordinance for the District in which it is situated.

Sec. 2.21—OCCUPANCY, CHANGE OF

The term "change of occupancy" shall mean a discontinuance of an existing use and the substitution therefore of a use of a different kind or class.

Sec. 2.22—OCCUPIED

The word "occupied" includes arranged, designed or intended to be occupied.

Sec. 2.23—PERSON

The word "person" includes association, firm, co-partnership or corporation.

Sec. 2.24—PUBLIC UTILITY

Any person, firm, corporation, municipal department or Board duly authorized to furnish and furnishing under municipal regulation to the public, electricity, gas, steam, telephone, telegraph, transportation or water.

Sec. 2.25—SET BACK LINE

A line parallel to a street line establishing an open space between the fronts of buildings or structures and the street line and into which open spaces said buildings or structures shall not extend or encroach.

Sec. 2.26—STORY

That part of a building included between the surface of any floor and the surface of the next floor or of the roof next above. When the distance from the average established grade to the ceiling of a story partially below such grade exceeds five (5) feet then the basement or cellar constituting the story partially below grade shall be counted as a story.

Sec. 2.27—STREET

A public thoroughfare which affords a principal means of access to abutting property.

Sec. 2.28—STRUCTURE

A structure is any production or piece of work artificially built up or composed of parts joined together in some definite manner; any construction.

Sec. 2.29—USE

The purpoes for which land or building thereon is designed, arranged, or intended, or for which it is occupied or maintained.

Sec. 2.30—USED

The word "used" includes arranged, designed, or intended to be used.

Sec. 2.31—YARD

An open space on the same lot with a building. Yard measurements shall be the minimum horizontal distances.

Yard—Front

A yard extending across the full width of the lot between the front lot lines and the nearest line of the main building.

Yard—Rear

A yard extending across the full width of the lot between the rear lot line and the nearest line of the main building.

Yard—Side

A yard extending from the front yard to the rear yard between the side lot line and the nearest line of the main building.

Section 3
GENERAL PROVISIONS

Sec. 3.1—CONFLICTING REGULATIONS

Where this Ordinance imposes greater regulations, restrictions, or limitations by its provisions than are imposed or required by existing laws of ordinances, regulations, restrictions or limitations, the provisions of this Ordinance shall control.

Sec. 3.2—SCOPE

No building or structure shall hereafter be erected or altered and no building or structure or premises shall be used in whole or in part except in conformity with all the provisions of this Ordinance which apply to the district in which it is located.

Sec. 3.3—PROJECTIONS

Projections into Required Spaces. Outside stairways, fire escapes, fire-towers, porches, platforms, balconies, boiler flues and other projections shall be considered as part of the building and not as a part of the yards or courts or unoccupied spaces. This provision shall not apply to permanently unenclosed outside porches not exceeding one story in height which do not extend into the front or rear yard any farther than ten feet (but not nearer to any street lot line than fifteen (15) feet).

Sec. 3.4—PERMITS ALREADY ISSUED

Nothing in this Ordinance shall require any change in the plans, construction or intended use of a building for which a building permit has been issued prior to the time of passage of this Ordinance and the construction of which shall have been commenced within three months of the date of such permit, and the ground story frame work of which, including the second tier of beams shall have been completed within one year from the date of such permit. In the event such provisions are not complied with within the required time, said building must thereafter conform to all the provisions thereof. Nothing herein contained shall prevent the ultimate erection of its height and bulk prior to the adoption of this Ordinance, but with its foundation and structural members designed to carry the larger building. Nothing herein contained shall prevent the strengthening or restoration of any building or wall declared unsafe by the Building Inspector.

Sec. 3.5—NON-CONFORMING USES

Any use of property existing at the time of passage of this Ordinance that does not conform to the regulations prescribed therein shall be deemed as a non-conforming use. Such non-conforming use may be continued upon application to the Building Inspector for certificate of occupacy within one year from the date of the passage of this Ordinance and such continuance shall be subject to all the provisions of this section. The Board of Appeals after appropriate notice and hearing as specified in the statute may revoke certificate of occupancy issued to a non-conforming use.

A non-conforming use shall not be changed unless changed to a conforming use and if discontinued or changed to a conforming use it may not thereafter be changed back to the original use or to any non-conforming use nor shall a non-conforming use be extended except that changes or extentions may be permitted by the Board of Appeals. In the event that a structure which is non-conforming is unused for a period of one year or more any subsequent use must be one which conforms with the provisions of this Ordinance. A non-conforming building or structure destroyed or damaged less than fifty per cent of its value by fire, explosion, Act of God, or act of the public enemy may be repaired or restored to its original condition but not otherwise, then only with the express permission of the Board of Appeals after proper application thereto.

Sec. 3.6—LOCATION OF DWELLINGS

Every dwelling shall face or front upon a public street or permanent easement of access to a public street, other than an alley and no dwelling shall be built upon a lot having a frontage of less than fifty (50) feet upon a public street or upon a permanent easement of access to a public street, such easement to have a width throughout of not less than thirty feet (30) feet or not less than ten (10) feet in width for each lot fronting upon it, except that no width of easement greater than sixty (60) feet shall be required hereby.

Sec. 3.7—BOUNDARIES OF DISTRICTS

Unless otherwise shown, the District boundaries are either lot lines, the center lines of streets or alleys or the extension thereof and where the districts are designated on the maps accompanying and made a part of this Ordinance are approximately bounded by lot lines, streets or alleys, the lot lines or center lines of such streets or alleys or the extensions thereof, shall be construed to be district boundaries.

Where the district boundaries are not shown as being either lot lines, streets or alleys, or the entensions thereof, unless otherwise indicated they shall be construed to be parallel to and one hundred (100) feet from the nearest street, provided that if a lot line or an alley shall hereafter be platted and recorded paralelling and within thirty (30) feet of such district boundary such lot line or the center line of such alley shall thereupon be construed as the district boundary.

Sec. 3.8—VEHICLE STORAGE FOR DWELLINGS

Facilities for the storage of self-propelled passenger vehicles for the use of occupants of multiple dwellings shall be provided and maintained on the premises occupied by such dwellings. Such storage facilities shall provide at least two hundred (200) square feet of accessible storage space for each two family units in such dwellings. The driveway area shall not be considered as storage area.

Sec. 3.9—TRANSFERAL OF RESIDENTIAL REQUIREMENTS

Where any building, structure or use for residential purposes is permitted by the terms of this Ordinance in any other district or districts besides the district in which such buildings, structure, or use is first or primarily permitted, such building, structure or use shall be provided with the same yards and shall be subject to the same limitations on percentage of lot coverage and area per family as are specified for such building, structure or use in the district in which it is first or primarily permitted.

Sec. 3.10—GROUP HOUSING

Where two or more dwellings as one group are erected or placed on the same premises, the space between any two dwellings shall not be less than the height of the higher of the two dwellings, and the space between any dwelling and the nearest side lot line adjoining other private property shall be not less than the height of that dwelling. Front and rear yards on such premises as required for lots in districts in which such buildings, structures or uses are first or primarily permitted shall be provided.

Sec. 3.11—LOTS ADJOINING OTHER DISTRICTS

On lots in any resident district which adjoins a business district, such variation in the requirements for residence districts may be granted by the Board of Appeals as they may in their discretion deem just and equitable.

Sec. 3.12—ANIMALS

No lot or building in any residence district shall be used for the housing, keeping or raising of animals, livestock or fowl except such animals or livestock as are commonly known and kept as household pets.

Sec. 3.13—ONE DWELLING ON LOT

There shall be erected on any one lot of less than eighty (80) feet of frontage not more than one dwelling and one garage for private farming which garage shall contain not more than 600 square feet of floor area and provided further that no commercial vehicle shall be housed therein except as for one such vehicle of not more than two tons capacity provided such vehicle is owned or operated by the owner or occupant of the principal building on the same lot.

Sec. 3.14—ESSENTIAL SERVICES

The erection, construction, alteration or maintenance by public utilities or municipal departments or commissions of underground or overhead distribution, collection, or communication systems, including mains, drains, sewers, pipes, conduits, wires, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, poles, and other similar equipment, and surface accessories in connection therewith reasonably necessary for the furnishing of adequate service or for the public health or safety or general welfare shall be permitted in any use district.

Section 4
ADMINISTRATION

Sec. 4.1—ADMINISTRATIVE OFFICER

The Village Engineer is hereby authorized and directed to enforce all the provisions of this Ordinance. He may delegate the enforcement of this Ordinance to any administrative official of the Village. The administrative official shall be directly under the control of the Village Engineer and shall for the purpose of this Ordinance have the powers of a police officer.

Sec. 4.2—BUILDING PERMITS

No permit shall be issued by the Village of Tecumseh, or any official thereof, for the erection, alteration or removal of any building or any parcel of land unless such building is designed and arranged to conform to the provision of this Ordinance.

Sec. 4.3—CERTIFICATE OF OCCUPANCY

No building hereafter erected or remodeled shall be occupied until a certificate of occupancy has been issued therefor, nor shall the use or occupancy of any building be changed to a use or occupancy of different classification until a certificate of occupancy permitting the new use or occupancy shall have been issued. No such certificate of occupancy shall be issued for any building, unless all the provisions of this Ordinance are fully complied with.

Upon written request the administrative officer shall issue a certificate of occupancy for any building or premises for the use of classification as existing on the effective date of this Ordinance, stating whether such use is a conforming or non-conforming use; provided application for such certificate of occupancy is made within one (1) year after the passage of this Ordinance.

Sec. 4.4—INTERPRETATION

In the interpretation and application, the provisions of this Ordinance shall be held to be the minimum requirements adopted for the promotion of the public health, safety and general welfare.

Wherever any provision of this Ordinance, imposes requirements for lower heights of buildings, or a less percentage of lot that may be occupied, or requires wider or larger courts or deeper yards than are imposed or required by existing provisions of law or Ordinance, the provisions of this Ordinance shall govern. Where, however, the provisions of the State Housing Code or any ordinance or regulations of the Village of Tecumseh impose requirements for lower heights of buildings or less percentage of lot that may be occupied, or require wider or larger courts or deeper yards than are required by this Ordinance, the provisions of the said State Housing Code or other ordinance or regulation shall govern.

It is not intended by this Ordinance to interfere with or abrogate or annul any easements, covenants or other agreements between parties; provided, however, that where this Ordinance imposes a greater restriction upon the use of buildings or premises, the provisions of this Ordinance shall control.

Section 5
DISTRICTS

Sec. 5.1—DIVISION

The Village of Tecumseh is hereby divided into districts as follows:

Residence A
Residence B
Residence C
Business A
Business B
Industrial

Sec. 5.2—BOUNDARIES AND MAP

The boundaries of said districts are hereby established as shown on the map, designated as the Zoning Map of the Village of Tecumseh, attached hereto and made a part hereof, and said map and all notations, references and other information shall be as much a part of this Ordinance as if the matters and information set forth on such map were all fully described herein.

Sec. 5.3—APPLICATION OF PROVISIONS

The use of land and buildings hereafter commenced or enlarged, the area and height of buildings hereafter erected and such other provisions as may be deemed necessary shall be as specified in the section of this Ordinance and no building or premises or part thereof shall be used, altered constructed or reconstructed except in conformity with the provisions applying to the district in which it is located.

Section 6
GENERAL PROVISIONS OF RESIDENCE A, B, AND C DISTRICTS

Sec. 6.1—SIZE OF LOT-RESIDENCE

Every lot upon which a one-family dwelling is erected shall be not less than four thousand eight hundred (4,800) square feet in area. The Board of Appeals may grant an exception to this requirement for owners of lots of lesser area, who do not own a sufficient amount of adjacent property which will permit their complying with this section, provided all other requirements of this Ordinance are complied with.

PROPOSED ZONING ORDINANCE

(Continued from Page 7)

ings and structures shall not exceed thirty-five (35) per cent of the area of the lot.

Sec. 6.3—HEIGHT

No dwelling, or part thereof, shall be erected or altered to a height exceeding two and one-half (2½) stories or thirty-five (35) feet.

Sec. 6.4—REAR YARD

Every lot shall have a rear yard not less than thirty (30) feet in depth. Rear yards required by the provisions of this Ordinance may be considered as extending to the centerline of the alley where there is an alley at the rear of the lot.

Sec. 6.5—SIDE YARDS-RESIDENTIAL USES

There shall be provided a side yard on each side of every lot, which shall be not less than five (5) feet in width, and the combined width of both side yards shall be not less than twelve (12) feet six (6) inches.

Sec. 6.6—SIDE YARDS-NON-RESIDENTIAL USES

Every lot on which a building or structure other than a dwelling is erected, shall have a side yard on each side of such lot, and each such yard shall be not less than fifteen (15) feet in width with an increase of one (1) foot in width of each side yard for each five (5) feet by which the said building or structure exceeds forty (40) feet in overall dimensions parallel to the side yard.

Sec. 6.7—FRONT YARD-RESIDENTIAL USE

There shall be on every lot a front yard the depth of which shall be not less than 25 feet. Where a front yard of greater or less depth than above specified exists in front of dwellings existing on more than 50% of the lots on record on one side of a street in any block, the depth of front yard on any dwelling subsequently erected or placed on any one of such lots shall not be less, and need not be greater than the average depth of the front yards of such existing dwellings, but this shall not be deemed to require a front yard of greater depth than 30 feet or permit a less depth than 20 feet in any case.

Sec. 6.8—YARD AREAS-ENROACHMENTS

No required open spaces or yards surrounding any building shall be encroached upon or reduced in any manner, except by condemnation of a portion of the property nor shall any such areas serve as required yard space for more than one building.

Sec. 6.9—REAR YARD ACCESSORY-USE

Rear yard spaces required in residence districts may be occupied by accessory buildings or structures for accessory uses permitted herein; providing that such buildings or structures are not over 15 feet high nor occupy more than 40 per cent of the required rear yard area.

Sec. 6.10—REAR YARD-STREET TO STREET

Where it is desired to erect a building from street to street or to within 50 feet of another street, no rear yard shall be required, but there shall be provided on each side lot line an area equal to the area of the rear yard normally required in addition to the normal side yard requirements.

Sec. 6.11—SIDE YARD ON STREET SIDE OF CORNER LOTS

Where a corner lot is so situated that there is adjoining it at the rear an interior lot fronting on the side street the side yard along the street side shall be treated as a front yard and shall conform to the requirements thereof, provided that the Board of Appeals upon application thereto may grant a side yard of a depth of not less than ten feet. If, however, there is no such adjoining interior lot, the width of the side yard along the street shall be governed by the provisions of side yards.

Sec. 6.12—EXCEPTIONS FOR SHALLOW LOTS

On any lot of record at the time of passage of this Ordinance which has at any point a depth of less than 4 times the depth specified for front yards, the required front yard depth at such point may be reduced to one-fourth of the lot depth, but this shall not permit a less depth than 20 feet in any case.

Sec. 6.13—EXCEPTIONS FOR SPECIFIED CASES

Reduction of the required minimum front yard in Residence Districts to not less than 20 feet may be permitted by the Board of Appeals, where the reduction applies to an entire street or block to all of a block within a Residence District, upon written request of the owners of 75% of the frontage affected, provided that such reduction is compensated by increased open spaces at the side or the rear of the lots to which it applies.

Sec. 6.14—EXCEPTIONS FOR NARROW LOTS

On any lot of record at the time of passage of this Ordinance where the lot width is less than 3 times the required total side yard restrictions the total side yard width may be reduced to one-third of the lot width. However, the minimum for any one yard may not be less than 5 feet except that on lots having a width of 30 feet or less, the side yard on any one side may be reduced to 3 feet and on such lots having a width of 20 feet or less the side yards on both sides may be reduced to 3 feet if in any Residence District.

Sec. 6.15—SEMI-DETACHED AND ROW DWELLINGS

In a Residence C District the side yard on one side or both sides of a lot or the rear yard on a corner lot may be omitted where necessary for the erection of dwellings or other buildings attached in pairs or groups as permitted in such districts, but along the outermost side lot lines of any pair or group of lots so used there shall be side yards having a total width of not less than 12 feet, and a minimum for one yard of 5 feet.

Sec. 6.16—REAR YARDS ABUTTING UPON A STREET

Where the rear of a lot abuts upon a street, the depth, of a rear yard shall be increased if necessary to conform to the requirements for front yards on such rear street.

Sec. 6.17—ACCESSORY USE-SAME LOT

An accessory use shall not include a building or use not located on the same lot with the building or use to which it is accessory.

(a) Garage. A private garage to be deemed an accessory use shall not provide storage space for more than one motor vehicle for each 2,000 square feet of ground area of the lot. Such private garage may have living quarters for servants or members of the family; provided all requirements of a single residence for yard space are fulfilled.

(b) Retail Business-Trade-Profession. The term accessory use shall not include the conducting of a retail business, but shall include only the use of a portion of the building by an occupant of such building for the conducting of his or her trade, profession or occupation. Such accessory use shall not occupy more than 25 per cent of the floor area of any one floor.

(c) Smoke-Noise and Etc. No accessory use shall be permitted which by the emission of odor, smoke, dust or noise or which in any other way is objectionable or detrimental to the emenity of the neighborhood.

Sec. 6.18—MINIMUM WIDTH OF LOTS

No dwelling shall be built upon a lot not of record at the time of passage of this Ordinance having a width at the front of less than 50 feet and fronting upon a public street, or upon a permanent unobstructed private easement of access to a public street, such easement to have a width throughout of not less than 30 feet and at the end thereof and at intermediate intervals of 500 feet a turn-around not less in width than 40 feet.

Sec. 6.19—YARD AREA OF BUILDING OTHER THAN DWELLINGS

The minimum lot area requirements for other than dwellings shall be as follows:

(a) Public or parochial schools 200 square feet per student.

(b) Institutions 500 square feet per student regularly enrolled.

(c) Hospitals and sanitariums, 1500 square feet per patient.

Sec. 6.20—BUILDINGS AND LANDS EXCEPTED

The lawful use of any land or of any existing building on the effective date of this Ordinance may be continued as provided in this Ordinance.

Sec. 6.21—EXCEPTIONS FOR UTILITY (Public and Private)

The Board of Appeals may in its discretion issue a certificate of Compliance for publicly-owned buildings, public utility buildings, telephone exchanges, transformer stations, and substations, provided the same are not injurious to the surrounding neighborhood, conform to the general architecture and are in accord with the spirit and purpose of this Ordinance and its provisions.

Section 13
BOARD O FAPPEALS

Sec. 13.1—DUTIES AND PROCEDURE

The Village Commission of the Village of Tecumseh shall appoint a "Board of Appeals" consisting of five members, each to be appointed for three years. Such Board of Appeals shall fix rules and regulations to govern its procedure in acting upon appeals, and shall hear and decide appeals from and review any order requirement, decision or determination made by an administrative official charged with the enforcement of this Ordinance. They shall also hear and decide all matters referred to them or upon which they are required to pass under this Ordinance. The concurring vote of four members of the Board of Appeals shall be necessary to reverse any order, requirement, decision or determination of the administrative official, to to decide in favor of the applicant any matter upon which they are required to pass under this Ordinance or to effect any variation in this Ordinance. Such appeal may be taken by any person aggrieved or by any officer, department, board or bureau of the Village of Tecumseh.

Sec 13.2—APPEALS, HOW TAKEN

Such appeal shall be taken within such time as shall be prescribed by the Board of Appeals by general rule, by the filing with the officer from whom the appeal is taken and with the Board of Appeals of a notice of appeal is taken shall forthwith transmit to the board, all the papers constituting the record upon which the action appealed from was taken.

Sec. 13.3—STAY

An appeal stays all proceedings in furtherance of the action appealed from unless the officer from whom the appeal is taken certifies to the Board of Appeals after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate, a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by the circuit court, on application, on notice to the officer from whom the appeal is taken and on due cause shown.

Sec. 13.4—HEARING AND DECISION UPON APPEAL

The Board of Appeals shall fix a reasonable time for the hearing of the appeal and give due notice thereof to the parties, and decide the same within a reasonable time. Upon hearing, any party may appear in person or by agent or by attorney. The Board of Appeals may reverse or affirm wholly or partly, or may modify the order requirements, decision or determination appealed from and shall make such order, requirement, decision or determination as in its opinion ought to be made in the premises, and to that end shall have all of the power of the officer from whom the appeal is taken.

Sec. 13.5—POWERS OF BOARD OF APPEALS

The Board of Appeals shall not have the power of its own action to change the classification of any property on the Zoning Map nor to make any change of the terms of this Ordinance, but only to interpret this Ordinance and to authorize variations in accordance with this section.

Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letters of this Ordinance, the Board of Appeals shall have power in passing upon appeals to vary or modify any of its rules, regulations or provisions relating to the construction, structural changes in, equipment, or alterations of buildings or structures, so that the spirit of this Ordinance shall be observed, public safety secured and substantial justice done.

The decision of such board shall be final as far as it involves discretion or the finding of facts.

Section 14
PENALTIES

Sec. 14.1

Buildings erected, altered, razed or converted, or uses carried on in violation of any provisions of this Ordinance are hereby declared and the owner and/or agent in charge of such building or land shall be adjudged guilty of maintaining a nuisance per se.

For any and every violation of the provisions of this Ordinance, the owner, agent, contractor, lessee or tenant of the premises or building or part thereof where such violation has been committed or exists shall be guilty of a misdemeanor and the owner, agent, architect, builder or any person who commits, takes part of or assists in such violation of any of the provisions of this Ordinance or any person who maintains any building or premises in which any such violation exists shall be guilty of a misdemeanor, and upon conviction thereof before any court of competent jurisdiction shall be punished by a fine of not less than twenty-five ($25.00) dollars nor more than one-hundred ($100.00) dollars for each offense or shall be punished by imprisonment in the Lenawee County Jail for a period of not to exceed ninety days, or both such fine and imprisonment at the discretion of the court. Each day that a violation is permitted to exist shall constitute a separate offense.

Section 15
AMENDMENTS

Sec. 15.1

The Village Commission may, by ordinance, amend, supplement or change this Ordinance; Provided, however, that a public hearing shall be held before any such amendment, supplement or change shall be passed; and, provided further, that not less than fifteen days notice of the time and place of such public hearing shall be given by publication in the official paper of the Village, or a paper of general circulation in the Village, and a hearing be granted to any person interested at the time and place specified.

In case a protest against a proposed amendment, supplement or change be presented, duly signed by the owners of twenty per cent or more of the frontage proposed to be altered, or by the owners of twenty per cent or more of the frontage immediately in the rear thereof, or by the owners of twenty per cent or more of the frontage directly opposite the frontage proposed to be altered, such amendment shall not be passed except by the four-fifths vote of the Village Commission.

Section 16
VALIDITY

Sec. 16.1—SEVERING CLAUSE

Sections of this Ordinance shall be deemed to be severable and should any section or provisions of this Ordinance be declared by the courts to be unconstitutional or invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER FORTY-NINE | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 2, 1943 | FIVE CENTS PER COPY

School To Open On September 8

TIME TO REMAIN AT 8:15 A.M.; SUPERINTENDENT ANNOUNCES REGULAR SCHEDULE

The new school year for Tecumseh children will commence Wednesday morning, September 8, at nine o'clock.

Following the opening session the time schedule given below will be observed. The morning session for all children attending the Central building will begin at 8:15. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1 o'clock and the dismissal times will be 3:30 for the elementary grades and 4 o'clock for the junior and senior high school classes. The school day for the children at the branch buildings will, with slight variations for the various grades, extend from 8:45 in the morning to 3:30 in the afternoon with the period from 11:30 to 1 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

The West Branch building will again house the kindergarten with Mrs. Dorothy Updyke as teacher, a section of the first grade with Mrs. Mary Wolf as teacher and a section of the second grade with Miss Bertha La Pointe in charge. Parents living West of Evans street are requested to enroll their children for these grades at the West Branch building.

Two rooms of the East Branch building will again be used for children in grades one and two living East of Evans street and for all third grade pupils. Miss Margaret Roberts will be charge of the third grade and the name of the teacher for the combination first and second will be released shortly.

Children in grades four, five, and six must enroll at the Central building, teachers in charge will be Miss Elizabeth Cole, fourth grade; Mrs. Cora Pfaus, fifth grade and Miss Bernice Parker, sixth grade.

Junior and senior high school students will meet in the high school assembly room to receive initial instructions regarding enrollment procedures and the classes will then be broken into groups under the direction of counsellors who will assist the students in their enrollment and program problems. Rural pupils who desire to enroll in the high school before the opening day of school will be able to do so in the office of the high school principal on Thursday and Friday mornings, September 2 and 3. Such advance enrollment is not, however, necessary.

Three new teachers have been employed for the coming school year to replace those who will not return either because of resignation or because of service in the armed forces. The new teachers are David J. Dick, a graduate of the Michigan State Normal College who will teach chemistry and mathematics; Delmar E. Crisp, a graduate from the same institution, who has been employed to teach the commercial subjects, and Miss Rita Fender, who has taken her training at the Bowling Green State University and will handle the physical education assignments in the local school.

Resignations have been received from Miss Jean Moulding, Miss Virginia Carlsten and Mrs. Helen Bowen and efforts are being made to fill these positions.

Other teachers who will again serve in the Tecumseh Public Schools are: Mrs. Ayesha Laidlaw, Mrs. Lois Service, Mrs. Hazel Dickinson, Miss Jane Elliott, C. R. Dustin, Alvin Brazee, Aden Mead, George Parsons, Fred Raizk and Clare Camburn. Mrs. Helen Sager will again serve as secretary to the superintendent, W. L. Berkhof.

Parents are urged to enroll their children promptly in order to avoid delays which often prove costly to the child. It is also advisable that parents consult with the book dealers before purchasing text books for the children in view of the fact that a few changes in texts have been deemed necessary to provide up-to-date teaching material.

Teachers and administrative officers of the schools once more invite the same plendid cooperation on the part of the parents and the community which has been enjoyed in the past to insure another successful school year.

The initial meeting of the Tecumseh staff will be held in the high school building at 2 p.m. on Tuesday afternoon, September 7. Policies for the coming school year and organizational matters will be discussed.

BUSY BEES TO MEET

The Busy Bees are meeting today with Mrs. Lawrence Boyd for pot luck dinner and an afternoon of sewing.

Tecumseh's Population to be 10,000, Herrick Says

PRODUCTS PRESIDENT SAYS VILLAGE IS DESTINED TO GROW; URGES COMPLETE COOPERATION

Foreseeing Tecumseh as a town of from 8,000 to 10,000 population within five years after the end of the war, with its factories humming with production, Ray W. Herrick, president of the Tecumseh Products Company, told Rotarians at their regular noon-day luncheon at Brees House, Tuesday, that this town is headed for a boom" that is beyond the fondest dream.

"Towns are like people," Mr. Herrick said, "They can't stand still. Either they move ahead or go backward. Tecumseh is at the cross roads. I firmly believe that this town is going places. I believe that there will be a post-war boom that will send this town into a production program that will double and triple previous records. I am not alone speaking for the Products company when I say this. Just watch the other plants."

Mr. Herrick said that in 1941, which was his company's best prewar year, Products did about $7,500,000 worth of business. Companies buying from Products are now making their post-war plans and estimates place Products production at $25,000,000 within 18 months after the end of the war. This is more than three times the 1941 production when the company was employing about 1,600 men and women.

"Last year we had a total payroll of about $3,250,000," Mr. Herrick said. "Of this amount, $2,000,000 went outside Tecumseh. That's too bad, but it's the truth. The reason why it went out was because Tecumseh did not have the facilities for housing our men and we have been forced to bring them here for work from miles around.

"We're going to grow, we can't stand still. Our customers are making certain demands and they are positive. If we are going to grow, Tecumseh must grow. We can't continue to bring men from miles distant to our shop. Tecumseh will need 150 houses immediately after the war, within six months. After that time, the growth must be steady. And we are not the only shop that is going to need help, all others will need it, too."

To take care of this expansion program, Herrick said, the village council already has started an engineering survey to determine what must be done to accomodate the increased population. There must be a new sewage disposal system, new schools, new storm and sanitary sewers, a more adequate water supply. It is estimated that such improvements will cost $1,500,000. A zoning ordinance already is in the making to control Tecumseh's building growth.

"I don't want to see this town grow too rapidly. I'm against rapid growth. I want to see Tecumseh grow steadily, on a firm foundation. I want to see its new residents home owners. I want to see them contented and happy," the manufacturer said.

"I am not in accord with some people about the end of this war," Herrick continued, "I think this war is nearer the end than many believe it to be. I think that some morning we're going to wake up and find ourselves in a post-war era, when industry must swing from war-production to peace production. And either the manufacturer is going to have his house in order and be ready to go with his post-war program or the governments will step in and do it for us. We have 400 former employees in service. It's our obligation to give them jobs."

Mr. Herrick said that already meetings have been held looking toward possible government aid for Tecumseh in its post-war improvements program. Contacts have been made at Washington and with the local engineering survey completed, Tecumseh should be in a position to go ahead as soon as the war ends.

"I've worried about this post-war program for weeks," Herrick said. "I want to tell you business and professional men today that this worry is not alone my worry —it's yours, too. You have your businesses here, this is your town, too. We've got to forget about making money and think in terms of service. We can't take our money with us, there are no pockets in shrouds.

"I firmly believe that one gets out of life just what he puts into life. We must share our fortunes and our troubles. It's up to each of us to put our house in order. Let's smile instead of frown, let's meet our friends and customers with an understanding handclasp. Don't grouch, smile," he concluded.

Mr. Herrick also touched briefly on employer-employee relationship. His company already has hospitalization for its workers and their wives and this, he said, may be extended to families.

"Employers must put more understanding into their relations with their employees," Herrick said. "They must put themselves in their employees shoes and think as their employees think. They worry about how steady their jobs will be, how they are going to care for their families, what they will do should sickness come, how they can save for a home and old age. I know, because I was an employee, too. I worried and I worried plenty.

"In our post war program we hope to take these worries off the shoulders of our employees. I believe that such an employer-employee program will practically eliminate labor difficulties," he said.

Jacob Shaber Dies; Funeral on Saturday

Jacob Shaber, aged 76 years, died Tuesday evening at the home of his daughter Mrs. Otto Teske on North Demorest street after a three weeks illness from heart attack. He had been a patient at Tecumseh hospital and returned to the home of his daughter on Sunday.

Minstrel Show Aids Bond Sale

$35,000 IN BONDS, $600 IN STAMPS AS RESULT OF PATRIOTIC PROGRAM HERE

The Gay 90's Minstrel Show, sponsored here last week Friday and Saturday evenings by the Tecumseh Chapter, S.P.E.B.S.Q.S.A., (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America), can take credit for the sale of $35,000 in War Bonds and $600 in War Stamps, it was announced today. The total of the two figures represents bonds and stamps purchased for admission to the two performances. No admission fee was charged, the entire production cost having been underwritten by Ray W. Herrick, president of the Tecumseh Products Company.

The show staged at Recreation Center, attracted about 1,200 people to the opening performance on Friday evening and Saturday's crowd was estimated at from 1,500 to 1,800. In addition to the minstrel show on Friday evening there was the Navy band program from Dearborn, and on Saturday night, some 18 quartets, members of the society, furnished entertainment. Quartets came from Jackson, Battle Creek, Kalamazoo, Lansing, Detroit, Pontiac, Saginaw, and Oakland County. Tecumseh's chapter, made up of Len Weissner Wiley McCann, Neil DePuy and Wesley Costigan also took part as well as serving as host.

One of the features of the Saturday night show was the Progressive Four of Detroit, of which Red Masters is the fifth member. Mr. Masters, 14 years ago was injured in an automobile accident and subsequently arthritis attack him. He goes about in a wheel chair, but he never fails to go with his quartet. He sang with the group here Saturday.

Another enjoyable feature of the show was a vaudeville dancing act staged by Rae Nita and Lenore Larsen, sisters, of Tecumseh.

Veteran Local Barber To Retire From Shop

Frank E. Snedicor, veteran Tecumseh barber who has operated his own shop here since 1884, will retire from business tonight and on Friday morning his shop will be opened by Rae Henkel, who has purchased the equipment. Mr. Henkel is now with the Garno shop on South Evans street.

Mr. Snedicor, who probably has amputated more miles of hair and whiskers than any other man in Michigan, began his barber career in Tecumseh in 1883. In 1884 he entered business for himself and in 1891 he opened his shop in its present location on N. Evans street.

"In all the years that I've barbered," Mr. Snedicor said, "I've had four weeks vacation. I'm not saying that because I'm proud of it, I think its wrong. However, I've always worked."

The Snedicor Barber Shop is the oldest institution in Tecumseh under original ownership, and in the years that he has been "on the street" Mr. Snedicor has seen almost every business house here now open its doors.

Mr. Snedicor was born in Marshall, August 1, 1865. He came to Tecumseh with his parents when he was two years old, and has resided here since.

Zoning Law To Get More Study

COUNCIL TO REVISE CODE AND HOLD ANOTHER HEARING SOMETIME THIS MONTH

Tecumseh's proposed zoning ordinance, published a week ago by The Herald and on which the council held a public hearing, last Monday evening, is to be further studied and revised and another hearing, open to the public, will be held later this month, Mayor J. Floyd Elliott said today. Some 30 persons attended Monday's hearing, in the council building.

"There is no intent on the part of the council to injure anyone through the enactment of a zoning ordinance," the mayor said. "Rather," he continued, "such a zoning ordinance will be of unlimited benefit to all residents. I believe that most of the residents feel as I do. They know that a zoning law is essential in a growing community."

The mayor said that the draft presented for consideration last Monday evening was "in the rough" and that many changes might be necessary. He indicated that the ordinance would be the council's first consideration when it meets next Tuesday evening, and it is entirely likely, he declared, that another public hearing will be held this month.

The lodge, a year ago had 47 members and 37 members were added during the drive, making a total membership at this time of 84.

League's Quota Is $4,000 Here

DRIVE FOR FUNDS TO BE LAUNCHED DURING LAST WEEK IN OCTOBER

The executive committee of the Lenawee County Patriotic League met at the League office Wednesday evening in connection with the campaign committee of the Adrian Community Fund, and after considerable discussion it was decided to combine the two campaigns for funds, so far as the City of Adrian was concerned, thereby saving much of the time and expense involved in two separate campaigns.

An equitable arrangement for the sharing of expense for the division of subscriptions made in Adrian was arrived at and Claude E. Porter has been secured as manager for the coming campaign.

Mr. Porter's handling of both the Spring campaign for the Adrian Fund and the Fall campaign for the League last year was most successful and both committees feel that they are fortunate in securing his services for the coming campaign which will be held the same time as last year, the last week in October and the first week in November.

After the combined meeting had adjourned the League's Executive Committee considered the allocation of quotas to the towns and townships and the combined quota for Tecumseh town and Tecumseh township was fixed at $4,000.

Full details of the campaign will be published later, together with a complete list of all the county quotas which, in most cases, are much lower than last year's.

New Project Organized By C. A. P. In Tecumseh

The Civil Air Patrol recently organized here, is assisting in a new project to train boys from 17 to 18 years of age for the army air force, the course to cover military courtesy and discipline, drill, articles of war and basic ground courses. Lt. Kenneth Dunlap who recently organized a CAP flight here of 18 members over 18 years, who meet for drill at Tecumseh airport Sunday mornings, is in charge. Lt. Elmer Burleson is his assistant and any boys interested in the new project may contact either officer.

Seventeen-year-olds able to pass the rigid physical and mental examinations for air service may volunteer for enlistment in the Air Corps Enlisted Reserve, take the examination, and if passed, remain on an inactive status until they are 18. In the meantime, the accepted air cadets will continue their education or civilian occupation. When they reach 18, they are eligible to begin pre-flight training, if in college or high school upon reaching 18, air cadets may postpone their active service training, if they desire, until the end of the current school semester, provided it is completed not later than six months after the cadets' 18th birthday anniversary.

Several applications have already been received.

POSTOFFICE TO CLOSE

The Tecumseh postoffice and a majority of the stores and offices here, will be closed all day on Monday, Labor Day, it was announced today. Although it was announced a week ago that many stores will be closed during the month of September on Thursdays, it was indicated today that local merchants are divided on this issue and that several institution will be open today and throughout the month, as usual.

SHALL WE CHANGE OUR FLAG?

State medicine—political control of medical service—always has meant, always will mean, for the mass of people, medical care through and by physicians who are politically amendable rather than by those with superior abilities and skills. That is the opinion of the medical profession and others who oppose the proposal now pending in Congress to socialize medicine under the label of humanitarianism. The proposal is officially listed as Senate Bill No. 1161. On the surface, it merely provides for the extension of social security legislation. In reality, it is a selfish, ruthless scheme to destroy the liberties of every doctor in the nation. Its implications are terrifying to thoughtful citizens who see in it a precedent that can be used to impose virtual serfdom upon any group whose services may next be demanded, for the avowed purpose of furthering the "general welfare." If the medical profession can be seized lock, stock, and barrel by government, what about the industries that clothe, house, feed and transport us? All of them are vital. Even the amusement industry is considered essential to the war effort. Why not write a law, seize the works and call it by its right name—communism?

Income Blanks Are Distributed

FILING OF ESTIMATED INCOME RETURN MUST BE DONE BY SEPTEMBER 15

Washington, Sept. 2.—Guy T. Helvering, commissioner of Internal Revenue, recently announced that forms and printed instructions for the filing of estimated income and Victory tax declarations on or before next September 15, as required by the new Current Tax Payment Act, are now being distributed to individual taxpayers by the Collectors of Internal Revenue.

Filing of the declarations will be the second major step under the Current Tax Payment Act in converting the Federal individual income tax from the old delayed payment method to a "pay-as-you-go" basis. The first step was the inauguration July 1 of the new withholding plan, under which the Victory tax, normal income tax and first bracket surtax are paid by millions of persons through deductions from their wages and salaries.

The purpose of the declarations is to make current in their tax payments all those individuals whose income and Victory tax liability will not be fully covered by collections through withholding and other credits.

Experts of the Bureau of Internal Revenue have greatly simplified for the average taxpayer the task of filing the declarations.

A form and set of instructions for use in estimating the tax on incomes up to $10,000 rival for simplicity. revenue officials pointed out, the familiar "five minute income tax return" which made its debut in 1942. The computations and entries which this simplified declaration method requires should be matters of about five minutes for a large portion of the tax payers by whom declarations will have to be submitted, the officials said. For those who desire to make a more precise computation, or who have an income of more than $10,000, detailed worksheets may be secured from the Collector upon request.

Persons required to file the declarations are generally: 1. The recipients this year or last year of gross incomes from wages subject to withholding in excess of $2,700 for single persons or $3,500 for married couples; 2. Those who have incomes this year, or had incomes last year, requiring the filing of a return, with more than $100 of these incomes derived from sources other than wages subject to withholding; 3. Those required to file an income tax return on 1942 incomes and whose wages subject to withholding for 1943 are reasonably expected to be less than their similar wages for 1942.

Where the declarations show an estimated tax liability for 1943 in excess of credits, half of the excess is to be sent to the collector of Internal Revenue along with the declaration, and the other half remitted on or before December 15. Credits to be taken on the declaration include withholdings and the payments, if any, made to Collectors on March 15 and June 15 this year on account of 1942 income taxes. The withholdings to be credited include those, if any, made by employers of the Victory Tax for the first half of the year, before the new withholding system went into effect, plus those made since July 1 under the new system.

Treasury statisticians have calculated that about 15,000,000 persons with tax liability for 1943 will be required to file the declaration.

Many of the people who must file declarations will be professional workers, such as lawyers and doctors. Many more will be persons operating their own business establishments. Another large class of people who must file the declaration are those with earnings on which there is a liability reaching into the upper surtax brackets, and therefore not fully covered by withholding. There will be many also from persons with combination incomes such as wages, on which taxes are withheld, plus interest, dividends or rents, to which withholding does not apply.

If correction of the September 15 estimate of any taxpayer becomes necessary, an amended declaration may be filed on or before December 15, and the proper adjustment in payments made.

Declarations are to be sent by September 15 to the Collector of Internal Revenue in whose district the taxpayer expects to file his final income tax return for 1943 next year.

In the case of taxpayers deriving 80 percent or more of their gross income from farming, filing of declarations is not required until December 15, at which time the full unpaid balance of the estimated tax must be paid. They may however, file on September 15 if they wish and pay their estimated tax in two installments—September 15 and December 15.

The Current Tax Payment Act provides a penalty for no substantial underestimate of the tax due. However, it was pointed out by the Treasury, no one who makes his estimate carefully need incur this penalty. The privilege of filing an amended declaration on or before December 15 is a safeguard on this score.

Eventually, operation of the withholding system plus the declaration system will make all individual income taxpayers substantially current. That is to say, each individual income taxpayer will pay his taxes during the year in which the income is received. Under the old income tax law, payment of an individual's tax for any given year's income was delayed to the year following.

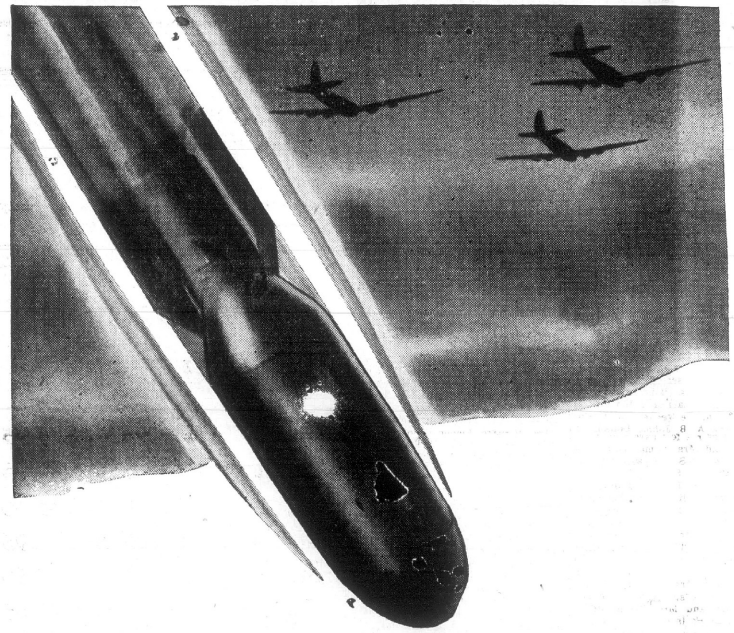
HOME CANNING SEEN AS PATRIOTIC SERVICE

Toledo, O., Sept. 2.—Increased home canning of green beans during the remaining weeks of abundant supplies was urged today by an official of the nation's largest produce buyer.

"Harvest from farm and garden is at a peak," said R. C. Trittin, A & P store executive in this area. "Home canning of beans at this time will prove a patriotic service in freeing more of the commercially canned commodities for the armed forces and at the same time guard against a home shortage of nutritious food."

Pointing out that 30 pounds of beans will yield about 20 quarts when canned, Trittin said all A & P stores are distributing free leaflets containing easy-to-follow, approved methods of home canning as part of the company's new information service to housewives.

Put every dollar above the necessities of life into War Bonds. Payroll Savings is the best means of doing your best in helping your sons and friends on the fighting fronts. Figure it out yourself.



Send a Little Remembrance to Mr. Hitler

And don't leave out his pals, Tojo and Mussolini. They have been dishing it out now for about three years. It's about time they were learning what it is like.

And they're going to learn. Mister, how they're going to learn.

You may not be there to give it to them. You may not be there in person. But you can be there just the same. . . .

You can be there with the bombs you helped to buy . . . the planes you helped to build . . . the ships you helped to put together through your purchase of war bonds . . . the fats you saved for ammunition.

We're all in this war effort until Victory. Merchant and customer, laborer and industrialist. Lawyer, doctor, barber . . . we're all in.

That's why we say to you, the next time you're in our store or our neighbor's store . . . be patient.

We haven't the help we used to have. We haven't the merchandise we used to have. We haven't the time we used to have. None of us have.

But we're all in this war for Victory. We're all out to do a job, and do it well.

We plead with you then for patience. Cooperate with us . . . all of us. If we don't get waited on promptly, please be patient.

All of these things are a part of our war effort, too.

What kind of a house would you put here?

AFTER THE WAR, somebody's going to put up a new house on that pretty rise of ground that overlooks the river bend just outside of the town line. Nothing elaborate. Just a pretty little house snuggled into the trees as though it belonged there.

Somebody else may buy the old Ward farm. There should be many a good day's hunting in those rolling fields and back through the woods over to the State road. Fixed up a little bit—and it shouldn't take much money—it would be a livable place for a man and his family.

Yes, somebody's going to buy it. Somebody's *always* coming along, with a dream and a little money, and doing the things we'd promised ourselves *we'd* do someday.

But this time, why can't that "somebody" be *you?*

Look . . . Suppose you put 10 percent of your pay into War Bonds. At least 10 percent—more if you possibly can. And keep putting it away—putting it away—putting it away. Week after week—payday after payday. Here's what happens:

Before you know it, you get so you hardly miss that money. And if you do miss it, you've got something better to replace it—the knowledge that you, personally, are helping to insure a steady flow of planes and tanks and guns to the men who fight. The knowledge that you, personally, have toed the mark and are helping to win the war.

Then, one of these days, when peace has come again, the money you've put away starts coming back to you. And bringing *more* money with it—you get *four* dollars for every three that you put in!

When that day comes, *you* can get out your pencil and start figuring just what kind of a house you'll put on the river bend.

But to be sure that day *does* come, you'd better do this: You'd better get out your pencil right now and start figuring how you can save at least 10 percent of every single pay check with U. S. War Bonds!

SAVE WITH U.S. WAR BONDS EVERYBODY...EVERY PAYDAY... AT LEAST 10%

ORDER OF PUBLICATION ON BILL TO QUIET TITLE

At a session of said court held at the courthouse in the City of Adrian, in said County on the Twenty-eighth day of July, A. D. 1943.

PRESENT: HON. G. Arthur Rathbun, Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of Henry R. Jewett attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Henry R. Jewett, attorney for the Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof, that said bill of complaint be taken as confessed by the said defendants, or their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper published, printed and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

G. ARTHUR RATHBUN,
Circuit Judge.

Tecumseh Launches $354,750 Bond Drive

Schools Open, 651 Enrolled

IS FIVE GREATER THAN YEAR AGO; ALL TEACHER VACANCIES FILLED; CLASSES TODAY

The Tecumseh public schools opened officially yesterday morning with an enrollment of 651, five greater than the first-day enrollment in September of 1942. All vacancies in the teaching staff have been filled, W. L. Berkhof, superintendent, said, and classes as usual will be the order of the day beginning this morning.

"While the enrollment is only five greater than the opening day a year ago, I am anticipating a heavy enrollment of students later this week and next," Mr. Berkhof said. He pointed out that some students are still at work and others are absent from Tecumseh.

The kindergarden enrollment was the greatest of any grade in the Tecumseh system, figures revealing that there are 60 boys and girls in this class. In the first grade there are 50 pupils, the second, 50; the third, 34; fourth, 52; fifth, 52; sixth, 49; seventh, 40; eighth, 48; ninth, 67; tenth, 54; eleventh, 58; and twelfth, 46.

The names of six new teachers were announced to the students when they assembled on Wednesday. They are: Mrs. Iva VanValkenburg who will teach the first and second grades, East Branch; Mrs. Ina Bailey who will teach the fourth and fifth grades, Central School; Mrs. Dorothy McColl, music; David J. Dicks, chemistry and mathematics, high school; Delmar E. Crisp, commercial subjects, high school; Miss Reta Fender, physical education.

All students attending the Central building will start their classes at 8:15 a.m., and at the branch buildings school will call 30 minutes later, at 8:45. In all buildings the noon recess will end at 1 o'clock.

"For the most part the students seemed happy and anxious to get back to school," Mr. Berkhof said, "and I believe that by the end of this week we will be hitting our stride with regular assignments in all grades and classes."

Mrs. Essie Feller, 90, Onsted Resident, Dies

Mrs. Essie Feller, aged 90 years, a resident of Onsted for many years, died Monday at the home of her daughter Mrs. Albert Harmon in Clio where she had spent the past five years. She was a life member of Cambridge chapter, Order of the Eastern Star.

Survivors are three daughters, Mrs. Harmon, Lessie of Wyoming and Carrie of California, two brothers Bert Marlatt of Harrison and Snow Marlatt of Lansing.

Funeral services were held Wednesday at the Ritter Funeral Home with members of the Eastern Star attending in a body. Rev. F. D. Hague officiated and burial was in Maple Shade cemetery.

AUXILIARY TO MEET

The American Legion Auxiliary will meet Monday evening September 13, at the cottage of Mrs. Henry Smith at Wamplers Lake, instead of with Mrs. A. Bagshaw as previously announced. A potluck supper will be served at 6:30 and members are to bring table service, sandwiches and a dish to pass.

During the evening officers are to be installed.

Anyone wishing transportation is to notify Mrs. Bagshaw.

FLORIDA REUNION

Mr. and Mrs. Grover Burg and Mrs. Jennie Burg of Ann Arbor, Mr. and Mrs. Charles H. Kemp, Mrs. Helen Greenwald, Mr. and Mrs. Silas Spitler, Mrs. Martha Lowe, C. S. Foote and Mrs. Della Carpenter attended the Florida reunion at West Adrian Saturday. 140 attended.

Officers elected were F. J. Blouch of Holloway president; Ed Ridge of Deerfield, vice president; Mrs. Bert Pocklington, secretary and Mrs. Blouch program chairman. The next reunion will be held at the Holloway church.

SUZANNE BILLS WEDS

Miss Suzanne Bills of Tecumseh and Tech. Sgt. Harlan L. Dicks of Saline were married Saturday evening by the Rev. J. C. Murdoch at the home of Mr. and Mrs. J. E. Murphy, in the presence of 23 guests. Their attendants were Miss Margaret Stuart of Tecumseh and Luther Dicks of Saline. Buffet supper was served following the ceremony.

Sgt. Dicks was home on furlough from an army camp in Virginia.

Village Tax Date Is Extended to Oct. 5

The village council, in regular session on Monday evening, extended to October 5 the time for payment of village taxes without penalty. It is altogether probable that no further extension of time will be granted.

The council also accepted the resignation of Albert Bagshaw as village engineer and named Frank Hoekstra, street commissioner, to succeed him. Lavern Mansfield was named as Mr. Hoekstra's assistant. Mr. Baghaw has accepted a position with the Tecumseh Products Co.

E. M. Campbell, whose term as a member of the Tecumseh Hospital Board of Trustees expired last July 1 was reappointed to that position for a five year period.

Current bills were audited and ordered paid and reports of committees and department heads were read and placed on file before the meeting adjourned.

Town Board To Enact Zone Law

OFFICIAL NOTICE OF INTENTION GIVEN; VILLAGE ORDINANCE NOW BEING REVISED

The official board of Tecumseh township today gave notice to residents of its intention to enact a zoning ordinance, probably within the next few weeks. The township's action follows closely on the heels of the drafting of a zoning ordinance for the village of Tecumseh, which ordinance is now being revised following public hearings, and will be resubmitted to the council when it convenes in regular session, September 21.

The township board acted on a petition, bearing more than 100 names requesting that a zoning ordinance for that area outside the village of Tecumseh, be adopted. The petition was received when the board met on Tuesday evening and the resolution of intention was immediately drafted.

Under the law, after the notice of intention has been published (it will be found in another page of this newspaper) the probate judge is asked by the board to name a zoning board of four members to draft the proposed law. This board then submits its draft to the township board and to the county zoning board, which may also be named by the county. After the proposed ordinance has been approved by the county zoning board it is referred to the township board for adoption.

LeRoy H. Titley, supervisor of Tecumseh, said that Judge Tripp of the probate court, would be requested to name the township zoning board immediately. He said that the work of drafting the ordinance would be started as quickly as time will permit following the appointment.

John R. Zeigler, village attorney, said that he was revamping the proposed village zoning code to meet the council's approval and that it would be ready to re-submit to that body at its next meeting. Few changes have been necessary in the original draft, he said.

Mr. Zeigler was the speaker at this week's meeting of the Tecumseh Rotary Club at Brees House, Tuesday discussing the proposed village ordinance and explaining its meaning.

MAJOR RICHARD ALLEN KILLED IN PLANE CRASH

Word was received here of the recent death of Major Richard L. Allen, 27, who was killed in a plane accident in Louisiana, Major Allen was a veteran of Pearl Harbor and returned to the United States in March.

He leaves his father William L. Allen and Mrs. Allen of Grand Rapids, a brother Sgt. Wm. T. Allen of Oklahoma and a sister in New York. Mrs. Allen was formerly Miss Esther FeClelland.

A military funeral was held in Grand Rapids.

JUST-A-MERE CLUB

Mrs. Henry Smith entertained the Just-A-Mere club at supper last Wednesday evening at the Smith cottage at Wamplers Lake. Later four tables were arranged for contract and honors were awarded Mrs. Percy Bowen, Mrs. Robert H. Moore and Mrs. Harry Duncan. Mrs. Wade L. Jones received the guest prize.

CHILD STUDY CLUB

The Child Study Club will hold its first meeting Monday evening September 13, at 8 o'clock at the home of Mrs. Hoyt Raymond on North Union street.

A Substitute for Hell

Somewhere in New Guinea these wounded soldiers await evacuation. Flat on their backs, in the steaming heat of the jungle, where mosquitoes plague the air and ants and mosquitoes torment weary bodies, they dream of home . . . of clean white sheets and the touch of cool, comforting hands. You can help provide modern hospitals and the medicines they need for their recuperation by putting every dollar you can into War Bonds during the Third War Loan.

Beardsley Gets U. S. Decoration

LOCAL CAPTAIN GIVEN D.F.C.; MADE 91 TRIPS OVER JAPANESE TERRITORY

Home from the Pacific war theatre after 14 months in and around the Aleutian Islands, Capt. James Beardsley has been honored with the Distinguished Flying Cross and now expects to be assigned to a training base somewhere in the United States, where he will become an instructor in navigation. He is the son of the late Dr. James Beadsley and Mrs. Beardsley, and a brother of Wm. Beardsley of the Hayden Flour Mills.

The Japanese are a long way from being a "push-over" and Capt. Beardsley is of the opinion that 1945 or 1946 may not see the end of the battle against the Nipponese. "It's going to be a case of digging them out," the captain says, "and that takes a long time."

Capt. Beardsley, then a second lieutenant, was with the American troops that pioneered the offensive against the Japs in the Aleutians and he has had 91 missions over enemy territory since he entered service. He received his Distinguished Flying Cross from Gen. Butler after 74 missions—but, as he puts it, that was several weeks ago. Since that time he has taken part in 17 more missions, mostly over Kiska and Attu, and now the two islands are in the possession of the Americans.

Asked about the Japanese prisoners, Beardsley said that he didn't see very many—few prisoners are taken. In one raid, he said, only 19 prisoners were taken out of 2,000 in the Jap force. They were either killed in the fighting or committed suicide. Japanese prisoners believe themselves to be disgraced and they prefer death. They end their lives, he said by pulling the pin in a hand grenade and placing it in their helmet or holding it firmly against their stomach.

One Jap prisoner to whom Beardsley talked through an interpreter, told the captain that he would like to fight for America that he wanted to live here sometime.

Although the plane on which Beardsley has been either a copilot or navigator has been hit several times, the local man has never been wounded. The nearest he came to injury, he said, was when the Japs pulled a surprise attack and he was eating his lunch near a machine gun. The explosion of a Jap bomb caused the gun to turn and tip over a can of tomato juice and it spilled over his leg. "I thought at first I had been hit, but it was just tomato juice," Beardsley smiled.

After his leave Capt. Beardsley left this week to report to a base at Salt Lake City, Utah, for a further assignment.

Soldier Xmas Mail Explained

PACKAGES FOR OVERSEAS SHOULD BE SENT BEGINNING SEPTEMBER 15TH

Christmas parcels and Christmas cards for the Army personnel overseas must be mailed during the period beginning September 15 and ending October 15, the earlier the better. Parcels and Christmas cards for members of the naval forces may be mailed as late as November 1.

No requests from the addresses are required in connection with Christmas parcels mailed to Army personnel during this period, and such parcels should be plainly marked "Christmas parcel." Special arrangements have been made by the Post Office Department in co-operation with the War and Navy Departents for the acceptance of such parcels, and special efforts will be made to effect delivery of all such parcels mailed during this period in time for Christmas.

Such parcels must be within the present limit of five pounds in weight, and not more tha n15 inches in length. Parents and friends mailing packages are reminded that men overseas are amply provided with food and clothing, and are urged not to include such items in gifts. Only one Christmas package can be accepted for mailing in any one week when sent by or on behalf of the some person or concern, to or for the same addressee.

Letters addressed to members of the Army or other persons receiving mail through A.P.O.'s overseas, which contain valuable papers, may be registered, but packages or letters containing money or other articles of value cannot be registered, nor can any such mail be sent as insured or C. O. D. The rule does not apply to official shipments, or to any mail from A. P. O.'s outside the United States to points within the United Statees.

94TH BIRTHDAY

Mrs. M. E. Shapland, of LaGrange, Ind., mother of Mrs. M. L. Dannells, Sr., of Tecumseh, celebrated her 94th birthday anniversary August 31 and is in remarkable health for her advanced age

She is the mother of five children and has five grandchildren and two great grandchildren. A grandson M. L. Dannells, Jr., is in the navy and a great grandson is in naval training at Great Lakes, Ill.

The LaGrange paper states that no other person in LaGrange county can equal her record.

Mrs. Shapland has visited here many times.

DIES IN EAST

Word has been received here of the death of B. E. Twichell which occurred Saturday night at his home in Erie, Pa., after a heart attack. He leaves the widow formerly Ina Russell of Tecumseh and a daughter Alberta.

Mrs. Thos Russell and Mrs. Oren Feight left Monday for Erie to be with Mrs. Twichell.

Lenawee's Quota Set at $3,567,000

EVERY AMERICAN CITIZEN ASKED TO BUY AT LEAST $100 EXTRA BOND IN SEPTEMBER

WASHINGTON, D. C., September 9.—America's Third Army marched forth today to capture the most important immediate objective on the home front.

As 2,000,000 volunteers swung into line to put over the Third War Loan campaign, they were met with helping hands from millions of workers in the home front production battle, and cheers of encouragement from men on the fighting fronts—to whom the success of the Third War Loan is literally a matter of life and death.

To "Back the attack—with War Bonds"—every American who can do so will be asked to buy at least an extra $100 War Bond. The quota for those who are able to invest more from income or accumulated funds will be much higher.

Speaking of the great drive to raise $15 billion—a major portion to come from individuals—Secretary of the Treasury Henry Morgenthau, Jr., said:

"The United Nations are on the march. The first rumblings of the big offensive are being heard in all the Axis nations. Thousands of our men have stormed Sicily. Tons upon tons of bombs are dropping on Germany. We are attacking Jap-held territory as never before. This is a great day for us. But it means that the time has come for us to really tighten our belts here on the home front. We have come to a most crucial period in the war, and the success that we will have on the fighting fronts will depend to a considerable extent upon the degree to which we here at home are willing to work and sacrifice for ultimate victory.

"It's going to be a costly victory. We have said that before, but we must repeat it again and again. The real war has only now begun. Billions of dollars more must be spent to keep the material of war going to our men at the fronts. Your government must call upon you the American people for that money.

"Remember! It is up to all of us here at home to 'Back the Attack'—and to do it more enthusiastically more thoroughly and with greater sacrifice than any attack has ever been backed by any home front in all history. Everything is at stake. Everyone must help to the very limit of his ability."

The drive continuing throughout September will offer to investors in addition to Series E, F, and G United States Savings Bonds the following securities: Treasury Savings Notes, Series C; 2½ percent Treasury Bonds of 1964-69; 2 percent Treasury Bonds of 1951-53; 7/8 percent Certificates of Indebtedness.

Dr. John L. Tuttle, Clinton Physician, Dies

Dr. John L. Tuttle, aged 67 years, a practicing physician in Clinton for more than 40 years, died Friday night in the home of his daughter Mrs. Lewis Cook in Lansing after several months illness.

Dr. Tuttle was born August 23, 1876, in Clinton where he attended the local schools. He later attended the University of Michigan and graduated in 1899 from Jefferson Medical School in Philadelphia. He established his practice in Clinton with his father the late Dr. John L. Tuttle, whose death occurred in 1907. He was the third generation of the Tuttle family to practice medicine in Clinton over a period of 80 years. He was a member of the Methodist church and the Masonic Lodge.

Survivors are the daughter Mrs. Cook, a son John L. Tuttle, Jr., of Adrian, a sister Mrs. D. M. Matteson of Adrian and three grandchildren. Mrs. Tuttle died in 1941.

Funeral services were held Tuesday afternoon in the home in Clinton. Rev. S. H. Berry officiated and burial was in Riverside cemetery in Clinton.

ROTARIANS ACT AS STEERING COMMITTEE AS VILLAGE BEGINS GREATEST WAR FUND CAMPAIGN

"Back the Attack with War Bonds."

That was the appeal of home-front warriors today as Tecumseh launched its September War Bond Drive to raise $354,750—the amount necessary to put this community over the top in the Third War Loan.

The sum locally, it was pointed out, necessities the purchase of bonds in far greater sums than in any previous campaign, Tecumseh's quota being exceeded in the county only by the city of Adrian's, where $2,292,000 must be raised. Lenawee's quota in this month's campaign amounts to $3,567,000, and, nationally, fifteen billoins of dollars must be subscribed.

"Tecumseh's reputation is at stake in the present War Bond Drive," W. L. Berkhof, chairman of the campaign, told Rotarians on Tuesday when he officially launched the bond drive in this area. "Tecumseh has never failed in any patriotic effort, and I know that she will not fail in this one. However," he continued, "to raise our quota we must give until it hurts and then give some more. We must back the invasion attack in Europe—we must not fail on the home front. I know that Tecumseh will do its share and more—it is that kind of a community."

The Tecumseh Rotary Club has volunteered to act as a steering committee in the present bond drive and committees from the club have been named to carry the campaign to a successful conclusion. The planning committee is headed by Mr. Berkhof and is made up of John R. Thompson as co-chairman, M. L. Dannells, W. L. Jones, R. B. Comfort, D. L. Berleson and Earl Wickwire.

The industrial committee is made up of W. J. Bruce, L. W. Larsen, B. B. Turnbull, R. H. Moore and F. K. Smith. The downtown committee is headed by Y. H. Kerby and other members are Guy E. Belding, L. C. Jacokes, C. W. Gilman and Rev. E. T. Rodda.

A special solicitation committee is made up of D. J. Carson, the Rev. James C. Murdoch, H. H. Hanna, B. G. Ousterhout, S. Henry Smith and G. E. Green, sr. The publicity committee is made up of Earl Wickwire, Mr. Thompson and Mr. Larsen.

"The planning committee has met and made its preparation for the campaign," Mr. Berkhof said, "and the committees named will go to work today. Reports will be turned in daily to Mr. Thompson at the United Savings Bank, by all soliciting committees. We hope Tecumseh will not only subscribe its quota but will over-subscribe it as it has every quota since the war began."

Other communities in this section of the county and their quotas are: Britton, $8,900; Clinton, $110,000; Onsted, $26,000; Ridgeway, $750.

PROHIBITION PARTY TO ORGANIZE HERE

There will be a Prohibition party organizing convention for Lenawee county, in the U. B. church at Adrian, Tuesday evening, September 14, at 8 o'clock. One or more speakers will address the convention. There will also be religious and prohibition songs. All in sympathy with this move are invited to attend and take part.

TO CONFER DEGREES

Tecumseh Grange will meet tonight (Thursday) when the third and fourth degrees will be conferred on a class of candidates. Mr. and Mrs. Lawrence Hoagland and Mr. and Mrs. Robert Stewart are the refreshment committee and members are to bring cake or potato salad and sandwiches for their own family.

VETERAN RECOVERING

Mr. and Mrs. Nolan West of Adrian township received word that their son Corp. Donald West who was wounded in New Guinea December 9, has arrive in San Francisco, after 16 months in foreign service and is recovering from malaria attacks.

STOVE CAUSES FIRE

The fire department was called to the Verdi Skinner home on N. Oneida street early Sunday morning where a kerosene stove had caused a fire. The kitchen was badly burned and the house furnishing were damaged by smoke. The loss was partly covered by insurance.

USE YOUR HEAD?

Probably the most destructive weapon in the world is the common match. Over a period of years, loss of life and property traceable to this minute stick of wood dwarfs the ghastliest work of the bombers. Fire prevention authorities state that matches and smoking constitute together the largest sinble fire cause. They have urged upon people the pithy maxim: "Matches have heads, but no brains. When you use their heads, use your brains."

Never before has this advice been so applicable. The nation is at war. Every home, every factory and every farm are part of the struggle. When fire strikes now it strikes with double deadliness. In its ashes lie a portion of the war effort, irretrievably lost. Of course, property swept by fire will one day restored. But in the meantime, the nation is weakened the same as is a person with a cut finger.

The importance of caution with matches can be well understood when it is realized that each year about 300 billion matches are consumed in the United States alone, or 850,000,000 daily. This means that, in terms of average, approximately 600,000 flames are started every minute. Each of these flames holds the possibility of causing a disastrous fire.

No laws can prevent carelessness with matches. The most elaborate fire department in the world is helpless in the face of the potential destructive power of matches. They constitute a spectacular demonstration of the fact that real fire prevention is largely up to the induvidual. Use your head!

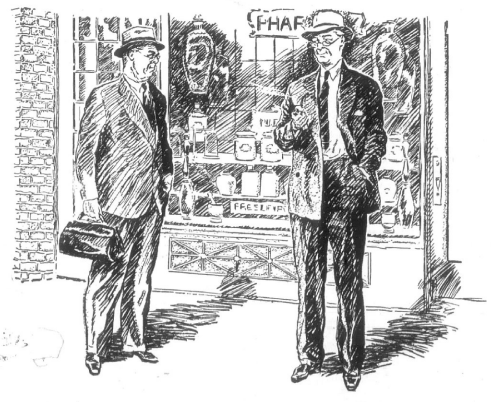
THE OLD JUDGE SAYS...



"Good morning, Doc. Your good wife tells me you're working night and day now that so many of the younger doctors are in the army."

"That's right, Judge, and I'm glad I'm still able to do it. Had a long letter from Harry... that bright young fellow I was breakin' in to take over my practice. He said the boys in the service are getting the best medical care of any armed force in our history. They really should with all those brilliant doctors and plenty of supplies to work with."

"Speaking of supplies, Doc, not many people realize that a large part of the war-alcohol required to make the medical supplies that are being used right this minute to alleviate pain, combat infection and save human lives, is produced by the beverage distilling industry. This entire industry stopped making whiskey months ago and has been working night and day producing nothing but war-alcohol."

"Nobody knows better than I, Judge, what an important contribution to our war effort that really is."

HE'S AN AMERICAN SOLDIER.

Some day, if God is with him, he'll come home.

And when he does, you'll get the biggest thrill of your life if you can look him squarely in the eye and say, "I couldn't help you fight—but I did everything in my power to help you win!"

There's only one way you *can* say that...honestly say it. And that is to help him win *now*... when he needs all the help you can give him.

Today's particular job for you is to scrape together every dollar you can—and buy an *extra* $100 worth of War Bonds! That's *your* job in the 3rd War Loan!

It's not enough to buy your regular amount of Bonds. It has to be *more*. It has to be an *extra* buy—a little *more* pressure for the shoulder that's against the wheel.

REMEMBER THIS—you aren't *giving* your money. You're *lending* it to the government for a while. And you're making the best investment in the world.

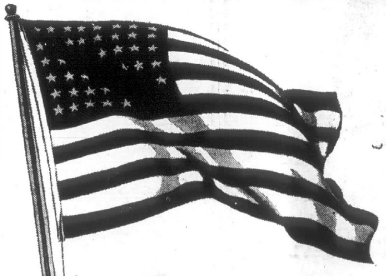
THE 3rd WAR LOAN DRIVE STARTS —TO BACK THE INVASION!



3RD WAR LOAN

15 BILLION DOLLARS

(NON-BANKING QUOTA)

★ ★ ★

What you will be asked to do—

MARK well the date—Thursday, September 9th. For on that day, *you* must answer to your country's call.

On that day, the 3rd War Loan Drive opens. You will be asked to back our fighting forces to the very limit of your resources. You will be asked to go ALL-OUT FOR INVASION by investing in EXTRA War Bonds—more War Bonds than you perhaps think you can possibly afford.

To meet the national quota, every individual in the country who earns a wage or draws an income or has accumulated funds must invest, if he possibly can, in at least one EXTRA $100 War Bond. Those who can, must invest in *more* bonds—hundreds and thousands of dollars' worth more.

Scrape up the money from every source you can . . . turn in all the loose cash you carry with you . . . dig out what you had tucked away "just in case." Go without pleasures, luxuries, even necessities this September. And give our fighting men the things they need to fight with—and *win*.

These men are throwing everything they have into this fierce invasion push. They are giving their blood, their lives. No one can put a price on such courage, self-sacrifice, devotion. But you *can* show you're with them to the limit! You can say it with Bonds . . . EXTRA Bonds this month.

World's Safest Investments

For this 3rd War Loan, you will be offered a choice of various government securities. Choose the one that fits your requirements.

United States War Savings Bonds Series "E"; gives you back $4 for every $3 when the bond matures. Interest: 2.9% a year, compounded semiannually, if held to maturity. Denominations: $25, $50, $100, $500, $1,000. Redemption: Anytime 60 days after issue date. Price: 75% of maturity value.

2½% Treasury Bonds of 1964-1969; readily marketable, acceptable as bank collateral. Redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943: due December 15, 1969. Denominations: $500, 1,000, $5,000, $10,000, $100,000 and $1,000,000. Price: par and accrued interest.

Other securities: Series "C" Savings Notes; 7/8% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds series "F"; United States Savings Bonds series "G."

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER FIFTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 16, 1943 | FIVE CENTS PER COPY

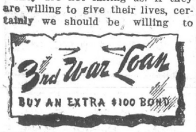
Bond Sale Here Totals $93,000

TECUMSEH NEARS 26 PER CENT OF QUOTA; SALE MUST BE SPEEDED UP

With a fraction more than 25 per cent of its bond quota subscribed—an average that is county-wide—Tecumseh today entered the last 15 days of the Third War Loan Drive, confident that this community will "back the attack" and go over the top.

The goal here that must be reached is $354,750. Last night's report from the United Savings Bank, where all local bond sales must clear, said that the village and township had purchased $93,000 in the federal securities.

"This leaves a little over $262,000 to be raised in Tecumseh in 15 days," W. L. Berkhof, chairman of the drive locally, said. "We must, therefore, purchase bonds at a rate of nearly $20,000 a day, every day, to go over the top. This is no easy task, but the boys in Italy are not finding the going easy, either. We cannot fail them—they are not failing us. If they are willing to give their lives, certainly we should be willing to



lend our money. Tecumseh has never failed any patriotic effort. I feel confident that she will not fail this time."

County-wide the bond sales were reported as brisk with about one-fourth of Lenawee's quota of $3,567,000 in the bag. Except for the city of Adrian, Tecumseh's sales were the heaviest reported anywhere in the county. Yesterday's report showed that Clinton had subscribed only $8,237 of its $110,000 quota; Onsted, $9,006 of its $26,000 quota; Britton, $5,962 of $8,900 quota; Ridgeway $562 of $750 quota. Total bond sales in the county last night were $894,457.

A meeting of the steering committee in Tecumseh's bond drive will meet at Mr. Berkhof's home at 8 o'clock on Friday evening to consider further plans, Mr. Berkhof said that LeRoy Titley had accepted the task of organizing the campaign in the rural areas and that a house-to-house canvass would be made among the farmers.

In the nation, where the quota is fifteen billions of dollars, reports showed that about one-fifth of the amount had been subscribed up to this morning. Lenawee county, therefore, is leading the nation-wide average.

Henry McClure Aged 71, Dies

FUNERAL SERVICES TO BE SATURDAY FOR FORMER POSTMASTER HERE

Henry W. McClure, aged 71 years, Tecumseh postmaster for 14 years, died Wednesday afternoon at his home on North Oneida street after several months illness.

Mr. McClure was born in Tecumseh April 10, 1872 and was a son of Henry and Jennie Park McClure, natives of county Antrim, Ireland. He spent his etire life in Tecumseh. He entered postal service in 1901 serving for 32 years, 14 as postmaster. Recently he had been employed at Tecumseh Products Company until his illness. He was a member of the Presbyterian church; a past master of Tecumseh Lodge, No. 69, F. & A.M., and a past grand of Tecumseh Odd Fellow Lodge.

Masonic funeral services will be held Saturday afternoon at 2:30 in the Collins Funeral Home, Rev. James Cannon Murdoch will officiate and burial will be in Brookside cemetery.

B. & P.W. MEETS

The Business and Professional Woman's Club held its opening meeting at Brees House Tuesday evening with Miss Bernice Parker as hostess. Past Presidents night was observed and Mrs. A. W. Porter, Mrs. Lillain Tingley, Mrs. E. M. Campbell and Mrs. Mills Swick were in charge of the program.

TO MEET TUESDAY

The Daughters of St. Peter will meet Tuesday evening, September 21, at the parish house of St. Peters Episcopal church.

For customer convenience The Tecumseh Hatchery will be open week days from 9 am. to 6 p.m., through the fall. adv.

Herald May Accept Soldier Subscriptions For Thirty Day Period

The Post Office Department has amended its ruling and it is now possible to send The Herald to members of Army personnel overseas without request letters and approval of commanding officers.

The Post Office order is relaxed, however, for a 30-day period only—from September 15 to October 15—permitting relatives and friends to send the "home town newspaper" to the boys in service as a Christmas Gift.

The Herald has received many requests recently for overseas subscriptions which it was unable to fill because of the federal ruling. The relaxed order for the 30-day period will make it possible for The Herald to accept these subscriptions through October 15.

Indians Meet Milan, Friday

FIRST HOME GAME TO BE PLAYED HERE SEPTEMBER 24 WITH HUDSON

Coach Fred Raizk's Tecumseh high school Indians will officially hit the turf in the 1943 season on Friday when they journey to Milan to meet that school's eleven. The game will be called at 3:15 p.m.

"I'm not bragging, but Tecumseh will make a good showing on the Milan gridiron," was Coach Raizk's comment. "While we have only four letter men in our string, we have some other boys who are working out well, and we should be able to give a good account of ourselves in the opener."

The first home game of the season will be played under the lights at Recreation Center here on Friday evening, September 24, with Hudson. The Hudson team is always a drawing card locally, and a big crowd is expected to see the initial home scrap.

Other games on the schedule are: Oct. 1, open; Oct. 8, Clinton, here; Oct. 15, open; Oct. 22, Manchester, here; Oct. 29, Morenci, there; November 5, Blissfield, there. The two open dates on the schedule may be filled with home games, but late yesterday Coach Raizk had not been able to make any announcement.

The probable lineup for the Milan game tomorrow follows: LE, Doug Murdoch; LT, Jack Brown, co-capt; LG, Bill Sisson; C, Max Brandt; RG, Bob Wood; RT, Bob Hockstra; RE, Bill Aebersold; QB, Jim Osburn; FB, Cliff Jackson, co-captain; RHB, Dalton Van Valkenburg; LHB, Stuart Costigan. The four lettermen in the lineup are Brown, Sisson, Osburn and Jackson.

Other members of the Indian string are: Bob Baker, Marvin Barber, Lillard Brown, Darwin Cregar, Dean Hamilton, Ben Hammcak, Bill Hayden, Carson House, S. Kring, Dermont Poley, Don Purkey, Ted Sisson, Lowell Wise, Ned Harrington, Laurence Russell, Malcomb Duncan, Tom Judd, Earl Baldwin and John Hewlett.

Locally, it was announced that no season tickets for home games would be sold here this year. The admission price will be the same as a year ago, 55 cents for adults and 25 cents for students.

Jurors Are Chosen For the October Term

Guy E. Belding has been chosen from Tecumseh township to serve on the jury for the October term of the Lenawee circuit court which opens October 19. Others from this vicinity are Byron Covell of Ridgeway, Effie Gibson, Macon, Jessie Russell of Adrian, Anna Jenkins of Clinton and Thelma Swartz of Franklin.

The remaining jurors drawn are P. LaVerne Kelley, Mary E. Mulally, Frances M. Sowers, Helen H. Stetson, Hazel D. VanAntwerp and Arthur C. Warren of Adrian; Harry Biggs, Dover; Holly Boardman, Cambridge; William S. Brown, Riga; C. G. Carpenter, Medina; John L. Derek, Madison; Don Guss, Hudson, city; Dwight Halsey, Woodstock; Milo Hart, Fairfield; Foil Hedge, Hudson; Francis Howard, Rome; Clara Knowles, Rollin; Amelia Laberdee, Deerfield, J. A. Mominee, Bliss field; A. H. Osgood, Morenci city.

UNDER GOES OPERATION

Jimmy Spooner, who makes his home with his uncle and aunt, Mr. and Mrs. Charles O. Butler, and who suffered injury to three vertebrae August 24, while diving at Wamplers Lake, was operated on Tuesday afternoon at University hospital in Ann Arbor where he has been a patient since the accident.

B. J. Cole, Civil War Vet, Dies

FUNERAL SERVICES HELD ON MONDAY FOR SOLDIER WHO WAS AGED 100

Baker J. Cole, Civil War veteran who was 100 years of age September 3, died Saturday morning at the home of his son Clarence Cole on North Oneida street where he made his home a part of a time. Mr. Cole suffered a cerebral hemorrhage two weeks previous to his death. He was the last Civil War veteran in this community. Two others in Lenawee county are Charles Riker of Cement City and George Will of Ogden.

Mr. Cole was born in Lenawee county and spent most of his life in Adrian. On September 23, 1863, he enlisted in Co. H, Michigan Cavalry and served two years under Captain Henry Bowen. He served for sometime in the recruiting service and was mustered out at the close of the war as a quartermaster sergeant. He was commander of Woodbury Post, G.A.R., in Adrian for several years and retained his membership until the post disbanded because of lack of members.

He leaves a son Clarence of Tecumseh, two granddaughters Mrs. Claudyne Swick of Macon and Mrs. Luceba Gove of Tecumseh, a great granddaughter Miss Wyona Gove of Tecumseh, two nieces Mrs. Archie R. Park of Adrian and Mrs. Grace Brabley of Spring Lake, and a nephew George Cole of Spring Lake. Mrs. Cole died 35 years ago.

Funeral services were held Monday afternoon at the Belding Funeral Home with Rev. Alvin Brazee officiating. Bearers were Marvin Watkins, Paul Keyser, Roy Shuster, M. W. Wilson, G. H. Lewis and Edward DeGroot, and burial was made in Wolf Creek cemetery where military services were conducted by the American Legion with Donald Goddard as chaplain.

Among the relatives from away who attended the funeral were Mr. and Mrs. LaVere Rexford and Mr. and Mrs. Harry Burnett and daughter of Manitou Beach, Mr. and Mrs. Perry Richardson of Addison, Mr. and Mrs. Edwin Morden, Mr. and Mrs. John McKendry, Mr. and Mrs. Jos. Driscoll and son, Mr. and Mrs. A. R. Park and Mr. and Mrs. Stanley Goodale of Adrian.

Miss Lucille Owen Weds Corp. C. G. Kempf

A pretty home wedding was held Tuesday evening at the home of Mrs. Lillian Owen on East Chicago Blvd., when her daughter Lucille became the bride of Corp. Carl G. Kempf, son of Mr. and Mrs. Theodore Kempf of Milan. The ceremony was performed by the Rev. O. V. Robinson in the presence of 50 relatives and intimate friends.

The bride who was given in marriage by Ernest Harris, was attended by Mrs. Robert Grigg, and Corp. A. Green of Ft. Devens, attended the groom as best man.

The apartment was attractively decorated with white glads, yellow roses and baskets of fall flowers and the service was read before an improvised altar of palms and plants, flanked on either side with tall lighted candelabra. Refreshments were served after the wedding.

Corp. and Mrs. Kempf left later on a short trip, Corp. Kempf has to report Monday at Ft. Devens, Mass., after a week's furlough.

The bride graduated from Tecumseh High school in 1933 and is employed at the local office of the Michigan Associated Telephone Company. She will return to her duties here next week. Mr. Kempf was employed in Milan before entering in army service.

Infantile Paralysis Is Fatal To Seneca Girl

Miss Marguerite Smith, 17 year old daughter of Mr. and Mrs. Glade Smith of near Seneca, formerly of Britton, died Saturday at University hospital, Ann Arbor, from infantile paralysis, after a week's illness. She was born near Britton in April 1926.

Besides her parents she leaves two brothers Herbert and Alfred.

Funeral services and burial were held Monday in Morenci.

CORRECTION

In the A. & P. Tea Company's advertisement in this issue, the price of shredded wheat should read 12 cents. The price on five and 10 pound bags of sugar also is in error and should read, "Cane suger, 25 pound bag, $1.56."

Degrees Are Conferred By Tecumseh Grange

Tecumseh Grange met Thursday night with the master, Firl Ash, presiding. The third and fourth degrees were conferred on Mr. and Mrs. Frank K. Smith; Mr. and Mrs. Vernon Rupp and Arthur Bortel. Mr. and Mrs. Guy Pocklington and Mr. and Mrs. Raynor Benedict became members by reinstatement. It was decided to observe Booster's Night Sept. 30. Mrs. Iva Grigg, the lecturer, will have charge of the program which will be followed by a dance, September 15 is house cleaning day at the hall. A potluck dinner will be served at noon. At the close of the meeting refreshments were served by a committee consisting of Mr. and Mrs. Robert J. Stewart and Mr. Mrs. Lawrence Heagland.

H. H. Halladay, of Clinton, Dies

WAS FIRST COMMISSIONER OF AGRICULTURE IN STATE OF MICHIGAN

Herman H. Halladay, well known Clinton resident, died Friday night at University hospital in Ann Arbor following an operation performed Thursday morning. Mr. Halladay was the first commissioner of agriculture in Michigan and a former secretary of the state board of agriculture.

He was born January 4, 1869, in Clinton, the son of Mr. and Mrs. Addison P. Halladay. He attended Clinton School and Adrian College and later taught school and served as Clinton township treasurer and supervisor. Mr. Halladay was also an honorary colonel in the R.O.T.C. and a major in the Officers Reserve Corps, a member of the Rotary club and the Elks Lodge and also a member of Clington Congregational church. He was engaged in real estate in Clinton the past four years.

Survivors are the widow, formerly Virginia S. Daniels of Franklin, two daughters Mrs. W. F. Carpenter of Rochester and Mrs. S. T. Flynn of Augusta, Ga, a brother C. M. Halladay of Clinton, also five grandchildren.

School Needs Surplus Food

EXCESS FRUITS AND VEGETABLES FROM GARDENS NEEDED FOR SCHOOL LUNCH DEPARTMENT

Do you have any surplus food in your victory garden? If you do the school lunch department will be glad to receive donations. Since Uncle Sam tells us it is our patriotic duty to see that no food is wasted, this outlet for your surplus will be greatly appreciated.

School lunches will present many problems to Mrs. Laidlaw and the homemaking department this winter. The high cost of canned foods in both money and ration points will prevent the use of many foods this contributed to the excellent nutritious lunches which have been served in the past. If these foods are made available now, the homemaking department will can or prepare them for freezing and good lunches will be assured. Also it will aid in keeping the cost of lunches within reach of all children.

Especially at this time the school would like beans, tomatoes, corn, cucumbers, peppers, and onions, also any fruits for jams and jellies. Later on, cabbages, squash, carrots, beets and turnips may be donated. George Parsons and one of his classes in agriculture will construct a suitale storage space for these vegetables.

"Last year 7,085 lunches were served in 64 days, and about 1,200 additional sales were made to students who purchased one or more items to supplement the lunches brought from home. With so many mothers working, children need hot nutritious lunches more than ever this year. Remember, surplus supplies are desired, and no gift is too small to use. Won't you please help us?" Mrs. Laidlaw urged.

The vegetables should be at the school by 8:45 each school day morning. If you have no way to get the food to school, call the high school office.

John H. Harwood, 72, Buried In Brookside

John Henry Harwood, aged nearly 73 years, well known farmer of this community for over 30 years, died Friday morning at his home southwest of town after a few weeks serious illness, although he had been in failing health for about 13 years.

Mr. Harwood, only son of Nathan and Sarah Alice Harwood, was born September 30, 1870, on the Harwood homestead in Newburg township, Cass county, a few miles west of the city of Three Rivers, where he made his home until he moved to the vicinity of Tecumseh in the spring of 1912. At that time he and his family moved to a farm three miles west of Tecumseh where they remained until 1917 when they moved to their present farm home.

He is survived by his wife, formerly Claudia B. Corner, whom he married August 15, 1900; a son Paul D. Harwood who resides in Onsted; three daughters Mrs. Lois Achersold of Britton; Mrs. Lola A. Marsh of Tecumseh and Mrs. Eunice J. Swanston of Clinton; two sisters Mrs. Clyde Smith of Marcellus, and Mrs. Robert Claxton of Iowa; two half brothers Irving C. Harwood of Hart and Linus Harwood of Milwaukee, Mis., and 11 grandchildren.

Before leaving his birthplace he became a member of the Methodist Protestant church in which he took an active part. After coming to Tecumseh he joined the Friends church where he attended faithfully until failing health prevented. He was a great lover of the Bible and took pleasure in being of help in community life and activities.

Funeral services were held Sunday afternoon in the home. Rev. Edward Escolme officiated and bearers were Wallace Bryan, Irving Gove, Carl Gruber, Clarence Acherson, Amos Wilson and Arthur Dinse. Burial was in Brookside cemetery. Relatives and friends from Woodville, O., Marcellus, Three Rivers, Constantine, Hart, Adrian, Clinton, Britton, Onsted, Blissfield, Holloway and the surrounding community attended the service.

GARDEN CLUB TO MEET

Tecumseh Garden Club will meet Friday afternoon at the home of Mrs. Leon Rosacrans instead of with Mrs. F. C. Hanna as previously planned. Roll call will be answered by naming a favorite wild flower and Mrs Lewis Lent will give a paper on "The History of Gardening". A garden tour will complete the program.

TO WED IN TEXAS

Miss Ethel Mills will leave today for Amarillo, Texas, where she will be married to Pvt. Donald Dewey. Miss Mills has been employed at the Quaker Oats Co. plant here.

Mr. and Mrs. G. D. Ellis Married Sixty Years

Mr. and Mrs. G. D. Ellis are observing their 60th wedding anniversary Saturday, September 18 at their home in Macon. There will be no formal celebration but they will be glad to welcome their friends.

Mr. and Mrs. Ellis were both born in Macon and have spent their entire lives there with the exception of a few years when Mr. Ellis was connected with the Avery and Ellis grocery in Tecumseh. Mrs. Ellis was formery Elfie Thomas. They were former owners of the old mill in Macon, now the property of Henry Ford. Both have enjoyed excellent health until the past year.

Judge to Name Zoning Group

TOWNSHIP COMMISSION TO DRAFT ORDINANCE GOVERNING BUILDINGS

A township zoning commission, empowered to draft an ordinance governing the construction of buildings in Tecumseh township, will be named this week by Probate Judge M. E. Tripp of Adrian. The commission will be made up of four local residents.

The court will act on the request of the township board, following receipt of a petition from residents, bearing more than 100 names, asking that such an ordinance be drafted. The township board, last week, officially notified residents of its intention and the petition to the court was made yesterday by LeRoy H. Titley, supervisor.

Mr. Titley said that it would be the duty of the newly appointed commission to draft a suitable zoning ordinance for the township, outside the village of Tecumseh, and submit it to the county zoning board, which will be named next month by the board of supervisors. After it has been approved by the county board it is returned to the township board for final approval and adoption. How quickly the ordinance may be drafted, Mr. Titley was unable to say, but he indicated that it would be done with dispatch.

John R. Zeigler, Tecumseh village attorney, is working on the revision of the proposed zoning ordinance for the village and he said yesterday that he expected to have it in shape to submit to the council at its regular meeting on Monday. Whether other changes will be suggested then, he could not say.

A second public hearing no the village ordinance is expected to take place late this month or early in October.

Officers Are Elected By Legion Auxiliary

The American Legion Auxiliary met Monday evening at the Wamplers Lake cottage of Mrs. Henry Smith for a pot luck supper followed by the regular meeting when officers were elected and installed. The officers are Mrs. Jack Smith, president; Mrs. Marvin Watkins, first vice president; Mrs. L. W. Mix, second vice president; Mrs. Bert Warren, secretary; Mrs. L. A. Carlson, treasurer; Mrs. Ned Baldwin, sergeant at arms; Mrs. George Church, chaplain. Officers were installed by Mrs. Louis Schneider.

During the business session Mrs. C. W. Howe gave a report of the recent state convention in Detroit.

The next meeting will be held October 11 at the home of Mrs. O. W. Laidlaw on South Democrat street.

OLD TIME REVIVAL IS NOW IN PROGRESS

An Old Time Revival is in progress this week and next at the Lower Light church, corner of Maumee and Kilbuck streets, with Rev. T. L. Terry as evangelist. His topics will include "Signs of the Second Coming of Jesus," "Old Fashioned Justification and Sanctification" and "the Cry of a Lost Soul" and others. The pastor, Rev. C. W. Massie and wife will have charge of special music each evening, and during the second week, Revs. John and Henry Van Dam of Colon will furnish special numbers in song.

Services are being held at 7:45 every evening from September 13 to 27 inclusive, with "No Creed but Christ, No Law but Love and No Book but the Bible." The services are open to the public.

The fire department was called Friday afternoon to the home of Mr. and Mrs. Peter Socks on South Maiden Lane where a gasoline stove oven had caught fire. Some damage was caused by the heavy smoke.

TO MEET SEPT. 20

The Maccabees will hold a regular meeting Monday evening, September 20 at the home of Mrs. Carrie Saul.

Board to Study School Addition

PRESIDENT TO NAME COMMITTEE OF THREE TO AID IN FUTURE PLANNING

The need for increased school facilities in Tecumseh was stressed in a bulletin presented to the board of eduaction, in session Tuesday evening, by W. L. Berkhof, superintendent, and the trustees, at the conclusion of the meeting, adopted a resolution looking toward that end.

Tecumseh's school enrollment at the present time is 672, larger than it was at the peak period last year, and Mr. Berkhof believes that it will continue to increase during the remaining weeks of this month. The present enrollment, he said, is 21 greater than on the opening day.

In his bulletin to the board, entitled, "An analysis of Tecumseh's school plant needs and necessary steps and considerations." Mr. Berkhof traced the growth of the school, showed how present facilities and buildings are inadequate, and made recommendations as to correction. The board, at the close of the session, adopted this resolution: "The board feels that added school facilities are necessary, and the president is empowered to name a committee of three to assist the board in planning for such an addition." The resolution is in keeping with oe adopted at the annual meeting of voters last July, when similar instruction was given.

The board also approved a recess of school on Friday, September 24, for the Lenawee County Fair.

Except for routine business, no other matters were before the board for consideration.

YEARS ACTIVITIES TO INCLUDE WAR WORK; YEAR BOOKS ARE DISTRIBUTED

Abi Evan's chapter, Daughters of the American Revolution, held its opening meeting Friday afternoon at the home of Mrs. Lucy Terry on Brown street, with Mrs. C. R. Dustin, Mrs. Athol Brainard, Mrs. Burtsel Claus and Mrs. Neville Hart, the assisting hostesses.

Mrs. Floyd R. Whelan presided at the opening ritual and business session. An announcement from the National organization was read which stressed for the year's activities, the following subjects: blood plasma, war bonds and stamps, Buddy Bags and war service records.

Mrs. F. S. Turner was leader of the program on the "River Raisin." Mrs. C. H. Williamson gave the history and interesting events concerning the river and said the original name used by the Indians was Sturgeon river; the first settler was Francis Navarre and family in 1760; the first settlers on Tecumseh branch of the river were Mr. and Mrs. Musgrove Evans. Mrs. Evans, Abi, is the one for whom the chapter was named. Mrs. Turner told of other rivers and streams she had visited and showed her collection of views. The program also included piano selections "The Mountain Stream" and "Moonlight on the Hudson" by Mrs. W. G. Waldron.

In conclusion tea was served by Mrs. Williamson and Mrs. Claus. The table was placed in front of a window overlooking our branch of the Raisin River, and was centered with garden flowers in a crystal bowl.

YOU—BACK THE ATTACK

The Third War Loan is a swift, sure test of your common sense, your ability to take it, and a true measure of your own flesh and blood, the men you have sent off to do the fighting for you.

It combines all of these aspects because it comes at a time when American forces are doggedly seeking a decision on the battlefield, often at the cost of life itself.

Attack. Counter-attack. Attack. Another ridge. Another valley. Another town. All sense of time gone. You get weary. You smell death. But you keep going. That's invasion. That's the way a war correspondent tells the story of what your relatives, your neighbors, your friends are going through at this moment.

But what about you? Is it attack, counter-attack, attack for you on the home front? Are you fighting a battle to save every penny possible for War Bonds to back up your fighting men?

There's hardly a comparison between your greatest sacrifice on the spending front and the sacrifices in blood and sweat of one of your soldiers, sailors, flyers, marines or coast guardsmen.

Your Government come to you and says:

"Lend me your money now when I need it to protect you against your enemies, and I'll pay you back with interest a little later when the men who would murder, rob and enslave you are destroyed."

It takes a country like ours to make such an offer. Where's your common sense if you don't run, not walk, to the nearest Bond Booth to lay down your money and exchange it for War Bonds?

Your Government is putting its objective before you in two ways. First in big round numbers like 15 billion dollars. Secondly, but more important, it puts the Third War Loan matter up to you in a purely personal way. It wants you to invest a minimum of an extra $100 in War Bonds—more if you can. If you are one of those Americans who have not yet bought a War Bond—or even a War Stamp—it asks you to get busy in a hurry. There's something awfully wrong with you if you won't put an extra rifle, or an extra clip of bullets into the hands of your men on the battlefield.

There's another thing to keep in mind as you face the test of the Third War Loan. You may grumble about the cost of living. That's not the thing really to worry about. The Nazis and the Japs have let you know that your chief worry is living itself if they can get their hands on you. If you want one graphic example, remember those American martyrs of Jimy Doolittle's Tokyo raid.

The slogan, "Back the Attack—With War Bonds," is addressed to you, Rich man, poor man, worker, boss, man, woman or child—you all have something to lend to your country at a time like this. You would not be worthy of being an American if you did not have the fibre to trade bread for liberty.

Other Americans are crouching in assault boats at this moment. Waiting for INVASION!

It's assault time for you too.

Q. Why should cars now be greased every two months or at 1000 miles—whichever comes first?
A. Because better rust protection is needed for lightly-driven or idle cars. Water which splashes or condenses on grease fittings may not be worked off—may now stand on these metal parts much of the time.

AUGUST AND SEPTEMBER MONTHS FOR PARALYSIS

Warning that August and September are months in which infantile paralysis has occurred most frequently in Michigan in other years, State Health Commissioner H. Allen Moyer today advised parents to take no chances when their children appear unwell.

"Fever, headache, nausea and vomiting may be symptoms of the disease," Dr. Moyer said. "Stiffness or pain in the back or neck, or muscle soreness, are other symptoms. A physician should be called immediately when such symptoms are noticed. Possibility of paralysis is greatly lessened when there is prompt diagnosis and adequate treatment of the disease in its earliest stages."

Nineteen cases of infantile paralysis have been reported to the state health department so far this month. Seven-year average for the period is 35.

Seventy-seven respirators located in twenty-eight Michigan counties now are available when the disease affects muscles of respiration.

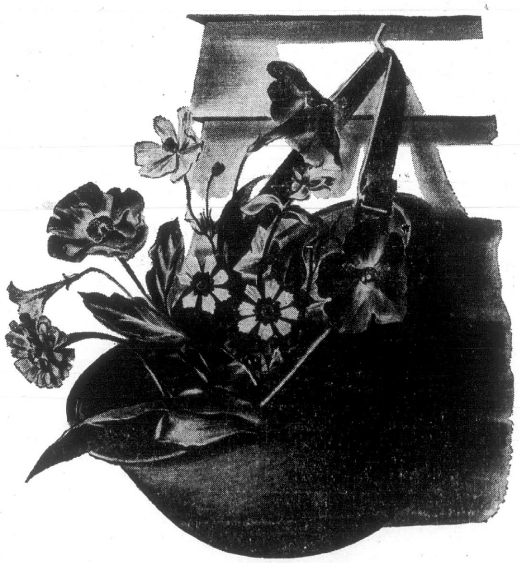
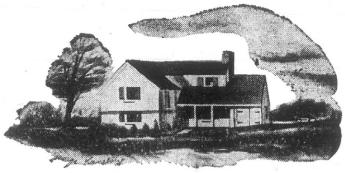
WHEN WILL THIS WAR BE OVER?





A FATTISH MAN we overheard in a Pullman diner said it would be over some time during the week of November 11.

He'd talked to "a man who knew a man who was high up in the army" who'd said the Allies were planning to terminate the war on the 25th Anniversary of the Armistice.

The fattish man doesn't know.

A woman, who is president of a literary club in a medium-sized town in Colorado, says the war will be over in April, 1944.

This is (we quote her) "just a year after the fall of Tunisia, which is about the time it ought to take us to beat Hitler and clean up the Japs."

The lady doesn't know.

The fact is that nobody can look into a crystal ball and tell *when* this war is going to end. Nobody, not even the General Staff, can look at the war maps, survey the disposition of troops, weigh our might against the enemy's might, and tell *when* this war will end.

There's only one thing we can be sure of—*just this one thing:*

This war will end *sooner* if everybody on our side—and that includes *you*—pitches in and does everything he can to help end it. "Everything" means, among other jobs, buying all the War Bonds you can afford. All.

Your government is asking every citizen to purchase—during September—$100 extra in War Bonds. At least $100 over and above what he has been buying.

Does this sound like a lot to you? Well, the only answer is *our men need a lot.* A General Sherman tank still costs $90,000; a Flying Fortress still costs $450,000.

You can buy your extra $100 worth, can't you? If you think you can't, read over every story in today's paper that tells about some soldiers, some sailors, some marines, some merchant seamen dying somewhere in this war-ripped world.

And remember—they're dying for you.

Choir at Macon Begins 3rd Year

MARTHA-MARY CHAPEL IN USE DAILY SINCE ITS DEDICATION IN JUNE, 1941

On Sunday, September 19, the Macon Chapel Choir will celebrate the beginning of its third year of activity. The date also marks two years of community chapel services held every Sunday morning at the picturesque Martha-Mary Chapel at Macon.

Chapel begins each Sunday morning promptly at ten o'clock and continues to ten-thirty. Many residents of the surrounding area enjoy the simple non-sectarian song service.

Each Sunday someone in the community leads the service or reads a poem or selection appropriate for the occasion. Vocal and instrumental soloists also participate each Sunday. Thus, Macon has enjoyed hearing outstanding soloists from Saline, Britton, Ridgeway, Clinton and Tecumseh in addition to members of their own community.

The Martha-Mary Chapel is named after the mothers of Mrs. and Mr. Henry Ford, Martha Bryant and Mary Ford, and is a memorial to these two mothers.

The chapel is in daily use. During the school year the children of The Edison Institute schools meet in the chapel schoolday mornings for a brief chapel service before beginning their day's studies. Pupils who are interested in the organ are given lessons on the modern electronic organ in the chapel and are assigned practice periods. When sufficiently prepared, these students play for the daily chapel service.

The chapel has been the scene of much activity since its dedication on June 5, 1941. Several weddings have taken place here. The Macon High School has held its last three graduations in the chapel. Several special Christmas and Easter services and musical programs have been presented by both the high school and the adult choir.

The Macon Chapel Choir is a volunteer group of people from the community who gather to sing every Thursday evening, as well as Sunday morning. The choir as a group has not taken a vacation for two years. They have contributed to every Sunday service, summer and winter. This has been true in spite of the fact that members of the choir work on the constantly changing shifts in near by defense plants. The program of the choir is two-fold: choral music for the Sunday service and singing for fun as a community activity.

Membership in the choir is merely a matter of walking in at choir rehearsal Thursday evenings, and joining the group in singing. There has never been a membership committee or a testing of voices. People like to sing; by keeping that in mind the choir has flourished and looks forward to a third year of service to the community and of fun for themselves. Rehearsal on the new Christmas cantata will begin in a few weeks.

This year the choir will enjoy the fruits of two years progress in choral singing when they receive their copies of the phonograph records they recently made of their own singing. Thus they will have the unique opportunity of hearing themselves sing as well as each possessing a permanent record of their performance as a choir.

Miss Reva E. Wardle Weds Duncan D. Robison

At a simple but impressive service at St. Luke's Episcopal church in Ypsilanti Reva Elizabeth Wardle became the bride of Duncan Duane Robison on Saturday afternoon at three o'clock. The Rev. R. T. Appleyard read the double ring ceremony before the altar decorated with white gladioli.

The bride is the daughter of Mr. and Mrs. Waldo E. Wardle of Whittaker Road and the groom's parents are Mr. and Mrs. Duncan Robison of Saline.

Before the ceremony Mrs. T. Fred Older played appropriate organ music. Miss Donna Garrod sang beautifully "At Dawning" and "Because".

The charming bride, give in marriage by her father, wore a gown of ivory satin made with a beaded bodice, sweetheart neckline and long fitted sleeves ending in points over the hands. The long full skirt ended in a train and her finger-tip length veil of tulle fell from a tiara made of seed pearls. She carried a prayer book topped by a single white orchid. The groom's gift to the bride was a hand carved necklace of white jade. She carried the handkerchief that Mrs. Robison had carried at her wedding.

Miss Doris Wanty, maid of honor, and Miss Beth Austin, bridesmaid, wore identically styled dresses. Miss Wanty's gown violet net over matching taffeta with a taffeta jacket. Her flowers were asters of the same shade. Miss Austin's gown was an old rose shade and she carried rose-colored asters. They wore matching Juliet caps with shoulder length veils.

David Gordon was the best man and the guests were seated by Dwight Carr, William Hagen and Robert Osborn, all of Saline.

The bride's mother wore for her daughter's wedding a crepe dress of soldier blue with a matching hat. Her corsage was of talisman roses.

The groom's mother wore a gown of royal blue velvet with a fushia hat and wore talisman roses.

The bride and groom greeted their guests as they left the church. A reception for close friends and relatives was held in the Elizabeth Hussey room at the Michigan League at Ann Arbor. The table was decorated with autumn flowers and white tapers. The three-tiered wedding cake was decorated with white doves and circled with yellow rose buds. The bride's sisters-in-law Mrs. Richard Wardle and Mrs. Robert Wardle poured.

The bride is a graduate of Lincoln high school, class of '43 and is active in 4-H club work, having won a 2 year scholarship. The groom graduated from Saline high school, class of '41 and was also active in 4-H club work, winning a scholarship for his work.

When the couple left for their wedding trip, Mrs. Robison was wearing a copen blue velvet dress with brown accessories. They will be at home after October first at 13076 Macon Road, Saline.

Indians Ready For Hudson Hi

GAME AT RECREATION CENTER FRIDAY EVENING AT 8:15; SCORELESS TIE AT MILAN

After holding Milan to a scoreless tie on the gridiron in that city last Friday afternoon, Coach Fred Raizk's Tecumseh High School Indians were making final preparations today for their battle with Hudson at Recreation Center here tomorrow evening, the first home game of the local season. The contest will be played under the lights and is expected to attract more than 1,000 spectators. The kick-off will be at 8:15.

"Hudson didn't play ball last week and consequently we were unable to do any scouting, but from what I have been able to learn, Tecumseh is in for a battle," was Coach Raizk's comment. "They have more lettermen back this year than we have, and their line is heavy. However, the Indians gave a good account of themselves at Milan last week and I can promise local fans that they will get their money's worth at the first home game tomorrow evening."

The game at Milan was a battle throughout the four quarters, with both teams coming dangerously close to the goal line but unable to score. Most of the battle was played on the ground, although some aerial work on Tecumseh's part added to the life to the contest. In the second quarter, Milan was within about four yards of Tecumseh's goal but the line held fast and there was no score. This was the only time that Milan was dangerously near to the Indian's ground.

In the third quarter, Jackson was within two inches of a touchdown when his foot slipped and his shoulder touched the ground.

Jackson, Brown and Sisson played an outstanding game for the Indians.

Tecumseh's line-up in the opener was made up of Murdoch, Brown Sisson, Brandt, Woods, House, Aebersold, Osburn, Jackson Hoekstra and Costigan. Substitutes were Van Valkenburg Purkey and Baker.

Mrs. Nancy Butler, 88, To Be Buried, Friday

Mrs. Nancy Butler, aged 88 years, of 114 West Pottawatamie street, died Tuesday afternoon at Tecumseh hospital where she had been a patient for a week.

Mrs. Butler was born in County Antrim, Ireland, February 15, 1855 and came to this country with her parents when six years of age. Her entire life was spent in the Medina and Tecumseh area and she had made her home the village over 25 years.

She leaves one son Eugene Pilbeam of Tecumseh, three grandchildren and three great grandchildren. A daughter Mrs. Schuyler Baslick preceded her in death.

Funeral services will be held Friday afternoon at 2 o'clock in the Collins Funeral Home. Rev. O. V. Robinson will officiate and burial will be in Ridgeway cemetery.

FAREWELL PARTY

At the close of Sunday school at the Baptist church Sunday morning the Baptist congregation and friends will meet for a pot luck dinner and farewell program for Rev. and Mrs. O. V. Robinson who are leaving soon for Grand Rapids. Mrs. Silas Spitler and Mrs. Ernest Harris are in charge of the dinner and those attending are to furnish their own table service. Mrs. Naomi Williamson is in charge of the program.

ROTARY CLUB MEETS

The regular noon-day luncheon meeting of the Rotary Club was held on Tuesday at Brees House. The Rev. E. T. Rodda, rector of St. Peter's Episcopal church, was the speaker, discussing child delinquency. He blamed broken homes and the fact that mothers work as well as fathers, for the rapid delinquency rise during the past months.

SPECIAL MEETING

A special meeting of Tecumseh Lodge, No. 69, F. & A.M., will be held at 8 o'clock Friday evening, September 24 when the first degree will be conferred on three candidates. Refreshments will be served.

COUNCIL MEETS

The village council approved a motion to invest $20,000 of Tecumseh's funds in 3rd War Loan Bonds when that body met in regular session, Monday evening. There was little other business except for routine reports. Current bills were audited and ordered paid.

Eleven Persons Hurt When Two Cars Crash

Eleven persons were injured, six requiring hospital treatment, Sunday afternoon shortly after 6 o'clock when cars driven by Arlie LeBaron and Ralph Westgate collided at the road intersection south of the Quaker Oats plant out South Evans street.

Mr. and Mrs. LeBaron and three children and Mr. Westgate were treated for head cuts and bruises at Tecumseh hospital. Mrs. Westgate and four children, suffered minor injuries but did not receive hospital treatment. Both cars were wrecked.

Mrs. Nettie Hardesty Buried In Blissfield

Mrs. Nettie Katherine Hardesty, aged 76 years, died Friday afternoon at her home west of Ridgeway after several years of failing health. Mrs. Hardesty, the daughter of Jacob and Rebecca Fogelsong, was born in Preston County, W. Va., August 5, 1867. She was married to Charles Hardesty March 16, 1898 and had made her home near Ridgeway for a number of years.

Besides the husband she leaves one daughter Mrs. Edna Lawhead of Tecumseh, one son Foster Hardesty of Ridgeway and four grandchildren. A son Forrest died in infancy.

Funeral services were held Monday afternoon at the Church of the Nazarene in Ridgeway, Rev. Willis E. Weaver officiating. Hymns were sung by Rev. and Mrs. Weaver and bearers were William Strickland, Howard and Charles Bailey, George Fry, Lester and George Fogelsong. Burial was made in Zion United Brethren cemetery south of Blissfield.

Funeral Services Held For H. W. McClure

Funeral services for Henry W. McClure were held Saturday afternoon at Collins Funeral Home. Rev. James Cameron Murdoch officiated and bearers were Messrs. C. C. Wilson, L. H. Titley, E. J. Aebersold, Arthur J. Baton, Ira Ashley and H. H. Hanna. Masonic services were conducted at the grave in Brookside cemetery.

Among those from away who attended were Mr. and Mrs. Harold G. McClure and daughter of Detroit, Samuel R. McClure of Pittsburg, Pa., Mrs. Samuel J. McClure of Erie, Pa., Mrs. Duane Baldwin of Howell, Mrs. Donald Dean of Ann Arbor and Mrs. Josie Alvord of Detroit.

FARMERS MAY USE GAS TO GO TO FAIR

"I have contacted authorities in the Office of Price Administration and they assure me that persons engaged in farming activities may use their personal necessity gasoline ration to attend agricultural fairs, inasmuch as such fairs are designated educational and such persons would be attending in connection with their occupation.

"Further, the holders of B and C rationing ratings are permitted to drive 90 miles per month for pleasure, which would permit their attendance at agricultural fairs without jeopardizing their permits," says Paul W. Shafer, representative from the Third district of Michigan at Washington.

GARDEN CLUB MEETS

The Tecumseh Garden Club was entertained Friday afternoon in the home of Mrs. Leon Rosacrans. The president, Mrs. Neil Pearson, presided and appointed as nominating committee to report at the October 15 meeting, Mrs. C. C. Ruppel, Mrs. R. K. Anderson, Mrs. Rosacrans, Mrs. Harold Sisson and Mrs. R. S. Moore. Mrs. Lewis Lee gave an interesting paper on the history of gardening and a discussion was held. In conclusion, refreshments were served. Mrs. Thomas O'Hara was a guest. The next meeting will be held at the home of Mrs. F. C. Hanna when officers will be elected.

GETS SCHOLARSHIP

Miss Elva Mae Dickinson, who is a member of the nursing staff at St. Joseph's hospital, Ann Arbor, has been awarded a scholarship and has also been elected vice president of the Student Council. Miss Dickinson was chosen the outstanding student nurse of the class of 1943. She is the daughter of Mr. and Mrs. Clare Dickinson of Tecumseh.

TO MEET FRIDAY

The Presbyterian Missionary Circle will meet Friday afternoon, September 24 at the home of Miss Rebecca Preston.

League Elects New Officers

HARRY FEE RENAMED PRESIDENT; THREE REPRESENT TECUMSEH ON BOARD

The annual meeting of the Lenawee County Patriotic League was held Tuesday evening at the City Hall in Adrian. The president's and treasurer's reports were read showing the League to be in sound financial condition with a cash balance in the county banks of $33,709.98. It was with the unanimous approval of the meeting that this money be held in the treasury as a reserve for after war needs when giving will have stopped. It was decided that the campaign be put on to raise so far as possible all needed to pay the Lenawee quota of $45,535.45 and to take care of all campaign expenses and office expense for the ensuing year.

The old board then adjourned and the newly appointed board of directors proceeded to organize. The 17 members are: H. A. Fee, R. H. McAfee and Mildred E. Trada, Adrian; Wade L. Jones, Tecumseh; Bernard Williamson, Morenci; Val W. Fisher, Hudson, W. W. Cooke, Clayton; John Landon, Addison; Elmer A. Seeger, Blissfield; Dr. J. A. Foreman, Clinton; Earl Griffen, Britton; F. W. Cane, Deerfield; E. P. Burcham, Onsted. Members of the county-at-large are Mr. Landon, G. H. Mingus, Hudson; LeRoy Titley, Tecumseh and Glenn Carr, Metamora.

Officers were re-elected as follows: Mr. Fee, president; Dr. Foreman, vice president; Mr. Fisher, second vice president; Mr. McAfee, treasurer; Mildred Trada, secretary. The president was authorized to appoint an executive committee, the names to be announced later. The board was increased from 17 to 20 members, two to be appointed by the mayor of Adrian and one by the president of Tecumseh village, in order to provide representation for labor. President Elliott of Tecumseh has announced his appointment as Carl Fosbender. Others will be announced later.

Charles R. Woodcox Buried In Brookside

Funeral services for Charles R. Woodcox were held Sunday afternoon at Collins Funeral Home. Rev. Edward Escolme officiated and Mary Jane Hayden sang a hymn accompanied by Mrs. Ralph Comfort. Bearers were Lloyd, Floyd, Hollis and Richard Woodcox, E. Courtney and Gerald Kelley and burial was in Brookside cemetery.

Relatives from away who attended were Mr. and Mrs. Lloyd Woodcox and family of Traverse City, Mrs. Rose Courtney and E. Courtney of Mark Center, O., Mr. and Mrs. Parsons of Pioneer, O., Mr. and Mrs. House of Pontiac and Gerald Kelley of Howell.

PLAN FOR FAIR

The Presbyterian Ladies Aid Society met last Wednesday afternoon at the home of Mrs. John R. Thompson with Mrs. J. C. Murdoch and Mrs. Al Helzerman as the assisting hostesses. Mrs. John H. Smith presided at the business session when plans were made for the annual church fair and chicken pie supper to be held October 21.

Mrs. E. E. Davis conducted devotions and roll call was responded to with a review of summer activities.

Rev. Murdoch told of his work in a Detroit defense plant during August, and in conclusion tea was served by Mrs. Thompson assisted by Mrs. Smith and Mrs. B. J. Pulver.

HONOR PARENTS

Mr. and Mrs. Dean VanValkenburg entertained a group of 27 relatives and friends Friday evening in honor of her parents Mr. and Mrs. T. E. Spaulding of Tipton, who were celebrating their 53rd wedding anniversary. The evening was spent socially and Percy Van Valkenburg showed technicolor movies of Mr. and Mrs. Spaulding and also of his trip to Florida. In conclusion refreshments were served.

HORN-BRIGHTON

The Teachers Club met Thursday afternoon at the high school and elected the following officers: Alvin Brazee, president; Mrs. Cora Pfaus, vice president; Miss Bertha LaPointe, secretary and treasurer; Mrs. Ayesha Laidlaw, assisting secretary; Mrs. Hazel Dickinson, Miss Margaret Roberts and Delmar Crisp, program committee.

BECOME CITIZENS

Charles Badura and Sophie Badura of Britton; Wojciech Gerarowski of Clinton; Wojiech Gerarowski and Josephine Kujawa of Tecumseh were among a group of 22 persons to receive their final citizenship papers last week in Adrian.

Will Plant Dynamic Kernels on Saturday; Chas. Figy To Speak

The fourth planting of Dynamic Kernels is to take place Saturday morning, September 25 at 10:30 on one of the Ford Farms one quarter mile east of Tecumseh on M-50. The field is at the corner where the Holloway road enters M-50.

Charles Figy, state commissioner of agriculture, will speak.

The planting this fall will be done by students of the Edison Institute, from the Macon Area of the Ford Schools. A field, approximately 14 acres in size has been loaned for the 4th year of the project by Henry Ford. Perry Hayden, who started the project in 1940 with one cubic inch of wheat, says that 14.3 bushels of seed will be planted.

Whereas the first two crops were planted by hand, and the third crop by horse drawn drill, this, the fourth planting, will be done in typical Ford style, with four Edison Institute students each driving a tractor drawn tool,—there will be a disk, a drag, a culti-mulcher and a drill.

The fertilizer for this year's crop has been furnished without cost by the F. S. Royster Company. It is expected that W. G. Ellis, manager, will be present, as well as Fay Whelan, local dealer.

One feature of the ceremony Saturday morning will be the roll call taken of the 12 boys, who in 1940 planted the first cubic inch. This will be done by Ivan Parker, teacher in the Edison Institute at Macon. Glenn Driscoll, teacher at the Brownville School, will conduct a short devotional period. Worthy Spring, president, Cleveland Bible College, of Cleveland will lead in prayer.

The public is invited.

DESCRIBES WAR EXPERIENCES

Mr. and Mrs. Albert Todd have received a letter from their son Robert in which he describes some of his army experiences since leaving San Francisco Oct. 1, 1942.

The 43rd division first landed at Ashland, New Zealand and a month later was sent to New Caledonia. Early in the spring they were ordered to take Russell Islands, so moved again, stopping off at Guadalcanal and making the first small boat landing of the war at Russell Islands where they spent a few months before being ordered to New Georgia where units of the division took the airfield at Munda. He stated he had been under fire; the weather was hot, but he was well and had sent home some interesting souvenirs including Jap money.

DEGREE CONFERRED

At a special meeting of Tecumseh Lodge, No. 69, F. & A.M., held Friday evening, the third degree was conferred on a class of four candidates. Lodge opened at 5:30 and dinner was served at 7 o'clock.

The Florence Weld Mission Guild will meet Monday evening, September 27, at the home of Mrs. E. J. Koernig and Miss Marie Koernig. Potluck supper will be served at 6:30.

Tecumseh Needs $84,250 to Meet War Loan Quota

BOND SHOW AT STRAND NEXT TUESDAY EXPECTED TO PUSH COMMUNITY OVER THE TOP

Tecumseh was $84,250 short of its quota in the 3rd War Loan Drive at the close of business, last night.

Tecumseh's quota in the September drive is $354,750. Up to last night it had subscribed $270,500. This was the largest sum reported from any community in the county, outside the City of Adrian.

To make certain that the community reaches or exceeds its quota, the management of the Strand Theatre, cooperating with local War Fund Drive officials, today announced a Bond Premier for Tuesday, September 28, at 7 p.m. The theatre has turned its entire facilities over to the bond drive for that day and admission to the special entertainment will be exclusively through bond purchases, $25 bonds commanding one type of seat, $50 bonds another and $100 bonds still another.

Any bond purchased today, tomorrow or Saturday, or Monday or Tuesday, from any issuing agency in Tecumseh, will entitle the purchases to a seat at the bond premier. Tickets will be given out by all bond issuing agencies and purchasers of $100 bonds or $50 bonds may select $25 seats in proportion to their purchases, if desired. Purchasers of $1,000 bonds, however, will be limited to 10 $100 seats.

Bonds for admission to the Premier may be purchased at any local issuing agency (United Savings Bank, Tecumseh Products Co., or Postoffice) or from any of the five special bond booths that are being set up in downtown stores. The downtown bond booths will be in charge of high school girls, W. L. Berkhof, general chairman of the bond drive, said.

The screen attraction at the Premier is "Two Senoritas from Chicago," a tuneful, tempting, tantalizing comedy, starring Joan Davis and Jinx Falkenburg. In addition, on the screen, will be some of the latest news releases of the war.

On the stage, appearing in person, will be the Fort Custer Octette from Battle Creek, an organization of soldiers ranking second to no glee club in the United States. Efforts also are being made to bring an Army or Navy band to Tecumseh, but definite assurance of this has not yet been given.

The show will start at 7 p.m., on Tuesday and will last about two hours. In the event the first show is "oversold" it has been announced that a second show would be given.

"We greatly appreciate the Strand's cooperation in the local bond drive by turning the theatre over to the war effort on Tuesday," Mr. Berkhof said. "We feel that there are hundreds of potential bond buyers in our community who now will avail themselves of the opportunity to see the show and at the same time fulfill their patriotic duty by purchasing a third war loan bond.

"In reality the show is free, the bonds are as good as the cash in your pocket. It is just another effort on the theatre's part to stimulate enthusiasm in the local drive by offering a special inducement. I believe that we will pack the house, possibly for two shows. In any event, we want to make the Premier bond sale sufficient to shove Tecumseh over its quota."

Several large purchases of bonds in Tecumseh during the past three days have helped to push Tecumseh within a few thousand dollars of its quota. The largest purchase came from the Tecumseh Products Co., officials, office and factory personel. Sales in that war plant, records show, total about $175,000. The Village of Tecumseh also purchased $25,000 in bonds, Consumers Power Co., $10,000, Quaker Oats Co., $15,000, Township of Tecumseh, $4,000. Reports from other plants were incomplete.

"We are very much pleased with our industrial reports," Berkhof said. "We have assigned quotas to all of the local plants, and I am of the opinion that the plants will meet them. In instances where quotas are lagging we hope that the Premier, which is a part of the theatres' nation-wide contribution to the bond drive, will furnish the added stimulant. I am happy with the showing that Tecumseh is making and, as I have said before, I know that this community will not fall its patriotic obligation."

Total bond sales in Lenawee as of last night were $1,571,092 against a county quota of $3,567,000. The City of Adrian was far behind on its quota of $2,292,000 with a cash sale of about $900,000.

In this area, Britton was over the top with a total sale of $9,430 against an $8,000 quota. Clinton had $22,313 of its $110,000 quota. Ridgeway was over the top with $993 on a $750 quota. Onsted had $15,692 of its $26,000 quota.

"Only eight days remain for the drive to go over the top and the county as well as the Township of Tecumseh must purchase bonds at a rapid rate," Berkhof declared. "We are in hopes that last minute drives will be successful and that Lenawee will reach its quota."

Bond Premier Feature Is Riotous Romance

A rollicking jamoree of joy, filled with merry music, riotous romance, dazzling dances and hilarious laughs is on its way to Tecumseh where Columbia's "Two Senoritas from Chicago" is making its bow at the Bond Premier at the Strand Theatre, next Tuesday evening, September 28. Featuring Joan Davis, that ga-ga gagging comedienne of the Rudy Vallee radio show, and Jinx Falkenburg, that million-dollar magazine cover girl, the madcap filmusical is concerned with the adventures of two Chicago gals who pose as Portuguese stars in order to win fame on Broadway.

In addition to the two featuring performers, the cast also includes lovely, blonde Ann Savage, former model Leslie Brooks, newcomer Ramsey Ames and Bob Haymes. Haymes formerly a featured vocalist with Orrin Tucker and Freddy Martin, gets a chance to sing in the picture and, according to advance notices, the songs which were penned by the writing teams of Walter Samuel and Sol Chaplin, and Joan Whitney and Alex Kramer, really are in the groove.

Elmer E. Lockwood Will Be Buried Today

Elmer E. Lockwood, aged 76 years, well known taxidermist and life long resident of this community died Tuesday at Tecumseh hospital where he had been a patient for a week following a long illness. Mr. Lockwood was born in Tecumseh and was the son of Mr. and Mrs. Walter Lockwood. In early life he married Ada VanValkenburg who survives.

His daughters Mrs. Lena Cox of West Newton, Ind., and Miss Mabel Lockwood of Cleveland have been here during the past week's assisting in his care.

Funeral services will be held at Collins Funeral Home this (Thursday) afternoon at 2:30. Rev. Howard Escolme will officiate and burial will be in Brookside.

ROSCOE HALL DIES

Miss Jennie Gillespie has received word of the death of Roscoe Hall, a former Tecumseh resident, who died Tuesday at his home at Crystal Lake. Mr. Hall was a son of the late Rufus and Jennie Hall and for many years was connected with the International Harvester Co. He was 67 years of age.

Survivors are the widow and two sons Lt. Col. Alton Hall of Ft. Worth, Texas, and Lt. Albert Hall of Huachuca, Arizona., a sister Linda Hall in Montana and a brother Cleo Hall of Lansing.

Funeral services are to be held Saturday.

VILLAGE TAXES

I will be at United Savings Bank on Saturday afternoons only, September 11, 18 and 25, for the collection of Village taxes.

K. D. Hall, Treasurer of the Village of Tecumseh.

IT'S AN AMERICAN ARMY

What makes an American Army American?

It is selection. The boys come from all ranks of life, from farm and factory, from village and city, from the work bench and the class room. There is no question of class, no bar of national origin of the names they bear, no dispute as to their religion. They are chosen because they are physically fit and mentally able to do a hard job—because they are tough enough to take it—and to hand it out.

It is leadership. With only a small standing army, war found us with too few men trained to lead. But that never stopped an American army. The boys in the ranks were culled by their officers and if they showed any qualities of leadership, they were placed in officers training camps there to earn their ratings. Gossip mongers to the contrary, practically none of our officers were selected because of their "friends". Most have come up from the ranks through sheer ability and hard work. Our leaders know the men they are leading because in the ranks are men they know, who come from the same kind of homes, were taught in the same kind of schools the same beliefs in democracy. The men obey because they know "why." The officers lead because they know "how".

It is devotion. In our ranks are men whose ancestors crossed the seas generations ago—and those who came in the last immigration; those whose only language seems to be American slang, those who talk with a "Harvard" accent, and those who still have a foreign accent; those who are Americans by birth, and those who are Americans by choice. But there is a common bond which ties them together—a bond of devotion to a flag which stands for a devotion to the free land that is America.

It is consecration. Alike the men who are American are consecrated to an ideal set forth in the Declaration of Independence. "We hold these truths to be self evident, that all men are created equal;" in the Farewell Address of George Washington, "Citizens by birht or choice * * the independence and liberty you possess are the work of joint councils, and joint efforts—of common dangers, sufferings and successes;" in the Gettysburg Address of Lincoln, "Government of the people, by the people and for the people" and finally in the mesage of President Roosevelt, "In the future days, which we seek to make secure, we look forward to a world founded upon four essential freedoms."

Selection, leadership, devotion and consecration—that is what makes an American army American. That is what will carry an American Army on to victory!

It is for this kind of an army that we are buying bonds today; bonds of freedom—freedom from a Nazi slave driver who has run rampant over Europe; bonds as good as the cash in your pocket; bonds that say to these fighting Americans, "We're behind you at home." We must not fail these Americans in the 3rd War Loan.

"Your tires are in good shape, Judge...ought to last you at least another 5,000 miles."

"I've been very careful of them, Jim, since I learned how much the government needs rubber. Only drive when I have to...keep her under 35 an hour and have the tires switched around every 1,000 miles."

"Me, too, Judge. Pretty tough spot we were put in gettin' our supply of rubber cut off just when we needed it most. But, we'll be gettin' plenty of synthetic rubber real soon. Say, is it true, Judge, that the beverage distilling industry has a part in producing it?"

"Yes, a very important part, Jim. That industry's facilities for producing grain alcohol make it possible to include 200,000 tons of rubber from grain in the government's 870,000-ton synthetic rubber program. Pretty important contribution to our war effort, isn't it Jim?"

"It certainly is, Judge. Wonder how many people really realize it?"

PRESTON-STEUWE

The Martha-Mary Chapel at Macon was the scene of a wedding Saturday evening, September 11, when Miss Eustis Flora Steuwe, daughter of Mr. and Mrs. Herman Steuwe of Britton, became the bride of Harlan Preston of Manitou Beach. Preceding the ceremony Mrs. Clyde Brown at the organ played "The Rosary" and "At Sundown." Miss Marilyn Brown sang "O, Promise Me" and "I Love You Truly" as the wedding march was played.

Miss Sally Stewart of Plymouth, as maid of honor dressed in yellow chiffon and carrying Talisman roses, took her place before the altar. Following were the bridesmaids and attendants, Adeline Steuwe in blue chiffon, Norma Jean Steuwe in pink chiffon and Mary Miller of Saline in aqua taffeta, each carrying roses and attended by Henry Bilau, Robert Harriott and Sumner McCollum, Jr., and Delight and Herman Steuwe, Jr., as the flower girl and ring bearer. Delight wore a dress of pale pink taffeta and carried a basket of flowers and Herman, Jr., carried the ring on a satin pillow. Raymond Steuwe, brother of the bride, attended the bridegroom. The ushers were Russel McCollum and John Bilau.

The bride, given in marriage by her father, was dressed in white slipper satin with a sweetheart neckline trimmed in pearls. Her fingertip veil was also trimmed in pearls and an emerald cross. Her bouquet was white and pink roses and her only jewelry was a gold cross. The Rev. William Weinlander of the North Blissfield Lutheran church read the single ring service before a large group of guests.

Mrs. Steuwe wore for her daughter's wedding a blue dress with a corsage of gardenias and roses.

As Mrs. Brown played "The End of a Perfect Day" the party left the chapel and went to the home of the bride's parents where 150 relatives and friends enjoyed a reception.

Mr. and Mrs. Preston left Sunday on a week's trip to Chicago and northern Michigan.

Mr. and Mrs. Ira Frear entertained at a co-operative dinner honoring their son Pvt. Junior Frear and wife and baby of Ft. Jackson, S. C., and Wendell Frear and wife. Wendell was in Detroit and entered naval service. The dinner and social time were held in the I.O.O.F. hall with 26 relatives and friends present from Dundee, Adrian, Monroe and Tecumseh.

Mr. and Mrs. Bert Moore have received word that their son Pvt. Myrlen Moore is confined to the hospital at Davis-Monteua Field, Tucson, Ariz., with symptoms of pneumonia.

Mr. and Mrs. James Danforth were hosts at a dinner party for Pvt. and Mrs. Ned Brown of Ft. McClellan, Ala. Sixteen guests were present. Mrs. Robert Gibson assisted the hostess in serving.

Mrs. W. S. Niblack taught in the Britton high school during the absence of Mrs. M. F. Baker.

The Rev. and Mrs Clarence B. Gould are visiting relatives in Chicago. Mrs. Edward Escolme of Tecumseh delivered the sermon Sunday morning at the Congregational Church in the absence of Mr. Gould.

Mrs. Paul W. Palmer of Jackson and her mother Mrs. Arthur Shultz of Lansing were guests Sunday of Miss Wilma Filter spent the week end with friends in Detroit.

Mr. and Mrs. Ernest Palmer,

Mr. and Mrs. Arthur George and baby and Mrs. Lenora George of Maybee were dinner guests Sunday of Mr. and Mrs. Harold Osterhout and family. Mrs. Lenora George remained for a longer visit.

Mrs. Henry Filter with Mrs. H. J. Plotter of Deerfield spent Monday in Detroit.

Enrollment in the Britton public schools is nearly identical with that of last year. The enrollment by grades is: kindergarten, 9; first grade, 9; second, 12; third, 11; fourth, 10; fifth, 1; sixth, 10; seventh, 8; eighth, 10; ninth, 19, tenth, 22; eleventh, 22; twelfth, 18. It has not been possible to hire a commercial teacher for the high school.

Mrs. M. F. Baker has returned from New York where she was called by the death of a relative.

The Blissfield I.O.O.F. lodge conferred the initiatory degree here Thursday evening.

The Glenn H. Daykin post and Auxiliary of the American Legion met Thursday evening at the home of Mr. and Mrs. Harlan Keran.

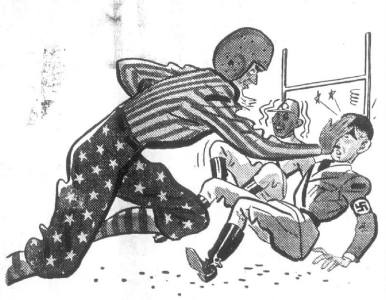
3RD WAR LOAN DRIVE



GOAL TO GO!

BACK THE ATTACK WITH WAR BONDS

★ Now for the *power play* to put over the winning touchdown for Uncle Sam. And it's your War Bond money that's going to furnish that power. Don't be a grandstand quarterback—don't be merely a cheer leader. You're on the team, and it's teamwork that wins. Victory is our goal—but you know how the enemy fights inside the five-yard line.

It takes *power, power, power* to put over the Unconditional Surrender touchdown. Your *money* is that *power!* Boost your bond-buying quota for this 3rd War Loan Drive. And remember, it's a cash-on-the-line drive—ending September 30th—to raise fifteen billion dollars, exclusive of subscriptions by commercial banks, and over and above your regular bond investments. Sure you'll do it.

Then watch your Uncle Sam score—and score again!

"I wonder if Bill thinks he has been paying his taxes the 'easy way'?"

"Bill is too-smart to be taken in by the tax arguments of the saloon crowd, he just drinks because he wants to, or maybe he can't help himself."

"I saw in the paper that Uncle Sam spent only fifty seven cents to collect each hundred dollars of internal revenue last year."

"Yes, and for every dollar the saloon turns in in taxes it collects three dollars from the public. That's what I call paying taxes the expensive way."

"Could the Federal Government get along without the tax money collected from the public by the saloons?"

"Of course it could. Last year less than ten percent of the total Federal revenue came from liquor taxes."

"A lot of people know that the whole liquor tax argument is simply a smoke screen. The saloon crowd wants to keep legal the business of starting non-drinkers to drink, of getting moderate drinkers, like Bill, to drink more, and to satisfy the drunkard."

"That's about right. Let's give Bill a hand home before he gets into trouble."

JACKSON; or their respective unknown heirs, devisees, legatees and assigns; and the unknown heirs, devisees, legatees and assigns of George B. Gray, also known as G. B. Gray; and the unknown heirs, devisees, legatees and assigns of Lot Clark,
Defendants.

ORDER OF PUBLICATION

At a session of said court held at the Court House in the City of Adrian, in said county, on the 19th day of August, A. D. 1943.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
ROBERT B. KING,
Clerk of the Court.

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Macon, County of Lenawee and State of Michigan, described as follows, to-wit:

Tecumseh Over Top In Bonds

Total Sales Amount to $377,642; Quota $354,750

$46,975 FROM PREMIER

Tecumseh's has done it again!

Late yesterday afternoon, John R. Thompson, co-chairman of the 3rd War Loan Drive here, announced that Tecumseh had purchased $377,642 worth of bonds to exceed its September quota of $354,750 by $22,892.

"And that is'nt all," Mr. Thompson said. "Tecumseh isn't through buying bonds. It wouldn't surprise me if we hit near the $400,000 mark before the 3rd War Loan Drive ends, October 2."

Mr. Thompson said that while two heavy corporation purchases speeded Tecumseh over the top in the drive, he declared that unlimited credit must be given to the small purchaser—the fellow who bought $25 and $50 bonds—in making the local campaign a success.

Mr. Thompson also pointed to the excellent showing made at the Bond Premier at the Strand, Tuesday evening. There was a crowded house, two shows were necessary, and bonds sold for the Premier amounted to $46,975.

"Few of the Premier sales were large denomination bonds," W. L. Berkhof, chairman of the drive here, said. "The theatre crowd was made up for the most part of small denomination buyers, just as the government desired. The show was a complete success in every way and Mr. Thompson and myself desire to express our thanks and the thanks of the community to the Strand and its manager, Walter Nichols, for a fine spirit of cooperation."

Mr. Thompson said that Tecumseh exceeded its E, F and G bond quota by selling $120,574 of these types of bonds. Of that amount, $94,810 were in E bonds, he said.

Mr. Berkhof said that it would be impossible now to make a detailed report of industrial sales, that such a report must follow next week. He declared, however, that all local industry had made an excellent showing and he specially named the Tecumseh Products Company where he said sales would run to between $240,000 and $270,000.

"Tecumseh's quota was staggering, but, true to form, Tecumseh has not failed," was Mr. Berkhof's comment. "We realized at the outset of the campaign that Tecumseh's quota was exceedingly large, but this town's spirit of cooperation has again spelled success. Every committee at work on the drive has functioned efficiently and I want to say thank you to the Rotary club for its fine assistance."

The Bond Premier at the Strand was the first such entertainment attempted here in a bond drive. Admission was exclusively through bond purchases and a crowd estimated at slightly under 1,000 was on hand for the show. The theatre management turned over its house, entirely to the Drive and bore all of the expenses of operation, advertising, etc.

The screen feature was Joan Davis and Jinx Falkenburg in "Two Senoritas from Chicago," a laugh-provoking musical. There also were timely news features and comedies.

On the stage, the Fort Custer Octette, an organization of singers, stirred round after round of applause. Octette and vocal solo numbers were well received by the audience as were violin and piano solos, played by accompanying musicians. The singers originally were billed for a 15-minute program but the enthusiastic audience kept them on the stage for nearly an hour.

"The thanks of the Drive committee and the community go to the commander of Fort Custer for permitting the musical organization to participate in the show," Mr. Berkhof declared.

After the premier the members of the Ft. Custer group were entertained at a chicken dinner at Brees House and later at the home of Clarence Gilman who, with Wade L. Jones, acted as their hosts.

"The boys really had fun," Mr. Gilman said. "I unlocked the dairy (Mr. Gilman owns the Tecumseh Dairy and ice cream bar) and I told the boys that the treat was on me but that they had to make their own. You should have seen some of the dishes. Everything from foot-long ice cream cones to quart-size sundaes."

The five bond booths, operated by high school girls in local stores, were responsible for the sale of more than $10,000 worth of bonds prior to the Premier. Mr. Nichols offered a three months pass to the theatre to the girl selling the most bonds, a two months pass to the second, and a one-month pass to the third. The winners were in their order: Marjorie M. Wickwire, Barbara Kerby and Patricia Nyland. Runners up were Geraldine Daniels, Floris Howe and Anna Loveland.

Tecumseh was the first large community in Lenawee to exceed its goal, according to county figures. The county at large as of last night was a little more than $1,000,000 behind its quota with the City of Adrian more than $900,000 behind. Blissfield was within $5,000 of its goal, and Britton, Fairfield twp., Manitou Beach, Morenci, Palmyra and Ridgeway already are over the top.

Total bond sales in the county last night amounted to $2,498,310 against a quota of $3,567,000. Adrian had raised $1,355,117 of its $2,292,000 quota.

The bond campaign has been extended through this week, ending on October 2. It is believed that the county will go over the top by the end of the week.

Lt. Don Reid Missing In England

Mrs. Nina Heath received word Monday afternoon that her son Lt. Don Reid was reported missing in action. Lt. Reid, who was an aviation radio man, who had been on several missions previously, left on another from England September 15 and had not returned. His wife in Ontanogan was notified by the War Department and relayed the message by telephone to Mrs. Heath.

Baptists Name Bashore Pastor

INDEPENDENCE, IOWA, MINISTER WILL SUCCEED THE REV. O. V. ROBINSON

The Rev. Blair O. Bashore, pastor of the Baptist church at Independence, Iowa, for the past four years, will succeed the Rev. O. V. Robinson as pastor of the Baptist Church of Tecumseh, it was announced today. The Rev. Mr. Robinson has accepted a call to the Burton Street Baptist Church, Grand Rapids, and with his wife, leaves here on Friday to assume his new work.

The Rev. Mr. Bashore, who has been in the ministry for about 10 years, is a graduate of Drake University and the Northern Baptist Theological Seminary, Chicago. He will come to Tecumseh in November and will preach his first sermon as the church's pastor on November 21. He has a wife and three children.

Mr. Robinson has served the Tecumseh church as pastor since 1935, coming here from Chicago. He and Mr. Bashore were classmates in the Chicago seminary.

Mr. Bashore spoke in the local church on August 22, during Mr. Robinson's vacation, and his call to succeed the local pastor came following a church meeting, last week.

George W. Kennedy Dies In New Mexico

Arthur E. Kennedy has received word of the death of his brother George W. Kennedy which occurred last Wednesday, September 22 at Swift Memorial Hospital in Silver City, N. Mexico. Mr. Kennedy who was 91 years of age, suffered a stroke September 19 and entered the hospital the next day.

He was born in Hanover, Jackson county, Michigan, the son of James Kennedy and wife and spent his early life in this community, going to the west coast about 60 years ago.

Besides his brother Arthur he leaves a daughter in San Francisco, Calif., and granddaughter in Portland, Oregon. Mrs. Kennedy died several years ago.

Funeral services were held Monday with burial in Santa Rita.

SAM FERRERO DIES

Sam Ferrero, 45, employed in the Machine Repair department at Tecumseh Products Co., died suddenly Wednesday night at his home in Adrian after a short illness. He had worked at the plant on Tuesday and was not feeling well, but his condition was not thought to be serious. Mr. Ferrero came from Toledo six years ago.

He leaves a daughter Mrs. Lucille Plate, two grandchildren and his mother-in-law Mrs. Mary West, all of Adrian.

Funeral services and burial were held in Adrian Monday.

WESTMINSTER CLUB TO MEET THIS EVENING

The Westminster Club of the Presbyterian Church, an organization of men, will hold its regular fall meeting tonight at 6:30 in the parlors of the church. The program will follow a supper.

W. H. Carpenter of Lansing, executive secretary of the Michigan Funeral Directors Association, will be the guest speaker.

Rev. Escolme Observes His 25th Anniversary as Pastor of Friends

It's not very often that one minister is retained for a quarter of a century to serve one church. But such has been the unusual record of the Rev. Edward Escolme, pastor of the Tecumseh Friends (Quakers) Church.

From the hour that J. Newton Satterthwaite, and Albert A. Comfort met the yong minister at the Tecumseh Junction Depot on Saturday night, October 5, 1918, to the present, he was given himself unselfishly to his church and to the entire community.

Edward Escolme was born March 26, 1893 in Lancashire, England. His mother died when he was four and his father when he was seven years of age. From 1900 to 1907 he received his schooling in Rip'ey Hospital, one of the finest orphanages for middle class children in England.

Coming from a long line of farmers, it was only natural that he should take up gardening as a work, and until he was 17 years of age he was employed in the Northwestern part of England and on the Isle of Mann as a gardener.

On his 17th birthday he bought a ticket to America on the R.M.S. Mauretania, a sister ship of the ill fated Lusitania.

Upon arriving in the United States, he went directly to Cleveland, Ohio, and was there employed as a gardener on one of the finest estates in Cleveland. He also was employed by one of Cleveland's leading florists.

Although reared in a Christian environment, it was on the evening of February 4, 1913, under the ministry of the Rev. Daniel Hodgin (now of Brighton, Michigan) that he yielded his life in entire consecration. Three weeks later he entered Cleveland Bible Institute, and after three years and three months training, was graduated from that school in the summer of 1916. In July 1916 he was sent to Orange Friends Church, 19 miles north of Columbus, Ohio. And then, under the direction of the pastoral and evangelistic board of Ohio Yearly Meeting he was sent to Tecumseh in October of 1918. He preached his first sermon in the Tecumseh Friends Church, October 6, 1918. He has returned to England three times, in 1921, in 1926, and in 1938. It was on his second trip to England in 1926 that he married, and returned with Mrs. Escolme.

During his ministry in Tecumseh Mr. Escolme has taken an active part in the community life. At present he is chairman of the Victory Garden Committee, is a sector warden for the Civilian Defense, and has acted as secretary for the Tecuseh Welfare Association. He was a former president of the Lenawee County Ministerial Association. He is president clerk of Adrian Quarterly Meeting of Friends, and in Ohio Yearly Meeting occupies the position of recording clerk, trustee for Cleveland Bible College, and editor of the Friends Oriental News.

When asked what his plans were for the next 25 years, Mr. Escolme replied with a smile, "Isn't it time I move on?"

Honoring Mr. Escolme, invitations have been sent to former members of the church, but the public is also cordially invited, to the three special services no Sunday, October 3, as follows:

There will be a special home coming service at 10 Sunday morning with Mr. Escolme preaching. At 2:30 will be the special anniversary service. In the evening at 7:30, following the usual Christian Endeavor meeting will be a service at which Ypsilanti's chief of police, Dan E. L. Patch, will speak on "We Weave the Spider's Web."

A special feature of all three services Sunday will be music furnished by "The Exalters of Christ": Mrs. Gladys Perryman and Mrs. Helen Crane, of Detroit.

AUXILIARY PLANS TO HERALD AS GIFT

The American Legion Auxiliary is planning to send The Herald to all service men and women at home and overseas, as a Christmas gift. To do this action must be taken immediately, in fact prior to October 15.

The Auxiliary believes that many service organizations, lodges, clubs and individuals would be interested in helping to defray the cost of the program if given an opportunity. Therefore, the Auxiliary has asked interested groups to contact the members of a special committee, made up of Mrs. Karl M. Schneider, Mrs. H. H. Hammel and Mrs. Paul Keyser.

The committee emphasized, however, that immediate action must be taken, due to postal rulings, and urged potential contributors to ake known their gifts at once.

The Auxiliary also is asking for recent changes of address of men and women in service. These may be left with Mrs. Florence Howe at Bancroft Cleaners.

Woman Killed In Farm Mishap

MRS. HAROLD K. ENGLE, 27, FATALLY INJURED WHEN TRACTOR OVERTURNS

Mrs. Harold K. Engle, aged 27 years, suffered fatal injuries Friday at her home three miles east of Tecumseh when a tractor which she was driving tipped over, pinning her under the steering wheel.

Mr. Engle was operating a wallplow hitched to the tractor when the accident occurred. While attempting to turn the tractor one wheel became caught and it overturned. Mr. Engle was able to free his wife and brought her at once to Tecumseh Hospital where she died a few moments after she was admitted.

Mr. and Mrs. Engle moved here from Lansing in June 1942 and purchased several acres on the former Dr. Conklin farm, where they built a garage and have been living, awaiting materials to build their home.

Besides her husband she leaves two daughters, 3 and 5 years of age, her parents Mr. and Mrs. Lewis P. Pappan and several brothers and sisters in Lansing.

The body was taken to Lansing where funeral services and burial were held on Monday.

Monday Club To Open 1943-44 Year on Oct. 4

Tecumseh Monday Club will open the season Monday afternoon with a meeting in the Methodist church parlors. The program on "The History of the Monday Club" will be presented in drama, with Past Presidents in Spanish, Italian, will close with a tableau in review of events of the past 50 years, Mrs. Guy Pocklington is leader.

This will be guest day and at the close of the program tea will be served. The hostesses are Mrs. John Wintersteen, Mrs. Howard Matthews, Mrs. B. J. Pulver, Mrs. Perry Hayden, Mrs. Al Helzerman, Mrs. E. A. Collins and Mrs Clare Beland.

BERKHOF ON INSPECTION TRIP TO SERVICE BASES

W. L. Berkhof, superintendent of schools, was in Lansing yesterday, where he was called by the Department of Education for a conference with other state educators. Today, with other Michigan superintendents, he is at Fort Custer on an inspection tour and he leaves there on Friday for Great Lakes, Illinois, for a similar inspection. He will return to Tecumseh on Sunday evening.

The trips to Ft. Custer and Great Lakes are a part of the government's program of informing superintendents as to students' needs in the present day military program.

FAMILY SAFE

Mr. and Mrs. Jens Touborg have recently received their first news from his family in Denmark, since Pearl Harbor. The message was sent by his brother-in-law in February and stated that his father who is 80 and his sister and family are safe in Jutland, and a brother is also safe in Copenhagen. They have received no mail from here and were anxiously awaiting news.

WIT-WISDOM CLUB

The Wit and Wisdom Club will meet on Monday evening at the home of Mr. and Mrs. O. W. Laidlaw on Democratic street. Mr. and Mrs. George Parsons are the assisting host and hostess.

IN NORTH AFRICA

Mr. and Mrs. Lee Purkey have received word that their son Pvt. Robert Purkey, has arrived in North Africa.

Indians Defeat Hudson, 13 to 0

MICHIGAN CENTER HERE TOMORROW EVENING FOR SECOND HOME GAME OF SEASON

After defeating Hudson high school by a score of 13 to 0 in the first home game of the season at Recreation Center here last Friday evening, Coach Fred Raizk's Tecumseh Indians are making final preparations today for the arrival of the Michigan Center eleven for the second home game tomorrow night—mindful, of course, that last year the M.C.'s defeated Tecumseh by a score of 9 to 6.

"The Indians have showed definite improvement, but we're going to be up against a strong team tomorrow night and anything can happen," was Coach Raizk's comment. "We didn't play too good ball in the Hudson game, although we did show progress. We know that Michigan Center always produces a strong team and we can conclude that a battle is in sight."

Michigan Center already has played two games, defeating Dexter 6to 0 and Vandercook Lake by a 26 to 0 score. However, the Indians, too, have played two games and have not been scored upon.

Jim Osburn and Cliff Jackson were the stars of the Hudson game last Friday, Osburn accounting for 12 of the points with two touchdowns and Jackson rushed the ball for the final point.

Tecumseh should have defeated Hudson by three to four touchdowns but apparently lacked that something that makes football teams click. The Indians lost two touchdowns in the first stanza due to poor signals and in the fourth quarter, time and a fumble cost them another.

Tecumseh made 11 first downs to Hudson's one. Of the Indians' seven attempted passes, four were completed. Hudson also attempted seven but failed to complete any of them.

"We received excellent support at Friday's game and we appreciated the large crowd despite the rain," Raizk said. "We estimated about 1,500 spectators and we look for a lrager crowd tomorrow night. This much is sure, Tecumseh's team has showed a 100 per cent improvement since the Milan game, and fans will get their money's worth in the Michigan enter game."

The kick-off will be at 8:15 tomorrow evening, the game being played under the lights.

Miss Florence Beevers Bride of Virgil Oman

At a wedding held Saturday evening in the Friends church, Miss Florence Beevers, daughter of Mr. and Mrs. Guy Beevers of Tecumseh, became the bride of Virgil Oman of Harrison. The double-ring candle-light service was read by Rev. Edward Escolme. Preceding the ceremony Mrs. Ralph Comfort presented an organ recital and Mr. Comfort sang "Always" and "I Love You Truly".

The bride who was given in marriage by her father, was gowned in white satin, with train and veil and carried a bouquet of white roses and gardenias. She wore a pearl necklace, the gift of the groom. Her sister Miss Kathryn Beevers as maid of honor wore blue satin brocade and carried Johanna Hill roses. Another sister Miss Myrna Jane Beevers as bridesmaid wore pink taffeta and carried roses. Delmar Scott of Lake attended the bridegroom and the ushers were Junior Milosh of Lake and Robert Beevers of Tecumseh. Mrs. Beevers, mother of the bride, wore blue crepe with a corsage of red roses and the groom's mother Mrs. Oman, wore a green ensemble with a corsage of roses and chrysanthemums.

Immediately following the wedding a reception was held in the church basement with guests attending from Harrison, Lansing, Lake, Brooklyn, Ypsilanti, Ogden Center, Macon and Tecumseh. Refreshments were served by Miss Louise Oman, Miss Gianette Redman, Mrs. Kenneth McCulligh and Mr. Guy Beevers, Jr.

The bride graduated from Tecumseh high school and Lenawee County Normal and later attended Siena Heights College in Adrian. For three years she taught in the county schools. Mr. Oman is a graduate of Farwell high school and is employed in Ypsilanti where they will make their home.

MARRIED 50 YEARS

Mr. and Mrs. R. R. Wigham will celebrate their golden wedding anniversary Monday October 4 and Mr. and Mrs. H. B. Lewis will entertain in their honor at their home on Mill street.

GREASE DRIVE

Girl Scouts and Brownies will conduct a Grease Drive in Tecumseh on Saturday, October 2, and will make a house to house canvass during the morning hours for all waste fats and greases.

Roy Burlingame Dies In Beverly Hills, Calif.

Mr. and Mrs. F. S. Anderson were notified Monday of the death of Roy Burlingame, a former Tecumseh resident, who died Sunday, September 26, at hi home in Beverly Hills, Calif., after a long illness. He was a son of the late William Burlingame and wife and spent his early life in Tecumseh.

Survivors are the widow, two sons and a daughter in Beverly Hills, a sister Mrs. Florence Fletcher of Detroit and two brothers Fay Burlingame of Detroit and Merton of Beverly Hills.

The funeral and burial will be in California.

State Watches Wheat Planting

FOURTH CROP OF "DYNAMIC KERNELS", NOW ON WAY TO MATURITY ON FORD FARMS

Quite different both in equipment and surroundings was the planting of the first wheat in Tecumseh and Lenawee county, Michigan, in the fall of 1825 as compared with the fourth planting of Perry Hayden's "Dynamic Kernels" Saturday, September 25, 1943 in the same township.

This year, modern Ford tractors drew discs, weeders, and drills, as overhead roared a Ford-made bomber, symbolical of the present world crisis. The tractors were driven by students of Henry Ford's Edison Institute, of the Macon area, who are receiving their schooling as a gift of the man who believes, too, that wheat, although a "symbol of peace, is yet a sinew of war."

All of which is an attempt to vividly describe the planting of the fourth crop of Dynamic Kernels, in a 14 acres piece of ground owned by Mr. Ford, at the intersection of M-50, and Rogers Highway, one mile east of the "Four Corners" of Tecumseh.

Despite the heavy rain of the night before, the field, although wet early in the morning, responded to the warmth of a blazing sun and a cool breeze and the stirring of the discs and weeders, so that following a short ceremony at 10:30 in the morning, the 14.3 bushels of wheat was planted immediately after dinner by the following students of the Edison Institute: Harold Kopka, Wayne Koplka; Lynn House, Duaine Brooks, and Max Camburn. Bill Korth was in charge of the planting, and was assisted by David Grindstaff.

Edward Escolme, pastor of the Tecumseh Friends Church, where a sermon on John 12:24 preached on Sunday, Sept. 22, 1940 by Clifton Robinson started the idea of the project, opened the ceremony by reading several appropriate passages of scripture: Worthy A. Spring, president of Cleveland Bible College of Cleveland Ohio, led in prayer.

Ivan Parker, teacher in the Edison Institute, then read a roll call of the 12 boys who on Thursday, Sept. 25, 1940 planted the original cubic inch of wheat that has multiplied itself 36,000 times within the past three years: Eleven of the boys were students in the Macon schools of the Edison Institute, and the twelfth was Billy Hayden of the Tecumseh schools. Today six of the boys are in active military duty as follows: Donald Frolich, in the U. S. Coast Guard at Cleveland; Eugere Froelich, at present in England as a coxswain in the U. S. Navy; Jack Vealey, located in Camp Stewart, Georgia; Roland Wittrup, supposedly abroad the U. S. S. Corrigedor, somewhere in the Pacific; Elray Finnegan, a fireman abroad the U.S.S. Pocopan, and Douglas Hall, receiving his training with the C.B.'s in the U. S. Navy in Virginia. Two of the boys have received their medical discharges and are William Chase, who has been working in one of the Ford defense plants and at present is living in Macon with his parents. Sumner McCollum, who is engaged in food production on his father's farm near Clinton. Three of the boys are actively doing their bit on the "home front": Ralph McHler, farming with his father, north of Britton, Mich. Joe Hendershot, working in the Ypsilanti Ford Plant, and James Feight, farming with his father west of Tecumseh.

Charles Figy, of Morenci, state commissioner of agriculture, drove from Paw Paw to attend the ceremony, but arrived after the crowd had left. However, he did consent to pose for a picture, and again assured Perry Haydan of his great interest in the Dynamic Kernels Project.

Edgar Clark, superintendent for the Ford Farms, who has been keeping so carefully in the background, but who has been so helpful in this project, was also in attendance for a few moments.

NOTICE!

Palman's Dept. Store will be closed all day Thursday and Friday, September 30 and October 1. adv.

Car Hits Tree, 4 Persons Die

BROTHERS, HOME ON FURLOUGH, AND TWO ADRIAN GIRLS KILLED IN ACCIDENT

Nelson and Maurice Hoekstra, sons of Mr. and Mrs. Frank Hoekstra of Tecumseh, and Joyce and Marjean Choate, daughters of Mr. and Mrs. Lynn Choate of Adrian, were killed early Sunday morning in an automobile accident near Birdsall, when their car left the highway and struck a large maple tree, telescoping the body of the automobile.

The boys, who were home on furlough, with their uncle, George Hoekstra and wife of Tecumseh, and the two Adrian girls, had been in Toledo for a show. They returned by way of Tecumseh with Mr. and Mrs. Hoekstra. They left the aunt and uncle here and were on their way to the girls' home in Adrian when the accident occurred.

Nearby residents heard the crash and notified the sheriff's department. Officers on arrival, found the lifeless bodies of Nelson and Marjean in the back seat of the car and Joyce Choate in the front seat. They were killed instantly. Nelson's brother, Maurice, was found several feet from the car. He was rushed to Bixby hospital where he died Sunday night at 10:30. It is believed the driver fell asleep at the wheel.

Nelson Hoekstra was a Technician 5th grade with the Army and was stationed at Ft. Knox, Ky. He was 21 years of age. His brother Maurice, 20, was a Fireman in the Navy and had been serving on a submarine chaser in the Atlantic area. Both arrived home Friday. The girls were aged 15 and 17 years, respectively.

Besides the parents, the brothers are survived by two brothers, Robert 18, and Bruce, 6, and a sister Jane, 14.

The bodies were brought to the Collins Funeral Home where a double military funeral was held Wednesday afternoon.

Rev. O. V. Robinson assisted by Rev. Edward Escolme officiated and bearers were Henry Carl Smith and Edwin Russell Gove of the U. S. Navy, Warren L. Puffer and Aaron Manwaring of the U. S. Army, Donald and Ronald Muckenstrum, Services at the grave in Brookside were in charge of Underwood-Orr Post, Amreican Legion, with Donald Goddard as chaplain. A large number of relatives and friends attended, many from a distance.

Double funeral services for the Choate sisters were held Wednesday afternoon at the Braun Funeral Home in Adrian. The Rev. John E. Martin officiated and burial was in Sanford cemetery in Woodstock township.

Sadie Helen Goodwin Weds E. T. Michling

Miss Sadie Helen Goodwin, daughter of Lewis Goodwin, and Ernest T. Michling of Carleton, son of Mrs. Leonard Van Huten of Willow, were married Saturday evening at 8 o'clock at the Grace Evangelical Lutheran church, Rev. R. W. Scheele read the ring service and Mr. Goodwin gave his daughter in marriage. Miss Violet Goodwin, sister of the bride, was the maid of honor and Norman Zink of Carleton attended the groom.

The bride's gown was of white slipper satin with sweetheart neckline, train and veil, and her bouquet was of white roses and greenery tied with white satin ribbon. The maid of honor wore powder blue taffeta with head dress and arm bouquet of pink roses.

Following the ceremony a reception was held at the Goodwin home on East Chicago Boulevard where buffet refershments were served to 75 guests from a lace covered table centered with white gladioluses and candle lighted. Guests attended from Carleton, New Boston, Romulus, Milan, Willow, Ypsilanti, Toledo, Riga, Blissfield, Palmyra, Adrian, Clayton, Deerfield and Tecumseh.

Mrs. Michling graduated from Tecumseh high school in 1937. The groom attended Romulus schools and is now employed at Willow Run. They will reside in Carleton.

INCOME TAXES SIMPLIFIED!

Some fifteen million Americans, who had to make an income tax return in September are now thinking backward to the good old days when you made one return a year and then struggled for the next nine months to get the money for the three installments as they fell due.

The reader will recall that, early in 1943, there was a great agitation for a "simpler" form of tax returns and much propaganda about a "pay-as-you-go" system that was destined, so we were told to make income tax payments practically painless.

Whereas last year most Americans, who paid income taxes, made one return in March, the new, simplified system calls for returns in September, December and a final report in March of next year. The taxpayer has to guess at his income, his tax and then at his bank account which, he hopes, will take care of the present installment.

Police Chief Pulpit Speaker

YPSILANTI OFFICER AND AUTHOR WILL DELIVER SERMON AT FRIENDS CHURCH

Chief of Police of Ypsilanti, Dan E. L. Patch, will speak in the Tecumseh Friends Church Sunday evening October 3 at 7:30.

The service which will be the concluding one of three, honoring the Rev. Edward Escolme's 25 years of ministry in the Tecumseh Friends Church, is expected to draw a large crowd.

Chief Patch was born on a Michigan farm. At twenty-eight he moved to the city of Highland Park where he joined the police force in 1916. He rose through the

CHIEF DON PATCH

ranks to the post of chief of police. He is highly esteemed by his fellow townsmen, both of Highland Park, and Ypsilanti, where he accepted the police chief post recently.

Patch is a member of three police associations, an active member of the Baptist church, and is on the advisory board of the Christian Business Men's committee of Detroit. He is married, has three children, one of whom is a missionary with the China Inland Mission.

Patch is an author of repute, and his three books, "Ashes of Yesterday", "Aamon Always", and "Past Finding Out" have a wide circulation.

The public is invited to attend the service and special music will be furnished by "The Exalters of Christ"; Mrs. Gladys Perryman, and Mrs. Helen Crane of Detroit.

LODGES BUY BONDS

Tecumseh Lodge, Knights of Pythian and the Pythian Sister Temple have each voted to buy a $100 war bond. The Knights have received a membership flag from the Grand Lodge of Michigan. The Sisters are planning to send Christmas boxes to sons and brothers of member who are in service.

WELCOME CLASS

The Welcome class of the Presbyterian church will meet Tuesday October 5 at the home of Miss Rebecca Preston for a potluck dinner at noon followed by election of officers and social afternon.

WED IN TEXAS

Annuncement is being made of the marriage of Miss Ethel May Mills, daughter of Mr. and Mrs. Harley Mills of Fairfield to Pfc. Donald H. Dewey of Amarillo, Texas, which took place September 17 at Amarillo. The bride was employed at the Quaker Oats Co. plant before her marriage.

INFANT BURIED

Burial services for Richard Lee Sharp, infant son of Mr. and Mrs. Weldon L. Sharp, who died at birth, Thursday at Tecumseh hospital, were held Friday afternoon in Brookside cemetery.

Besides his parents, he leaves a sister Julia Ann, and his grandparent Mr. and Mrs. Verne Sharp of Adrian and John Smialowicz of Detroit.

DIES IN ANN ARBOR

Mr. and Mrs. Lyman Curtiss received word Monday of the death of Harvey Stofflett in Ann Arbor. Mr. Stofflett was well known in racing circles and in recent years had operated a news and radio agency in Ann Arbor. He is a brother of Elmer Stofflett, brother-in-law of Mrs. Curtiss.

NOW IN ENGLAND

The Coal Situation

Mr. H. A. Gray, Deputy Solid Fuel Administrator, Mr. Ickes, and Mr. Eastman, have ordered the coal mines to ship 95 per cent of their production to the following:

1. Military Requiremtns, including 200,000 tons per month for Italy.
2. To iron ore boats docking at harbors like Toledo, Sandusky, etc. This coal is billed to cities on the Great Lakes like Duluth, Superior, Marquette, etc., that are unable to receive coal by rail, on account of the long rail haul and scarcity of coal cars.
3. Metallurgical plants (coke ovens, etc.)
4. Defense plants and retail yards not located on the Great Lakes, the latter to receive only 5 per cent of present production.

As soon as the Great Lakes shipping season ends, coal will move more freely to inland coal dealers. Until then, we are forced to limit our deliveries to each customer, but will do our best to keep you in coal. Please co-operate with your Coal Dealer.

Proclamation

TO THE PEOPLE OF THE UNITED STATES

Proclamation

RECOGNIZING THE FACT that in carrying the war into enemy territory, we shall need greater amounts of money than any nation has ever asked from its citizens in all history, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do officially proclaim that on Thursday, the ninth of September, 1943, the Third War Loan shall be launched.

As Commander-in-Chief, I hereby invoke every citizen to give all possible aid and support to this Third War Loan drive, not only so that our financial goal may be reached, but to encourage and inspire those of our husbands and fathers and sons who are under fire on a dozen fronts all over the world. It is my earnest hope that every American will realize that in buying War Bonds in this Third War Loan he has an opportunity to express voluntarily and under the guidance of his conscience, the extent to which he will "back the attack."

The American people supported well the first and second War Loan drives and in fact did even more than was asked of them. Our need for money now is greater than ever, and will continue to grow until the very day that Victory is won; so we must ask far more sacrifice, far more cooperation than ever before.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington, this twenty-sixth day of July, in the year of our Lord nineteen hundred and forty-three, and of the Independence of the United States of America the one hundred and sixty-eighth.

[SEAL]

CORDELL HULL
Secretary of State.

Gray; and the unknown heirs, devisees, legatees and assigns of Joel Clark, Defendants.

ORDER OF PUBLICATION

At a session of said court held at the Court House in the City of Adrian, in said county, on the 19th day of August, A. D. 1943.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
ROBERT B. KING,
Clerk of the Court.

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Macon, County of Lenawee and State of Michigan, described as follows, to-wit:

The Southeast Quarter (SE¼) of the Southwest Quarter (SW¼) of Section Thirteen (13), Town Five (5) South of Range Five (5) East, containing Forty (40) acres, more or less.

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER TWO | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 7, 1943 | FIVE CENTS PER COPY

Tecumseh's Bond Sales $407,443

TOTAL BUYING IN THE VILLAGE EXCEEDS ITS QUOTA BY MORE THAN $52,000

Exceeding its third War Loan quota by more than $52,000 to join with all other communities in Lenawee county—except the City of Adrian—to push the September bond drive far over the top, the Village of Tecumseh, as of last October 2, had subscribed $407,443.75 in federal securities against its quota of $354, 759.

Reports of sales cleared through the Post Office and the United Savings Bank amounted to $395,518.75, according to John R. Thompson, co-chairman of the local drive. In addition to this amount, employees at the Ford Hayden Mill purchased bonds at a cash value of $11,925. Trese bonds were bought through the Ford issuing agency at Detroit and credit to Tecumseh cannot be given until it is allocated by the Federal Reserve, W. L. Berkhof, local chairman, said. Mr. Berkhof said that the report to him was made by C. H. Baker, superintendent of the Ford plant here.

W. J. Bruce, chairman of the industrial drive locally, reported that industry here, exclusive of the Tecumseh Products Company, purchased bonds in the amount of $45,000. Mr. Berkhof said that bonds purchased at the Products plant totaled $253,100. Of that amount, he said, $103,100 was in E, F or G bonds against the company's quota of $90,000.

"I believe that every industrial quota in Tecumseh was oversubscribed," Mr. Berkhof said, "and I want to say thanks for a job well finished. I was certain at the outset of the campaign that Tecumseh would come through with flying colors."

Lenawee county's quota was fixed at $3,567,000 and was oversubscribed by $226,359. Every community in the county exceeded its quota except the county seat, Adrian, where its residents failed to meet the goal by $552,682. Adrian's quota was $2,292,000.

Despite Adrian's lagging to the tune of half a million, other communities rallied to the call of their chairmen and shoved the county well beyond its goal. Clinton exceeded its quota by nearly $2,000, Blissfield by over $140,000, Britton more than doubled its quota, Onsted was more than $13,000 over and Ridgeway tripled its quota.

Mr. and Mrs. John Gittus Observe Anniversary

Mr. and Mrs. John Gittus entertained Sunday at their home east of Britton in celebration of their 25th wedding anniversary which occurred October 5.

Dinner was served to 45 relatives and close friends and the bride's table was centered with a three-tiered wedding cake, topped with silver bells tied with white ribbons suspended from a silver arch. The cake was a gift of Mrs. Robert Exelby, niece of Mrs. Gittus. The honored couple received many gifts also a surprise greeting from their son Corp. Tech. Wilton Gittus who is overseas with the armed forces.

Those present were Mr. and Mrs. Eugene Myers of Cleveland, Mrs. Martha Brady and Mr. and Mrs. Duane Brady of Ann Arbor, Mr. and Mrs. Tom Gittus and son Arthur, Mr. and Mrs. Burdette Lewis and son Robert of Adrian, Mr. and Mrs. Harry Coleman and son Billy of Dundee, Mr. and Mrs. Wayne Coller and daughter Joyce, Mr. and Mrs. Frederick Miller of Milan, Mr. and Mrs. Warren Underwood of Tecumseh, Mr. and Mrs. Edward Kanous and children ,Larry, Mary Ann and Linda; and Mrs. Robert Exelby and sons Wesley and Paul, Mr. and Mrs. Bob Gibson and daughter Barbara Ann, Miss Joyce Gripton, Mr. and Mrs. Alex Gibson, Mr. and Mrs. Geo. Price and Mr. and Mrs. Wm McCarbery.

Major Leon Williamson Given Air Base Command

Major Leon Williamson, United States Marine Air Corps, has been named as commander of the Cherry Hill, N. C., air base, and will assume his new command within a few days.

Major and Mrs. Williamson are now in Tecumseh, visiting at the home of his parents, Mr. and Mrs. Leon P. Williamson, W. Chicago boulevard. They arrived Tuesday night, having driven to Michigan from San Diego, Calif., where he has been stationed for several months. He has a 10-day leave before reporting to Cherry Hill.

The marine officer is a veteran of Pearl Harbor, the Solomon Islands, and Guadalcanal. He has been decorated with the Navy Cross for sinking a Jap battleship.

Monday Club Holds Jubilee

OPENING PROGRAM ON MONDAY IN OBSERVANCE OF 50TH ANNIVERSARY

A Golden Jubilee program, in observance of the 50th anniversary of the Tecumseh Monday Club, was presented by the Past Presidents at the opening meeting of the club held Monday afternoon in the Methodist church parlors.

Mrs. Clarence Fisher presided and Mrs. Guy T. Pocklington, as chairman, gave a prologue of the program which opened with assembly singing of "Auld Lang Syne" in memory of past presidents no longer here. A scene, depicting the organization of the club was then dramatized by Mrs. Sam Sisson, Mrs. Maynard Mulvany, Mrs. Robert H. Moore, Mrs. F. S. Turner and Mrs. S. L. Wyman of Ann Arbor, all in costume of 50 years ago. During the growth of the club Greek and Italian art were studied with Mrs. C. A. Wright as president and Mrs. Mary Adams Shull as secretary, a history of the club, as written by Mrs. Shull, was given in 10 year periods. Mrs. Turner told of the 1904-1914 period when Mrs. F. B. Wood and her contribution to the club and the community as an outstanding musician, was given by Mrs. R. S. Moore. Mrs. C. R. Pruett gave the 1914-24 period when the Centennial Pageant was successfully presented by the club, 1924-1934 was presented by Mrs. Jennie Temple and 1934 to the present time by Mrs. Naomi Williamson.

Tributes were then given to Mrs. Shull by Mrs. E. T. Armstrong and to Mrs. Jennie Law Hardy by Mrs. Wyman and the program was interspersed with musical numbers by members in costume as follows: a Scotch song by Mrs. Perry Hayden accompanied by Mrs. Harley McConnell; an Italian song "Musetta Waltz Song" from the opera "LaBoheme" by Mrs. R. S. Moore, accompanied by Mrs. W. G. Waldron; a Russian piano solo by Mrs. Waldron; a Norwegian solo "Nightingale" by Mrs. Edward Beal with Mrs. George Parsons is accompanist and an Indian song "The Ghost Pipe" and its legend by Mrs. McConnell. The program closed with a pageant depicting the work of the various departments: American Home, Mrs. W. L. Berkhof and baby; Fine Arts, Mrs. Waldron and Mary Lou Carlson; Education, Joyce Zeigler and Judy Sisson; Public Welfare, Mrs. B. J. Pulver, Miss Ethelyn Garlinghouse and Mrs. Wm. Barnes; Scouts, Bobby and Shirlie Ann Moore; American Citizenship, Florice Howe as the Goddess of Liberty. Special mention was made that Mrs. F. C. Dickinson was responsible for much of the creative portion of the presentation.

Tea was served at the close of the program by Mrs. John Winterstein and committee. Tables were decorated in gold and with fall flowers in keeping with the anniversary celebration.

WED IN DETROIT

Lyle K. Schneerer, son of Mr. and Mrs. O. V. Schneerer of Holloway and Leota I. Sholty of Ludington, were married September 24 by Rev. J. W. Dealers Warned By Price Panel

CEILINGS MUST BE OBSERVED OR OPA LEGAL DEPARTMENT WILL TAKE A HAND

The Price Panel of the War Price and Rationing Board of Lenawee County today expressed itself as being of the opinion that certain wholesalers and packers are deliberately giving Adrian and Lenawee county retailers the "run around" in an effort to keep meat and butter prices above established ceilings, and urged housewives to carefully check the retail prices they are asked to pay to make sure that they conform to ceilings established by the government.

"OPA is out to break the so-called black wholesale market in this area by forcing Lenawee county retailers to stay on the ceiling," an authorized Price Panel statement said. "We know that certain wholesalers and packers are offering their products to retailers at above wholesale ceilings. If local retailers buy their products and sell them at retail it forces the retailer to violate ceilings if he is to make a profit. The retailer as well as the wholesaler then becomes a violator as does the housewife who buys it.

"It might be well to point out that the buyer of above ceiling price merchandise is just as guilty of violation as the retailer and the wholesaler. Ration stamps may be taken away from violators for weeks or months as a penalty. Such action has been taken in this state, and may be taken right here in Lenawee county," the Panel statement continued.

The Price Panel pointed out that butter is one of the foodstuffs played with by wholesalers and retailers. At the present time the retail price of 92 score butter is 50 cents a pound, no more. If it is wrapped in quarter pound packages the price is 51, the same price as 93 score butter. It appears, however, that some wholesalers are demanding a 60 cent price from retailers and because butter is scarce merchants are buying some of this butter to satisfy their trade.

The Panel said that it is finding few violations of price in canned and packaged foods, most of the violations being in meats and butter.

"District OPA officials tell us that Lenawee is one of the black spots in the state on meat prices," the Panel statement said. "This new campaign is an effort to stop this and to send retail meat prices down to ceilings. Retailers in instances where the Price Panel has received complaints have been advised of the campaign and warned that they must drop to ceilings immediately or run the risk of action by the legal department of OPA. This means that all complaints received by the Price Panel in the future must be turned immediately to the legal department at Detroit for action.

"To be on the safe side," the Panel pointed out, "handlers of meat must do these things:

"1. He MUST observe all ceiling prices.

"2. He MUST post ceiling prices in his store.

"3. He MUST display price and point tags on all meat or other merchandise dispayled for sale in his store.

"4. He MUST not expect further warnings from the Lenawee Price Panel. Future complaints will be handled by the legal department in Detroit.

"In other words, to make a long story short," the Panel statement concluded, "OPA is determined to put Lenawee county on ceiling prices. It may mean that meat and butter will be a little bit scarce here for three or four weeks until wholesalers and packers find out that they must sell their products to retailers so that they can make a profit by selling at ceilings, but we all can stand that. If these prices are allowed to continue Lenawee county will soon be paying probative prices for what we buy and established ceilings will amount to nothing.

"We grant that it may be a bit tough on the retailers of the city and the county for a few weeks, but we don't think that our boys in Italy or the South Pacific are enjoying a picnic, either.

ALLEN-LANE

Miss Margaret Lane of Toledo and Gerald Allen of Tecumseh were married Wednesday evening, September 29, by Justice Clyde A. Barber at his home on West Chicago Boulevard. Mr. and Mrs. Clarence Kittle were their attendants. They are making their home in Tecumseh.

O. E. S. TO MEET

Tecumseh Chapter, Order of the Eastern Star, will meet in regular session tonight for initiation and "move up" meeting. Sixteen new members were received during September and the degree was conferred at a special meeting September 28.

Oct. 15 Last Day For Overseas Subscriptions

Parents, relatives and friends of men and women serving in the armed forces overseas have until October 15, next week Friday, to subscribe to The Herald as a Christmas gift to the one in service. After that date, the only way the paper may be sent is through a direct request from the service man or woman to the newspaper.

The Post Office Department relaxed its ruling to permit relatives and friends to send the home town newspaper to those in overseas service.

There was some discussion a week ago that local organizations might send the newspaper to those in service as a holiday gift. Such a program, however, has been abandoned.

Fiftieth Anniversary Observed By Morgans

Mr. and Mrs Percy K. Morgan celebrated their 50th wedding anniversary Sunday, October 3, at their farm home southeast of Macon where they have made their home since their marriage in 1893 and where Mrs. Morgan formerly May Osgood, was born and spent all her life. Dinner was served to 50 guests at a lace covered table, decorated with fall flowers and centered with a wedding cake.

The guests included Mr. and Mrs. Earl Lindsley and daughter Marilyn, Mr. and Mrs. Percy Bowen and daughters Louise and Dorothy, of Tecumseh, Mr. and Mrs. William Morgan and daughter Sally of Plymouth, Mr. and Mrs. Edward Pfaiz and Miss Marjorie Morgan of Detroit, Mr. and Mrs. Jack Harrison of Clinton; Mrs. Morgan's sister and husband Mr. and Mrs. R. G. Sage; Mr. Morgan's sister and husband, Mr. and Mrs. L. W. Coller and family of Macon; Mr. and Mrs. Dow Bilby of Onsted; Mr and Mrs. Raynor Kerry and family of Tecumseh; Mr. Morgan's brother and wife Mr. and Mrs. Frank Morgan, children and grandchildren from Detroit and Royal Oak; and several cousins and friends from Macon Tecumseh and Clinton. Others called during the afternoon from Blissfield, Adrian, Tipton, Tecumseh, Clinton, Saline, Britton and Macon.

Music was furnished by Dorothy and Louise Bowen and Marilyn Lindsley. Seventeen of the guests also were present at the wedding 50 years ago.

Mr. and Mrs. Morgan received a variety of gifts, and flowers in honor of the occasion.

Richard Wigham, Wife Married Fifty Years

Mr. and Mrs. Richard Wigham celebrated their golden wedding anniversary, October 3 and in honor of the occasion their niece Mrs. H. B. Lewis entertained at a family dinner Monday. Eighteen relatives were seated at a table decorated in white and gold and centered with an anniversary cake.

Open house was held during the afternoon and a large number of friends greeted the honored couple. Mrs. R. K. Anderson and Mrs. Jack Smith presided at the tea service.

A host of friends gathered at the Lewis home in the evening for the renewal of the marriage vows, read by Rev. Thomas Rodda. This was a complete surprise to Mr. and Mrs. Wigham. They received a variety of gifts, cards and flowers, and to complete a perfect day, a long distance telephone call in greeting came from A|S Jack Gooding, from Cumberland University, Lebanon, Tenn.

Out of town guests were Mrs. Maude Boldon of London, Ont., Mrs. Winifred Stewart of Detroit, and Mrs. Gerald Dunn of Temple, Texas.

OFFICERS ARE NAMED BY WELCOME CLASS

The Welcome class met Tuesday afternoon at the Presbyterian manse honoring Mrs. Murdoch of Leamington, Ont., mother of the minister. Twenty two attended. During the business meeting officers were elected as follows: Miss Mary Whitelock, president; Mrs. D. W. Beck, vice president; Miss Rebecca Preston, secretary; Mrs. Rose Schreder, treasurer; Mrs. John Hall, Sunshine secretary. The remainder of the afternoon was spent socially.

The November meeting will be held at the home of Miss Rebecca Preston.

OBSERVER LEASED

The Morenci Observer owned and operated by Mrs. Russell Green, formerly Miss Minnie Lowry of Tecumseh, has been leased by Mr. and Mrs. Clifford L. Mack of Sylvania, O., formerly of Port Clinton, O., who took over this week.

HAPPY CIRCLE P. T. A.

The Happy Circle P.T.A. will meet Friday evening at the Centennial school when a reception will be held for the new teacher Harold Leader. Refreshments are jello and cake or cookies.

Will Tecumseh Whip Clinton?

GAME HERE FRIDAY NIGHT WILL TELL; SIX TO SIX TIE WITH M. C., LAST FRIDAY

Will Tecumseh defeat Clinton? That question will be answered tomorrow evening on the gridiron at Recreation Center when Coach Fred Raizk's Indians clash with the Redskins under the lights. The kick-off will be at 8:15 p.m., and a crowd that may exceed 2,000 is expected to attend.

Tecumseh was scored upon for the first time this season last Friday evening when the Michigan Center eleven forced its way over Tecumseh's goal line in a hard-fought 6 to 6 tie game at the Center. It should have been Tecumseh's game by a touchdown, and it would have been had Jackson been four inches farther when he was tackled in the final stanza of the battle. His head and shoulders were over the opponent's home stripe but the ball struck the ground a few inches away.

"I am well pleased with the showing the Indians made against Michigan Center," Coach Raizk said. "Michigan Center's backfield was made of seasoned veterans of three years experience, and Tecumseh showed its metal and held them to a tie. We have an up and coming team here and a team that is fast improving. I expect the Indians to give a real account of their experience with the Clinton team, tomorrow."

Michigan Center made its only touchdown in the second quarter when Crance made a long run that was successful. Jackson made the down for the Indians in the first quarter when he ran away from his intereference. Tecumseh, throughout the game, outblocked and outtackled Michigan Center at every turn. The Indians made 12 first downs to the Center's seven.

Jackson and Osburn played their usual good ball and Sisson and Brown in the line made an excellent showing. Murdoch showed some excellent skill in passing and Creger did some nice aerial work. Hoekstra also played exceptional ball.

Clinton thus far this year has played only one record game, with Dexter, and was defeated 6 to 0. However, Van Duyle was out of this game, but he will play the game here tomorrow.

Ridgeway Nazarenes Plan Church Crusade

In one of the greatest forward movements yet undertaken by the Church of the Nazarene, 200,000 members of the denomination are being called upon for volunteer service in a nation-wide Church Advance Month in October to make "A Million Contacts For Christ." These workers will include the Rev. Willie E. Weaver of the Ridgeway Church of the Nazarene and members of his congregation.

"We are determined to make this campaign a success," said Rev. Weaver, "that it may result in the salvation of souls, the entire sanctification of believers and in increasing the membership of our church."

Concentrating especialy on those who are not regular in attendance at any church, it is planned to contact relatives, friends neighbors, fel ow workers and others through personal visitations, telephone calls and letters.

Special Sunday programs will be held throughout October, with Youth Day October 3, Consecration Day October 10, Advancement Day October 17, Rally Day October 24, and Victory and Church Membership Day October 31. In addition a week of prayer will be held October 11 to 16.

A children's crusade and revival meeting October 17 to 27 will be sponsored by the Ridgeway Young People's Society with the Walker-Franklin Evangelistic Party of Ogden Dunes, Indiana, as evangelists.

Church Advance Month will be directed by the board of general superintendents of the church of the Nazarene, of which Dr. R. T. Williams is chairman.

Robt. Meads Honored For Saving Boy's Life

Robert Meads, son of Oscar Meads, was recognized at the Friends Church Sunday night by Police Chief Dan E. L. Patch for bravery this past summer.

Robert, risked his life to save Carl (Bud) Bridgim from drowning in a river near Dexter, Mich.

Chief Patch congratulated the Tecumseh lad for his deed and presented him with an autographed copy of one of his own books, "Moon Over Willow Run."

LANNING P. T. A.

The Lanning P.T.A. will meet Friday evning, October 8, at the home of Mr. and Mrs. Carl Williams. Refreshments will consist of sandwiches, cookies or doughnuts.

Pfc. Harold L. Scharf Is Given Purple Heart

Mr. and Mrs. Sylvester Scharf who recently received word that their son Pfc. Harold L. Scharf had been wounded in action in the Pacific and removed from the combat area, have received another message from the War Department. The latter dated September 30 states that their son's recovery is not proceeding satisfactorily and he is being returned to the United States. They have also received the Purple Heart, awarded him for meritorious service.

Mr. and Mrs. Scharf moved here from Kenton, O., and reside north of town near the Aebersold orchards. Mr. Scharf is employed at the Ford Mill here.

Rotary Club Votes To Change Meeting Time

The Tecumseh Rotary Club voted to change its meeting time from 12:15 each Tuesday noon to 6:15 each Tuesday evening, effective October 19, at its regular luncheon at Brees House, this week. The change is made for the benefit of members, who because of labor shortage, find it inconvenient to attend noon-day meetings.

At this week's meeting the program time was given over to a discussion of club matters and a brief report of the War Bond Drive by W. L. Berkhof, chairman. Mr. Berkhof extended his thanks to Rotary for its assistant in the drive, Marlou Gilman played several accordion selections.

Miss Arlene Kempf Weds Pvt. G. W. Griewahn

Miss Arlene Kempf, daughter of Mr. and Mrs. Roy Kempf of Britton and Pvt. Glenwood W. Griewahn of Camp Pickett, Va., son of Mr. and Mrs. Paul Griewahn of Adrian, were married Saturday evening, October 2, at the home of the bride's parents, by the Rev. William Weinlander of the North Blissfield Lutheran church. Their attendants were Mr. and Mrs. Lawrence Faust, sister and brother-in-law of the bride and the bridal group stood beneath an arch of red, white and blue, with white bells and flowers and lighted candles at either side. Miss Alice Lawhead of Britton played the wedding march. Later refreshments were served and included a wedding cake, the gift of the groom's sister, Mrs. Janice Clark of Adrian.

The guests included the groom's parents Mr. and Mrs. Paul Griewahn, Sr. and family and Mr. and Mrs. Henry Kreger, Mrs. Olive Ward, Gus Griewahn, Mr. and Mrs. Donald Sponsor, Mr. and Mrs. George Stevens and Robert Sponser of Adrian, Mr. and Mrs. Forrest Gray and son of Waldron, Robt. New Storage Tank Dedicated By Hayden's

A new grain storage tank was dedicated Sunday at the plant of the Hayden Flour Mills, Inc.

Edward Escolme, pastor of the Tecumseh Friends Church spoke briefly. Harry T. Green, pastor of the Raisin Center Friends Church, and Quarterly Meeting superintendent of Adrian Quarterly "Meeting" of Friends read several passages of Scripture.

Perry Hayden, president of the 103-year-old milling firm, and an ardent Tithing Quaker, then spoke briefly on the value of the new grain tank to the mill.

"This is a small tank compared to larger mills," he said, "but it is interesting to note that it holds 26,250,000 times more wheat than we originally planted in our Dynamic Kernels Project on Henry Ford's land three years ago and will double our present storage capacity."

D. A. R. TO MEET

Friends Honor Edw. Escolme

CROWDS ATTEND SERVICES MARKING 25th ANNIVERSARY OF MINISTER'S COMING TO TECUMSEH

The Rev. Edward Escolme, pastor of the Tecumseh Friends Church began to surmise Saturday night that plans for special "Rally Day" and "Home Coming Day" in his church for Sunday, October 3 were only a "smoke screen." But not until he walked into his pulpit, surrounded by baskets of flowers from friends in the community, did he realized that the preparations were made in honor of his completing his 25th consecutive year of ministry in this church.

At 2:30 a special anniversary service was held at the church, attended by approximately 200 people from Tecumseh and Lenawee county. Milton Coleman, pastor of the Adrian City Friends Church led in singing, Elizabeth C. Hayden, clerk of Tecumseh Monthly Meeting presided. Harry T. Green, pastor of the Raisin Center Friends Church read the Scripture. Howard Moore, a minister in Adrian Quarter, with membership in the "Valley" Friends Church led in prayer. Special musical numbers were brought by Mrs. Helen Crane and Mrs. Gladys Perryman of Detroit.

J. Newton Satterthwaite, the oldest member present at the service spoke briefly concerning the coming of Mr. Escolme to Tecumseh on October 5, 1918.

Mrs. Melinda Comfort, in whose home Edward Escolme stayed his first six weeks in Tecumseh, commented upon his appearance 25 years ago.

Naomi Sallows, chairman of the anniversary committee then spoke briefly of the many accomplishments of Edward Escolme,

The Rev. E. Thomas Rodda, rector of St. Peter's Episcopal church (who got up out of a sick bed to come and represent the pastors of Tecumseh) said, "I know as a pastor that staying 25 years in one place is going some."

Perry Hayden, speaking at the offertory part of the service, said "A good mechanic today makes $1 an hour. Based on time and a half, that's $1.50 per hour for over 40 hours a week, and double-time on Sundays. I figure that Edward Escolme is worth as much as a mechanic to this church and community. Had he received this for the past 25 years, he should have received $126,000 in salary. I doubt if it has been over $30,000, so it is up to us to make good the remaining $96,000."

A silver offering of $100 was taken, and in addition, the church presented him with a tiny tree, upon which the "fruit" was twenty-five silver dollars.

Mr. Escolme then was called upon. "From the depths of my heart I say 'thank you'" he said, "I only wish that I might deserve half of what has been said about me. The Tecumseh Friends Church has shown an amazing degree of forbearance and patience during the past 25 years.

In the evening service at the church, Chief of Police Dan E. L. Patch of Ypsilanti, speaking on "Weaving the Spiders Web".

William M. Carlton Buried In Ridgeway

William L. Carlton, aged 77 years, died Friday night after a week's illness at the home of his daughter Mrs. Harvey Hoag in Adrian where he had made his home since leaving Tecumseh in March.

Mr. Carlton was born near Palmyra and had spent his entire life in this community. In 1892 he married Miss Minnie Bohlke of Holloway, who died October 23, 1940.

Survivors are two daughters Mrs. Irene LaVoy of Monroe and Mrs. Hoag, two sons Henry of Adrian and Willis of Milan, and a number of grandchildren. A son George, died while in service during World War I.

Funeral services were held Tuesday afternoon at the Everies Funeral Home in Adrian. Rev. Edward Escolme officiated and burial was made in Ridgeway cemetery.

A FISH STORY

Don Goddard has a fish story to tell and he had the fish to prove the story. It seems that a week ago today, Don went to Evans lake fishing. With the aid of minnows, in 35 feet of water, he caught his limit of croppies in less than an hour. He hopes to repeat the catch this week, he says.

The Associated Press recently questioned sixty-nine Democrats and Republicans from forty-two states, seeking to ascertain what the people told their solons during their visit home while Congress was on vacation.

The majority found their people pleased with the War's progress but "critical of domestic affairs, with most of the complaints mentioning restrictions and regulations."

This is about what one would expect. Some of the people at home, at most a small majority of the population, would like to win the war but they do not like the restrictions and regulations which affect their convenience.

The only Government agency singled out by name for criticism was the OPA, with eleven members, most of them Democrats, mentioning it.

It should not require a poll of anonymous Congressmen to find out what the people of this country think in regard to the war.

The vast majority of Americans are for any restriction, regulation, or sacrifice, that will support their fighting men. The bulk of them have no sympathy for chronic complainers who cannot be pleased in times of peace, much less in times of war.

"Are the distillers producing alcohol exclusively for the Government for war material, including high explosives for bombs like those?"
"The Whiskey people boast that they are. They give the impression that distillers are all out for the war effort but that the beer crowd is continuing business as usual."
"I looked up a few figures. In peace times to distill beverage alcohol, the distillers employed less than six thousand men. They may have a few more now distilling alcohol for war use but the whole liquor business, beer, wine, whiskey, is using more than 400,000 persons in making and selling booze in war times."
"Then not one hundred percent of the booze business employees are engaged in war work, but only two or three percent?"
"That's right. At least ninety-seven percent of liquor business employees now are making or selling intoxicants. As usual, the main concern of the liquor crowd is to make more money by selling more liquor to more people regardless of the consequences in absenteeism, inefficiency, crime, misery and accidents."

Cleaner Cows Less Labor with CONCRETE PAVED BARNYARD
A concrete paved barnyard is a big aid to dairymen producing high quality milk. Fall, winter, spring and summer it helps keep cows out of mud, dust, filth—cuts down work of cleaning cows before milking. A big factor now that farm help is short and every effort is being made to increase milk production.
When cows wade through mud they waste energy needed for producing milk. Owners say a paved barnyard soon pays for itself by helping produce more and better quality milk.
Paste coupon on penny postal and mail today for free instructions for paving your barnyard or building other durable, thrifty, sanitary structures with concrete.

Storm Windows are Fuel Savers, too
Storm windows shut the cold out as well as the rain and the snow. Buy them now and by actual test you can prove to yourself that they will pay for themselves in from one to three winters through the saving of fuel.
And when you are installing storm windows let us suggest that you also install storm doors, so that you can get maximum warmth from a minimum of fuel.
The cost of installing storm sash and storm doors is very small. They can be used year after year at no additional expense. In fact, your savings accumulate as the years go by.

The Coal Situation

Mr. H. A. Gray, Deputy Solid Fuel Administrator, Mr. Ickes, and Mr. Eastman, have ordered the coal mines to ship 95 per cent of their production to the following:

1. Military Requiremtns, including 200,000 tons per month for Italy.
2. To iron ore boats docking at harbors like Toledo, Sandusky, etc. This coal is billed to cities on the Great Lakes like Duluth, Superior, Marquette, etc., that are unable to receive coal by rail, on account of the long rail haul and scarcity of coal cars.
3. Metallurgical plants (coke ovens, etc.)
4. Defense plants and retail yards not located on the Great Lakes, the latter to receive only 5 per cent of present production.

As soon as the Great Lakes shipping season ends, coal will move more freely to inland coal dealers. Until then, we are forced to limit our deliveries to each customer, but will do our best to keep you in coal. Please co-operate with your Coal Dealer.

AIRCRAFT MECHANIC

Seymour Johnson Field, N. C.,—Completing a five months course in aircraft maintenance and repair, Private First Class Harry R. Reidy was graduated last week as an aircraft mechanic from this technical school of the Army Air Forces Eastern Technical Training Command.

The son of John Reidy, 211 W. Logan street, Tecumseh, Michigan, was sworn into the Army on November 18, 1942 in Detroit. He was a graduate of the Jamaica Vocational High School, Jamaica, L. I., N. Y., and was employed by the Meyers Aircraft, Tecumseh, as a welder, before entering service.

If Hitler wins, the issue for you will be living itself and not just the cost of living. Think that over and figure it out for yourself how much beyond 10 percent of your family income you should put into War Bonds every payday.

Jackson, Miss.—Aviation Cadet Marvin J. Nichols, formerly of Tecumseh began his pilot training today with a new class at the 62nd Flying Training Detachment, Army Air Forces Contract Flying School, Primary) here.

Reporting here from Maxwell Field, Ala., where he underwent two months of arduous toughening-up exercises and study at the Army Air Forces Pre-Flight School (Pilot), Aviation Cadet Nichols sat at the controls of an Army ship today for the first time, embarking on the second phase of a training program which will make him a member of the world's best-trained air force.

Aviation Cadet Nichols is the son of Mr. and Mrs. Cyril Nichols of 8920 Bessemore, Detroit, Mich., formerly of Tecumseh.

Letter to a P.O.W.

The NATION-WIDE STORE
RALPH OLIVER, Owner

WILL YOU WRITE A LETTER to a Prisoner of War tonight?

Maybe he was one of Jimmy Doolittle's boys. Perhaps he was left behind when Bataan fell. Anyway, he's an American and he hasn't had a letter in a long, long time.

And when you sit down to write, tell HIM why you haven't bought your share of bonds . . . or how you crabbed when sugar was rationed and you couldn't buy a juicy steak.

"Dear Joe," you might say. "The markets don't have as many steaks and chops as they used to, so I . . . "

No, cross it out. They don't have steaks and chops where Joe is . . . in a damp cell.

Well, what are you waiting for? Go ahead, write the letter to Joe. Try to write it, anyhow.

But listen, if somehow you can't finish that letter, will you, at least, do this for Joe? Will you up the amount of bonds you are buying? Will you stop crabbing about the things you can't buy in your favorite store?

Joe and all of us are in this war 'till Victory.

The war front depends on the home front!

ORDER OF PUBLICATION

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 30th day of August, 1943.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit.

On motion of John R. Zeigler, attorney for plaintiff, it is ordered that the appearance of said above named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns:

And it is further ordered that said plaintiff cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan, in such case made and provided.

G. ARTHUR RATHBUN,
Circuit Judge

Countersigned:
R. B. KING,
Clerk.

CHURCH PURCHASES BOND

Dr. John Butts, district superintendent of Methodist churches, presided at a meeting held last Wednesday evening at the Springville schoolhouse at which it was voted to invest $1,000 in war bonds and to keep the building fund intact. The Springville church was destroyed by fire some time ago and is to be rebuilt after the war. It was decided to open a junior church school at the schoolhouse October 17 with E. C. Pellowe of Adrian College at the director.

The first regular meeting of the Parent-Teacher Association was held at the school-house Wednesday evening as a reception and refreshments after business session.

Mrs. Dale Havens and Miss Dorothy Gilbert have returned from San Diego, Calif.

Mr. and Mrs. Herbert Cuson have sold their house to Evan Phillipoff of Adrian and will move to Akron, Ohio, where he is employed by Goodyear Aircraft Company.

Onsted Grange elected officers at the regular meeting Friday night. The charter was draped and after the business session a kitchen shower was held for Mr. and Mrs. Rudy Boss who were married recently. Refreshments were served by Mrs. A. E. Brainard and Mrs. Clair Wallace.

Miss Lorna McKellar of Pontiac spent the week end with Mrs. L. B. Ross and called on friends.

Furman Roe of Clayton has purchased the Roscoe Alverson house. Mr. and Mrs. Alverson are moving to Jackson.

The Farmers Club meeting has been postponed one week and will be held October 9 at the home of Mr. and Mrs. Ray Shugars.

Frank Morrill, Mrs. Ralph Morris and daughter Peggy spent the week end with Mr. and Mrs. Ross Cochrane of Tekonsha, Mrs. Myron King accompanied them home to spend a few days at the Morris home.

The Woman's Club met Tuesday afternoon at the home of Mrs. Leo Shultis. The speaker was a member of the Civil Air Patrol from Adrian, Mrs. Sylvia Teachout was the leader.

Capt. and Mrs. James Boydston and family returned home Wednesday from Sioux Falls, S. D., Capt. Boydston is to be transferred to another station.

Miss Mary Heath Brainard has returned to Lansing where she has taken a position with the Bell Telephone Company.

WALTERS-RAGER

At an early morning wedding held Wednesday at St. Elizabeth Catholic church, Miss Rita C. Rager, daughter of Mrs. Georgia Rager of Manchester, became the bride of Clarence J. Walters, son of Mrs. Anna Blesing of Tecumseh. Nptial high mass was celebrated by the Rev. Fr. John Ross at 7:30. The attendants were Miss Mae Uhr and Robert Punches of Manchester and Mrs. Helene Monihan of Clinton presided at the organ. The altar was decorated with gladioluses and palms and a group of relatives and friends witnessed the ceremony, among them the bride's grandmother Mrs. Georgia Wurster of Manchester and others from Toledo and Whitehouse, O., Manchester and Tecumseh. A wedding breakfast was served at the Blesing home on East Pottawatamie street immediately following the ceremony.

Dinner for the bridal party was served at noon in the Blesing home. The table was centered with glads and a three-tiered wedding cake topped with a military bride and groom.

The bride is a graduate of Manchester high school and attended Cleary College in Ypsilanti. Mr. Walters attended Tecumseh schools and also Assumption College in Sandwich, Ont. He leaves today to report for army service at Ft. Custer and Mrs. Walters will resume her position in the office of the Willow Run bomber plant.

Time of School To Be Changed

CLASSES TO START 45 MINUTES LATER, BEGINNING ON NOVEMBER 8

Th winter time schedule of the Tecumseh public schools was approved by the board of education, in regular sesion Tuesday evening, to become effective on Monday, November 8. The proposed schedule is in keeping with a program inaugurated here a year ago by W. L. Berkhof superintendent, when Eastern War Time was adopted in this section.

The new schedule, which permits children to go to school in the morning in daylight, calls for the opening of the high school at 9 a.m., and classes in branch buildings at 9:30. Classes in the central building will reassemble at 1 o'clock in the afternoon and grades will be dismissed at four o'clock and high school at 4:30. In branch buildings, afternoon classes will call at 1:15 and run until 4 o'clock.

The first "war diploma" to be issued by the board was granted to Don Russell, who joined the United States Navy about a year ago. He was in his senior year at the time and since then he has completed sufficient training in the Navy to justify the award. The policy is in keeping with the board's previously announced program.

The board also discussed the district's proposed building program at length and Mr. Berkhof said that he hoped, early in November, to call a meeting of directors of other schools in this area to discuss a post-war educational program. He said that the board desires to find out how directors in other districts feel in regard to a building program in Tecumseh.

Good Neighbor Policy Studied

MONDAY CLUB TO HEAR OF MEXICO WHEN IT MEETS HERE NEXT WEEK

Tecumseh Monday Club met Monday afternoon in the Methodist church parlors with 34 members in attendance, Mrs. W. C. Fisher presiding and it was voted to send canned fruit to the Starr Commonwealth and committees were appointed. F. C. Dickinson of the local post office force spoke on wrapping packages, especially for overseas mailing, and urged early mailing. He also asked townspeople to call for mail as early in the day as possible to avoid congestion.

Mrs. C. R. Dustin was leader of the program with included selections by a girls trio composed of Joyce Zeigler, Mary Jane Hayden and Elva Lerch, who sang a negro spiritual accompanied by Mrs. Dorothy McColl. Miss Elliott spoke on "Worthwhile Books" naming several. She also reviewed "Excuse phans of the Pacific" and a play "Tomorrow—The World."

Mrs. E. D. Brown and Mrs. B. J. Pulver were hostesses.

"Our Good Neighbor, Mexico" will be the topic for next week's meeting with Mrs Wilfred Waldron as leader and Mrs. R. S. Moore in charge of the program of Mexican music and a display of Mexican handicraft. The hostesses Mrs. Robert H. Moore and Mrs. Maynard Mulvany will be in Mexican costume and each member may bring a guest.

Four Persons Injured As Car Hits Culvert

Jack Coffey, home on furlough from Ft. Monmouth, N. J., with Mrs. Coffey and Mr. and Mrs. Elmer Burleson were brought to Tecumseh hospital early Sunday morning after their automobile left the pavement west of Tecumseh and struck the concrete abutement near the W. G. Waldron farm.

The two couples had been in Jackson and were on the way home when the accident occurred. Mr. Burleson who was driling, thinks he must have fallen asleep. A local ambulance brought them to the hospital.

All suffered facial cuts and bruises and 16 stitches were taken to close a gash in Mr. Coffey's left foot. He also received minor cuts on his right foot. All were badly bruised and the Burleson automobile was wrecked. Mr. and Mrs. Burleson are still at the hospital with serious face and head injuries.

Pomona Grange Names Officers

JAMES MARR OF NORTH ROME NAMED AS MASTER; PERRY HAYDEN SPEAKS

Lenawee County Pomona Grange met Thursday in the Tipton Grange hall and re-elected James Marr of North Rome as master for his fifth consecutive two year term. Mr. Marr is also a state Grange deputy. Clarence Kleidinst of Gorman was elected overseer to succeed August Buehrer of Palmyra who was not a candidate for re-election. Others elected were Arthur G. Daniels, lecturer; Miss Ruby Yeutter, secretary; W. D. Sell, treasurer; Mrs. Herbert N. Hood, chaplain; Edward Roberts, steward; Milton Wheaton, assistant steward; Earl Slater, gatekeeper; Mrs. Milton Wheaton, lady assistant steward; Mrs. Arthur Carnahan, Ceres; Mrs. Hollis Baldwin, Pomona; Mrs. Francis Wilkin, Flora; August Buehrer, member of executive committee. Mrs. Fred Crawford was appointed pianist.

Mr. Marr reported a gain of 243 members as of June this year and with those who have become members since that time the roll now is ore than 1,600, an all time high record for the county. At the business session the attendance cups were awarded to Rome and Onsted Granges.

Perry M. Hayden of Tecumseh was the speaker at the open meeting in the afternoon and spoke on "Dynamic Kernels," the six-year wheat and tithing project, giving some concrete examples of the benefits of tithing.

The program also included Paul Bunyan stories by Clarence Kleidinst; piano solo, Mrs. Lester Munger; vocal solo, Mrs. LaVern Wheaton, accompanied by Mrs. Fred Crawford; readings, Mrs. Howard Evans; vocal solo, Mrs. Clifford Hardy, accompanied by Mrs. Lamont Simmons, and a playlet, "A Yard of Argument," by Mrs. I. W. Boltz and Mrs. Clarence Hunt.

At the evening session the fifth degree was conferred on a class of 37 candidates, 15 from Tipton, six from Tecumseh, seven from Gorman, four from Adrian, two from Madison, two from Fairfield and one from Onsted. A number of members plan to take the sixth degree at the state convention in Kalamazoo and the seventh degree at the national convention in Grand Rapids.

Service Men To Get Herald

LEGION AND AUXILIARY TO SEND NEWSPAPER OVERSEAS AS XMAS GIFT

Underwood-Orr Post No. 34, American Legion and Auxiliary, this week ordered The Tecumseh Herald sent to all Tecumseh men and women now in overseas service of the military. The first subscriptions will go forward with today's issue, and as a result every local man or woman now on foreign soil will be kept in weekly touch with his home town through The Herald. There are approximately 100 local folk now in foreign service.

While the Legion and Auxiliary are sponsoring the payment of the subscriptions, it was said that other organizations here desiring to help defray the expense may do so by sending their checks to the Auxiliary treasurer. The newspaper is being sent as a Christmas gift, the government having relaxed its overseas mailing policy until October 15, to permit the mailing.

The mailing of the overseas subscriptions entails an endless amount of work on the part of The Herald and the newspaper urges complete cooperation on the part of parents or relatives regarding changes of address. The Auxiliary has gathered present addresses to permit the mailing today, but it was pointed that these addresses change, many of them weekly. Parents and relatives, therefore, are urged to notify the newspaper at once regarding any changes of addresses on overseas service men after today and also to check with the newspaper to determine if present addresses are correct.

The Auxiliary and Legion also hopes to send the newspaper to all service men from Tecumseh in the United tates in the near future. Parents or relatives of these men should therefore, notify the newspaper as soon as possible regarding United States addresses of service men, also.

The receipt of The Herald by the overseas men will put them in touch not only with their home town but also with their "buddies." The Herald each week carries scores of items of interest regarding service men.

In the future, The Herald requests that service men overseas write "Letters to the Editor," telling as much about themselves as censors will permit. These letters will be printed in The Herald and in that way a chain of communication between Tecumseh men, regardless of their whereabouts, may be established.

"It will be mighty interesting reading," one Legion man said today. "A boy in England will be able to pick up The Herald and read about his buddy in Africa, Sicily or Australia."

Mrs. Cecil Rogers, 59, Formerly of Onsted, Dies

Mrs. Cecil Rogers, aged 59 years, a former resident of Onsted, died Friday night of a heart attack in a Highland Park hospital after a week's illness. Mrs. Rogers was formerly Bessie Vanderpool of Onsted.

Soldiers To Assist County Scrap Drive

A county-wide scrap drive, in farm areas, will be launched next Thursday, 20 Army trucks and 72 soldiers from Fort Custer, having been loaned for the work. Farmers are urged to get their scrap iron in piles, that it may easily be picked up by the soldiers.

Fay Whelan is chairman of the drive locally, and he said that he would like the donation o fadditional trucks and workers to augment the campaign. Steel mills are within 60 days of the bottom of their scrap pile, it was said, and old iron is urgently needed to carry on the war program.

Indians Down Clinton, 16-0

TEAM RESTS THIS WEEK AND WILL PLAY DUTCHMEN HERE ON OCTOBER 22ND

In a fast gridiron battle before a crowd estimated at well over 1,500 persons, the Tecumseh high school Indians trounced the Clinton Redskins at Recreation Center here last Friday evening. The final score was 16 to 0 in favor of the Indians.

Coach Fred Raizk's Indians are resting this week after the Clinton fray and not until Friday, October 22, will they again take up the battle, then against Manchester Dutchmen on the local field. The week following, October 28, Tecumseh travels to Morenci for the next to the last game of the season. The final tilt will be between Blissfield and Tecumseh, a week later, at Blissfield.

In the Clinton game last Friday evening, Hoekstra made the first touchdown in the opening quarter and Jackson rushed the ball for the extra point. In the second quarter the Indians gained two more points from an automatic safety and in the third stanza Brown made the second touchdown. Jackson again rushed for the extra point.

The Indians were clicking in fine shape throughout the game, L. Brown making some especially good runs, while Van Valkenburg's lateral passes drew considerable favorable comment. Murdoch also showed good form in passing and Sisson, Woods and Hoekstra played an excellent game. Jackson, Jr. appeared, was not in top form, although he played good ball. Jim Osburn at quarterback, did some excellent work.

During the game Tecumseh made 18 first downs and complete 14 passes.

During the business session the Auxiliary voted to send a year's subscription to The Tecumseh Herald to boys in service overseas, and in the states not receiving the paper They are also sending Christmas boxes to the boys overseas. Several organizations and individuals have made donations to this subscription fund. They also voted to sponsor the Youth project in the community.

Mrs. Jack Smith then announced the following committee appointments: Pan Americanism, Ruth Keyser, Clyde Wittrup and Bess Mills; Poppy Day, Doris Bagshaw, Marie Carlson ,Ella Baaske, Margaret Aebersold, Helen Bowen and Alta Thompson; sewing, Pearl Brown, Doris Bagshaw, Mae Keyser and Edna Helzerman; war activities, Gertrude Schneider, Mae Baldwin, Elizabeth Hammel, Doris Bagshaw, Pearl Brown, Ruth Keyser and Jerry Haight; benefit parties, Alice Schneider, Iva Marsh, Harriett Gallant, Jennie Curtiss, Helen Bowen and Goldie Watkins; sick committee, Jennie Hodges and Helen Oliver; publicity, Florence Howe, fracture bed, Hilda Will, Ruth Keyser, Jennie Curtiss; rehabiliation, and employment, Helen Mix, Nettie Smith and Florence Adamson; National defense, Julia Anderson, Myrtle Gillespie and Evelyn Sutton; Americanism and Girls State, Elizabeth Hammel, Doris Bagshaw and Myrna Tingley; child Welfare ,education of war orphans and scholarships, Jennie Curtiss, Helen Mix and Margaret Aebersold; constitution and by-laws Ayches Laidlaw and Ivah Marsh; community service and music, Jessie Sluyter, Hilda Will, Mae Baldwin and Ethel McLaughlin; Gold Star, Alice Schneider and Ivah Marsh; legislation, Ruth Rentschler; membership, Goldie Watkins and Florence Howe.

The Maccabees will hold a regular meeting Monday evening, October 18, at the home of Mrs. Ed. Everetts.

Students Can Surplus Food

GIFTS OF PRODUCE MAKE POSSIBLE SCHOOL LUNCHES DURING THE WINTER

The school lunch department at Tecumseh High School, under the direction of Mrs. O. W. Laidlaw, home economics instructor, today expressed its appreciation to those who have given surplus foods to be processed by the students and used in the school cafeteria during the winter months.

"The products donated were promptly processed and the results are very gratifying," Mrs. Laidlaw said. "It gives us a good patriotic feeling because we made use of food that otherwise might have been wasted."

Following is a lits of the food that has been processed by the students and made possible through the donations:

311 quarts tomatoes, 25 quarts relish, 25 quarts chili sauce, 10 quarts catsup, 5 quarts jam, 3 quarts pears, 16 glasses grape jelly, 3 quarts cucumber pickles, 8 quarts beits. Foods frozen: 50 lbs corn and 10 lbs. beans.

During the week of November 1, the school will be prepared to store carrots, beets, turnips, cabbage and celery cabbage. Geo. Parsons and one of his classes will povide the necessary storage space.

Friends Service Group Sends Clothing, Bedding

The Friends Service Committee will have charge of the Sunday evening meeting at the Tecumseh Friends Church at 7:30 o'clock. Mrs. Naomi Sallows, the chairman of the committee will preside. This committee is cooperating with the American Friends Service Committee of Philadelphia. The last shipment of good used clothing sent to Philadelphia was valued at $200 by the A. F. S. C. Another shipment will be sent in the near future. The local committee is glad to receive donations of either new or good used clothing.

During the first six months of 1943 the Clothing Committee of the American Friends Service Committee shipped 67 tons of clothing, shoes, bedding and other articles as follows:

To England to the Friends Service Council—62,308 articles of clothing, shoes and bedding; To Europe for distribution to refugees by American Friends Service Committee representatives—25,547 articles of clothing; To North Africa for distribution to refugees by American Friends Service Committee representatives—90,698 articles of clothing, shoes and bedding; To Jamaica for distribution by Quakers—4,395 articles of clothing; To Puerto Rico for distribution by the Brethren Service Committee—3,234 articles of clothing and shoes, To areas in the United States—15,905 articles of clothing, shoes, and bedding.

In addition to the above articles of clothing, shoes and bedding, 4, 576 lbs. of soap and toys were distributed in this country and in England, and books and household goods in this country.

All of these shipments reached their destinations. Reports from workers tell of the great need and the material relief the gifts bring to people who are destitute. Before winter adds to the discomfort and threatens the very lives of those here and in other lands, the committee hopes to send further shipments of clothing.

OLD TRAVELER SPEAKS

James Welsh, the American Automobile Club's "Old Traveler", was the guest speaker at the regular noon-day luncheon meeting of the Rotary Club, Tuesday at Brees House. He said that while America is "off its wheels for the duration, due to gas rationing," he believed that interest in travel is greater now than ever before. He gave a very interesting travelogue. Next week, Rotary will meet at Brees House at 6:15 in the evening, the meeting time having been changed to evening for the duration of the war.

SHOP IS MOVED

The Bancroft Cleaning Shop has been moved from the Strand theatre building to the building formerly occupied by the Bailey Shoe Shop. The Bailey store has been completely remodeled and redecorated to suit the needs of the shop. Th store vacated in the Strand building has been taken over by LeRoy Titley and J. N. Satterthwaite to permit an enlargement of their offices.

Lenawee C. E. Union Meeting Attracts 200

The Lenawee County Christian Endeavor Union held its October meeting at the Tecumseh Friends church Monday evening, with 200 members in attendance. The meeting was in charge of the music committee of the county C. E. Society and the 23rd Psalm was presented in music and song. Mrs. Glenn Burke of the Blissfield Brethren church presented musical selections on the Solovox preceding the program which opened with an instrumental service prelude by the Glenn Burke family, and was followed by devotions and a business meeting conducted by Robert Barton, president.

The Twenty Third Psalm was read by Rev. Edward Escolme and sung by Doris Jean Gilman of Clinton. The program included choir selections; vocal duet by Ralph Comfort and Rebecca Coleman; selection by the Girls' Sextette of the Blissfield U.B. church; selections by the Bolyard sisters of the Adrian Friends church; a trombone duet by members of the Blissfield Evangelical church; song Norman Small of Blissfield; duet, Myrtle Smith and Marian Miller of Adrian; duet, Ruth Conklin and Lois DeGroff of Adrian; selections by a mixed quartet from Blissfield Evangelical church; instrumental music, Blissfield U. B., and selections by girls quartet from Toledo street Church of Christ, Adrian.

Announcement was made of a Hallowe'en party to be held at the Toledo street Church of Christ in Adrian October 25.

Rodda Resigns At St. Peter's

EPISCOPAL RECTOR ACCEPTS CALL TO ST. THOMAS CHURCH AT TRENTON

The Rev. E. Thomas Rodda, rector of St. Peter's Episcopal church here, has tendered his resignation to the vestry and on November 15 will assume the rectorship of St. Thomas church, Trenton, it was announced today. The vestry of St. Peter's accepted the Rev. Mr. Rodda's resignation last week.

The Trenton church has a membership nearly twice as large as that of St. Peter's

Mr. Rodda came to Tecumseh two years ago last month from Sandusky, Michigan. He is a graduate of Berea College, Kentucky, and Kenyon College, Gambier, Ohio. He is a member of the Rotary Club here and has been active in Tecumseh's civic and social life.

It was said today that the vestry had not yet chosen a successor to Mr. Rodda but it was indicated that a choice might be made within the next few weeks.

TO BUY INCUBATORS

Tecumseh Hospital Auxiliary met Tuesday evening at the Red Cross rooms in the Ford building with Mrs. R. K. Anderson presiding. Miss Gertrude Spalding told of the need for an additional portable incubator at the hospital for babes up ti five pounds and the auxiliary voted to purchase two incubators. The name of Mrs. Earl Updyke was added to the membership roll.

Mrs. D. F. Wright, chairman and her committee composed of Mrs. Bert Filter, Mrs. Earl Updyke, Mrs. Glenn VanDenbergh, Mrs. Frank Sutton, Mrs. Thos. O'Hara and Mrs. Mae Keyser sewed at the Tecumseh hospital Wednesday.

MEETING NIGHT CHANGED

The October meeting of the Business and Professional Women's Club was held Tuesday evening at Brees House.

During the business session Mrs. Susan Porter reported that 40 cans of fruit were collected and delivered to the Starr Commonwealth at Albion.

Because of the change of Rotary meeting from noon luncheon to evening dinner the Women's club meeting night has been changed to the fourth Monday of each month. The remainder of the evening was spent knitting and sewing for the American Friend's Service Committee.

Naomi Sallows, Betty Heidenreich and Nellie Furgason were in charge of the meeting.

STREET RESURFACED

The cement pavement in the downtown district of Tecumseh, M-50-52—was resurfaced with asphalt and crushed stone by the state highway department, yesterday. It is understood that the state's program calls for he resurfacing of the pavement during the length of the boulevard.

INFANT DIES

Ervin Rex, Jr., infant son of Pvt. and Mrs. E. R. Bradford, died Wednesday morning at Tecumseh hospital a short time after birth. The body was removed to Collins Funeral Home awaiting the arrival of the father from Camp Ellis, Ill.

Funeral arrangements have not been completed.

Zoning Codes In the Making

CITY ORDINANCE STILL IS INCOMPLETE; TOWNSHIP WAITS FOR MAPS

Zoning ordinances for both the village and township of Tecumseh, ordered some weeks ago by the common council and the township board, are meeting with delays, due to one cause or another, but it was understood today that the village ordinance in its legal form will be adopted by the council at its regular meeting, November 1. The township ordinance, however, may take several more weeks to complete.

The village ordinance, in rough draft, was submitted to the council several weeks ago and a public hearing was held. Since that time the changes suggested at the hearing have been made and parts of the ordinance rewritten. After its adoption in November, it was said that another hearing would be given.

The delay in the construction of the township code has been due to the board's inability to obtain proper maps. This difficulty, however, has been partly overcome and a rough draft of the law is now under way.

The township zoning board is made up of L. W. Larsen, Dwight Hodges, Clyde Bailey and Fred Sheldon. This board was named by the judge of probate, at the request of the township. The board of supervisors has named Clark Baldwin of Adrian, LeRoy Titley of Tecumseh and John Fatchett of Riga, as the county's zoning commission.

After the township ordinance has been drafted it is submitted to the township board for approval and then to the county commission. After it has received the county's endorsement it may be adopted by the board.

Both the village and township ordinances will completely control future building in the areas, restricting types of structures and business that may be located in certain districts.

Moscow Teacher Speaks to D.A.R.

MISS ELEANOR PYLE OF TOLEDO, DISCUSSES RUSSIA WITH CLUB WOMEN

Abi Evans chapter of Daughters of the American Revolution met Friday afternoon in the home of Mrs. Leon Rosacrans on North Union street with 30 members and guests present. The regent, Mrs. Hoyt Whelan, presided and the opening ritual was led by Mrs. H. H. Loveland, Mrs. Lewis Lent and Mrs. R. S. Moore

Miss Edith L. Ingersoll, program chairman, introduced Miss Eleanor Fyle of Toledo, who gave a most interesting talk on Russia. Miss Pyle lived in Moscow for six years and was a teacher of English in a Moscow school and she traveled extensively and visited all the large cities. She is a graduate of the University of Michigan. While in Russia, she did considerable translating of English into Russian. She said that before the Revolution, the wealth was almost entirely in the government and the church and that 85 per cent of the people were ignorant, but now there is less poverty among the people and all of them are receiving some education, especially the children and that woman's place has been raised in a marked degree. Miss Pyle stated that in her opinion, there would never be any trouble between the United States and Russia, as the people have a greater respect for the United States than for any other nation.

Tea was then served with Mrs. E. T. Armstrong and Mrs. Nell Pearson pouring. Mrs. Rosacrans was assisted by Mrs. C. H. Williamson, Mrs. F. S. Turner, Mrs. F C Dickinson and Miss Ethelyn Garlinghouse

40,000 NEWSPAPER MEN

The daily newspapers of the United States have contributed 40,000 men to the armed services, according to Editor and Publisher, trade weekly of the newspaper industry.

The largest individual newspaper contributor is the New York Times, represented by 578 men and women in the various services. The Associated Press has sent 524.

The tabulation shows that one-fifth of the newspaper-folk are in the Navy, two-thirds in the Army and one-thirtieth in the Marines.

As the newspapers are affected the mechanical departments have been hardest hit, having given one-third of the total. Editorial departments contributed one-fifth, advertising and circulation departments about one-seventh each and business offices about one-fifteenth.

SOVEREIGNTY OF THE AIR

The legal theory of land ownership includes ownership of the air space above the real estate, but the advent of the airplane created a new condition which will inevitably affect the legal theory.

The development of any world-wide air transportation operation is dependent, to a large degree, upon an abandonment of a rigid "sovereignty-of-the-air-space" policy which has been proclaimed by the nations of the world.

This does not mean that the United States should give up its claim to control of the air over this country. All that is necessary is that the nations of the earth make reciprocal concessions in regard of airplanes flying over their territory. It would be permissible, of course, for nations to regulate and channelize such traffic.

Side Wall Shingles Are Perfect Insulation
Sidewall shingles are becoming more popular as the years go by for two reasons.
First: Sidewall shingles take the place of paint.
Second: Sidewall shingles are a perfect insulation.
You will be surprised how cheaply sidewall shingles can be installed, how little more the jobs costs than two coats of paint.
And you'll be surprised, too, how much more shingles will save you in fuel. Ask anyone who has installed them.

Methodist District Plans Choir Festival

The Ann Arbor District of the Methodist church is planning its third annual choir festival for Sunday evening—November 28, in the First Methodist church of Ann Arbor. Invitations are being issued this week by festival director Hardin Van Duersen to all Methodist church choirs of the district to participate in the massed chorus which usually numbers three hundred and fifty. Last year choirs from churches in Ann Arbor, Belleville, Denton, Dexter, Flat Rock, Howell, Lincoln Park, Monroe, Morenci, Saline, Wayne, and Ypsilanti took part in the affair, which is one of the principal district activities. District superintendent, Luther Butt of Ypsilanti, who is in charge, avers that the event has a stimulating influence upon the church music of the District, and a unifying affect upon the churches. The general public is always cordially invited to attend.

FLORENCE WELD MISSION

The Florence Weld Mission Guild met Monday evening with Mrs. D. W. Beck and Mrs. J. R. Lott at their home southwest of town. Miss Marie Koering, presided and Mrs. Albert Johns led the devotions. ARE YOUR LAYERS LAZY?

If they are, you should do something about it right now. For hens on strike with nothing much organically wrong, but just down in energy, try Dr. Salsbury's Avi-Tab, a concentrated flock treatment that's easy to give—just mix it in the mash.

SMALL WAR PLANTS TO GET ASSISTANCE

A technical advisory service to serve the interests of small plants in this community has been established by the Smaller War Plants Corporation, it was announced by T. W. Moss, regional director of the SWPC Region 11, which takes in the lower peninsula of Michigan, the three most easterly counties of the Upper Peninsula, and Lucas county, Ohio. C. A. Reetz has been appointed as technical advisory consultant to devote his full time to this service.

The Service will put at the disposal of the small manufacturer who requires technical research in the solution of a production problem information drawn from governmental agencies, trade associations, technical and scientific organizations, technical magazine editors and the research laboratories of educational institutions and private industry.

The list of typical inquiries is obviously manifold but random examples include technical information on how to overcome porosity in castings; how to prevent sewing machine needles from overheating; how to find a market for scrap rayon; where to find a special adhesive to cement heavy fabric to metal; and a variety of questions regarding developments in wood, metallurgy, plastics and electronics. The district office is located at 815 Security Bank Bldg., Toledo, Ohio.

1944 EQUALS 1918, IN BELGIUM

Belgians who have been chalking "1918" on the walls of Belgian towns to signify their remembrance of the previous Allied victory, have found a new way to show their defiance of the Germans, according to the Belgian War Relief Society, member agency of the National War Fund.

They now write next year's date, 1944, following it with the notation: "1 plus 9 plus 4 plus 4 makes 18. Remember what happened in 1918. It will come to pass again in 1944.

GIVEN PROMOTION

MIAMI, FLA., Oct. 14.—Promotion to the rating of radioman, third class, was announced here recently for Donald F. Russell, 18-year-old son of Mr. and Mrs. Richard H. Russell, 215 East Pottawatamie, Tecumseh, who enlisted in the navy last November.

The youth, now enrolled at the Submarine Chaser Training Center, here, had previously studied radio in the navy's service school at Northwestern university.

After he completes his training here, he can expect to see action aboard one of the small but deadly sub-chasers designde for the sole purpose of finding and sinking Hitler's U-boats.

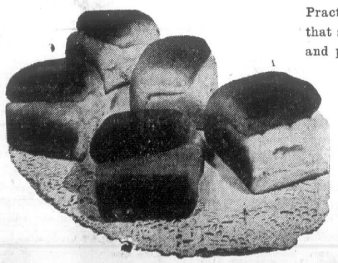
For that SMILE of SATISFACTION

USE HAYDEN'S 1900 FLOUR



Practical homemakers know that there is no better way to win that smile of complete satisfaction than to serve breads, biscuits and pastries made from HAYDEN'S ENRICHED 1900 FLOUR.

Practical cooks tell us that ENRICHED 1900 Flour is economical, too. When you use it you do not need "special flours" for other purposes—1900 is an all-purpose flour.

To prove the value of Hayden's 1900 we invite you to ask for a sack next time you visit your grocer. Make the tests in your own kitchen.

1900 FLOUR is milled right here in Tecumseh. It is a quality product processed by your neighbors and friends.

O.P.A. REGULATIONS FOR FARM SLAUGHTERERS

Fall is usually a peak slaughter period for farmers. The wartime rationing laws of our country require that persons who sell or transfer rationed foods must collect ration stamps or other ration currency. Rationing means fair sharing of scarce foods. Retailers, wholesalers, farmers and all others who sell or transfer rationed foods must collect points so that all consumers shall share fairly regardless of from whom they buy.

Farmers will register and report on Farm R-1609; these reports must be filled out if you have sold or transferred any meat, lard, butter or cheese in any reporting period (usually a month).

THIS is NOT a SALES TALK!

It is a Straight-From-the-Shoulder Message About Present Day Business

How many times have you gone into your favorite store, whether it be a hardware or a clothing shop, only to find that the merchandise you desired to purchase was "out of stock" or "off the market?"

"We regret," you were told, "that we can no longer obtain that merchandise. It is out for the duration of the war."

If that was not the answer, perhaps the clerk informed you that the merchandise you wanted could not be bought except on priority; that, first, you must obtain a ration permit authorizing purchase.

We have been forced to give such an answer to scores of customers in the past year. Some customers accepted the answer with grace and understanding. Others complained.

We are no different than the average merchant. We dislike very much to be out of stock on any item of merchandise that should be on our shelves. We have guarded carefully for years the reputation that if the item was in our line and could be purchased it would be found in our stock.

Today, things are different.

We are in total war. Our government, our boys in Sicily, Africa and Guadalcanal must have supplies. Their demands come before ours.

It is more important, for instance, that a major portion of our supply of flash lights and flash light bulbs go to the armed forces than to civilians. It is necessary that tools needed to build the implements of war go to war plants rather than hobby shops in civilian basements.

We, in America, are just beginning to learn the meaning of war. We are beginning to learn that war calls for sacrifice, at home and on the battle front.

We are learning that war means the sacrifice of many of our easy ways of life. That it takes men and life.

In our chosen business it is our desire to be of service to every customer who enters our store. We are proud to say that despite the war we still can serve about nine out of every ten with stock from our shelves. We believe that in days of TOTAL WAR such an average is excellent. We see no reason for complaint. We are all in this war until Victory. If it is necessary that ten or twenty per cent of the items we formerly sold must now go to the war front, we say, send them to our boys.

We doubt if many hardware stores are operating today in Naples, Italy.

We doubt if any Italians are complaining because they cannot buy a chrome plated hammer or a pearl handled pen knife.

Some day this war is going to be over and America will triumph. If our sacrifice of our customers will speed up the day of Victory we make these sacrifices proudly and willingly.

We conclude, therefore, that this is our war and your war.

And when this war is over we will be doing business as usual with larger stocks than ever before, with greater values for our customers.

And then, as we did before, we will boast that if the item is in our line it will be found on our shelves.

Used Farm Equipment Is Under Price Ceiling

OPA today added used hay loaders, side delivery rakes and manure spreaders to the list of used farm equipment items which when sold by any persons, such as farmers or auctioneers, are under specific price control. These three items were added to the used farm equipment section in MPR 133 (Retail Prices for Farm Equipment) under which maximum prices already have been established for used combines, corn binders, corn pickers, farm tractors (except crawlers) and motor or tractor operated hay balers.

All complete farm equipment, new or used, when sold by dealers is subject to the provisions of the regulation.

The maximum prices for the three items will be determined in the same manner as are ceilings for the used equipment already covered; that is, 85 per cent of the price of the machine when new if the equipment is less than one year old, and 70 per cent of the price of the item when new if the equipment is one year old or more.

No. 4 Ration Book To Be Issued Here

SCHOOL TEACHERS TO DO THE WORK AT HIGH SCHOOL, OCTOBER 25 TO 28

The Tecumseh schools, together with schools throughout the nation, are again being asked by the Federal government to volunteer their services to do an important rationing job—the distribution of War Ration Book Four. Details of the local program, as released by the office of the superintendent, W. L. Berkhof follow:

The distribution of the new ration book will take place in the high school gymnasium on Monday, Tuesday, Wednesday and Thursday of next week, October 25 through October 28, inclusive. The hours during which the public may apply for books will be from 9:30 a.m. to 11:30 a.m. and from 1:30 p.m. to 5 p.m., daily. Two evening sessions from 7 p.m. to 9 p.m. are also being planned for Tuesday and Wednesday evenings to accomodate any who may not be able to make application during the day.

All applicants for War Ration Book Four are urged to read the following instructions carefully.

1. A single application must be filled and submitted by an ADULT member of a family unit for all members of a group of persons who are related by blood, marriage or adoption, and who regularly live in the same household, including any family members temporarily away from home such as students, travelers, or hospital patients who are away not more than 60 days.

2. Persons living in the same household who are not related by blood, marriage, or adoption must file separate applications.

3. Applications may not be made for inmates of institutions of involuntary confinement, such as prisons and mental hospitals, members of armed forces of the United States or United Nations who receive subsistence in kind, or who are members of officers' messes, or for persons who intend to reside in the United States not more than 60 days.

4. All applicants must present a Book Three for each person named on the application. Book Four will not be issued in the name of any person appearing on the application form for whom a Book Three is not presented.

5. In order that the work of distributing Book Four may be spread as evenly as possible over the four days, local residents are requested to make application for their books, in as far as possible, on the days given in the schedule below.

MONDAY—All residents living north of Chicago Blvd and east of Evans and Mill streets.

TUESDAY—All residents living north of Chicago Blvd. and west of Evans and Mill streets.

WEDNESDAY—All residents living south of Chicago Blvd. and west of Evans street.

THURSDAY—All residents living south of Chicago Blvd and east of Evans street.

The local distribution program is under the direction of Mr. Berkhof, superintendent, who will be assisted in the active administration of the program by George Parsons, local agriculture instructor. The group of registrars who will be responsible for the actual distribution of the books will consist largely of volunteers from the community who have expressed a willingness to donate their time for this purpose. Mrs. K. M. Schneider has accepted the responsibility of enlisting volunteers for the program and she will also assist in scheduling the services of those who will help. A favorable response on the part of volunteers will enable the school to operate as usual during the distribution period.

M-50 REPAIRED

M-50 from Billington's Corners to Tipton is being repaired this week by the county road commission in preparation for the winter months The work has formerly been done by the state highway department but arrangements have been made for the county road commission to do the work.

Navy Day Proclamation Is Issued By Mayor

Navy Day will be observed throughout the nation on Wednesday, October 27th, in patriotic testimony to the brave defenders of Liberty and of our Country, and to help intensify our determination to win this war and restore peace to a crushed world.

This annual observance seems particularly important this year of war, with our Navies and Armies battling desperately around the world.

Therefore, let us, by the observance of this anniversary, demonstrate our devotion to those who have sacrificed themselves and those others who are willing so to do, that all nations may again come to peace and may attain the blessings of liberty that bound here as in no other land.

Given under my hand and the seal of the City of Tecumseh, this 20th day of October, Nineteen Hundred and Forty-three.

J. FLOYD ELLIOTT,
Mayor.

Officers Named By Garden Club

PROJECT OF RECONDITIONING TOOLS TO BE SPONSORED DURING YEAR

Mrs. Lewis Lent was elected president of Tecumseh Garden Club at the final meeting of the season held Friday afternoon at the home of Mrs. F. C. Hanna, Mrs. Lent succeeds Mrs. Neil Pearson to the office Other elected were Mrs. E. G. Palmer, vice president; Mrs. Al Helzerman, secretary; Mrs. Clyde Gillner, corresponding secretary; Mrs. George Parsons, treasurer. The new president then announced as program committee for the coming year, Mrs. R. K. Anderson, Mrs. Stanley Rees, Mrs. R. S. Moore, Mrs. Hanna and Miss Mary McWilliams and Mrs. Charles Kempf as chairman of the flower committee.

A new project, the reconditioning of garden tools, was announced, in anticipation of a shortage of tools next spring and Mrs. Helzerman was named chairman. Mrs. Guy T. Pocklington gave an interesting paper on "Fall Planting of Shrubs" and Mrs. Rees showed a certificate she had received giving her 14th place in the Michigan Victory Garden contest, in which 7000 gardens were entered. Mrs. Rees, whose home is in Monroe county, has retained her membership in the club since leaving Tecumseh She also exhibited some Indian corn which she raised in her garden. In conclusion tea was served by Mrs. Lent and Mrs. Pearson from a table centered with roses and bronze chrysanthemums. Mrs. E. E. Berry and Mrs. Lyman Curtiss were the assistant hostesses.

Guests at the meeting were Mrs. Glenn VanDenbergh, Mrs. George E. Wilson, Miss Agnes McWilliams and Mrs. J. R. Peck of Detroit.

Need Toys For Children In Relocation Centers

Last year many churches and other organizations, including the Tecumseh Friends church cooperated in sending Christmas gifts to boys and girls in War Relocation Projects. The Friends church sent 70 gifts. These American children whose ancestors immigrated to this country from Japan, will this year have their second Christmas away from home, their second Christmas behind barbed wire. Once more the American Friends Service Committee wishes to help carry Christmas to these children. The joy the gifts gave last year to both the children and their parents was something more than the normal happiness of the Christmas season.

The following simple directions should be noted: Select a new gift for a boy or girl of any age from babyhood to 18 years. Put your name and address on a Christmas card. Tie the card to the gift. Do not wrap the gift. It will be wrapped in gift paper at its destination. However gift or tissue paper and ribbon may accompany the gift. Bring your gift to the Tecumseh Friends Church or to the Friends parsonage not later than Sunday, October 25.

ADRIAN TEMPLE GUESTS

The Pythians Sisters entertained the Adrian Temple last Wednesday evening at a pot luck supper. This was followed by the regular meeting when Miss Hazel Hoestfer was initiated into the order. Sixteen were present from Adrian.

During the business session the local temple voted to donate the proceeds of last week's benefit party to the Herald subscription fund for service men being sponsored by the American Legion Auxiliary, turning over $12.45 for the fund. Mrs. R. H. Russell donated $1.00; Mrs. Bert Filter $1.45 and Mrs. S. N. Kring $1.00. The Sisters are also sending Christmas boxes to members or sons of members in service.

New Draft Rule On Farm Labor

SELECTIVE SERVICE BOARD ACTS TO RELIEVE CRITICAL INDUSTRIAL SHORTAGE

Due to adverse weather conditions, both the total acreage and total yield of farm crops have been greatly reduced in Lenawee county in 1943. This has brought about a reduced demand for farm labor to harvest crops.

At the same time, there has developed a critical labor shortage in the industrial plants of the area. For this reason, Selective Service Board No. 1, or the Lenawee Draft Board announces that men on farms through the ages of 18 to 44 inclusive, having 2C or 3C classifications will be released for work in industrial plants for the period from November 1 to March 1 upon the following terms and conditions:

1. A written application for release made to the Lenawee Draft Board, on forms which will be supplied.

2. Crop-share tenants and farm laborers shall obtain the consent of the landlord or the employer to be indorsed on the release.

3. Farm work shall not be neglected nor production lessened during such employment. Slow-downs and sales intended to lessen farm labor may cause cancellation of any release.

4. Sufficient labor units shall be maintained to satisfy the requirements of a 2C or 3C Classification.

5. A "C" man accepting such industrial employment shall not hire other labor or use other labor to do his farm work.

6. Consent of the office of the County Agricultural Agent shall also be indorsed on the release and assignment to particular jobs or plants shall be made by the United State Employment Service to insure a fair distribution of available labor supply. 2C and 3C men above 44 years of age may apply to these two agencies for information.

Lucius E. Putnam, 75, Buried In Brookside

Lucius E. Putnam, aged 75 years, died Thursday night at his home on West Logan street after a long illness. Mr. Putnam was born in Hydetown, Pa., August 11, 1868 and had lived in Tecumseh 13 years.

Survivors are the widow Sadie, one daughter Mrs. Frances Muck of Tipton, one son of Polk, Pa., two stepdaughters in Meadville, Pa., two sisters Mrs. Effie Vosburg of Seagertown, Pa., and Mrs. Mills Coy of Louisiana; two brothers Carl and Walter Putnam of Seagertown, Pa.

Funeral services were were held Sunday afternoon at the Collins Funeral Hme. Rev. Edward Escolme officiated and bearers were Frank Muller of Dundee, Harry Holloway, Frank Muck of Tipton, Harold House of Clinton Perry Hayden and Bert Gray. Burial was in Brookside cemetery.

Among those from a distance who attended the service were Carl and Walter Putnam, Mrs. Elsie Craine and Mrs. Effie Vosburg of Seagertown, Pa., and others from Dundee, Holloway, Clinton, Tipton and the surrounding community.

SMITH-COFFEY

Announcement has been made of the marriage of Miss Mariella Coffey, daughter of Mrs. Grace Coffey of Tecumseh and Sgt. Charles W. Smith, son of Elmer A. Smith of Adrian, which took place October 9 in the home of the Rev. Milton E. Coleman in Adrian, Mr and Mrs. Kenneth Ringman attended the couple. A reception dinner was held later at the Secor Hotel in Toledo.

Sgt. Smith was recently transferred from the west coast to Ft. Custer. After a wedding trip Mrs. Smith will return to Detroit where she is employed by the Bell Telephone Company.

HOME MAKERS MEET

The Harmony Home Makers club held an all day meeting last Wednesday at the home of Mrs. Harold Kempf. Eighteen members attended and pot luck dinner was served at noon. The business session was conducted by Mrs. Wade Hendershot and plans were made to send Christmas boxes to boys from the neighborhood in service. Three boxes were already sent overseas. Red Cross work was discussed and aquila program held.

The November meeting will be held with Mrs. Don Cleveland.

NOW IN MIAMI

GREAT LAKES, ILL.—Jack Osburn, 18, son of Mrs. Purnell Osburn, 315 W. Logan street, Tecumseh, has been transferred to Miami, Fla., after being graduated recently from the Hospital Corps School at the U. S. Naval Hospital here. One of a class of 474 men he is now rated as a hospital apprentice, second class.

Five From Tecumseh Join Military Service

Earl E. Kruger, Harry F. Bickley, Joseph Poley, George Vleck and Robert Hoekstra of Tecumseh are among the latest group accepted for military service from Tecumseh, Kruger and Bickley were assigned to the Army and will report October 30; Poley and Vleck were assigned to the Navy and reported last week; Hoekstra was assigned to the aviation cadets and is on call.

Others from this vicinity are Delmar E. Hardy, Tipton, aviation cadet; Douglas Fairbanks, Britton, Navy; Robert W. Horger, Clinton, army; Jacob R. Stoneburner, army, and Doren L. Renner, aviation, both of Onsted. Horger is the only married man in the local group.

Students Name Class Officers

STUDENT COUNCIL ALSO IS ORGANIZED BY THE UPPER CLASSMEN

Student Council—President Dalton Van Valkenburg; vice president, Douglas Murdoch; secretary, Winona Waldron.

HOSPITAL SUPERINTENDENT ROTARY CLUB SPEAKER

Miss Gertrude Spaulding, superintendent of Tecumseh Hospital, was an interesting guest speaker at the regular meeting of the Rotary Club here, Tuesday evening at Brees House

Miss Spaulding paid special tribute to the Nurse's Aide group assisting registered staff nurses at the hospital, and declared that without their assistance it would be impossible for the institution to operate at its present high degree of efficiency, due to the shortage of nurses because of the war effort. The superintendent also spoke briefly regarding the use of sulfa drugs, telling how they are used to fight infection both at home and at the war front. Sulfa drugs are especially helpful in pneumonia cases, she said, and new uses of the sulfas are being explored constantly.

SERVICE LEAGUE MEETS

The Lyster Junior Service League met last Wednesday evening at the home of Mrs. Wallace Rutherford and made plans to send a Christmas box to a Yank in Alaska. An invitation was accepted to meet with the Westminster Junior League of the Presbyterian church and it was voted to invite the Daughters of St. Peter to join with them in a potluck supper at the parish house October 27.

Mrs. O. W. Laidlaw spoke on "Nutrition and Economical Cooking" and the meeting concluded with a social hour and refreshments.

NOW IN AUSTRALIA

Mrs. A. O. Howard has received word of the safe arrival of her grandson Ensign Charles W. McNeil, somewhere in Australia. Charles enlisted in the Navy medical corps as a parasitologist and expects to be assigned to malaria infested areas. He is the son of Earl McNeil.

Indians Meet Dutchmen Here

GAME TOMORROW NIGHT MAY DECIDE HIGH SCHOOL LEAGUE CHAMPIONSHIP

Coach Fred Raizk will put the Tecumseh Indians through their final paces today, preparatory to the grid game at Recreation Center tomorrow evening with the Manchester Dutchmen, a game that may decide the Indians right to the league championship. The kick-off tomorrow evening will be at 8:15.

"We should defeat the Dutchmen but not without a battle," was Coach Raizk's comment. "We must remember that Manchester has the heaviest line in the league, that the team plays good ball, and that the school is out to clip Tecumseh's chance at the title."

Manchester thus far has won only one league game, but this does not reflect the true worth of the team, scouts declare. They say that Manchester is definitely dangerous and that some of Tecumseh's players who believe tomorrow evening's battle to be in the bag are taking too much for granted. They pointed out that the Indians' cock-sure attitude may prove costly on the playing field.

If Tecumseh wins the game with the Dutchmen and next week defeats Morenci the league title will automatically go to the Indians regardless of the outcome of the Blissfield tilt. Thus far this season Tecumseh has not lost a single game and has been scored upon only once. The game at Morenci next week is not considered a tough one although scouts say that Morenci has learned a lot about football since the first of the season. The game with Morenci will be played there next Thursday afternoon at 3 p.m. Morenci's time is one hour slower than Tecumseh's.

Observers declare that the Indians will run up against their most dangerous opponent in the final game of the season—with Blissfield. That game, too, will be played on the Sugar Boys' gridiron, in the evening, November 5. Blissfield has the heaviest line in the league, averaging more than 180 pounds. Tecumseh's line averages about 155 pounds.

"The Indians have been playing good ball this year and should be able to handle Blissfield," one high school scout said today. "However," he remarked, "I'd advise the Tecumseh boys to clip off the game with the Dutchmen tomorrow and with Morenci next week, if they desire to cinch the title. Obviously anything can happen at Blissfield and a defeat there would cost the Indians the championship unless they win the next two games."

Two-Inch Fall of Snow Here; 2 Ft. Fall at Soo

The first snow of the season, a fall heavy enough to have done credit to a late December day, greeted Tecumseh residents when they awoke last Saturday morning. The storm started soon after 5 a.m., and continued until nearly noon. About two inches of snow fell and the temperature hung around the freezing mark.

Although the weatherman is predicting much warmer temperatures for this area this week-end, reports from Sault Ste. Marie and the Upper Peninsula say that two feet of snow covers the ground in many places. The Soo had its storm over the week-end.

Fund Drives To Begin Nov. 1st.

COMMUNITY FUND JOINS FORCES WITH PATRIOTIC LEAGUE IN CAMPAIGN

A joint campaign to raise $8,000—one half of the amount to go to the Lenawee County Patriotic League, the other half into Tecumseh's Community Chest Fund, will be launched here on Monday, November 1, Wade L. Jones, Tecumseh chairman of the League drive, announced today. The campaign will last for 15 days.

The Patriotic League this year in Tecumseh is seeking far less funds than a year ago when the local quota was $12,800 and the village and township subscribed approximately $15,000. This year, it was pointed out, even with the Chest fund included, the local quota will be only about one-half as much as a year ago.

At a meeting of an interested group of citizens, Monday evening, it was decided to run the local Community Chest drive concurrently with the League's campaign, in that way solicitations will be avoided, and the single campaign will raise all of the money necessary for the War Fund and the local Chest during the year 1943-44.

The money raised in the campaign for the League will be used entirely for war needs, it was explained, while the funds raised for the Community campaign will go to defray the expenee of maintaining the work of Boy and Girl Scouts, the Child Health Study Club and other needs that may arisg throughout the year.

The Community Chest Fund has been organized here as a permanent group and will be incorporated as a non-profit organization. Officers named at Monday's meeting are John R. Thompson, president, George H. Adamson, vice president, and the Rev. Edward Escolme, secretary-treasurer. Others on the board are Robert H. Moore, Perry Satterthwaite, Carl Fosbender and Frank Fairbanks.

"We intend to organize an intensive drive for funds starting the first of the month," Mr. Jones said. "I will announce the committee appointments in The Herald next Thursday and between that time and the starting of the campaign committee heads will have an opportunity to organize their groups. We feel that the drive will go far over the top this year, just as it did a year ago. We hope we can exceed our quota long before the 15-day campaign is over."

Mrs. Nettie M. Smith To Be Buried Today

Mrs. Nettie M. Smith of Detroit, aged 77 years, widow of Horace Smith, residents of Ridgeway and community for many years, died early Tuesday at the home of her daughter Mrs. E. J. Rogers in Deerfield where she had been visiting since Friday. She also visited in Ridgeway last week.

NO INSTANT DEMOCRACY

It is constantly reiterated that the present war is designed "to strengthen the cause of democracy throughout the world."

In a sense, this is true but one should understand that no war can possibly create democratic instincts among people. Our victory can remove from the world the autocratic aggressors and thus protect the development of democracy everywhere. This is about all that can be accomplished by the war.

The vast majority of the people of the world have no conception of democratic government and are without the intelligence and training that is necessary to any effort to establish a democracy. Consequently, neither their experience nor their intelligence will be increased as a result of our warfare.

The easy assumption that all the peoples of the world are clamoring or self-government and a waiting the opportunity to establish democratic governments should not mislead us. The devastation of Germany, Italy and Japan will not of itself, produce democracy in Africa, India, or South America.

Victory over the Axis will secure the liberty and freedom of the peoples of the United States and Great Britain, encourage the development of democracy that is under way in China and Russia and lay the foundation of a world order which will foster and permit the unfolding of freedom throughout the world.

Democracy will not spring into being everywhere just because the war is ended with a peace which provides or the security, the welfare, the rights and the freedoms of the common man. Democracy is a growth which must be nourished and supported by the people before it will bloom anywhere.

IGNORANT MAN OFFERS ADVICE

Man, with his short three score years and ten, is always trying to understand the past and to control the future.

The failure of humanity to profit by the experience of previous generations is lamentable and the effort to control the world to come is ludicrous.

The reader is familiar with several "time capsules" which have been buried in the United States for the purpose of giving a message to the people who will live some thousands of years from this time. One of these capsules was buried below the site of the New York World's Fair.

The futility of seeking to write a message for people to read fifty centuries from now is illustrated by the experience of Dr. Robert A. Millikan, physicist and Nobel Frize winner.

Dr. Millikan, in his original message, warned of the menace of despotism to representative governments. He now writes a postscript, saying that the external threat is not likely to succeed, but that an internal threat, in the form of two great a centralization of power, may destroy a large republic like the United States.

There is truth in the fear of Dr. Millikan but it has bearing for the people of today, not for those of 6943. They will be so far ahead of us in intelligence and wisdom, that our messages will only make plain the relative barbarism of our proud civilization.

COMMUNICATIONS

To the Editor of The Tecumseh Herald:

The American Legion has two little booklets, one of which it feels will be of help to the men in uniform and the other to the folks at home. Post No. 34 of The American Legion of this city wants to present these two publications without charge.

Right after America's entry into the war, national headquarters of The American Legion produced the booklet FALL IN, which could properly be titled "Letters from a veteran father to his son in the service." It is a welcome to comradeship from Legionaires to men just entering the service. More than 4,000,000 copies have already been distributed.

Now our organization has ready for the families of the men in uniform the booklet entitled AT HOME. In AT HOME an attempt has been made by the national organization of The American Legion to provide, in one booklet, pertinent and needed information—something of the nature of a ready reference—to answer some of the problem that may face those at home. The material in this booklet is based upon the experiences which many World War I men and their families underwent in 1917-18 and later during the period of demobilization and its adjustments through which we all went when we returned to our homes.

If you have a member of the family going into the service soon just send his name and address to M. J. Watkins, Post Commander of American Legion Post No. 34, whose address is 145 E. Chicago Blvd., Tecumseh. He will be glad to present a copy of "FALL IN" to the new service man. And to the folks left behind, the Commander will present a copy of the booklet AT HOME. The local Post of The American Legion wants to be of all the help it posibly can.

Commander, Post No. 34

Protect Your Credit With a Checking Account-

A checking account, you know, is one of the finest possible ways to protect your credit. It does three things:

1. It permits you to pay your bills promptly, easily and in a manner that furnishes you with a receipt from your creditors.

2. It says silently to your creditor that you go about your bill-paying in a business like manner.

3. It furnishes you with a detailed report of your expenditures at the end of each month, permitting you to more easily budget your income.

If you do not have a checking account we invite you to open one. Ask us for complete details.

THE OLD JUDGE SAYS...

"You were absolutely correct in making the statement you did, George...*not a drop of whiskey has been distilled in this country in over a year.*"

"That's what I told the boys down at the lodge, Judge, but they were so surprised I thought maybe I was wrong."

"No you weren't, George. The truth of the matter is that a year before Pearl Harbor, the beverage distilling industry voluntarily offered its facilities to the government. Many companies started to produce alcohol for war purposes almost immediately. And just as soon as the government's requirements increased, the distilling facilities of the entire industry were converted 100% to the production of war-alcohol and *nothing else.* As a matter of fact, the beverage distilling industry is producing about half of the government's needs for this vital war material. And that's a 24 hour a day, 7 day a week job, George."

"I'm glad I told you about my talk with Sam, Judge. You've given me a lot more facts on that subject."

Snow May Frost Your Roof But Have a Heat-Tight Home

Though the thermometer may drop to zero or below, you can maintain a comfortable, healthful temperature in your home—without wasteful use of fuel—if you have adequate insulation.

This year, with fuel coming in slowly, it behooves every homeowner to make his fuel do double duty. This you can do through proper attic insulation; storm sash and storm doors.

Let's all cooperate for Victory by conserving our vital resources. You will be doing just that if you conserve fuel—whether it be coal or oil.

Truck Ceiling Price Changed

OPA announced today that ceiling prices for "as is" trucks and commercial vehicles have been revised. These revised ceilings are contained in a complete revision of the existing price regulation on used trucks and commercial vehicls which will be known as Revised Maximum Price Regulation 341. Changes accomplished by the revision of percentage tables will result in wider margins for dealers, selling vehicles with a warranty and for "good clean" used trucks of the 90 to 26 per cent of "value when new" prices spread over a period of six years, the revision now provides for top "as is" prices ranging from 92 to 33 per cent over a period of 10 years.

A second step revised the warranty provisions so that a dealer can sell with a warranty any vehicle "in good operating condition." The life of the warranty, the trade's usual practice in this matter, has been established at 30 days or the first 1,000 miles. The allowance for the warranty is automatically increased.

A new feature effective September 15, 1943, prescribing a method for checking sales is also contained in the action. Under this method, dealers and individuals making used truck sales will be required to complete a certificate of transfer. The details of the sale, including the maximum price and the selling price, will be stated on the certificate, and seller and purchaser must certify that the selling price stated is the selling price actually paid and that it is not in excess of the maximum price under the regulation.

The certificate of transfer will be filed with the local War Price and Rationing Board. Supplies of certificates will shortly be on hand at the rationing board fo this purpose. It will be impossible for the rationing board to issue gasoline ration books for a vehicle until this certificate has been filed.

OBITUARY

NELSON M. HOEKSTRA

Nelson McClure Hoekstra, oldest son of Mr. and Mrs. Frank Hoekstra, was born February 7, 1922, in Ann Arbor, Michigan. He attended Tecumseh schools and graduated with the class of 1939, then taking a post graduate course until his 18th birthday ,when he took a position with Tecumseh Products Co., where he remained until his induction into the army October 10, 1942. He was in training in various camps, the last one being Ft. Knox, Ky., where he was promoted to Technician 5th grade.

MAURICE F. HOEKSTRA

Maurice Frank Hoekstra, second son of Mr. and Mrs. Frank Hoekstra, was born April 6, 1923, in Tecumseh and attended the local schools. In June 1942 he enlisted in the Navy at San Diego, Calif., and was sent to Hemphill Institute in Los Angeles for his first training. After going to various training stations he was placed as Fireman on the U.S.S. St. Augustine.

Both boys attended the Friends and later the Baptist Sunday school and on Easter morning, 1936, both were baptized and became members of the Baptist church. Their deaths occurred September 26, 1943.

Besides their parents they leave two brothers Robert and Bruce; a sister Jane and a grandmother Mrs. Anne McClure all of Tecumseh; two grandfathers John Hoeksstra of Grand Rapids and J. E. McClure of Morenci, also a number of uncles, aunts and cousins and a host of friends.

Double military funeral services were held September 29 at the Collins Funeral Home, Rev. O. V. Robinson and Rev. Edward Ecolme officiated and bearers were Warren Puffer and Aaron Manwaring of the U. S. Army; Henry Karl Smith and Russell Gove of the U. S. Navy; Ronald and Donald Mackenaturn. Burial was in Brookside cemetery where services were conducted by Underwood-Orr Post, American Legion.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Dear Friends:

I have very little time in which to do much letter writing, but I am going to take just a few minutes of my noon hour to drop you a short line.

You know doubt know through my mother, in what part of the country I am situated. It is with the thought that my mother has told you, Mrs. Staulter, that I say this.

This country is just the opposite of the country that my very good friend, Jon Young, told you about in one of his recent letters published in The Herald. It is a jungle life out here. And it is just as it has been shown in moving pictures. There are thousands of lizards, and different types of wild life. And there are even the swinging vines which I used to see in moving pictures, of Tarzan. I sometimes wonder if some of these dough boys and we sailors aren't turning natives, when I see them swinging on the vines.

One bad thing about this land, is the mud, I don't believe I've ever seen so much mud, before, in my life. It is always about six inches deep. And we are just beginning with the rainy season. I wonder what it will be like then!

As to the beautiful moonlight, southsea island, nights; well we don't especially care for them. But it does cool off at night so that it is very nice sleeping. That is if circumstances permit.

The morale of most of the fellows is very good. And I know that myself and the largest share of the sailors, soldiers and marines have faith, which keeps up this morale.

My main reason for dropping you this line, is to send you this little poem written by an anonymous person on this Island. I thought that it was very well worded and shows that people at home have little to complain about. Although it isn't as bad here as it states, it is in the many places where other fellows are doing their share for our wonderful country.

A Serviceman's Answer

So you're sick of the way the country's run,
And you're sick of the way the rationing is done
And you're sick of standing around in line,
You're sick you say—well, that's fine.

So am I sick of the sun and the heat.
And I'm sick of the feel of my aching feet,
I'm sick of the mud and the jungle flies,
I'm sick of the stench when the night mists rise.

And I'm sick of the siren's wailing shriek,
I'm sick of the groans of the wounded and weak,
I'm sick of the sound of the bomber's dive,
And I'm sick of seeing the dead alive,

I'm sick of the road, the noise, and the din,
And I'm sick of the taste of food from a tin,
I'm sick of the slaughter—I'm sick to my soul,
And I'm sick of playing a killer's role.

I'm sick of all this blood, death, and hell,
And I'm even sick of myself as well,
But I'm even sicker of the tyrant's rule,
In conquered lands where the wild beasts prowl.

And I'm cured damn quick, as I think of the day
When all this hell will be out of the way,
Then none of this mess will have been in vain,
And the lights of the world will go on again.

Then freedom will ring from shore to shore,
And the kids will laugh from the streets once more,
And the Axis flags will be dipped and furled,
And God will look down on a peaceful world . . . . .

Well, it is time for me to return to my work. Hoping that our swell little town and its inhabitants are all well and fighting hard for a wonderful and peaceful country. Till we meet again I remain.

Shell For Ducks or Shells For Japs?

This year, all kinds of ammunition is very scarce. We will have some, however, if it is at all possible.

The reason ammunition is scarce hardly needs explanation. We are at war. It is much more important that shells be used by the military than by sportsmen.

So, if we are out of shells when you come in, you'll understand why.

CAN VITAMINS CHANGE GRAY HAIR?

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—88% of those tested had positive evidence of a return of some hair color.

● Now thousands use GRAYVITA, which contains 10 mcm. of Calcium Pantothenate (the tested amount) PLUS 450 U.S.P. units of B1. Try GRAYVITA, 30 day supply, $1.50, 100 days, $4.00. Phone, Write

80 Years of Experience Has Taught Us Many Things

Each day, 'tis true, you learn many things—and in the more than 80 years that this firm has been in existence we have amassed a world of knowledge and experience in the grocery business.

And today that experience is of great value to us and to our customers. for example, we have learned where to buy and when to buy for the greatest quality and economy. And we have learned that passing these economies along to the housewife has increased our list of satisfied customers.

Each week, more and more people are finding that it pays them to shop here—where quality is never sacrificed for a few pennies.

"Anybody hurt?"

"Fortunately no. I guess the driver had 'one too many'."

"How many is 'one too many'?"

"A good rule is never to drive even after one drink. By the way, I saw a liquor advertisement the other day claiming that the first six years of repeal showed 12% less deaths from auto accidents than the last six years of prohibition.'

"I saw that too, so I looked it up. The National Safety Council on page 82 of Accident Facts (1941) shows there were 28,541 more deaths in that repeal period than in that prohibition period."

"Were there other figures?"

"In 1940 and 1941 there were approximately 75,000 auto fatalities reported, 19,000 more than in any two years of National Prohibition."

"If the saloon crowd were honest instead of using arguments twisting figures like this, it would say:

"We want to keep legally in the profitable business of starting non-drinkers to drinking, moderate drinkers to drinking more, and keep the drunkards satisfied."

"Well, anyway, that would be the truth."

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER FIVE | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 28, 1943 | FIVE CENTS PER COPY

Fund Campaign Begins Monday

TECUMSEH SEEKS $8,000 FOR PATRIOTIC LEAGUE AND COMMUNITY CHEST

Tecumseh's campaign to raise $8,000 for the Lenawee County Patriotic League and the local Community Chest will be officially launched on Monday, November 1, and will continue for 15 days, Wade L. Jones, general chairman, said today.

"As executive chairman," Mr. Jones said this morning, "I have named the committees that will have charge of the drive in this area. I believe that we can wind up the campaign in two weeks, and that Tecumseh this year, as a year ago, will go far over the top."

A year ago, for the Patriotic League alone, Tecumseh subscribed approximately $15,000. This year, with half of the money remaining at home for the Community Chest, the total quota here is approximately one half of last year's gift.

It was decided a week ago to run the local Chest campaign concurrently with the League drive and thus eliminate the need for two campaigns. Of the $8,000 local quota, $4,000 goes to the League and $4,000 to the Chest. Funds locally will be used to support Boy and Girl Scout activities, the Child Health Study Club's program and for such other needs as may arise.

The following committees have been appointed by Mr. Jones.

Business District: Yale Kerby, C. A. Barber, A. L. VanWinkle, L. C. Jacokes, Fay Whelan, Guy E. Belding, C. E. Drewyor, C. M. Gilman.

Residence District: Mrs. L. A. Carlson, chairdman.

Northwest Quarter: Mrs. Albert Bagshaw, Mrs. H. H. Hammel, Mrs. Virgil Tucker, Mrs. Harold Naser, Mrs. J. R. Thompson, Mrs. Alta Lidke, Mrs. Theodore Ehinger, Mrs. Chester Beach, Miss Ethel Garlinghouse.

Southeast Quarter: Mrs. Edna Helzerman, Mrs. Carl Thompson, Mrs. Fred Marsh, Mrs. Harold Sisson, Mrs. J. Floyd Elliott, Mrs. George Elliott, Mrs. Russell Thurlby, Mrs. William Barnes.

Northeast Quarter: Mrs. D. F. Wright, Mrs. Ray Sluyter, Mrs. J. W. Spafford, Mrs. Roland Mohr, Mrs. Robert Gillespie, Mrs. Leo Alderdyce.

Southwest Quarter: Mrs. J. Paul Ammer, Mrs. C. F. Sage, Mrs. L. S. Schneider, Mrs. Clyde Bailey, Mrs. L. C. Jacokes, Mrs. Harold Wilson, Mrs. James Freckleton, Mrs. J. W. McLaughlin.

Brownville: Mrs. H. B. Lewis, Mrs. Frank Beal.

Teachers: Miss Margaret Roberts, Mrs. B. J. Updike, Mrs. Walter Pfaus.

Hospital: Mrs. F. J. Smith, Mrs. G. A. Rathbun.

Township committee: L. A. Titley, chairman, Mrs. J. W. Smith, Mrs. Edward Aebersold, Mrs. Garland Gove, Mrs. Ernest Harris, Mrs. Laura Billington, Mrs. L. L. Sisson, Fred Sheldon, Williford Waldron, Fay VanValkenburg.

Industrial committee: Tecumseh Products Co., Carl Foebender; Bruce Foundry, Paul Mack; Ford Hayden Mill, Fred Fairbanks; Quaker Oats Co., Don C. Nixon; Meyers Aircraft Co., Allen Meyer; H. Brewer & Co., John Austin; Time Laboratory, George H. Adamson, and Bert Folk Machine Shop, Bert Folk.

Advising and publicity, Earl L. Wickwire and Earl H. Bryan.

A meeting of the entire solicitating committee for the residence district will be held Friday afternoon, November 5 at 2 p.m. at the Red Cross Room for the purpose of distributing kits.

HARVEST HOME SERVICE PLANNED BY FRIENDS

The tenth annual harvest home day of the Tecumseh Friends Church will be held Sunday, October 31. As in previous years the church will be decorated with flowers, fruit, vegetables, and canned goods. All the contributions of farm and garden produce will be given to Cleveland Bible College. The motto of the harvest home day is: "No offering too small—no offering too large."

All desiring to make a contribution are asked to bring it to the church as early as possible on Saturday, so that it may be used in the decorations. Harvest festival services with the churches so decorated are an English custom which is quite generally observed by churches and chapels in England. The public is invited to these services whicr will be held at 10 a.m. and 7:30 p.m.

FOOTBALL DINNER

The football squad and cheer leaders and Coach and Mrs. Fred Raizk were entertained by Mr. and Mrs. C. W. Howe and Mr. and Mrs. Yale Kerby Friday evening at a dinner after the football game.

Ration Books Issued to 2800

TODAY IS LAST DAY TO GET BOOKS FROM BOARD AT THE HIGH SCHOOL

More than 2,800 people have received their No. 4 Ration book from the War Price and Rationing Board, at the high school, it was announced last night at the office of Superintendent W. L. Berkhof. The board will continue issuing books until 5 o'clock this afternoon. After that time, all books must be obtained through the county office at Adrian.

It was originally believed that 3,500 ration books would be issued here but indications last night were that that number would be exceeded. The board spent a busy evening yesterday and expected its busiest day today.

"We have issued books at the rate of about 950 a day," Mr. Berkhof said, "and if we do as well today we will exceed the 3,500 figure."

The registration and isuance of the books is technically in charge of Mr. Berkhof. He is being assisted by teachers and a group of women from this area who are contributing their time to the war effort.

Indians Ready For Bulldogs

GAME AT MORENCI THIS AFTERNOON CAN DECIDE LEAGUE CHAMPIONSHIP

Will Coach Fred Raizk's Tecumseh high school Indians defeat the Morenci Bulldogs in a game on the gridiron in that city this afternoon? If they do, Tecumseh holds the undisputed League championship. If they do not, then the championship game will be played a week from Friday at Blissfield.

It appears, however, to be a safe bet that the Indians will take Morenci game, which will be played this afternoon at 3:30 Morenci time, 4:30 Tecumseh time. Notes from football dopesters' books show the following:

Tecumseh has won every game it has played this year in the League, including Clinton, Morenci has lost all but one game it has played, including its game with Clinton, last week, when the score was 18-6. Tecumseh has improved its playing since its Clinton game and critics believe that the Morenci tilt should be little more than a push-over for the Indians. However if the Indians go to Morenci with too much certainty, anything is likely to happen. It is this cocksure spirit that Coach Raizk is fighting.

In the last home game of the season last Friday, the Indians defeated Manchester at Recreation Center by a score of 21 to 0. Tecumseh held the upper hand throughout the game despite the fact that the Dtutemen put up stiff opposition with an extremely heavy line. The Indians made two touchdowns in the opening stanza and scored another in the final quarter. Fullback Cliff Jackson was the spearhead for the Indians' plays, dividing scoring honors with Osburn and Bob Baker.

The last game of the season will be played next week Friday night at Blissfield. The Sugar Boys has won only one game this season but they are considered the most dangerous opposition for the local team.

ROTARY CLUB MEETS

A series of impromptu speaches by members of the club consumed the regular program time at the Tuesday evening dinner meeting of the Tecumseh Rotary Club, at Brees House. Kids Promised 'Spooks' Party

CIDER, DONUTS OUT BECAUSE OF WAR; NOVEMBER THEATRE PARTY INSTEAD

The war has made it necessary for the Rotary Club and the Village of Tecumseh to call off its customary cider and donuts party for the children here on Halloween, Wade L. Jones, village clerk, said today, but if the youngsters remain on "good behavior" on Spooks Night, he declared that they will be the guests at a theatre party, early in November, instead.

"We had hoped to have the customary Halloween party this year, with a parade, bonfire, cider and donuts," Mr. Jones said, "but because of the war we are unable to get the fats to fry the donuts and cider is out of the question. However, we do not intend to let the youngsers down, and we are planning to stage a theatre party within the next two weeks, the exact date to be announced later.

"The theatre party will be given," Jones said, "if the children refrain from damage on Halloween including the soaping of windows and cars. Heretofore," he declared, "there has been no pranks locally when a party were given. However, because of the war, the theatre party must be a substitute. I believe," he concluded, "that the youngsters will grasp the patriotic spirit and cooperate with us in making Halloween in Tecumseh in 1943 a quiet affair."

The theatre party, to which all school children will be admitted free, will be announced just as quickly as arrangements can be made.

"But," Mr. Jones concluded, "it will depend upon the cooperation of the children on Spooks Night whether or not the party will be given."

RACE TO STAY AHEAD

Sir Arthur T. Harris, head of the British Bomber Command, says that the "entire war in the air is a race as to whether we or the Germans keep sixty days ahead in scientific and technological developments."

Undoubtedly, there is some basis for the observation of this veteran commander of aerial forces. The Germans are desperately seeking to neutralize the aerial offensive. They have introduced a radio-directed, bomb-dropping glider, a plane rocket gun and "an air-to-air" bomb, dropped on bomber formations from planes flying overhead.

The use of these weapons present some problems to our aerial commanders but there is no indication that they will be able to halt the devastation of German industry and bases.

The reports indicate the serious nature of the contest that is going on between scientific technicians of the countries at war. The discovery of new principles of science, involving radio, sound of electro-magnetic waves for the remote control of weapons, will play a great part in future warfare.

It is hardly likely that the course of the present struggle will be altered, however, by the application of any such discovery.

GIVING AWAY $2,000,000,000

There was a time when the income of the Federal government was about a billion dollars a year. It was the year of 1917, just as the nation was about to become involved in the first World War.

The chances are that there were people in 1917, as in 1943, complaining about the burden of taxation.

It is rather remarkable, in view of this state of mind, that the people of the United States, in 1943, have voluntarily given more than $2,000,000,000 to philanthropic, charitable and patriotic causes. This is the estimate of John Price Jones, fund-raising counsel and editor of the Yearbook of Philanthropy.

Viewed from any angle it is a magnificent tribute to the generous nature of the American people that they have freely and of their own accord taxed themselves this year for an amount far exceeds the total federal budget in the early years of this century.

It is somewhat surprising to learn that statistics for 1941, the latest year available, reveal that three-quarters of the money given away by individuals came from persons with incomes below $5,000-a-year. This year, it is stated, the great bulk of the total will also be contributed by persons in the same group.

FEWER MARRIAGES LIKELY IN MICHIGAN IN 1943

Fewer marriages may be recorded in Michigan this year than in any like period since 1939, according to state health department figures. June marriages, this year, fell below five thousand for the first time since 1938, the total having been 4,910.

All-time high in Michigan marriages was registered last year, a total of 51,585. On the basis of six-month figures, this year, the 1943 total will drop below 40,000. In the first six months, this year, 19,881 marriages were recorded.

Decline in marriages this year is believed to reflect the steady transfer to military services of men from civil life.

THE OLD JUDGE SAYS...

"Just dropped by to tell you, Frank, I had a fine letter from your son, Joe, this morning. Mighty nice of him to take the time to write me... I know how busy they keep the boys. That's a fine camp he's been transferred to up in New England."

"Yes, Catherine and I had a letter this morning, too. Said he was writing you... he's very fond of you, Judge. Catherine is certainly proud of Joe and proud of the great Army he's a part of."

"She has good reason to be, Frank. Joe is one fine fellow and the Army he's in is the best disciplined, best behaved in our history. Just last night I was reading an article that quoted a report signed by five chaplains in the very camp where Joe is now training. I remember their exact words which were "there is no liquor problem at this Post." And I understand that's true in camp after camp all over the country. And if Catherine would like to see that report, I'll drop it off at the house tomorrow."

Replace Your Screens With Storm Windows

There's no place like home—if that home is cozy and warm when the air is ice-crusted outside. You can manage it and save fuel, too, by keeping the heat in this winter.

Arrange with us for storm windows and storm doors for your home. You'll be surprised how much fuel you'll save, to say nothing to the comfort and satisfaction.

Storm windows, contrary to some opinion, are inexpensive. So are storm doors. They'll pay their own way through fuel savings.

How about insulating your home. It can be done easily and with very little expense. Insulation, you know, will pay for itself in three years through fuel saving.

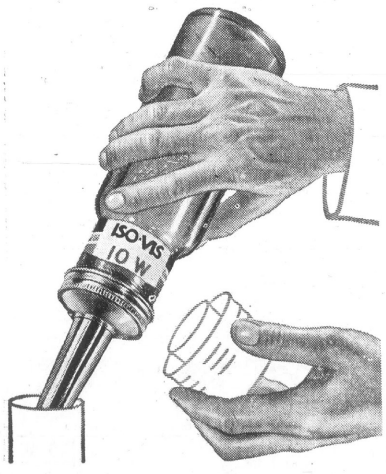
Q. Why should oil be changed every two months or at 1,000 miles—whichever comes first?

A. Your car produces nearly 1 gallon of water per gallon of gas burned. Short-run driving fails to expel all this water. Some gets into the crankcase and contaminates any oil—especially in cool and cold weather.



*Here's your easiest-on-the-battery motor oil!

THE CUE for motor oil selection *this* fall is—*save that battery, protect that engine, stretch those gas coupons.* Change to Standard's famous Iso-Vis 10 W, the fastest starting, easiest-on-the battery 10 W motor oil you can buy.

At today's reduced speeds, oil consumption is greatly reduced, but *batteries are older.* Under rationed driving, they recharge less, run down faster. Too-heavy oil increases battery drag, endangers the motor when starting cold, wastes gasoline.

Iso-Vis 10 W gives instant lubrication, yet stays tough under heat—gives full engine protection. Get it today. And make an early appointment with your Standard Oil Dealer for complete winter-conditioning . . . weekdays, if you can, please.

Yes, We Have It If It Can Be Found

You'd be surprised how many items you think are off the market can be found right on our shelves.

Don't give up in despair—don't believe you can't buy something until you try our store.

The war has brought about many substitutes, many of them equally as good as the originals.

In war as in peace, our store is a good bet on most items.

The Coal Situation

Mr. H. A. Gray, Deputy Solid Fuel Administrator, Mr. Ickes, and Mr. Eastman, have ordered the coal mines to ship 95 per cent of their production to the following:

1. Military Requirements, including 200,000 tons per month for Italy.
2. To iron ore boats docking at harbors like Toledo, Sandusky, etc. This coal is billed to cities on the Great Lakes like Duluth, Superior, Marquette, etc., that are unable to receive coal by rail, on account of the long rail haul and scarcity of coal cars.
3. Mitallurgical plants (coke ovens, etc.)
4. Defense plants and retail yards not located on the Great Lakes, the latter to receive only 5 per cent of present production.

As soon as the Great Lakes shipping season ends, coal will move more freely to inland coal dealers. Until then, we are forced to limit our deliveries to each customer, but will do our best to keep you in coal. Please co-operate with your Coal Dealer.

"1900" FLOUR Was Grandma's Choice

We were talking to a young cook the other day and she told us that Hayden's 1900 Flour had been a standard in her home for three generations.

We were not surprised. We know of hundreds of homes in Lenawee county that have used Hayden's Flour exclusively for scores of years.

Hayden's 1900 Flour made grandma's cookie jar popular. It's as good today or better than it was then.

The next time you order flour, ask for Hayden's.

The Average Housewife Has a Defense Job, Too

Running a home, budgeting the income, feeding a family and familiarizing herself with rationing makes the average housewife a busy woman. Not only must she be a good cook, she also must be a manager and a bookkeeper.

Our job is to remove a part of her burden by furnishing her with foodstuffs that are filled with quality, nourishment and vitamins, and at the same time sell them to her at a price she can afford to pay.

And that's the job we are doing, day after day. We're happy to be of service to our customers in any way that we can.

TO THE WOMEN OF AMERICA

NO WHERE has the TELEPHONE been considered so much a part of the home as in America.

NO WHERE has the TELEPHONE been used so extensively in the social and business conduct of the community as in America.

NO WONDER it has been so difficult to curtail the use of the TELEPHONE as during this emergency. BUT . . .

NO ONE has contributed more to keep the lines of communication open and to winning the war than the women of America.

NO ONE will appreciate your continued cooperation more than the armed men and the defense workers of the Nation.

NO ONE offers you greater thanks than your TELEPHONE Company.

How Many Boys From TECUMSEH won't come back?

NOBODY knows the exact number. Nobody. But—The number who do come back—on their own two feet instead of in a flag-draped box—will be in *exact proportion* to the job we do here at home.

For every minute that *we* can help shorten the war will mean *more* lives saved. (213 Americans were killed in the final day of the last war, and 1,114 were wounded before the 11:00 o'clock Armistice took effect.)

Now one way all of us can help shorten the war is to tighten our belts and buy more War Bonds. Yes, *still* more. And . . .

If you think you're buying all the War Bonds you are able to, imagine—for a minute—that it's after the war . . .

. . . you're standing at the station . . . a bunch of home-town boys, still in uniform, climb off the train . . . one of them kisses his wife and grabs his kid in his arms . . .

. . . and then he turns to a young woman beside them, a girl who looks like his wife's sister, and you overhear him say . . .

"Catherine, I don't know how to tell you how sorry I am . . . it's such a shame about Joe . . . it makes me sick all over when I think how he'd be here today if the war had only ended a week sooner."

Think it over. Can't you buy a few more War Bonds to help end the war that week or month sooner? Sure, it may mean giving up something, but what's that compared to what *they're* giving up? And remember, always—*The money you "can't spare" may spare a soldier's life!*

More Pork when hogs are kept on sanitary CONCRETE

A sure way to increase your pork production is to keep pigs on concrete from farrowing to market time.

One farmer who does this reports: *"My first crop is gone to market by the time the second is farrowed . . . average weights around 275 pounds at six months . . . 100 pounds of pork with 300 pounds of feed."*

Hog floors are only one of many improvements that will make your farm more efficient and productive. A new barn floor, poultry house, milk house, milk cooling tank, manure pit or watering trough costs little to build with concrete and will last a lifetime.

Concrete farm jobs require a minimum of critical war materials. Many jobs need just a few bags of cement, and some sand and gravel or stone.

If you need help, get in touch with your concrete contractor or building material dealer. Let us send you free "how-to-build" booklets.

Check booklet subject, paste on penny postal and mail today.

CAN VITAMINS CHANGE **GRAY HAIR?**

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 25 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—88% of those tested had positive evidence of a return of some hair color.

● Now thousands use GRAYVITA, which contains 10 mgrm. of Calcium Pantothenate (the tested amount) PLUS 350 U.S.P. units of B1. Try GRAYVITA. 30 day supply, $1.50. 100 days, $4.00. Phone, write

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER FIVE | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 4, 1943 | FIVE CENTS PER COPY

League-Chest Drive Started

CAMPAIGN IS PROGRESSING SATISFACTORILY, WADE L. JONES, CHAIRMAN, SAYS

The Lenawee County Patriotic League and Tecumseh Community Chest Drive, operating simultaneously—you give once, you give to both—is progressing satisfactorily and will be concluded on November 15, Wade L. Jones, general chairman, said today. The quota fixed for Tecumseh is $8,000, one half of the sum going to the Patriotic League, the other half to the local Community Chest.

"We are started our campaign in some of the industries, and we will reach the others within the week," Mr. Jones said. "Our house-to-house solicitation probably will start next Wednesday, but we are well organized and this can be done very quickly. I am of the opinion that we will go over the top in the drive this year by the 15th, and that we will be able to make our report to the county soon after that date."

Tecumseh's quota in the campaign this year is approximately one-half the amount subscribed a year ago when $15,000 was raised. This year, too, one-half of the $8,000 remains in Tecumseh to be used for the benefit of Boy and Girl Scouts, Child Health Study Clubs and other needs.

A contribution to the Patriotic League, which is a county organization, is a gift to all worthy war funds. Thus, when a gift is made to the local drive this year the money is allocated to all organizations.

Halloween Show Here Thursday

VILLAGE SAYS "THANKS" TO YOUNGSTERS AND INVITES THEM TO A FREE MOVIE

"Thanks for no pranks."

That's what the Village of Tecumseh said in act to its younger generation today when it announced through Wade L. Jones, clerk, that some 600 children of school age would be guests at a free motion picture show at the Strand Theatre next Thursday evening at 7 p. m. "Honeymoon Lodge," with David Bruce and Harriett Hilliard, and "Here Comes Kelly," starring Eddie Quillan and Joan Woodbury, will be the features on the double bill.

The theatre party is the result of a prankless Halloween observed last Saturday in Tecumseh. The village this year, because of the war, called off its usual cider and donuts party, but told the youngsters that if there was no damage a theatre party would be in store.

Mr. Jones said that the theatre would be opened for the free admission of all school children in the village above kindregarten age, including students at the Ford school. W. L. Berkhof, superintendent of schools, said that more than 600 youngsters would be eligible.

The expense of the party is borne by the village and the Rotary club.

POMONA GRANGE

Lenawee County Pomona Grange is holding an all day meeting today at Tecumseh Grange hall, with business session opening at 10 o'clock, followed by dinner at noon and an afternoon program open to the public.

The program will include selections by the Tecumseh high school chorus under the direction of Mrs. Dorsty McColl; selections by the Tecumseh Grange quartet; entertainment by North Adrian members; a play by women of Tecumseh Grange.

During the business meeting annual reports will be given; newly elected officers will be installed and a report of the state grange convention will be given.

ON INSTITUTE PROGRAM

Dr. Norman MacNaughton, Mrs. O. W. Laidlaw and George E. Parsons, all of Tecumseh took part in the program at the regional teachers institute in Jackson Friday. Dr. MacNaughton spoke on the subject "Guidance of Young Children in War Time"; Mrs. Laidlaw served as chairman of the home economics section meeting and Mr. Parsons discussed "Co-ordinating F. F. A. and 4-H Club Activities" before the agricultural group.

HUSBANDS GUESTS

The Ladies Activity Club members will entertain their husbands tonight at dinner at the Brees House, which will be followed by an entertainment in the lodge hall where each couple may invite another couple as their guests.

For all sizes of Red Cedar fence posts call R. S. Moore & Son Co., Phone 149. adv.

25 Are Accepted For Grange Membership

At the regular meeting of Tecumseh Grange held Thursday evening, 25 names were accepted for membership. The program was in charge of Mrs. M. Partridge and refreshments were served by Mr. and Mrs. Charles, Patterson and Mr. and Mrs. Melvin Bishop.

A Hallowe'en party and dance was enjoyed at the hall Saturday evening. Randall's orchestra furnished the music and refreshments were served.

Plans for the Grange to go to Tipton Friday evening have been cancelled due to inability to obtain an installing officer for that date.

Schools Change Time on Monday

NEW SCHEDULE, EFFECTIVE NEXT WEEK FOR WINTER, ANNOUNCED BY MR. BERKHOF

The new time schedule for the Tecumseh public schools, effective on Monday, November 8, and continuing throughout the winter, was announced today by W. L. Berkhof, superintendent. The time change is necessary, the superintendent said, to permit students to go to school in the morning during daylight hours.

The schedule as announced follows:

Branch Buildings

(With minor variations in dismissal time for the Kindergarten)

Morning session, 9:30 a.m. to 11:55 a.m.

Noon recess, 11:55 a.m. to 1:15 a.m.

Afternoon session, 1:15 p.m. to 4:00 p.m.

Central Buildings

Morning session: Grades, 9:00 a.m. to 11:50 a.m.; Junior-Senior High, 9:00 a.m. to 12:00 noon.

Noon recess, 12:00 noon to 1:00 p.m.

Afternoon session: Grades, 1:00 p.m. to 4:00 p.m.; Junior-Senior High, 1:00 p.m. to 4:30 p.m.

Garden Club Presents Monday Club Program

Tecumseh Garden Club presented the program at this week's meeting of Tecumseh Monday Club with Mrs. B. J. Pulver as chairman. The program, which opened with an introductory talk by Mrs. Neil Pearson, consisted of a paper on "Roses" by Mrs. L. B. Lindbert; "The History of Gardening" by Mrs. Lewis Lent; piano solos "To a Wild Rose" (MacDoell) and "Country Gardens" (Percy Grainger) by Mrs. W. G. Waldron; pictures in color of English gardens, taken by Mrs. Waldron on her trip abroad; vocal solos "Bob White," "The Robin", and "Whip-Poor-Will" by Mrs. R. S. Moore; current events by Mrs. Al Helzerman.

Mrs. Clarence Fisher conducted the business session and appointed Mrs. Pulver, Mrs. J. Morse and Mrs. Faye Van Valkenburg, as a committee to collect clothing for the Children's Foundation Inc., in Detroit. Miss Ethelyn Garlinghouse gave a report of the Southeastern Federation convention, and brought the request of the federation that the Monday Club be given credit for all war bonds purchased by members during November, as the Government will credit them toward a Michigan Federation bomber.

Mrs. Faye Van Valkenburg, Mrs. W. J. Morse and Mrs. Alan Bell are recent new members of the club.

3472 RATION BOOKS ISSUED AT SCHOOL

W. L. Berkhof, superintendent of schools, said today that 3,472 ration books were issued by the War Price and Rationing Board at the public schools here, last week. While the work of issuing the books was under Mr. Berkhof's supervision, teachers and civic minded women of Tecumseh cooperated in the program, Mr. Berkhof today expressed his thanks to all those who aided in the work.

SORORITY PLEDGE

Miss Mary Wickwire, a sophomore at Adrian College, was pledged to the Delta Delta Delta sorority at a formal service held in the Delta rooms in South Hall at the college Monday evening. Four other students at the colege also were pledged.

POSTOFFICE TO CLOSE

P. A. Bowen, postmaster, announced today that the Tecumseh postoffice would be closed all day on November 11, Armistice Day. There will be no incoming or outgoing mail, he said.

TAVERN SOLD

Russell's Tavern has been sold by Floyd Russell to D. A. Balbak of Hudson who took possession November 1. The business will be known hereafter as Dan's Tavern. Mr. and Mrs. Balbak will move to the apartments over the Tavern.

Scarlet Named As Rector Here

JACKSON MINISTER WILL SUCCEED REV. MR. RODDA AT ST. PETER'S

The Rev. John W. Scarlet, assistant rector of St. Paul's Episcopal church, Jackson, has been chosen as rector of St. Peter's Episcopal church, Tecumseh, and will assume his new office on December 1, Lester Rogers, senior warden of the church, announced today.

The Rev. Mr. Scarlet is a graduate of Wayne University, Detroit, and of Bexley Hall, Theological School, Kenyon College, Gambier, Ohio. He is a native of Detroit, and is a member of the Youth Commission of the Diocese of Michigan for the Episcopal church. He is married and has a year-old son.

The new rector succeeds the Rev. E. Thomas Rodda who is leaving on November 15 for Trenton, Michigan, where he has been named as the Episcopal rector.

Mr. Rogers, in making the announcement, said that Mr. Rodda would preach his farewell sermon here on November 7. He will take part in the service the following Sunday, however, when Bishop Frank W. Creighton is in Tecumseh. The last two Sundays in November, it was said, there will be no church services at St. Peter's. However, Sunday School classes will meet as usual.

Wit and Wisdom Enjoys Program on Michigan

The Wit and Wisdom club met Monday evening at the farm home of Mr. and Mrs. Wilfred G. Waldron with Miss Jane Elliott as assistant hostess.

The Michigan program was announced by Miss Elliott and opened with assembly singing of "Michigan My Michigan." with Mrs. Waldron at the piano. L. C. House of Macon described the Upper Peninsula as he knew it from 1920 for 18 years residence. This was followed by a piano solo, Mendelssohn's "Song Without Words" by Glenn Van Denbergh. O. W. Laidlaw, with his map as illustration, told of the Lower Peninsula, its history, nationality, soil, products, schools and war preparations. Mrs. R. S. Moore sang Jack Conklin's composition "Serenade" with words from Shelley and as an encore sang "Tree Toad" set to music by Lulu Jones Deming. W. L. Berkhof spoke of the work being done at Ft. Custer, as he saw it; how the boys are placed in a scientific way according to their capabilities. A Straus composition, arranged by Mrs. Dorothy McColl for two pianos, was played by Mrs. McColl and Mrs. Waldron, closing the program.

The next regular meeting on November 15 will be at the home of Mrs. E. D. Brown with Miss Gertrude Spalding as assistant hostess.

P. E. O. TO MEET

Chapter AJ, P.E.O., will meet Tuesday evening, November 9, at 7 o'clock at the home of Mrs. Marjorie Allen. Red Cross sewing and the yearly report of Cottey College are the features of the evening.

Cottey College, the P. E. O. Junior college for women, located at Nevada, Mo., is the only institution of its kind owned and operated by a woman's organization, and is successfully accomplishing its two-fold aim of training students to become useful citizens and to live graciously.

Miss Margaret Hardy from this community is attending the school.

HALLOWE'EN PARTY

Mr. and Mrs. Norman Higgins and Mr. and Mrs. J. W. Spafford entertained at a Halloween Party Saturday evening at their home on East Shawnee street. Guests came in costume and a potluck supper was followed by games and a social evening.

The guests were Mr. and Mrs. Ralph Ruesink of Tipton, Mr. and Mrs. Howard Higgins of Manchester, Mr. and Mrs. Clyde Way of Clinton and Mr. and Mrs. Dan O'Reilly of Tecumseh.

MATRONS CLUB

The Past Matron's club of the O. E. S., met last Wednesday evening at the home of Mrs. Edna Codling for six-thirty dinner which was served to 12 members. A business session was conducted by Mrs. John R. Lott and was followed by a social hour.

The November meeting will be held at the home of Mrs. E. E. Hendershot.

INFANT CHRISTENED

Jacquelyn Susan Dunn, infant daughter of Pfc. and Mrs. Gerald Dunn, was christened Sunday at St. Peter's Episcopal church. Mrs. George McCombs, Mrs. H. B. Lewis and Leo Roberts acted as godparents. Pfc. Dunn is stationed at Temple, Texas, and Mrs. Dunn is with her father Mr. Roberts and her sister and husband Mr. and Mrs. Geo. McCombs temporarily.

Power Company Offers Reward For Pranksters

The last three Sunday evenings, a corner street light, suspended on a chain, has been lowered to street level in the southwest section of Tecumseh. The Consumers Power Company believes it to be the work of thoughtless youngsters.

"This type of sport is extremely dangerous," S. Henry Smith, local manager, said today. "Fortunately, we have found the lights before an accident happened, but should a car hit the light or the wire leading to it, or should a pedestrian touch the wire, someone might be killed or dangerously injured."

Mr. Smith recalled that a few years ago he was driving a team of horses when the animals struck a light that had broken loose from its hanger. The horses were killed.

"We want to stop the practice before someone is hurt or killed," Mr. Smith said, "and our company will pay a reward for information leading to the discovery of the person or persons who are causing the trouble."

Scouts Honored At Adrian Court

TWO FROM TECUMSEH COMPLETE WORK IN FIVE SPECIALIZED BRANCHES

At a Boy Scout Court of Honor held Friday evening at the court house in Adrian, Robert Randall and Robert Moore of Tecumseh were among five Scouts from Lenawee county to receive Star Scout awards, having completed work in five specialized branches of scouting.

Merit badges were presented to a large group including Bob Moore, Jerry and Jimmy Murphy, Keith Swain and Herbert Farver; second class ranks were conferred and Douglas Tate of Tecumseh was in this group. Five boys from the county became first class scouts.

Scoutmaster B. C. Dannells of Tecumseh conferred the tenderfoot rank in a candlelight ceremony on two scouts.

The local Boy Scout committee met recently and elected officers as follows: M. W. Wilson, chairman; A. W. Porter, secretary and treasurer; A. J. Eaton, Halsey Eggleston and Paul Maves are the other committeemen.

Scoutmasters and committeemen of the Lenawee-Monroe district and their wives met at Brees House for dinner last evening.

Frank Ferris, Aged 71, Former Resident, Dies

Frank Ferris, aged 71 years, former resident of Tecumseh and a former proprietor of the Cozy Cafe, died Thursday night at his home in Adrian after a long illness. Mr. Ferris moved to Michigan 29 years ago from Wood county, O., where he was born.

He leaves the widow Lena of Adrian, a daugter Mrs. Alvin La Pointe of Holloway, three sons Edward of Detroit, Pvt. Norman Ferris of San Diego, Calif., and Pvt. Carl Ferris in North Africa; also five grandchildren. A brother E. P. Ferris died in Haskins, O., three weeks ago, and an infant son died in 1913.

The body was taken to the Barton Funeral Home in Maumee, O., where funeral services were held Monday afternoon with burial in Dowling cemetery.

TALKS ON DELINQUENCY

Mrs. Anita Truman, superintendent of the Girls Training School at Adrian was guest speaker at the meeting of the Presbyterian League held Tuesday at the home of Mrs. John H. Smith. Her topic was "Child Delinquency". Mrs. Lewis Lent was program leader and Misses Elizabeth Cole and Elizabeth Seger were the assistant hostesses.

CULBERTSON P. T. A.

The Culbertson P. T. A. will meet Friday evening at the home of Mr. and Mrs. Elmer House, with a potluck supper at 7 o'clock preceding the meeting. Mr. and Mrs. Raymond Puffer and Mr. and Mrs. Harold Kempf are in charge of the program.

MRS. NIBLACK CHAIRMAN

Mrs. W. S. Niblack of Britton is chairman of the Tecumseh Hospital Sewing committee for the month of November and will be assisted by the members of the Britton Woans Club.

TO MEET TUESDAY

Tecumseh Hospital Auxiliary will meet Tuesday evening, November 12, in the Red Cross room in the Ford building for their regular monthly business meeting.

TO BE SUNDAY GUESTS

Members of Underwood-Orr Post, American Legion and Auxiliary, will be the guests at the 11 o'clock service on Sunday morning at the Methodist church. Dr. Norman MacNaughton, pastor, will use as his subject, "From Armistice to Peace."

Youth Club To Be Formed Here

ADULTS SPONSOR ORGANIZATION BUT YOUNGSTERS WILL MAKE RULES AND BY-LAWS

A youth club, sponsored by adults but operated under rules and by-laws drafted by the children—program similar to Boys' Town—will be formed here within the next few days, it was announced today. Just when the club will be opened is still problematical, but it is altogether likely that it will be functioning in a downtown building within the next week or 10 days.

At a meeting of interested citizens on Monday evening a board of directors was named to carry out the program as outlined. The group included representatives from churches, clubs, lodges, etc. The board will formulate plans in connection with the club's opening and submit them to the youngsters for consideration. However, it was held that the children should draft their own laws and enforce them. There will, however, be a paid adult supervisor in charge of the club rooms.

The board of directors elected on Monday evening includes Marvin Watkins, the Rev. James C. Murdoch, W. L. Berkhof, M. W. Wilson, Perry Satterthwaite, C. M. Brown, Carl Fosbender, Yale Kerby, Earl Wickwire, Mrs. Chas. Howe and Mrs. L. A. Carlson. This board named these officers: The Rev. Mr. Murdoch, president, Mr. Watkins, vice-president, Mrs. Carlson, secretary, and Mr. Satterthwaite, treasurer. The officers and Mr. Berkhof, Mr. Brown and Mrs. Howe make up an executive committee. A constitution and by-laws committee, which will probably meet tonightfi is made up of Mr. Berkhof, Mr. Brown and Mr. Kerby.

As soon as arrangements can be made the school children will be called in a mass meeting and the program discussed and their officers named.

R. W. Scheele Resigns As Lutheran's Pastor

At a meeting of Grace Lutheran Church held at the church basement Sunday, October 31, the voting members of the congregation reluctantly granted Rev. R. W. Scheele a release which he requested, in order that he might accept the position of Missionary at Large for the Michigan District of th Evangelical Lutheran Synod of Wisconsin and other states.

In this position Rev. Scheele will have his headquarters in Ann Arbor and from there will work in the various fields which require the attention of the Lutheran church and establish churches wherever it is deemed advisable.

The congregation here has called a meeting for Sunday, November 7, at which time a new pastor will be called to serve this congregation. Rev. Scheele will remain in charge of the church here as vacancy pastor until a new pastor has arrived.

NED ROSACRANS MADE A FIRST LIEUTENANT

Newark, N. J., Nov. 4.—The promotion of 2nd Lieutenant Ned Rosacrans to the rank of 1st Lieutenant is announced today by Brig. Gen. H. N. Gilbert, USA, director of the War Department Office of Dependency Benefits, an activity of the Army Service Forces. Lieutenant Rosacrans has been with the ODB since March, 1943, in the disbursing branch of the fiscal division. He is the son of Mr. and Mrs. Leon F. Rosacrans of Tecumseh.

In his present position, Lieutenant Rosacrans assists in administering the major benefits to soldiers' dependents, primarily family allowances, voluntary Class E allotments-of-pay and dependency allotments-of-pay.

FT. CUSTER WORKER WILL SPEAK HERE

Douglas Hine, the director of Christian Service Centers in charge of Victory Center at Fort Custer, will speak at the Tecumseh Friends Church, Wednesday evening, November 10 at 7:30 o'clock. He will show colored pictures portraying every phase of their work at Fort Custer. Mr. Hine was formerly associated with George Soerhide in the work of the Cleveland City Mission. Several years ago he and George Soerhide held a Sunday evening meeting in Elliott Park, Tecumseh, which was very largely attended. More recently he has worked with the Rev. John Zoller. Mr. Hine has many friends in Lenswee county, and it is expected that there will be a large congregation to greet him, when he comes to Tecumseh.

W. S. C. S. LUNCHEON

The Methodist Women's Society of Christian Service will serve luncheon at 12 o'clock Thursday noon, November 11, at the church. Those planning to attend are to make reservations with Mrs. Bert Warren.

Detroit Judge To Speak On Juvenile Delinquency

Judge D. J. Healy, of the Juvenile Division of the Probate Court at Detroit, will give a lecture on "Juvenile Delinquency" at the High School Auditorium, Monday evening, November 8th, at 8 o'clock, which is free and open to the public.

Judge Healy's experience qualifies him to discuss this subject, one of the most important, of the day, and time will be well spent in coming to hear him.

Music will be furnished by the High School band, and Mrs. Mc Coll will sing two numbers.

This lecture is sponsored by the Tecumseh Monday Club; The Abi Evans Chapter, D.A.R., and the Wit and Wisdom Club who desire your support in securing a full house to greet this busy Judge who is giving his time. Mrs. Hoyt E. Whelan is chairman of arrangements.

College Makes Post War Plans

ADRIAN INSTITUTION GUARANTEES BOYS OR GIRLS WORKING CHANCE FOR EDUCATION

The Adrian College Centennial Commission opened its first organization meeting in Adrian Monday with over 160 Methodist ministers and laymen in attendance, and the local delegates headed by Rev. Norman MacNaughton of Tecumseh.

Broad plans were outlined which will tie in all the 1050 Methodist congregations of the state, and enable many from this county to participate in the centennial programs of this pioneer college, which is now nationally noted for its guarantee of "a working chance" to every boy or girl student to work their way to a Christian college education.

Dr. Samuel J. Harrison, college president, F. H. West, campaign manager from the Methodist Board of Education, Nashville, Tenn., and Rev. Alfred P. Way of the Methodist hospital, Kalamazoo, led in outlining a program which was authorized by both the Michigan State and the Detroit Methodist Conferences. Drs. W. C. Saxman of Hudson, F. S. Kellogg of Adrian, and Luther Butt of Ann Arbor emphasized the district angles of the celebration plan. Rev. Mac Naughton pledged 100 percent support from Tecumseh.

Dr. Harrison stated his greatest ambition for Adrian College, now free and clear of debt, was to serve nearby communities, and "make it the great Michigan center for those ambitious boys and girls who know how to work, and are willing to work their way to a Christian education." He prophecied that "after the war, tens of thousands of ex-soldier boys and ex-war-workers will be knocking at our Michigan college doors, begging for a chance at renewed education."

F. H. West expressed the opinion, based on nation-wide observation, that "most employers prefer those college students who keep their feet on the ground by daily tasks, who are not 'kept' in school by indulgent parents, and who keep in close touch with the workaday world."

Full authority was recently granted Adrian College by the state official conferences. Ten more district meetings will be held to complete the picture for Michigan's 183,000 Methodists. The delegates from here were handsomely entertained on the campus by students who served their meals and showed them through the institution.

PLAN FOR SALE

The October meeting of St. Elizabeth's Altar Society was held at the home of Mrs. Harry Dewey near Holloway. The society made plans for a rummage sale and also to pack Christmas boxes for boys in service at the next meeting to be held November 11 at the home of Mrs. Thomas McCann. The committee in charge is composed of Mrs. James Tressler, Mrs. Joseph Tressler and Mrs. Ted Golat.

Refreshments were served at the close of the meeting and consisted of pumpkin pie, doughnuts and coffee. The table was decorated in keeping with Hallowe'en.

BUYS SALINE THEATRE

E. J. Pennell of Bronson, who recently purchased the Clinton Theatre has purchased the Saline Theatre taking over the management October 31.

R. N. A. PARTY

The Royal Neighbors held a Hallowe'en party with refreshments of popcorn and apples, last evening at the close of the regular meeting. Mrs. W. L. Becker was program chairman.

FIREMEN HOSTS

The local fire department held a party last Wednesday evening at the council building for Corp Cecil Alderdyce, a former member, who was home on furlough from Camp Shelby, Miss. Corp. and Mrs. Alderdyce returned to Camp Thursday.

Tecumseh Wins League Honors

GAME WITH BLISSFIELD, FRIDAY, HOWEVER, MIGHT CREATE GRIDIRON TIE

Winning from Morenci high school by the decisive score of 33 to 0 in their next-to-the-last football game of the season, last Thursday afternoon, Coach Fred Raizk's Tecumseh high school Indians will travel to Blissfield tomorrow evening for a game that may result in a tie for Lenawee honors—if the Indians lose.

The Indians' win at Morenci Thursday was their fourth victory in the League and pre-season agreements, it appears, were to the effect that the first team to win four vicories was the League winner. However, it now appears that Blissfield might tie Tecumseh for the honor, inasmuch as it has scheduled a game with Hudson for a week from tomorrow, Blissfield's fourth game. Thus far, Blissfield has won only two games, and to tie the Indians it must win its game with Tecumseh as well as with Hudson. The odds are definitely against the Sugar Boys.

Nevertheless, the game at Blissfield tomorrow evening—the kick-off will be at 8:15—is considered by Coach Raizk as the most dangerous of the season. He knows that Blissfield is out for blood, that the school would like very, very much to trip the Indians, and that anything may happen. Then, too, he knows well that there is the danger of over-confidence on the part of his first string line, and over-confidence is one of the worst fears of a coach.

"I know that the Indians are capable of defeating the Sugar Boys," Raizk said. "Tecumseh played its best game of the year at Morenci. The boys were clicking perfectly. It was a sweet-heart of a team and I'm very proud of every one of the players. I just hope that our boys don't become over-confident tomorrow and throw the Blissfield game away."

First string Indian players, however, feel that they have a real job at Blissfield and they are out to win. They say there will be no over-confidence.

From the attendance standpoint, the Blissfield game is expected to break all records. Tecumseh will send several hundred people to the game, it was said.

In last Thursday's game at Morenci, the Bulldogs proved to be but a push-over for the Indians. Coach Raizk played his entire second team during the first minutes of play, in an effort to hold down the score against the hosts. Throughout the game he was continually sending second-string men into the line.

Cliff Jackson was the outstanding player of the game and he accounted for 256 yards of the Indians' gain. He also made three of the Tecumseh touchdowns. Osburn accounted for a fourth and a play between Hoekstra and Murdoch accounted for the fifth.

Blissfield played Clinton last Friday and defeated the Redskins 12 to 7. Tecumseh's score with Clinton was 16 to 0. Blissfield also played Morenci earlier in the season and won by a 21 to 6 score.

Three Clinton Youths Injured In Accident

Robert Knight, Peter Knight and Grant Van Deusen, all of Clinton were injured Saturday night when the car in which they were riding turned over north of Clinton. The boys were returning from Manchester when the accident occurred. Richard Giffen was the driver and the other passengers were Robert Manchester and William Scriver who were not injured.

Robert Knight, son of Mr. and Mrs. John Knight suffered injuries to his right foot and ankle which will require skin grafting. He was taken to University hospital in Ann Arbor.

Peter Knight, son of Mrs. Mary Knight, dislocated his left shoulder and Van Deusen, son of Mr. and Mrs. J. L. VanDeusen, broke his wrist.

The car, which belonged to Mrs. Margaret Giffen, was wrecked.

HURT IN ACCIDENT

Miss Beverly Johns of Tecumseh Miss Lois Zimmerman and Bruce Crist of Blissfield suffered minor injuries when their automobile went into the ditch near Ottawa Lake early Sunday morning. Crist who was driving fell asleep. Jack Brown, another passenger was uninjured. The Crist car was badly damaged.

LEG AMPUTATED

Mr. and Mrs. Sylvester Schaft have been notified that their son Pfc. Harold Schaft has landed in California and is in a hospital recovering from wounds received in the south Pacific area, and the amputation of one leg.

ARMISTICE DAY 1943

"Here lie we dead because we did not choose
To shame the land from which we sprung.
Life is perhaps no great thing to lose,
But young men think it is,
And we are young."

We, who remember the casualty lists of the last war, walk with ghosts today. Besides the soldiers on our streets, we see those other lads whose lives were far too short, who loved life too greatly to be miserly with it when their country called.

In the Armistice Day pause this year, there will be new heroes to remember. Pearl Harbor, Bataan, Corregidor, Wake Island, Guadalcanal, North Africa, Sicily—before this article appears there will be as many other places all over the globe hallowed by those who could say as did A. E. Housman in the "Epitaph for the Fallen"—"Here lie we dead because we did not choose to shame to the land from which we sprung."

They have given their all—and it was so much! Who knows what great things they might gave accomplished, what great good might have come to the world if they had been allowed to live, what things they might have created, discovered, invented, taught!

We have to face the fact that before this war is over, thousands upon thousands of these, our finest, will have died. They will be Americans—maybe rich, or poor, maybe Black or White, maybe Protestant, Catholic or Jew but not German-American, Russian-American, Italian-American; not a "son of the American Revolution", not an immigrant—but just citizens of the United States—Americans who loved their country and its ideals of freedom and equality enough to offer their lives that these ideals of justice and democracy might not perish.

We, too, though we cannot fight, must not "shame the land from which we sprung." We have a duty as binding upon us as that of any soldier as long as this war lasts. Afterwards we have another duty, too—that of seeing to it that they did not die in vain, that the promises made in the Four Freedoms are at last fulfilled for all the people of all the earth, and that those who come after may live as free men, unafraid in a free world.

"Yes in some places it has been a bad year for crops but we are doing the best we can."

"If you farmers don't save a lot of grain this year some way I hear that either pigs will have to be killed or there will be a milk shortage in the east."

"Mister, all the grain we farmers raise except the little we eat goes to the city people in some form of food, milk, cereals or meat. If any grain is to be saved it is up to you folks to do it."

"How can we save grain except by eating less?"

"Easy. Drink less. In normal peace years the brewers use such a small part of the crops that it doesn't rob you city folks of food and it doesn't give us farmers much money either. But when crops are short it doesn't do us a mite of good and it sure shorts you."

"Do you mean that every glass of beer we drink takes food and milk from our own or our allies' table?"

"It sure does. I raise grain; it is up to you whether you want to eat it or drink it. Well, I've got to get back to work." B-4

There's An Icy Wind A-comin' Keep It Out!

Enjoy a Comfortable Home This Winter

There are times when we all like the rain and the snow in our hair—but never inside the house during the long winter months when icy wind is raining outside.

Keep it out, keep the family warm, and keep fuel consumption. Seal the heat in and protect the health of your family by having your home insulated. We can supply the needed materials.

Contrary to some opinion, attic insulation is not expensive. The cost of insulating the average size attic is from $40 to $75. The saving you make in fuel will surprise you.

WHERE FAITH IS STRONG MEN MASTE

These are times when fear assails the strongest of us.

Fear of the unleashed evil forces that are raining death and misery on half the peoples of the world. Fear of a future that lies prey to all the conflict and suspicion in men's troubled hearts.

Not only for ourselves do we feel fear . . . but for our children, for our loved ones, for the institutions and traditions of a country that we cherish.

There is one antidote for fear—and only one—and that is Faith. The solid Faith in God with which the Pilgrim Fathers faced an unmapped wilderness. The Faith of Washington at Valley Forge. The Faith of Lincoln . . .

* * *

For there are trying times ahead of us . . . times that will test our courage and our wisdom. We must turn again to God and depend on Him. Where Faith is strong, men master fear.

There is one thing all of us can do to stem

Quality is Important In These War Days

Yes, never was there a time in history when quality of foodstuffs was more important than today. Food is rationed, it must be conserved.

In the more than 80 years that we have been in business we have prided ourselves on the sale of quality merchandise.

Today, we still take pride in selling quality. We know that our customers appreciate it—we know that satisfied customers come back.

In peace and war . . . Democracy carries on

Yes, it is twenty five years since the end of World War I, and we commemorate that Armistice in the middle of another, more critical, world wide conflict. A whole new generation has grown up since 1918—to find themselves living through what formerly they knew only through the pages of history books. Nevertheless, that generation and the rest of us have been living all these years as free individuals, while across the seas have grown up terroristic dictatorships. We have learned to value true democracy more highly than ever before, and those who have threatened it causing this bitter battle, will never again dare risk the overpowering reproach we are visiting upon them.

This war is demanding more of us than the last war; it is the business of every democracy-loving citizen of the United States! Our goals are more clearly defined, and our staunch belief in the rightness of our cause is daily more intensified. We are determined that no matter how much it takes we and our Allies are going to be the victors! For that reason we are devoting our energies to the fullest capacity in working and serving on our home and production fronts. That task, and our purchases of War Bonds and Stamps are our across-the-earth handclasp with our courageous boys who are sacrificing so much more—fighting and dying on faraway battle fields.

We are set on making the Armistice to come more glorious, more secure, than the Armistice of 1918. It must be the inauguration of a new and better, truly lasting peace. That is our pledge this November 11th to our democratic way of life, and to all our heroes who have fought in years past and are fighting now to preserve it.

BUY: War Bonds and Stamps—as many and as often as you can. Our dollars give our boys the tanks, guns, ships and planes to see them through to Victory. Our money will be returned with interest after Victory. Our boys cannot wait. Their LIVES must be protected NOW; that all our war dead shall not have died in vain!

—— "the National War Fund—like all essential parts of our war effort—must be given prompt support toward its goal. As Commander-in-chief, I ask all our people to remember this—that a share in the National War Fund is a share in winning the war."

Franklin D. Roosevelt

America's Better Way

The National War Fund is America's better way of financing the invaluable work of the USO, War Prisoners' Aid, United Seamans Service and fourteen major war relief agencies.

The Lenawee County Patriotic League is the official representative of the National War Fund.

$35,000 from Lenawee County is necessary for continuance of war that is vital:

—— to aid the men who have gone forth to battle, through such organizations as the USO and the War Prisoners' Aid.

—— to give support to our Allies, to the little people of the world upon whom the crushing blows of blitz war have fallen so heavily.

The Time to Give is Today!

You know how much you can give—
but the following schedule may help you.

Income per week	Suggested minimum contribution per month
$75.00 or over	$2.00
50.00 to $75.00	1.50
35.00 to $50.00	1.00
35.00 or under	.50

The above contribution will represent only 6|10 of 1% of your income per month

I wish to thank all who so nicely remembered me with gifts, cards flowers, etc., during my shut-in period.

Mrs. John E. Murphy.

CAN VITAMINS CHANGE GRAY HAIR?
According to Good Housekeeping tests — Calcium Pantothenate on gray hair:
Age—did not seem to affect results. The only response occurred in a 60 year old; the latest, a 23 year old.
Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.
Time—varied from 1 month to 6 months.
Results—88% of those tested had positive evidence of a return of some hair color.
● Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the tested amount) PLUS 450 U.S.P. units of B1. Try GRAYVITA, 30 day supply, $1.50, 10c days, $4.00 Phone, write

GETS PROMOTION

GREAT LAKES, ILL.—Edward J. C. Gottschalk, 24, husband of Pauline Gottschalk of Route 2, Britton, has won an early promotion in the Navy as result of his past civilian training. Because he has had sufficient experience in a trade essential in the Navy, he was advanced to the rating of Fireman second class (MM) upon completing his recruit training at the U. S. Naval Training Station here.

Now home on leave, he will report back to the Station for re-assignment to active duty aboard a naval warship or to some naval shore station.

STUDENTS AT ALBION

Two young women from Tecumseh are enrolled in the civilian student body at Albion College this fall, according to the registrar of Albion. They are Barbara Helen Dannells, daughter of Mr. and Mrs. M. L. Dannells of 332 N. Union; and Camilla Margaret Satterthwaite, daughter of Mr. and Mrs. P. C. Satterthwaite of 213 N. Union. Both young women are sophomores pursuing the liberal arts course, and both are members of the Zeta Tau Alpha national sorority.

JUNIOR LEAGUE

Mrs. John H. Curth and Mrs. Gerald Baker were co-hostesses for the meeting of the Westminster Junior League held Tuesday evening at the former's home on East Pottawatamie street. Contributions for Christmas boxes for service men were brought to the meeting.

CHOIR PARTY

The Methodist choir gave a party Friday evening at the home of Mr. and Mrs. Kenton Hunt honoring Mr. and Mrs. A. B. Harding, recently married. The time was spent socially and a shower of gifts was presented to the honored guests. Refreshments were served in conclusion.

REWARD

We will pay anyone for information that will help us find who is dropping street lights at night.

The past three Sunday nights we have had street lights dropped and left hanging low in the road. This is very dangerous sport. This street light circuit is high voltage. If anyone should drive into one of these lamps, or if anyone should touch the wire leading to the lamp, they would be hurt very badly if they were not killed.

So far this trouble has all been in the southwest section of Tecumseh. We can't express it too strongly, how dangerous this is to the general public.

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER SIX | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 11, 1943 | FIVE CENTS PER COPY

League Drive Moves Slowly

TECUMSEH LAGGING, JONES SAYS, IN PATRIOTIC AND COMMUNITY CHEST CAMPAIGN

Tecumseh is lagging—it is not its usual self—in the Lenawee County Patriotic League-Tecumseh Community Chest campaigns that are running concurrently here at this time. The drive locally, for $8,000, is due to close on Monday, November 15, and as yet this area has not reached the half-way mark in its quota.

"I am at a loss to know what is wrong," Wade L. Jones, general chairman of the drive, declared. "Tecumseh never fails, and I don't believe that it will this time, but certainly she is not her usual self in the present campaign. Committee workers must get busy these remaining days if we are to exceed our quota in the time allotted."

Thus far, Mr. Jones said, total subscriptions amount to $3,306.76. He said that he had not yet received complete report from many of the factories, but he declared that these would be in by the week end. Solicitors are at work at Tecumseh Products Company and in other plants, he said.

"We haven't finished yet at the Hayden-Ford Mills but to date the employees there have given $1,373, a fine showing. At Meyers Aircraft Co., we have received $577.46 with more to come. Hayden Flour Mills, Inc., averaged $16.56 on employees, the Geo. H. Adamson plant, $20.55 an employee, and the Bert Folk plant, $12.25 an employee."

The house-to-house canvass in Tecumseh will start today, the chairman said, and a campaign already is being made in the rural areas.

Of the $8,000 total, one half the amount remains in Tecumseh in the Chest fund to be used for local purposes, including Boy and Girl Scouts, etc.

Persons who have subscribed to the fund and who have received the regulation window sticker are asked to display it in their home. This will aid the house-to-house solicitors, making it unnecessary for them to stop at homes where the stickers are in the windows.

Bishop Creighton To Confirm Class, Sunday

Frank W. Creighton, D.D., St. T. D., bishop of the Diocese of Michigan, will make his annual visit to St. Peter's Episcopal church here, Sunday, and administer the right of confirmation on a class of eight candidates. Bishop Creighton, who is well known to many Tecumseh residents, will speak at the regular 11:15 service at the church.

St. Peter's rector, the Rev. E. Thomas Rodda will make his final appearance at the church Sunday, leaving on Monday for Trenton, where he has accepted a call to become the rector of St. Thomas' church in that city.

The new rector of St. Peter's, the Rev. John Scarlet, of Jackson, will move here about December 1 and will hold his first service on December 5. On November 28, the Rev. Chas. Ramsay of Jackson, rector emeritus of St. Paul's, Jackson, will have charge of the morning service at the local Episcopal church.

NEW NURSES AIDE CLASS

The Tecumseh Hospital Auxiliary held its monthly business meeting, Tuesday evening in the Red Cross room of the Ford building. The president, Mrs. R. K. Anderson, presided and reports of officers and committee chairmen were given. Miss Gertrude Spaulding, superintendent of the hospital, reported that a new nurse side class is organized and under instruction. Members from Britton and Macon were reported as taking care of the sewing and mending for the hospital through November. The members decided to omit the planned bake sale and ask members to contribute an equivalent in money, Mrs. Earl Updike and Mrs. Bert Fliter were added to the membership.

SPECIAL COUNCIL MEET

The village council will meet in an adjourned session, next week Monday evening, for the purpose of considering Tecumseh's proposed zoning ordinance. The ordinance has been changed since a public hearing was held some weeks ago and it is understood that it is now in legal form and ready for adoption. It may, therefore, receive approval by the council on Monday. The township's proposed zoning code also is in the making, a meeting of the committee having been held Tuesday evening.

NOTICE TO PUBLIC

Beginning on Monday November 15, west side patrons will call at the post office for their mail, as there will be no delivery from Nov. 15 to 20. The mail man is going hunting, it was said.

Halloween Party Today For Tecumseh Schools

The post-Halloween party for Tecumseh youngsters will be given here this afternoon and evening, in the form of a theatre party at the Strand. A matinee at 3 p.m. will accomodate all children enrolled through the sixth grade, also the Ford school. In the evening, beginning at 7 o'clock, the show for children from grade seven through the high school will be given.

The expense of the party is being borne by the village to say thank you to the youngsters for a sane Halloween. Usually the village gives a cider and donut party on Halloween but this year it was called off because of the war.

Give War Bonds This Christmas

"THE PRESENT WITH A FUTURE" IS SLOGAN THAT HAS BEEN ADOPTED FOR CAMPAIGN

Retailers of Tecumseh will participate with merchants all over America in a Christmas War Bond Drive, beginning on Armistice Day, November 11, and continuing up to Christmas Day.

Objective of the Christmas campaign, local chairman of the Michigan Retailers War Savings Committee, is to encourage as many people as possible to "Give War Bonds—The Present With a Future," and that slogan has been selected by the U. S. Treasury as the official one for the drive. Some 1,535,000 window posters featuring this message are being distributed to the nation's merchants. The campaign is jointly sponsored by the Retailers War Bond Campaign Committee and the War Activities Committee of the Motion Picture Industry.

"During the Christmas campaign four special days will be featured by the merchants of Tecumseh", said Mr. Nichols. These will be Armistice Day, November 11; Thanksgiving Day, November 25; Pearl Harbor Day, December 7; and 'Shortest Day', December 21.

"Special bond and stamp selling events will be featured on these days, but the campaign will be a continuous one until Christmas. With a shortage of merchandise in so many lines, and the threat of inflation our greatest home-front enemy, we feel that it is the patriotic duty of every merchant to encourage the investment of every possible dollar in more war bonds. After all, what could be a finer Christmas gift than a U. S. War Savings Bond? In future years, when merchandise is again plentiful, and the threat of inflation a thing of the past, the recipient of the bond will have the money to buy that which might otherwise have been purchased for a gift this Christmas. Besides, the money will buy even more at that time than it will right now.

"I hope that every merchant of Tecumseh will see the wisdom of fully co-operating in this campaign, and actively participate to the limit of his ability," said Mr. Nichols.

The local chairman said that bonds may be purchased at the United Savings bank or at the post-office and local stores can be given credit for the sales of the purchaser will ask the bank or postoffice to give credit to his or her store.

FOREIGN BONDS MUST BE REPORTED SOON

Citizens of Tecumseh who own any property in foreign countries were notified by Postmaster Percy A. Bowen today that they must file reports of their foreign holdings with the Treasury Department before December 1. The notice was given by means of a poster placed on display in the post office.

Postmaster Bowen points out that it is necessary for the government to have as complete information as possible on the American stake abroad to assist the military authorities and the civilian governments on the fighting fronts and to bring about sound solutions of the post-war problems.

Report forms, known as TFR-500, may be obtained through commercial banks, or from the nearest Federal Reserve Bank, the postmaster states. Penalties are provided for those who wilfully fail to file reports.

Tecumseh Wins Gridiron Title

DEFEAT OF SUGAR BOYS, 12 TO 8, GIVES INDIANS THIRD L. C. A. A. TROPHY

For the third consecutive year, the Tecumseh high school Indians won the Lenawee County Athletic Association championship when they defeated the Blissfield Sugar Boys in a hard fought battle there last Friday evening by a score of 12 to 8. It was Tecumseh's last game of the season and its fifth victory. The local school was not defeated in a single game this season.

Playing at a disadvantage on a slippery and muddy field, Coach Fred Raizk's Indians showed that they were equal to Blissfield's fierce offensives which at times approached a roughness that might have resulted in penalties, but running and good blocking on the part of both teams afforded approximately 1,500 fans—many of them from Tecumseh—a game that was well worth the admission.

Tecumseh's first touchdown was a fast one in the first stanza and the second one came in the fourth quarter. Blissfield held the Indians during the second and third quarters, Captain Cliff Jackson's superb playing was definitely a high light of the game. The first touchdown was on a pass from Hoekstra to Van Valkenburg.

The Indians came near to a third touchdown in the second quarter when Bob Baker intercepted a pass and dashed 70 yards before he was halted. Although within 30 yards of Blissfield's goal the Sugar Boys despite penalties, held the Indians.

During the game the Indians registered 12 first downs to Blissfield's seven and completed four of 11 attempted passes. Blissfield tried to pass 15 times and was sucessful only three.

Britton Shares Title

Britton's Big Red six-man football team had to share its Raisin Valley title as a result of an 8 to 6 defeat suffered Saturday at the hands of Petersburg.

The pay-off play came in the last quarter with only 13 seconds to play and the score tied at six all. Britton's Dick Wiggins intercepted a Petersburg pass but the intended receiver, Burns of Petersburg, also had a piece of the ball. During the resulting struggle for possession, the ball finally was shoved into the Britton end zone where a Britton player retained final possession. Referee Ward Andrews of Monroe, after a consultation with the coaches, ruled the play a safety, giving Petersburg its winning two-point margin. Since Britton already held a 19 to 0 decision over Petersburg and both teams have beaten South Rockwood, they share the title.

Barber Shop Quartet Makes Hit In Detroit

The TP Broadcasters, a barber shop quartet sponsored by the Tecumseh Products Company, participated Saturday evening in the third annual Parade of Quartets, at the Scottish Rite Cathedral in the Masonic Temple, Detroit. The parade was sponsored by the Oakland County Chapter, of The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. The Broadcasters are members of the Society.

Some 36 quartets participated in the program at Detroit and Tecumseh was placed on the program between the Variety Four, Oakland county, winners of third place in the 1943 state competition, and the Elastic Four of Chicago, the 1942 national champions.

The local quartet is made up of Charles and John Butler, Wiley McCann and Wesley Costigan. They were dressed as Indians and made a decided hit in the Detroit show.

A score or more Tecumseh folk, interested in the barber shop program, accompanied the quartet to Detroit and witnessed the show which was attended by about 6,000 persons.

County to Care For Trunk Lines

MAINTENANCE PROGRAM RETURNED TO LENAWEE BY STATE HIGHWAY COMMISSIONER

Trunk line roads in Lenawee county will be taken over for maintenance by the County Highway Commission on Monday, November 22, George Taylor, commissioner, said today. This order, issued by the State Highway Department, adds some 170 miles of roads to the county's maintenance program.

Mr. Taylor said that he anticipated little difficulty on the county's part in taking charge of the new program. He recalled that up to about 10 years ago the trunk line roads were maintained by the county and he said that Lenawee has sufficient equipment and manpower to do the work now. Some employees of the state will be transferred to the county payroll, Mr. Taylor said, and he also indicated that the county would purchase some of the state's equipment. The county commission now has 79 employees.

At the present time the County Commission is responsible for the maintenance of 1,540 miles of roads in Lenawee. A few weeks ago, at the request of the state, the county accomplished a resurfacing program on M50 west of Billington's corners to Tipton, and the work was commended by the state commissioner.

Board Studies Building Needs

SCHOOLS MUST BE IN POSITION TO TAKE CARE OF INCREASED ENROLLMENT, BELIEF

Ways and means of financing a new school building here as a part of Tecumseh's post-war program were considered by the board of education, in regular session, Tuesday evening. The board has been advised that a building program will be necessary if the school is to play its part in the village's expansion program which may double the local enrollment.

A survey presented to the board indicates that Tecumseh's growth immediately following the war will make it necessary for the public schools to be in a position to serve approximately 1,250 children as compared with about half that number at the present time. The village already is completing an engineering survey looking toward the doubling of Tecumseh's population within five years after the war, and a zoning ordinance also is in the making to regulate such expansion.

A special committee, named by Dr. Arthur Brown, president of the board, met with the trustees Tuesday. This committee is made up of M. L. Dannells, Wade L. Jones and Earl L. Wickwire. The board asked this committee to cause a survey of post-war needs for the school and also directed it to suggest a possible site for a new building.

Under Michigan law, school districts may not set up a sinking fund for building purposes for a period longer than five years. Bonded indebtedness also is limited to a similar period. How a new building may be financed is being given serious consideration. There also is an indiction that rural districts in this area will be consulted on a post-war centralized educational program.

The board was advised by the president of Wesleyan University, Connecticut, that Malcolm Bagshaw, a Naval student in the V-12 program there, had been placed on the honor roll. Bagshaw graduated from the local high last year.

The board approved the school's program of sending five commercial students to the National Band at Adrian one-half day each week to assist in the work. Other Lenawee schools also are cooperating in this program.

SAFETY OF HUNTERS

Lenawee hunters are already looking forward to the open season on deer in Northern Michigan. While we do not wish to be a killjoy, it might be well to point out that hunting is a dangerous sport.

Last year there were two thousand deaths from hunting accidents in the United States.

In the interest of safety, the Red Cross has announced a list of suggestions for hunters. It might be just as well for us to read them and resolve to do our part to prevent any fatalities in this county during the hunting season.

Here are the safety suggestions which the Red Cross hopes will save the lives of the American sportsmen this Fall and Winter:

1. Don't pull a gun carelessly from an automobile.
2. Remove shells from gun before crawling through a fence.
3. Don't use a gun to club game from brush.
4. Don't carry your gun cocked; be sure the safety catch is in place.
5. Never point your gun at anyone in fun; carry it with the muzzle pointed toward the ground.
6. When out with inexperienced hunters don't deploy ahead of your companions.
7. Don't leave a gun where children can reach it.
8. Don't leave a loaded gun about the house.
9. Don't allow the gun muzzle to clog with mud or snow.
10. Deer hunters should wear bright red caps or coats.

Couldn't Fool Him

He was pickled and the policeman found him at 2 a.m. clinging to a lamp post and shouting, "Lemme in!"

"There's nobody lives there," said the cop.

"Don't lie," retorted the stew, pointing aloft, "there's a light upstairs."

THE OLD JUDGE SAYS...

"Yes, I'm afraid there's no denyin' it, Judge ... jeeps and trucks and other kinds of motorized equipment have taken the place of the good old horse in modern warfare."

"It's true of lots of things in this war, Eben. Every day we hear of new tactics and requirements and new uses of products. For instance, take the alcohol that is used for war purposes. In World War 1, this vitally needed product was used mostly in making smokeless powder, chemical warfare materials and medical supplies. Today it must do far more ... it must provide the base for such indispensable products as synthetic rubber, shatterproof glass, lacquers, plastics and many other of our requirements so essential to victory.

"As a result hundreds of millions of gallons are required every year ... half of which is being produced by the beverage distilling industry. Bet you didn't know that, Eben."

"As a matter of fact, I didn't, Judge. That's a mighty important war contribution that had escaped me completely."

Behind These Guns You Find Security

If it were not for the guns of the Navy, how much would your home be worth today? What security would you know?

This is an all-out war—a battle for the survival of Liberty and Democracy. We must win this battle regardless of cost. Nothing else matters.

Our government urges us to Back the Attack with the purchase of War Bonds. We make the same kind of plea.

Buy your War Bonds today and every day. After the war has been won and Peace reigns, the bonds can be converted into a new home for yourself and family.

If It's Available You'll Find It Here

It's true, due to the war, that there are some items normally carried in our stock that are "out for the duration."

It is also true that there are many substitutes on the market that replace these "out" items successfully.

This much is true, too. If the item is available, or a substitute obtainable, you'll find it in our stock. It will pay you to shop with us regularly.

Know the Convenience of a Checking Account

If you do not have a checking account, we invite you to come in and open one today and to enjoy its convenience.

In these busy war days, when time is rationed, too, you'll find that being able to pay your bills by mail will save you many steps.

And, too, the fact that you have a permanent record of all these transactions, through cancelled checks and check stubs, will give you untold satisfaction.

● THE CUE for motor oil selection *this* fall is—*save that battery, protect that engine, stretch those gas coupons.* Change to Standard's famous Iso-Vis 10 W, the fastest starting, easiest-on-the-battery 10 W motor oil you can buy. At today's reduced speeds, oil consumption is greatly reduced, but *batteries are older.* Under rationed driving, they recharge less, run down faster. Too-heavy oil increases battery drag, endangers the motor when starting cold, wastes gasoline. Iso-Vis 10 W gives instant lubrication, yet stays tough under heat—gives full engine protection. —— "the National War Fund—like all essential parts of our war effort—must be given prompt support toward its goal. As Commander-in-chief, I ask all our people to remember this—that a share in the National War Fund is a share in winning the war."

Franklin D. Roosevelt

America's Better Way

The National War Fund is America's better way of financing the invaluable work of the USO, War Prisoners' Aid, United Seamans Service and fourteen major war relief agencies.

The Lenawee County Patriotic League is the official representative of the National War Fund.

$35,000 from Lenawee County is necessary for continuance of war that is vital:

—— to aid the men who have gone forth to battle, through such organizations as the USO and the War Prisoners' Aid.

—— to give support to our Allies, to the little people of the world upon whom the crushing blows of blitz war have fallen so heavily.

The Time to Give is Today!

You know how much you can give—
but the following schedule may help you.

Income per week	Suggested minimum contribution per month
$75.00 or over	$2.00
50.00 to $75.00	1.50
35.00 to $50.00	1.00
35.00 or under	.50

The above contribution will represent only 6|10 of 1% of your income per month

NINETY-FOURTH YEAR—NUMBER SEVEN | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 18, 1943 | FIVE CENTS PER COPY

Fuel Shortage Felt In County

TECUMSEH HAS A LITTLE FUEL, IT'S RATIONED; JONES NAMED ADMINISTRATOR

With the mercury skidding six and eight degrees below the freezing mark nightly and consumers fuel bins at near ground level, Tecumseh and Lenawee county began this week to feel the coal shortage which today, it appears, is the most serious since World War No. 1.

Tecumseh has some coal, reports showed this morning, and more coal is on the way, but the few tons of fuel that are in dealers' bin here, although rationed, may not be sufficient to meet demands, it was indicated.

Perry Satterthwaite of the Hayden Fuel & Supply Co., said last night that his company had been very fortunate in that it received five cars of coal this week, approximating 250 tons. R. S. Moore & Son Co., said that there was about 30 tons of coal in their yards and that they had the promise of another car this week.

"We are rationing coal, a ton to a customer," Mr. Satterthwaite said, "and we are making what fuel we have go just as far as it will. There is no immediate danger of cold houses as long as our coal lasts. We have a small supply of package fuel and coke, and we hope that we have more fuel in transit."

Mr. Satterthwaite explained that while local coal prices are frozen at December 15, 1941, levels, the coal he is now receiving is not invoiced to his company, because mines have not yet been able to agree on price with the government.

"We are selling at our old price, the OPA price, but we know that the coal is going to cost us more money because miners have been granted a wage boost. How we'll come out, I don't know" he concluded. "However, it's not price we are worried about, it's keeping people warm."

Neighboring towns were reported sold out of fuel and customers, many of them farmers, were in Tecumseh yesterday for coal, driving a distance of 18 or 20 miles.

Acting at the request of the Michigan fuel administrator, Mayor J. Floyd Elliott yesterday named Wade L. Jones, village clerk, as solid fuels administrator in Tecumseh. While Mr. Jones' new office is not as yet functioning, due to the fact that state-wide rationing of fuel has not as yet arrived, Mayor Elliott said that Tecumseh would be in readiness to act if such a necessity arise.

Football Banquet To Be Held Here, Nov. 22

The annual football banquet will be held Monday evening November 22, in the high school gymnasium, with dinner at 6:30 served by the Athletic Club Mothers. An interesting program is planned and letters will be awarded at this time.

Mrs. Purnell Osburn is general chairman and Mrs. Neal Pearson is program chairman. Other members of the committee are Mrs. S. R. Kring and Mrs. C. W. Howe, tickets; Mrs Fred Raizk, publicity; Mrs. Harold Sisson, dining room; Mrs. O. W. Laidlaw, Mrs. Rickard Jackson and Mrs. Lyman Curtis, kitchen.

FUNERAL HERE SATURDAY FOR LEON B. BENEDICT

Funeral services for Leon B. Benedict, who died suddenly Tuesday afternoon at his home in St. Johns, will be held at 2:30 o'clock Saturday afternoon from the Collins Funeral Home here. The Rev. J. W. Greenwood of Redford, will officiate and burial will be in Brookside cemetery.

Mr. Benedict, who was born July 17, 1883 in Tecumseh, was a son of the late Charles and Mary Boyce Benedict. He was a member of Tecumseh Lodge No. 69, F. & A. M.

Mr. Benedict is survived by his wife, one son, Donald of New York City, and a brother, Raynor Benedict, of Britton.

CARL BRABLEC SPEAKS ON MUZZLE LOADING GUNS

Carl Brablec, superintendent of the public schools at Britton and a member of the Michigan State Troops, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Brablec discussed early American guns.

The Britton schoolmaster is a member of a muzzle loading gun club and he exhibited several early muzzle loading guns, one built in Kentucky during Revolutionary time. He also showed a gun which he built and another, believed to have been made here some 75 years ago by a man named J. Clark.

There was a small attendance at the Rotary meeting, many of the club's members being absent on hunting trips.

New Baptist Pastor In Pulpit on Sunday

Rev. B. O. Bashore, new pastor of the Baptist church, will begin his duties here Sunday, November 21.

The Junior choir will appear Sunday morning singing "There's a Rainbow Forming", and Miss Helen Claus will sing a solo "The Spirit of God." Mrs. Leota McConnell, organist, will play as the prelude, "Prayer" by Wagner; offertory, "La Careta" by Rossini and postlude "Soldiers Chorus" by Gounod.

Dundee Passes A Curfew Code

CHILDREN UNDER AGE OF 16 MUST BE OFF THE STREET BEFORE 10 O'CLOCK IN EVENING

Dundee, Nov. 18.—The village council has adopted an ordinance prohibiting children under the age of sixteen from being on the streets after certain hours and providing penalties for the violation thereof. The ordinance is much the same as is proving out successfully in the city of Monroe and other communities in the state.

The ordinance prohibits any person under sixteen years of age to be or remain in or upon the streets, alleys, or public places in the Village of Dundee at night after the hour of ten-thirty p.m. from May 1st to August 31st and after ten p.m. from September 1st to April 30th unless such person is accompanied by a parent, adult chaperon, guardian or legal custodian who permits any such child, ward or other person under such age to go to or be upon the streets.

The curfew law is for the purpose of checking any tendencies toward juvenile delinquency which might arise from children being allowed to remain upon the streets until all hours.

Herbert M. Williams Is Buried at Weston

Herbert M. Williams, aged 59 years, died Saturday, at his home near Holloway after an extended illness. Mr. Williams who was the son of Eudel and Rose Williams, was born in Fairfield township, where he spent the greater part of his life. On December 29, 1904 he was married to Miss Cassie Carpenter of Weston, who died January 5, 1928, leaving one son Lawrence. Later Mr. Williams was married to Mrs. Irene Calhoun of Holloway, who with the son, survives.

He was a member of the Weston Baptist church and served on the church board for several years. He was also a director of the Pratt School for several years.

In 1931 the family moved to their present home near Holloway and Mr. Williams became a member of the Presbyterian church. He was a good friend and neighbor, ever ready to help in time of need, as long as his health permitted.

Besides the widow and son he leaves a step daughter, Mrs. Kathryn A. Righter of Adrian; a step son Lyle W. Calhoun of Palmyra, two sisters, Mrs. Bessie Tew of Medina and Mrs. Mattie Klink of Sand Creek, also six grandchildren.

Funeral services were held Wednesday afternoon at the Belding Funeral Home here with Rev. D. S. Carmichael of Holloway in charge of the service. Bearers were Lawrence Christenson, Armitage Pickles and Elmer Hillard of Weston, Kenneth Kopke, Arthur Lewis and Wilson Sawyer of Holloway. Burial was made in the Weston cemetery.

SERVICES CANCELLED

Due to shortage of fuel the Friday evening prayer service at the Gospel Tabernacle on North Pearl street has been cancelled for the winter. Other services will remain the same hours, 3 and 8 p.m., with Sunday school at 2 p.m. and prayer service Wednesday evening at 8 o'clock.

The church has recently been redecorated. Rev. Harold Speer is pastor with Mrs. Speer as his assistant.

TO INSTALL OFFICERS

Tecumseh Grange will meet tonight for installation of newly elected officers. Mr. and Mrs. Therol Brittain of Rome Grange will be the installing officers. The first and second degrees will also be conferred on a class of candidates. Potluck supper in charge of Mr. and Mrs. Harold Rohrback and Mr. and Mrs. Lawrence Ash will precede the meeting.

SUPPER CLUB

Mr. and Mrs. Fred Whelan will entertain the Jackson Supper Club at the home of Mrs. Henry Vogt in Jackson tonight as a farewell to their son-in-law Henry P. Kompt who leaves December 1 to enter army service.

48-Hour Week Now In Effect

EMPLOYERS IN LENAWEE COUNTY HAVE UNTIL DECEMBER 15 TO COMPLY WITH RULING

A 48-hour work week went into effect in the Adrian industrial area, which includes all of Lenawee county, on November 15, it was announced today by C. A. Sirrine, area director of the War Manpower Commission. Employers will be given until December 15 to comply.

Ordering in of the 48-hour minimum wartime work sheet is in accordance with the President's executive order 9301 which provides for its adoption in industrial area suffering acute labor shortages.

The 48-hour minimum work week is already in effect in the Detroit, Monroe, Bay City, Saginaw and Port Huron areas and it was ordered in for the Muskegon area as of Novebmer 15.

The purpose of the 48-hour work week is to effect a more complete utilization of available manpower.

"Employers are not to release workers in order to go on a 48-hour work week until the workers can be placed on other jobs," Sirrine explained. "The United States Employment Service will assist in finding employment for workers. An employer's right to discharge workers for other causes is not affected."

He pointed out that the order does not apply to youths under 16 years of age; to persons who, because of other employment, household duties, or physical disabilities, are not available for full time work; or to business establishments regularly employing fewer than eight persons.

Employers already operating 48 hours a week or longer, or planning to extend their hours to a 48 hour minimum by December 15 without releasing workers, should notify the area director to that effect. Other employers affected by the order have two alternatives, Sirrine said. They should: (1) submit a proposed schedule for releasing workers who will not be needed when the 48-hour work week is adopted, or (2) request the WMC to authorize a work sheet of less than 48 hours for all or part of their employees.

"An employer who submits one or the other of the above," Sirrine stated, "will be in compliance and will await notice of the proposed schdeule of release of workers or of the application of a shorter work week."

"Any employer in the Adrian area who is not on a 48-hour work week or who has not taken one of the two steps before December 15 cannot be considered in compliance," Sirrine continued.

He emphasized that exemption from the 48-hour work week order is granted only in unusual cases. The employer must prove that a longer work week would not reduce his labor needs.

Missionary From India To Hold Services Here

A series of challenging messages on Bible prophecy, Christian missions and evangelism will be given this week-end at the Tecumseh Friends Church each evening at 7:45 by the Rev. S. Hurley Cross of Lakewood, Ohio.

The themes as announced are as follows: Thursday "Four World Wars"; Friday, "The Matter of Missions"; Saturday, "Pictures of India—Movies and Slides"; Sunday 1 0a.m. "The Model Christian"; 11:15 a.m. "Religion vs. Salvation" 7:45 p.m. "Preparation for World Dictatorship". S. Hurley Cross has engaged in pastoral work for fifteen years. More recently he has engaged in missionary service in India, and in an evangelistic ministry in the United States. Studies in which he took part in Palestine, and his contacts in India under the auspices of the Oriental Missionary Society have enriched his public ministry.

GARDEN CLUB URGES SALVAGE OF TOOLS

The Tecumseh Garden Club is requesting that all having garden tools in need of repair may have them collected by notifying Mrs. Lewis Lent or Mrs. Al Helzerman. The club is planning to have tools repaired during the winter for spring use to offset the shortage of new tools available. All tools must be collected by December 15.

John Hicks Anderson, recently of the office of the engineer corps in Baltimore has been promoted to district engineer and has been transferred to Galveston, Texas, where he is in charge of the entire area. Mrs. Anderson accompanied him to Texas. Since their arrival they have met Capt. J. C. Beardsley who since has been transferred to Oklahoma.

Union Thanks Service To Be at Baptist Church

The annual Thanksgiving Day Union Service will be held in the Baptist church Thanksgiving morning from 10 to 11 o'clock. The Rev. Norman MacNaughton will give the sermon and the offering will go to the Tecumseh Ministerial Association for support of community projects sponsored by the group.

The meeting will pen with the singing of "America" by the congregation and invocation by Rev. B. O. Bashore. The order of service is as follows: scripture lesson, Rev. Edward Escolme; prayer, Rev. James C. Murdoch; vocal solo, Mary Jane Hayden; congregational hymn, "Come, Ye Thankful People, Come"; sermon; closing hymn "America the Beautiful"; benediction, Rev. Bashore.

Local Taxpayers To Get Income Tax Assistance

For taxpayers requiring assistance in filing estimated income tax declaration, due December 15, 1943, a deputy collector will be at the United Savings Bank at Tecumseh, Monday and Tuesday, November 29 and 30, to assist with the filing of the return. Taxpayers must bring a copy of their 1942 income tax return and an estimate of the following:

(a) Farmers and Business men must furnish total Gross Income and Expense and Depreciation. The deputy cannot take time to complete your Gross income, expense and depreciation schedule.

(b) Estimated income from all sources covering the entire calendar year 1943 or the fiscal year 1943.

(c) An estimate of the income and victory tax withheld by your employer for the entire calendar year 1943 or fiscal year 1943.

All taxpayers who filed 1942 income tax return will receive the required forms and instructions by mail. All other taxpayers may obtain forms from local collector's office.

A deputy collector will also be at the City Hall in Adrian December 1, 2, 3 and 4 and at the Blissfild State Bank December 1 and 2.

Wit and Wisdom Club Hears Dr. MacNaughton

The Wit and Wisdom Club met Monday evening with Miss Gertrude Spaulding and Mrs. E. D. Brown at the Brown home on West Pottawatamie street. In the absence of A. C. Brazee, Miss Jennie Gillespie, vice president, conducted the business session and Miss Spaulding as leader announced the program. Glenn Van Denbergh led the assembly singing for opening and closing, with Mrs. Wilfred Waldron as pianist and using the club song books.

Dr. Norman MacNaughton spoke of British Columbia, its government, industry and scenery and of the Alcan Highway, Dr. MacNaughton had lived there at one time. Mrs. L. A. Carlson, in harmony with the English program, gave a one act play "The 12 Pound Look" by Sir James Barrie. Mrs. J. F. Elliott presided at the fruit punch bowl.

The next meeting on December 6 will be the annual winter picnic with Mr. and Mrs. E. A. Collins and Mr. and Mrs. W. L. Berkhof as hosts and hostesses.

Monday Club Plans For Sewing Day Next Week

The Good Neighbor Tour was continued to Costa Rica, Nicaragua, Honduras and Salvador, at this week's meeting of Tecumseh Monday Club held in the Methodist church parlors. Mrs. Rickard Jackson was program leader and the National anthems of the four countries were played by Mrs. Kenton Hunt. Miss Mary Whitelock conducted the "Tour" and displayed and described the various flags.

Mrs. Clarence Fisher presided at the business session when the club vote to give $5 to the Community Fund and Patriotic League. Mrs. Floyd Williamson was received to membership and reports of the county federation board meeting of last week were given by Mrs. Guy Pocklington, Mrs. T. Rentschler and Mrs. Fisher. Mrs. Rentschler was hostess.

Sunshine Day will be observed at next week's meeting which will be held in the Red Cross rooms in the Library beginning at 10 a.m., with members doing Red Cross sewing. They are to bring woolen pieces to be cut into blocks and pieced into lap robes for convalescent soldiers, the robes to be 1¼ yards square. Members are also to bring fruit or jam for the County Infirmary.

Potluck luncheon will be served at 12:30, members bringing their own table service and a dish of food to pass. The afternoon program which will open at 2:30 is in charge of Mrs. E. L. Wickwire, Mrs. Guy Grieve, Mrs. B. B. Turnbull and Miss Ethelyn Garlinghouse, and will include a talk by Miss Clara Waldron and current events by Mrs. M. R. Blanden.

Child Delinquency Is on Upgrade, Club Told

Louis S. Schneider, state child welfare chairman of the Michigan department of the American Legion, spoke in "Juvenile Delinquency" at the meeting of the executive board of the Lenawee County Federation of Women's Clubs held Thursday at the Adrian Library.

Mr. Schneider told what the Legion is doing in an effort to handle the problem and said the organization spent over $125,000 last year in an effort to benefit over 22,000 cases. He stated that delinquency has increased 20 percent with boys and 40 per cent with girls, as a result of war conditions, the increasing demand for war workers and resulting lack of home supervision. The Legion is sponsoring a program to make parents responsible for their children and aims to get legislation that will forbid mothers with children under 14 years of age from being employed outside of the home.

Mrs. Guy T. Pocklington was chairman of the program which also included two selections by the Tecumseh high school trio composed of Joyce Zeigler, Mary Jane Hayden and Alta Lerch, under the direction of Mrs. Dorothy McColl. They sang a Negro spiritual "Were You There" and "In a Luxemburg Garden" with Mrs. McColl accompanying.

A co-operative luncheon preceded the meeting and was served to 40 members.

The next meeting is scheduld for February 10 and will also be a luncheon-meeting.

PLAN RUMMAGE SALE

The Presbyterian League was entertained Tuesday evening by Mrs. Walter Pfaus, Mrs. Bertram Updyke and Mrs. W. D. Hite, in the Pfaus home on West Logan street. In the absence of the president Mrs. Dwight Hodges, Mrs. Charles Sager presided and devotions were led by Miss Marie Koernig. The league voted to hold a rummage sale December 3 and 4. Mrs. Sager as program chairman introduced Mrs. F. C. Dickinson who reviewed the book "So Little Time" by John T. Marquand. A social hour and refreshments concluded the meeting.

The next meeting will be held December 7 at the home of Mrs. Dwight Hodges.

League-Chest Quota Topped

$10,331.10 SUBSCRIBED UP TO LAST NIGHT, ACCORDING TO MR. JONES, CHAIRMAN

Tecumseh, at 6 o'clock last night, had subscribed $10,331.10 to the Lenawee County Patriotic League-Tecumseh Community Chest, Wade L. Jones, chairman of the campaign, announced. This amount is more than $2,000 in excess of the quota, but Mr. Jones hopes that this area will subscribed $13,000, before the program is finished, by the end of this week.

"I am happy that Tecumseh went over the top in the campaign," Mr. Jones said, "but in checking over the records I find that there are many who have not been contacted, others who still have more to give. For instance, not all of the industrial plants have completed their contribution, there are still calls to be made in the business, residential and rural areas. I cannot but feel that when all sources have been reached our subscription here will amount to about $12,000."

Mr. Jones said that any person, or organization not yet contacted in the drive and desiring to give, should call his office, Phone 222, and a solicitor will be sent. Or, he said, if they so desire, contributions may be brought to his office.

This year, for the first time, Tecumseh's Community Chest campaign was run concurrently with the League's drive, $4,000 of the local quota remaining here for the Chest treasury. The fact that the two drives were operated simultaneously eliminates the necessity for separate campaigns.

Jones said that he would complete the check-up of local industrial plants this week and that he would be able to make a detailed report of this community's giving in next week's Herald.

Child Study Club Discusses Delinquency

The Child Study Club met Monday evening at the home of Mrs. George Wilson. Mrs. Hoyt Raymond presided and Mrs. Sam Simpson presented the program on "Juvenile Delinquency" which was followed by a general discussion of that subject and of the youth council program.

CONSERVE TRANSPORTATION

Transportation difficulties may develop in 1944, which makes it more important than ever that Lenawee county truck owners, including farmers, increase their efforts to conserve transportation facilities.

The Bureau of Agricultural Economics says that it is questionable whether railroads and trucks will be able to handle the prospective increase in industrial and farm production. Both forms of transportation are beset with problems of shortages of manpower and equipment.

While the report was directed to farmers, the general public can take warning from the prediction that there will be a considerable decrease in the number of motor vehicles in operation by the end of 1944.

While the railroads of the country have done a good war job in providing transportation, a considerable volume of traffic is handled by motor vehicles which, in many instances, make service available where railroad trausportation is lacking.

The contribution that motor vehicles have made to the development of our modern society is often overlooked. Despite gasoline restrictions, many motor vehicles are used unwisely and unnecesarily.

In view of the threatened scarcity of transportation in 1944, it might be profitable to prolong the life of motor vehicles by eliminating all but essential use.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Desert Training Center
Friday, Oct. 29, 1943

Mr. Wickwire:

I want to express my thanks for the subscription to the Tecumseh Herald. It really helps to bring the old home town to wherever we may be.

At the present time we are on the Mohave Desert. Maneuvers here are only about a week old. We are now about 3,000 yards short of Paylan Pass. Perhaps you have seen the picture "Hill 409," well, that picture was made at this point.

We have fun along with our work doing the old Artillery trick of working nites and sleeping during the day. That is, if you can sleep. For there is always all kinds of details to be done. Then to, there are all different kinds of troop movements going on, planes are buzzing low overhead and this all adds in on ones rest.

Again I thank you for the paper.

As ever,
Morey Tuckey.

Bonds you Buy Now Will Build Buildings After the War

Yes, Mr. Farmer. You are doing a marvelous job producing food for Victory. Without the farmer, we could not win this war.

And as we extend our congratulations to the farmer we also wish to remind him that the "Bonds he buys today will build buildings after the war."

It is true, building materials are somewhat limited now, due to our war effort. We do, however, have sufficient materials for maintenance.

But the best investment we know is War Bonds. After Victory has been won, these bonds can be converted into new farm buildings — new tools for peace.

GO TO CHURCH T

Each in his own way, every good American is trying hard to serve his country today.

There is one thing that *all of us* can do.

We can re-awaken in our hearts the spiritual conviction in which our nation was born. We can strengthen ourselves in the faith which is the core of our American tradition . . . *faith in God.*

* * *

In that faith our forefathers founded the Republic . . . shaped our institutions . . . secured our freedom.

Humbly and simply, we must now ret to their passionate faith in a God bef Whom all men are free and equal.

Such faith made America's beginni strong . . . in it we must find our streng and purpose now.

Thanksgiving finds U.S. Truly Blessed

There'll be a cheery group around the Thanksgiving table—even though "your own boys" are far from home, in uniform—and Ellen and the children couldn't travel to join you. There'll be a cheery group of family, friends, neighbors—and other boys and girls in uniform to whom you extend your hospitality through the U. S. O. And if the feast isn't as elaborate as in peacetime Thanksgivings, there'll still be plenty of good things for all to enjoy!

Ours is a bountiful, beautiful land—but its produce is now feeding our armed forces, and helping to sustain our allies around the world! Enjoy your Thanksgiving dinner in this free land all the more—by remembering not to waste a crumb or a drop! Then there'll be more to spare, because we at home Share the "Flour That's Kneaded Every Hour."

GETS ADVANCEMENT

Guy N. Beevers, Jr., 20, husband of Ardith Beevers, 206 N. Van Buren, Tecumseh, Mich. was recently graduated from the Naval Training School for aviation located at the Naval Air Technical Training Center, Navy Pier, Chicago, Ill. and advanced to the rate of Aviation Machinist's Mate third class.

He was sent to the specialty school on the basis of his "boot training" test scores which indicated an aptitude for aviation training. Navy Pier's school offers instructios for both aviation machinist's mates and aviation metalsmiths. Airplane motors, wiring and assembly comprise the machinist's courses; metalsmiths learn the maintenance and repair of the airplane structure. The newly graduated Navy man also received instruction in the principles and theory of flying.

CAN VITAMINS CHANGE GRAY HAIR?

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The only response occurred in a 50 year old; the latest a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—88% of those tested had positive evidence of a return of some hair color.

● Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the tested amount) PLUS 450 U.S.P. units of B1. Try GRAYVITA. 30 day supply, $1.98, 100 days, $4.00. Phone, write

The Coal Situation

Mr. H. A. Gray, Deputy Solid Fuel Administrator, Mr. Ickes, and Mr. Eastman, have ordered the coal mines to ship 95 per cent of their production to the following:

1. Military Requirements, including 200,000 tons per month for Italy.
2. To iron ore boats docking at harbors like Toledo, Sandusky, etc. This coal is billed to cities on the Great Lakes like Duluth, Superior, Marquette, etc., that are unable to receive coal by rail, on account of the long rail haul and scarcity of coal cars.
3. Metallurgical plants (coke ovens, etc.)
4. Defense plants and retail yards not located on the Great Lakes, the latter to receive only 5 per cent of present production.

As soon as the Great Lakes shipping season ends, coal will move more freely to inland coal dealers. Until then, we are forced to limit our deliveries to each customer, but will do our best to keep you in coal. Please co-operate with your Coal Dealer.

Hardwares in Italy Are'nt Doing So Good--

According to dispatches from Rome, the hardwares in Italy just now aren't doing so good—thanks to the Yanks.

And that's one of the reasons why you'll find our stock of certain items low or exhausted.

Nevertheless, you'll be surprised at how few items we can't supply, or offer substitutes.

This much is certain—if it's in our line and can be had, we'll have it.

Why does this empty room postpone the Axis' doom?

BECAUSE the radio's going, lights are on, a heater is glowing—*when there's no one there.* No one to listen, to read, to bask in friendly warmth. It's a room of *waste—and waste won't win wars!*

But electricity hasn't been rationed, you say. That's right, it hasn't. Isn't there *plenty* of it? Yes, there is.

But when you help save electricity, you help save the manpower, fuel, transportation and materials by which electricity is made. You help shorten the war.

That is why our Government has asked seven major industries — coal, petroleum, transportation, gas, electricity, communications and water — to cooperate for wartime conservation. And that is why you are asked to conserve electricity wherever you can.

No one expects you to gamble good eyesight against bad light, or lock up your appliances, or silence your radio. Go on using electricity for essential purposes. But don't *waste* it. Use what you need—*but need what you use.*

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER EIGHT | TECUMSEH, MICHIGAN, TUESDAY, NOVEMBER 23, 1943 | FIVE CENTS PER COPY

League Totals Are Incomplete

CHAIRMAN JONES, HOWEVER, STILL THINKS TECUMSEH WILL RAISE $12,000

Although totals on the subscription locally to the Lenawee County Patriotic League-Tecumseh Community Chest are as yet incomplete, Chairman Wade L. Jones believes that this locality will, before the drive is finished, subscribe $12,000 to the funds, as was first predicted.

"To date," Mr. Jones said, "Tecumseh's subscription amounts to $10,763, about $1,200 short of the goal we had set. However, there are still some reports to come from industrial plants, and the canvass has not been completed in the residence, rural and business districts. When these are finished I cannot but feel that we will have achieved our goal."

Tecumseh's quota to the League and Chest was $8,000, one half of the amount going to the Chest. This is the first year that the two drives have been operated concurrently, but it was deemed advisable this year, due to the war. Mr. Jones said that the fact that everyone working on the drive has more jobs than he can handle has, in a large measure, slowed up the solicitations.

"I had hoped to be able to break down the subscription total this week and announce the gifts by industry, business district, etc.," Mr. Jones said. "However, because solicitation is not complete, we must wait another week for the figures. We will announce them just as soon as the work is done."

New Grange Officers Are Installed Here

Tecumseh Grange met Thursday evening in regular session when ten candidates received the first and second degrees, Mr. and Mrs. Thero[illegible]man of Rome Grange installed the newly elected odicers as follows: P. The Grange voted to serve dinner for the Teachers Club December 8.

The third and fourth degrees will be conferred on a large class of candidates at the next regular meeting to be held December 9.

CRAIG-PORTERFIELD

Janice E. Craig, eldest daughter of Mr. and Mrs. Harold Craig of Britton and LeRoy Porterfield of Ypsilanti were united in marriage Friday evening, Nov. 19, 1943 at the Methodist parsonage at Rea. The Rev. E. O. Davis performed the ceremony. They were attended by the Misses Geraldine Craig and Dorothy Porterfield, sisters of the bride and groom respectively, and by John Keran of Britton and Louis Duperon of Ypsilanti.

Mr. and Mrs. Porterfield will make their home in Ypsilanti where they are both employed at the Ford Generator plant doing defense work.

The wedding party ras entertained for dinner Sunday at the home of the bride's parents, Mr. and Mrs. Craig.

FAREWELL PARTY

AlC Arthur Baaske, who has been spending several days with his parents Mr. and Mrs. Otto Baaske, left Monday for Corpus Christi, Texas, for final air corps training and to receive his ensign's commission. Mr. and Mrs. Baaske entertained at a pre-Thanksgiving family dinner Sunday in his honor.

The guests were Mr. and Mrs. Alvin Prielipp and son Glenn of Deerfield, Mr. and Mrs. Fred Swint of Jackson, Mrs. Millie Stier of Lansing, Mr. and Mrs. Arthur Schill and daughter Nancy and Miss Charlotte Stetson of Adrian, Mr. and Mrs. Otto Teske and daughter Shirley, August Teske, Mrs. Eda Daisher, Mrs. Bertha Baaske, Carl Dinse and Henry Karcher.

MRS. RILEY DIES

Word has been received here of the death of Mrs. Ernest A. Riley, of Irish Hills, which occurred November 14 at their home in Mt. Dora, Fla., where she and Mr. Riley were spending the winter. Mr. and Mrs. Riley operated the Irish Hills cafe for several summers, spending their winters in Florida.

Besides her husband she leaves a daughter and three grandchildren in Florida and a brother in Plymouth.

The funeral and burial were held Thursday in Mt. Dora.

New Rector

Rev. John R. Scarlett

The Rev. John Renshaw Scarlett, rector-elect of St. Peter's Episcopal church, will move here from Jackson on December 1 and officiate at his first service in the historic church on Sunday, December 5. He succeeds the Rev. E. Thomas Rodda who this week became rector of St. Thomas' church at Trenton.

Born in Detroit, Sept. 1, 1914, the Rev. Mr. Scarlett was educated in the public schools there, attended Wayne University, the Detroit Business Institute and graduated from Bexley Hall, the divinity school of Kenyon College, Gambier, Ohio, in May, 1942. He was ordained a priest in December, 1942.

Mr. Scarlett has been assistant minister of St. Paul's in Jackson. He has been active in the Diocean Boys' Camp administration and Brotherhood of St. Andrew affairs since 1930. He was elected a member of the Boys' Work Department of the Diocese of Michigan last February.

The rector was married to Miss Gwenyth Kathleen Smith of Detroit, November 7, 1936. They have a 14-month-old son, John Richard.

Lutherans Will Hold Thanks Service Thursday

Grace Ev. Lutheran church will hold its annual Thanksgiving service on Thursday evening, November 25, at 8 o'clock with Rev. A. H. Baier of Adrian in charge of the service.

Installation services for the new pastor, candidate Jack de Riuter, will be held Sunday afternoon, November 28, at 3:30 with Rev. A. G. Wacker of Ann Arbor officiating at the ordination and installation. Rev. G. Prese of Wayne will deliver the sermon. A pot luck supper for the entire congregation will be held at the close of the services.

The morning service will be cancelled for November 28, but Sunday school will meet as usual and following the Sunday school hour Christmas program practice will be held.

WAYNE SELDERS WEDS

Announcement has been made of the marriage of Pvt. Wayne E. Selders, son of Mr. and Mrs. John E. Selders, and Miss Marguirte Bird of Pueblo, Colo., which occurred November 6 at the Army Air Base chapel in Pueblo. The Rev. John R. Fountain, army chaplain, performed the ceremony and their attendants were Miss Frances Krieder of Pueblo and Sgt. Byron Ruble of the Air Base.

Pvt. and Mrs. Selders spent a few days in Crowley, Colo., and later visited his parents here, leaving last Wednesday for Gulfport Field, Miss., where he is assistant chaplain.

Dr. Jas. Foreman Dies Suddenly

CLINTON DENTIST AND FORMER PRESIDENT SUCCUMBS TO HEART AILMENT

Dr. James R. Foreman, aged 59 years, Clinton's dentist for over 30 years and president of that village for 18 years, died Friday night at St. Joseph's hospital in Ann Arbor, where he had been taken earlier in the day following a heart attack. He had been failing in health for some time but was in his office every day.

Dr. Foreman was born in Homer, Ill., and received his early education in the Homer schools and at Brown's Business College in Danville, Ill. He attended the University of Michigan, graduating from dental school in 1909, later taking post graduate work at the University of Pennsylvania. His first practice was in Marshall where he remained for two and a half years before coming to Clinton where he had since made his home.

In November 1909 he was married to Miss Amy Beth Kimball of Clinton. During the first World War he served as a captain at Camp Sherman. In 1924 he was elected president of Clinton village and was re-elected to that office for 18 years during which time his efforts made possible the municipal light plant, waterworks system, sewage disposal plant and other village improvements. He also served on the school board, both as president and secretary, for many years; and at the time of his death was chairman of Civilian Defense in Clinton and vice president of the Lenawee County Patriotic League. He was always a supporter of the Boy Scouts. Dr. Foreman was a member of the Congregational church, the Masonic lodge, Order of the Eastern Star, and the American Legion and Rotary Club.

Besides the widow he leaves two sons William of Macon, Ga., and Tech. Sgt. Robert Foreman of Oakland, Calif., a granddaughter; one brother Newton G. Foreman of Homer, Ill., and two nephews in the U. S. Navy.

The body was brought to the Belding Funeral Home here and on Monday was taken to the Congregational church in Clinton where funeral services were held Monday afternoon.

Indians, League Victors, Honored at Banquet

The annual football banquet given by the Mother's Athletic Club was held Monday evening at the high school with the local eleven, the Lenawee county champs, as guests of honor.

Rev. James Cameron Murdoch gave the invocation which was followed by assembly singing led by Mrs. John D. McColl with Miss Geraldine Brown as accompanist. St Kring as toastmaster was introduced by Supt. W. L. Berkhof. Mrs. Purnell Osburn, president of the club, welcomed the guests; "Red" Wilson gave an interesting talk and Coach Fred Raizk introduced the squad and awarded letters. Talks by Clifford Jackson and Jack Brown, co-captains closed the program.

FT. CUSTER OFFICER TO TALK AT CLUB MEET

The annual Sunshine Day was observed by the Monday Club yesterday with an all day meeting in the basement rooms of the public library. English Major Tells of War

SAYS IT'S AN UP-HILL JOB, BUT DECLARES THAT THE END WILL COME FOR HITLER

Major Philip Hamond of the British Army, in a letter to his friend of World War No. 1, Frank B. Sgt-ton of Tecumseh, paints a vivid picture of the part England is playing in the conflict and declares that while the battle is an up-hill job, "the sun will rise over the other side one day." He warns against crabbing and squalking and points out that while the road ahead is very long, "if we stick it out and don't get slck or overconfident, we are getting along and not too badly."

Major Hamond's letter follows:

Here we are September 1943. Just cast your mind back to September 1940. 1940—We were in desperate plight of overwhelm, entirely on our own with next door to nothing but our hands to fight with. 1943—Thanks to the material and physical help of U. S. A. and the wonderful fighting powers of the Russians, we are getting ahead with the job of knocking hell out of these bastards.

It has been a long up-hill job and we are no where near the top yet but we shall see the sun rise over the other side one day. Your troops did wonderfully well in Sicily. They started in Tunis just like they did in the last war, thinking that because they were 100% American citizens they could do this job without what we call real training. Well they just couldn't but once they were trained they did first class. The same applied to the Canadians till they had to learn by bitter experience that there is nothing can take the place of real serious training.

Our men have been trained till they are far the best trained soldiers I have ever seen in 43 years of soldiering. They are all up against the Bosch who is trained to the limit and both sides are incalculably better trained and are more intelligent soldiers than we had in the last war. The only point us old hands may have over this generation in our "sticking power" and even this is open to doubt.

Our 8th Army is probably the best trained force of its size and experience that has ever been produced by any nation in the world and there are a good few more like them and don't forget it.

Us old hands who are like myself, old and useless, are still doing what we can, training Home Guard, etc. We live here on the East Coast with the constant roar of bombers coming and going nearly every night. One raid last week took 80 minutes to pass over us. A nice change from 1940 when the bloody Hun used to come here every night and throw dirt around just how he liked.

I have not seen one over here for months in day light and very seldom hear one at night. All my ceilings are stil down and windows cracked from 1940 and 1941 and not a hope of getting them repaired, but who cares? I'm dam sure neither I nor my long suffering wife and children do. The children were not the least affected by the bombing and noise as long as their parents were not frightened. I always swore to them that I would never get up unless one came into the room with me, so they all quite contendedly turned over and went to sleep again.

We have been lucky and kept most of the tiles on but sometimes the house fairly rocked. We are quite certain to have some more and if it gets bad again, I suppose I shall have to dig some sort of a shelter but you never get there in time and the children get bad colds in the winter. The children built themselves an air raid shelter, I think from a desire to be up to date and in the mode, but it was composed of brush wood and a tarpaulin sheet so wasn't much good. Still they slept in it out of doors this last 3 months and had a great time.

My eldest boy is in my Reg't. and my 2nd boy is still missing in Malaya. The eldest girl is married to a young Major and the little ones of the 2nd family are at school or at home. The youngest has only once seen an orange and never a banana. Strange, isn't it?

We are well fed and have nothing to kick about. I don't know how long the war will go on and I don't care so long as we get rid of these damned swine once and for all this time.

We have no money and I am so much engaged on all sorts of unpaid jobs that I can't earn any. Some one has to do these things. We stood up to so many and such frightful disasters that the whole outlook is so unbelievably better that one can't take it in. I got into

THANKSGIVING

The people of the United States, deeply religious if not ostentatious, express their fundamental belief in the goodness of Almighty God by observing, amidst war, their annual Thanksgiving Day.

It is not only an official holiday but a national day of the people who return reverent thanks to the Supreme Being for the blessings that have been showered upon them.

No one overlooks the stern struggle that confronts the nation or the grief that battle losses will present. No one fails to recognize the hardships that abound throughout life or the disappointments that constantly beset the soul of man.

Despite these trials, common to all people, the average American thanks an omnipresent God for the mercies and blessings that, he knows, has attended him, his people and his nation. Thanksgiving Day gives visible sign to everlasting optimism sustained by a knowledge of preponderant favors enjoyed.

Naturally, our great concern is the safety of millions of Americans engaged in unavoidable warfare. Nearly every American family is represented in the armed services by loved ones whose fate is a source of incessant concern. Even so, as a people, we must acknowledge the many woes that we have escaped as compared with brave, helpless peoples, caught in the misery of enemy invasion and entrapped by a ruthless conqueror.

Our crops have been abundant, yielding food and feeds in unprecedented volume. As individuals we retain our freedoms and proclaim our unfettered personality. We speak and live as we please and, by consent, share some of the burdens associated with the home front in war.

There is every reason for intelligent men, who believe in God, to turn reverently toward him on this Thanksgiving Day and publicly express thanks for the Divine goodness which has brought us blessings and benedictions.

When the Pilgrims landed on Plymouth Rock they not only founded a new Nation but a new civilization.

America has many traditions and heritages but none can compare with the spiritual value, the immense humility and the scope of reverence of THANKSGIVING DAY.

With intolerance and bigotry ravaging men's souls and forcing an exodus of peoples from their homes, such as the world has never witnessed before, it is with a sense of humble pride that we realize how indestructible are the foundations of AMERICAN LIFE.

Today, more than ever in our nation's history, the bounty of American fields and farms, the productivity and skill of American machines and factories, the resources and creativeness for human welfare of American men and women, is our greatest weapon for the continuation of the AMERICAN LIFE . . . and the true destiny of THANKSGIVING DAY in AMERICA.

Boats We Build Today Protect Tomorrow's Homes

We are at war, and instead of building homes we are building boats; instead of building automobiles we are building planes.

Our all-out war program makes such a policy necessary. At all cost, we must win this battle.

But when the war is won, we'll build home and we'll buld better and more comfortable homes than ever before.

And our company, striving today to aid the war effort, will strive after Victory to help you to build the home of your dreams.

We therefore urge you to buy War Bonds today, as a nest egg for that home in the future. You'll be serving your country in a time of need, you'll be doubly protecting your future.

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"

"In 'The Stars and Stripes'...the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"

"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"

"Glad to, Bill. It says, 'We can remember the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and *feel those at home should wait until we return before initiating further legislation on liquor control*'."

"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

CAN VITAMINS CHANGE GRAY HAIR?

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—88 % of those tested had positive evidence of a return of some hair color.

If You Choose to use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the tested amount) PLUS 450 U.S.P. units of B1. Try GRAYVITA. 30 day supply, $4.50, 100 days, $8.00. Phone, write

Capt. Beardsley's Poem In Issue of 'Air Force'

The following poem, written by Capt. James C. Beardsley, navigator who recently returned from the Aleutians after a large number of missions, was published in the October issue of Air Force, the official service journal of the U. S. Army Air Forces.

KISKA MISSION

We headed westward with a cargo
of death
We flew far West on the wind's
wet breath.
A thousand miles of engine roar
Ere, shadowlike, we saw the
shore—
A basebord to a wall of mist.

The flash of cannon was our welcoming sign;
The sound of their shells, and the bullets whine;
Presenting a glimpse of man-made hell.
Of death amid the battle yell—
A holocaust of fire and flames.

Our Vengeful fingers stoked smoking guns.
Down dropped our bombs in whistling tons.
Missiles of death, of fire and hate
Destruction most articulate
We burned and maimed and slew.

Up into a cloud we climbed for cover.
Our bomb-load gone, we must get another
Already, while we plan tomorrow's raid.
The isles behind us fade
To turgid mist and sea-stained stone.

—o—

First Policeman—The rank and file of the people are on our side.
Rival Ditto—Just as you say—the rank and vile.

America needs us

Too often, perhaps, we have let ourselves forget . . .

This is a nation founded under God . . . in deep religious faith.

There were many differences among the Founding Fathers—but one great thing in common: *faith in God* and human freedom under Him.

* * *

And now—in time of trial and crisis—America needs us strong once more in faith like theirs.

We must return, each in his own way, to the religious conviction in which our freedom was born.

We must strengthen our faith—the faith in which our institutions are rooted, our liberties secured.

For only then can we live victoriously in this war-torn world—and win victory in the peace beyond the war.

IT TAKES NERVE

To Use a BAYONET
We at Home Have Little Reason To Complain

We heard a man complaining the other day because he could not buy a pearl-handled pocket knife. It was only a day or two later that a woman became somewhat angered because we were unable to supply her particular style of carving knife.

Our knife stock is very short—in fact its the lowest it's ever been since we've been in business. Do you know why?

The steel that used to go into pearl-handled pocket knives and carving sets is now going into bayonets and daggers—equipment for our boys in service.

We couldn't help but ponder when we listened to these complaints and wonder—it doesn't take nerve to whittle with a pocket knife or to carve the fowl at the family table—does it?

But it DOES TAKE NERVE to wield the bayonets and the knives made from the same kind of steel.

Let's not complain because we can't buy these non-essential items. There's a very good reason.

And let's think before we complain anyway. Complaining won't win the war.

English Major

(Continued from Page 1)

the way of always expecting some bloody knock or other to come through on the wireless every day.

Do you know any of your people who are coming to England? If so, tell him to write to me and give me his address. If he gets any leave and would care to go anywhere in the country where there is nothing very exciting going on, I shall be very glad to see him. We can always give him a bed here and a welcome, but he must bring his rations or a ration card.

It is very natural for your people to crab and squalk about fathers of families being called up. You are so far away from it all. Of course, there was no difference made here and we are getting combed out pretty thin now.

Do you remember my batman, Starman? He has six sons serving. Four of them abroad of whom one is missing. Believed drowned at sea off the North African Coast somewhere but we do not know anything for certain.

In this village of 130, all told we have 24 men away and 5 girls in uniform. It is a lovely sight to see your Fortresses and Liberators going over in daylight. I counted one lot of 120 all together the other day and we see them in lots up to 50 very often. They look quite lovely and it gives one a lovely feeling to think of the hell of trouble they make at the other end.

There is a very long road ahead of us all yet, but if we stick to it out and don't get slack and overconfident, we are getting along and not too badly.

Well, so long old pal. We are all right this side.

Yours,
Philip Hamond.

Mrs. E. H. Meyers and Mrs. Glenn Hindes entertained 17 women Wednesday evening in the latter's home for Mrs. Robert Jones. Games were played and the prizes were presented to Mrs. Jones who also received a shower of gifts. The hostesses served refreshments.

$800 LOSS ESTIMATED IN THREE LOCAL FIRES

Three fires in four days, two of them inside the village, caused damage estimated at slightly more than $800.

Fire, Tuesday afternoon at the home of Mrs. Wonders, 606 W. Kilbuck, which started from a chimney, did damage estimated at $700. The fire was confined to the attic but a part of the loss came from water.

Monday morning, at the Harry Fox home, South Ottawa at Cummins, a gasoline stove fire caused $15 damage.

Saturday morning, at the LaGore farm, northeast of Billington's Corners, the department reported a $100 loss in a fire that started in a clothes closet.

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER NINE | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 2, 1943 | FIVE CENTS PER COPY

$10,864 Total In League Drive

DETAILED STATEMENT ISSUED BY CHAIRMAN SHOWING HOW TECUMSEH SUBSCRIBED

In a detailed statement of Tecumseh's gifts to the Lenawee County Patriotic League-Tecumseh Community Chest, Wade L. Jones, chairman, declared today that he still had hopes that this community would hit the $11,000 mark, some $3,000 more than its quota.

"Our figures as of today," Mr. Jones said, "show that Tecumseh thus far has raised $10,864.31. It is an excellent showing, considering the fact that our quota was $8,000, one half for the League, one half for the chest. However, gifts are still coming in and I have hopes that we will hit the $11,000 mark." Mr. Jones explained that some of the gifts locally may, under previous agreement, be allocated to other townships because the givers reside in other townships. He declared, however, that he believed the Community Chest would receive its full $4,000, despite the reallocation.

In the breakdown of the figures released today, Mr. Jones' statement showed the gifts locally coming from the following sources:

Tecumseh Products Co. (shop)	$3,022.80
Tecumseh Products Co. (office)	36.00
Tecumseh Products Co. (USNR)	96.00
Chieftain Sale & Eng. Co.	223.80
Ford-Hayden Mill	1,767.80
Meyers Aircraft Co.	601.46
Geo H. Adamson	221.60
Hayden Flour Mills	279.00
Quaker Oats Co.	190.50
Bruce Foundry	328.00
Bert Folk Co.	147.00
H. Brewer & Co.	98.00
Tec. Hospital employees	148.00
Tecumseh Schools	147.50
Residence District	801.10
Rural District	254.25
Business District	1,630.50
Friends Church	82.00
Total	$10,864.31

The gift coming from the greatest distance, Jones said, was from Miss Emily Todd, who is with the WAVES, stationed at Alameda, Calif.

New Lutheran Minister Installed Here Sunday

Over 200 persons attended the installation and ordination service for Rev. Jack de Riuter, new pastor of Grace Ev. Lutheran church, held Sunday afternoon at the church. Rev. A. G. Wacker of Ann Arbor officiated; Rev. G. Press of Wayne deliver the sermon and Rev. R. W. Scheele was in charge of the altar service, assisted by Rev. A. E. Baer of Adrian, Rev. Engel of Saline, Rev. Valleskey of Detroit and Rev. F. W. Schwede of Britton. Rev. de Riuter who comes from Detroit, will preach his initial sermon next Sunday morning.

Following the ceremonies a pot-luck supper was served to 120 members and guests and was followed by an after dinner program of talks by the members and various pastors with Rev. Scheele as toastmaster. Among the guests were Rev. de Riuter's parents, his brother, his fiancee Miss Helen Mucsel and a group of friends from Detroit.

Married 50 Years

MR. AND MRS. M. E. BACHMAN

Mr. and Mrs. Bachman of Ridgeway, celebrated their Golden Wedding anniversary on Sunday at a church reception in that village, attended by more than 200 friends and neighbors.

Ridgeway Folk Wed 50 Years

MR. AND MRS. M. E. BACHMAN HONORED AT CHURCH RECEPTION ON SUNDAY

In celebration of the golden wedding anniversary of Mr. and Mrs. M. E. Bachman of Ridgeway, a reception was held in the Ridgeway Methodist church parlors on Sunday, November 28, from 2 till 6 o'clock. During that time 225 guests assembled to help celebrate the memorable occasion. The parlors were decorated with chrysanthemums in gold and autumn colors. Yellow chrysanthemums were used on the serving table which was centered with a three-tiered white wedding cake, a gift from the family. Mrs. Ray Smith, a half sister of Mrs. Bachman also made and presented a four tier wedding cake. Mrs. L. Goodrich of Ann Arbor, Mrs. Lavern Thomas, Misses Lilian Dibble and Margaret Ash of Ridgeway, Beatrice Daykin and Francis Brown of Britton, assisted in serving with Mrs. Ray Smith, Mrs. Viva Brown, Mrs. Everett Exelby and Miss Julia Gilmore at the tea and coffee urns. During the reception music was furnished by Mrs. George Bliss of Ann Arbor on the Solovox.

Mr. and Mrs. Bachman received many gifts of linen, china, furniture, money and other articles.

Guests attended from Pitsburg, Pa., Grand Rapids, Ponlac, Detroit, Ann Arbor, Ypsilanti Monroe, Adrian, Clinton, Britton, Holloway and Tecumseh.

Michael Bachman, son of Mr. and Mrs. John Bachman of Macon and Libbie Underwood, daughter of Mr. and Mrs. Michael Underwood of Britton, were married November 28, 1893, in the Underwood home and have spent their entire life in this vicinity.

They are the parents of five children, four of whom are living; Gordon E. of Pittsburg, Pa., Leland of Ypsilanti; Mrs. Agnes Wilson of Ann Arbor and Corp. Raymond Bachman of March Field, Calif. A son Harold S. died in training during World War I. They also have 6 grandsons, three of whom are in service—Roger Bachman in Alameda, Calif., Ross Bachman, somewhere in the Pacific for two years, and Leland, Jr., in North Africa.

Mr. and Mrs. Samuel Gasner of Grand Rapids, who were among the guests, were celebrating their 43rd wedding anniversary.

TALKS TO ROTARY

Lloyd Mason of the export department of the Tecumseh Products Co., with offices in Detroit, was the guest speaker at the regular meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Mason, who has spent 28 years in South America, gave a travel talk which was both interesting and educational. Other guests were V. A. Wilkinson of Detroit, and Frank Owen, purchasing agent of the Products.

SCHOOL DAMAGED

The rural school taught by Mrs. Rosella Vollmer of Tipton and located on the Adrian-Tipton road, was closed last week to repair damage caused when a chimney collapsed and crashed through the roof Sunday, Nov. 21. Most of the plaster was dislodged and the falling chimney struck and split the teachers chair. The 22 pupils resumed classes this week.

MEETING POSTPONED

The meeting of the Westminster Club of the Presbyterian church, scheduled for this evening, has been postponed one week until December 9, Prof. J. H. Muyskens of the University of Michigan, will be the speaker.

NAMED CAPTAINS

Jim Coburn and Don Purkey have been elected captains of the high school football team for the coming year.

Brother and Sister Reunited After 54 Years

Mrs. Emil Schmidt of Tecumseh and her brother Phillip Atrat were reunited in Sanger, California, last week after 54 years separation.

Mrs. Schmidt was but five years old when her brother Phillip about 18, left Germany to seek his fortune in America. His sister followed many years later but in the meantime Phillip had married in Maryland and the family had moved to the west coast.

Mrs. Schimdt was accompanied to California by her daughter Mrs. Olga Vogel of DeKalb, Ill., and they have enjoyed several family gatherings in the Atrat home where they met many of their California relatives including Mr. and Mrs. Charles Atrat and daughter Eleanor, Mr. and Mrs. Ed Atrat, Glenn and Jeannette, Mr. and Mrs. Pete Loeb and children, Olga, Shirley, Ernest, Dickey, Charles and Junior and Miss Marge Ward, all of Sanger; Mr. and Mrs. Vic Barton, Bernardine O'Hara and Dickey of Bakersfield. Mrs. Schmidt arrived home Saturday.

LOCAL BOY IN ENGLAND LEARNS SCOUT TACTICS

Headquarters, European Theater of Operations—Cpl. Richard P. Brighton of Tecumseh, is among the 31 soldiers from Michigan that are combining all the dash of the old cavalryman with the skilled stealth of the Indian scout as they take part in the pre-invasion program of their Armored Reconnaissance unit in England.

The cavalry horse has given way to more modern steeds of war —peeps, jeeps, half-tracks, scout cars and light tanks—but the Indian scout tactics remain the same.

Like antennae that precede the main body of fighters, these Armored Reconnissance soldiers serve as "feelers", learning what they can of the enemy and transmitting their knowledge to the intelligence branch.

Infiltration of enemy lines, scouting and patrolling, and use of individual weapons—including the knife—are phases of the commando tactics in which these Armored Reconnaisance soldiers are expert.

Since theirs is ordinarily the first contact with the enemy, these men are the "ground eyes" for the generals who make the decisions—corresponding in that way to the observation planes which serve as the "air eyes" of the armed forces.

The English countryside—with its woods and fields, hills and valleys, downs and moors—offers all types of terrain which the reconnaisance men expect to encounter on the Continent. To prepare themselves for the "Big Push", these soldiers are among the hardest working troops in the European Theater of Operations.

WED IN ANN ARBOR

Announcement is being made of the marriage of Miss Lucia Gagalis, daughter of Mr. and Mrs. George Gagalis or Ann Arbor and Sgt. Louis Vageakos, son of Peter Vageskos of Tecumseh which took place Thanksgiving Day at the home of the bride's parents.

Sgt. and Mrs. Vageakos left later for his station at Ft. Myers, Fla.

ROOF FIRE

The fire department was called Monday afternoon to the Brooks apartment house on East Chicago Blvd., where chimney sparks had started a roof fire. About half of the roof was damage resulting in about $200 damage. The apartments are occupied by the T. N. O'Hars and C. C. Wilson families, the latter having just moved in.

SHINE, MR.?

The latest one to venture in business on Chicago street is Billy Hayden who is shining shoes in the Derr Shoe Repair Shop Saturday afternoons and evenings.

Hudson Cagers Here on Friday

INDIANS OPEN BASKETBALL SEASON THIS WEEK; FULL SCHEDULE ARRANGED

The Tecumseh high school basketball Indians officially open the Lenawee league season here on Friday evening in a game with Hudson. A full scheule, running through the month of February, has been announced by Coach Fred Raizk, and although Tecumseh's team is inexperienced, the coach believes that the Indians will give a good account of themselves during the season. The game Friday will be played in the school gymnasium, the reserve game starting at 7:15 the varsity game at 8 p.m.

The possible starting team for Tecumseh Friday included D. Murdoch, captain, Costigan, J. Brown, B. Sisson and J. Osburn, Bancroft Don Purkey and Woods also are likely to see action as well as some of a freshman string including Randall, M. Hammack, Baker, J. Murdoch, L. Brown, D. Poley, L. Cheever and J. Sisson.

"It's true, we have a long way to go to clip off a League title this season," Raizk said, recalling that some contending schools have from five to seven seasoned players. "However," he continued, "the boys we have are in there fighting and anything can happen."

The League schedule as announced is as follows:

Dec. 3, Hudson, here
Dec. 10, Morenci, there.
Dec. 17, Clinton, here.
Dec. 21, Adrian, there
Jan. 7, Blissfield, there.
Jan. 11, Manchester, here.
Jan. 14, Addison, there.
Jan. 21, Hudson, there.
Jan 28, Morenci, here.
Feb. 1, Dundee, there
Feb. 11, Blissfield, here.
Feb. 18, Manchester, there.
Feb. 25, Addison, here.

It will be noted that the League this year is playing "home and home games" and that all games scheduled, expect those with Adrian and Dundee, are within the league.

Five Tecumseh Gridders Win All-County Honors

Four members of Tecumseh's first string gridiron team were given berths on the Lenawee County League Team when the coaches from the several schools met, Monday evening. A fifth player also found a place on the second team.

The all-county team (honorary) as announced by the coaches is as follows: Le, Murdoch, Tecumseh; lt, Brown, Tecumseh; lg, Staup, Blissfield; c, Pagel, Blissfield; rg, Sisson, Tecumseh; rt, DeMerritt, Morenci; re, Gamble, Hudson; qb, Bradley, Blissfield; lh, VanTuyle, Clinton; hh, Sturgis, Hudson; fb, Jackson, Tecumseh.

Hoekstra was given the halfback position on the second string team.

In the voting, Jackson, Brown and Sisson received the full votes of the coaches for their positions, and Murdoch received all but one vote.

TO GET MORE TRAINING

Fort DesMoines, Iowa—Private Bertha Mae Kring, daughter of Mr. and Mrs. Silas N. Kring, of 516 W. Potawatamie street, Tecumseh, Mich., has completed basic training at the First Women's Army Corps Training Center here, and has been selected for specialist training in the Army Administration School, Richmond, Ky.

She will receive additional training in a specialized field preparatory to taking over an Army job, releasing a soldier for combat duty. There are now more than 400 jobs listed by the Army, replacing soldiers with Wacs.

BAND POTLUCK

Members of the high school band and their parents will meet at the high school gym tonight for a pot luck supper and program. Supper will be served at 7 o'clock and members are to bring table service, rolls or sandwiches, sugar and a dish of food to pass. Coffee and meat will be furnished by the committee.

SCHOOL OF INSTRUCTION

Past Matrons of Tecumseh chapter, O.E.S., will present the program at the regular meeting this evening. New officers will be in charge.

Mrs. Ella Parkins of Port Huron associate grand matron, will conduct a school of instruction here the evening of December 9.

PLAN RECEPTION

A reception for Rev. and Mrs. B. O.Bashore will be held Tuesday evening at the Baptist church. All members and friends of the congregation are invited.

BAPTIST UNION

The Baptist Ladies Union is meeting today for pot luck dinner and regular meeting with Mrs. R. W. Merrick.

Cpl. Austin Drake in the Hawaiians Says 'Many Thanks' for The Herald

Corp. Austin Drake of Tecumseh stationed in the Hawaiian Islands, in a letter to Earl L. Wickwire, editor of The Herald ,expresses his appreciation for the home town newspaper, the first copy of which reached him just prior to November 17.

Corp. Drake's name was among the more than 200 names of soldiers and sailors to whom the Auxiliary of the Underwood-Orr Post, American Legion of Tecumseh, has ordered the Herald dispatched. Every local man or woman in service overseas is now receiving The Herald, as are more than 200 in service who are in the United States.

The Herald is very grateful to Corp. Drake for his letter and it is being published in its entirety that it may be read not only by the "home folk" but by the corporal's friends who are scattered over the globe in the armed service. It is The Herald's hope that from time to time other boys will write, and that their letters may be published that their friends may read about them, too.

Drake's letter follows:

November 17, 1943

Mr. Wickwire, Editor
Dear Sir:

I'm writing this to thank you for the pleasant surprise I had today when I found the "Herald" in the "D" box at the Squadron Post Office. It brought Tecumseh across a lot of ocean right into a camp where even a "due bill" gets a lot of reading!

Ever since my induction I have been receiving, in almost every letter from home, items clipped from the pages of the "Herald." Mother sends me the clippings and I in turn relay them on to my brother, Dwight, on Midway Island. Thru your generosity, or any other person or group responsible, we now get all the news and every issue.

As you know, I am in the Hawaiian Islands, and after surviving the horrible initial shock of not being greeted by Dorothy Lamour in a sarong, life has run along smoothly and quietly. Too darn quietly for my satisfaction but I still have hopes that I may someday graduate from this "Pineapple Army", as we are often referred to, into a scene of action.

I can't resist the temptation to remark about how nice and warm it is here and how disagreeable I imagine the weather is in Michigan now. Just in case you didn't throw this in the wastebasket after remark I want to add that I'd gladly swim across Red Mill pond on January 1st if the war was over and I was home by that time!

Please give my regards to Mrs. Staulter and the grand people of the "greatest little town in Mich.," and, again, thanks for bringing Tecumseh so much closer.

Sincerely,
Cpl. Austin Drake,
U.S.A.A.F.

SGT. BRYAN IN INDIA SAYS THANKS TO R. C.

Staff Sgt. Oscar Bryan, somewhere in India, in a letter to his parents here, says that "you can tell the home folk that we are seeing the results of their contributions to the Red Cross and we want to thank them from the bottom of our hearts. They are doing a great work in keeping our morale high, and it is sure heart-warming to see some "United States" overseas." Bryan spoke of seeing Stewart DeRousie of Ridgeway and said that he is attempting to locate Edward Brazee of Tecumseh.

TO TEACH IN S. A.

Robert Chandler, a former resident of this community, has accepted a teaching position for the federal government and left Friday for San Paulo, South America, which is located 200 miles east of Rio de Janeiro. Mr. Chandler has been teaching in the Detroit schools and also at Willow Run and with his family has been residing in Ann Arbor. Mrs. Chandler was the former Sylvia Sanderson of Tecumseh. His family expects to join him soon in his new location.

HOME FROM SICILY

Maurice J. Mossing, M.M.-2-c, who took part in the invasion of Sicily and Italy and was stationed in North Africa nine months, arrived home Nov. 23 to visit his wife and parents Mr. and Mrs. Forrest Mossing in Adrian until December 5 when he will report for further overseas assignment. The Mossings are former Tecumseh residents.

BACK INJURED

Pfc. Richard Braun of the U. S. Marine Corps recently suffered a back injury while in training in California and is in Naval Hospital at Memphis, Tenn. A brother Sgt. Edward Braun, is now stationed in Italy. The boys are sons of Mr. and Mrs. Ed. Braun of Adrian, formerly of Tecumseh.

IN TRINIDAD

Mrs. Nerissa Brady has received word from her husband T|3 Geo. V. Brady, that he is located on the island of Trinidad, not far from Roger Gillespie. He has not been allowed to state his location in previous messages.

Two Sand Lake Cottages Destroyed By Flames

The Fred Fairbanks cottage at Sand Lake, and a small cottage, the home of Frank Goodes, were completely destroyed by fire Thanksgiving Day, after an oil stove had exploded in the Goodes cottage. Mr. Goodes, who is 70 years of age, lived alone, and the blaze which followed the explosion swept so rapidly it was impossible to save any of the furniture except one chair.

Sparks from the Goodes blaze evidently were carried by the breeze to the Fairbanks cottage about two blocks away, where the fire was discovered 15 minutes later. The Fairbanks cottage and contents dere at a total loss and the fire spread to another smaller cottage owned by Fred Schmid of Ann Arbor, which was badly damaged.

Fire trucks from Clinton, Onsted and Brooklyn were called and extinguished the blaze.

THOS. HANE DIES

Thomas A. Hane, aged 63 years, proprietor of the Colonial Inn in the Irish Hills for several years, died Friday night in his home. Mr. Hane was a member of the Reformed church n Defiance, O., and of the Gleaners in Adrian.

He leaves the widow Lillian, and a son Virgil of the Irish Hills, three sisters Clara who lives in the Hane home; Mrs. Amanda Harnish of Oakwood, O., and Mrs. Bertha Beepe of Defiance, O., A daughter Grace died five years ago.

Funeral services were held Monday morning at the Ritter Funeral Home in Onsted and the body was taken to Defiance, O., where further services and burial were held in the afternoon. Rev. F. D. Hague of Onsted officiated.

TO MEET DEC. 8

The Harmony Home Makers will meet Wednesday December 8 at the home of Mrs. Charles Allen for potluck dinner and Christmas party with exchange of gifts. Mrs. Allen is in charge of the program and the assistant hostesses are Mrs. Ora Murphy, Mrs. Lena O'Travil, Mrs. E. J. Ashercold and Mrs. Arthur Bates.

County Pomona Grange Meets In Fairfield

Lenawee County Pomona Grange is meeting today at the Fairfield Grange hall, opening with the business session at 10:30 a.m., when attendance cups will be awarded and reports read. Dinner at 12:30 will be served by Fairfield Grange.

The afternoon program is open to the public and Clarence Tinker of the state conservation department is to speak and show motion pictures. There will also be group singing, a reading by Mrs. Hope Reister of Gorman, presentation of the flag by Mr. and Mrs. Francis Wilkin of Onsted; a style show by Mrs. E. H. Knapp of Adrian and highlights of the National Grange convention.

SINGED WINGS

The people of the United States have been flying so close to the socialistic candle that some of them have had their wings scorched. They have been obsessed with the idea that they could get something for nothing by having the government furnish it. As a result, they are loaded with taxes to pay for "gifts" and government debts.

At last they are awakening to the fact that taxpaying private industry is more beneficial to the nation than tax-exempt government projects which must be paid for by taxes taken from the people. In speeches, newspaper editorials, radio talks and adverising copy tof many industries, there is outspoken sentiment that the nation must go forward on the solid foundation of private initiative and enterprige which built it.

Recognizing the singed wings warning, Eric A. Johnston of Spokane, president of the United States Chamber of Commerce, recently said: "There is some danger of America becoming totalitarian. Of course it would come under a form different than we understand it now. Unless that danger is averted, the peace of the world is endangered. Too much power should never be placed in the hands of government. We should tell the whole world that we will not preside at the liquidation of the American way of life."

It's worth getting our wings singed if it teaches us to keep away from the fire.

Ask the Boy in Service
What He Thinks About Home?

You may not fully realize how lonesome a fellow can be—miles from home, in his leisure moments. It's a lonesomeness that gets deep into a man's heart—and brings tears even to a hero's eyes.

Don't let the man in uniform you think about—be sad. Write to him today, and as many times a week as you can.

Home, to the man away from home, is a marvelous spot. Let's keep it in the best possible repair for the duration so that when he returns after Victory he will be doubly proud of his efforts and of yours.

And until Victory, we suggest that you buy War Bonds regularly as the Nation's top-ranking investment.

MORE EGGS!

FREE! This booklet shows how to build modern, improved-type poultry houses for all climates. Shows structural details.

Housing your hens in a comfortable, sanitary, rat-proof concrete poultry house is a good way to insure bigger egg production. When built of concrete a poultry house will last a lifetime and its modest first cost will be practically the last.

Long-lasting concrete is the thrifty material for feeding floors, dairy barn floors, milk houses, foundations, grain storages, manure pits, water tanks—improvements that help you raise more needed foodstuffs.

Send today for "how to build" booklets. If you need help, get in touch with your concrete contractor or building material dealer.

ROCKS ARE REVIVED; MURDOCH IS PRESIDENT

Once again the Rocks are functioning in Tecumseh. At a meeting of the high school students who are going out for basketball held at the high school building last week, officers were elected for the present school term.

Douglas Murdoch was chosen president; Jack Brown, vice-president; Jimmie Sisson, secretary; Clifford Jackson, treasurer; Dalton Van Valkenburg, chaplain; Coach Fred Raizk, councillor, and Perry Hayden, leader.

Perry Hayden told of the formation of the Rocks, which was the result of an interdenominational Sunday School class organized 18 years ago. The first meetings were held in the coal office of Brown and Co., then in the directors room of the Lilley State Bank. Later the basement of the Library was used; and for a short time the Tecumseh Friends church was the meeting place.

The age limit has been reduced from 15 years to 14 years.

The aim of the Rocks, as explained by the leader, is to "Encourage deeper reverence for things spiritual,—to foster a spirit of Christian Chivalry toward our fellow men,—and to promote among the knights of the order: Clean Thinking, Clean Speaking, and Clean Living."

The Rocks will continue to meet each Tuesday afternoon at 3:45 in the high school building, instead of Sunday morning as they did when formed 18 years ago.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening, December 7, at the home of Mrs. Dwight Hodges. A bazaar will be held and members are to each bring an article to be sold.

The League will hold a Rummage Sale Friday and Saturday in the building formerly occupied by the East Side Market. Members are asked to bring articles to the store this (Thursday) afternoon.

THOMAS E. NIXON DIES IN NEY YORK

Thomas E. Nixon, 83, father of Don Nixon, head of the Quaker Oats Company here, died last night at his home in Niagara Falls, N. Y. Funeral services will be held on Friday in that city.

Mr. Don Nixon spent the Thanksgiving holiday with his father, who had been failing in health, and went from Niagara Falls to Chicago, to attend a business conference. He will return to Tecumseh from Chicago this afternoon and with Mrs. Nixon, plans to attend the funeral in New York tomorrow.

BUYS BUILDING

Ned Baldwin, of the Baldwin Hardware Co., announced today that he had purchased the Palman store building on East Chicago boulevard, immediately east of his hardware store. He takes possession of the property on June 1.

NEIGHBORHOOD CLUB

The Comfort Neighborhood Club will meet Thursday, December 9 at the home of Mrs. Richard Drouillard for a potluck dinner at noon. In the afternoon the group will pack Christmas boxes for sons of members in service. There will also be an exchange of "white elephant" gifts.

TO CONFER DEGREES

Tecumseh Grange will confer the third and fourth degrees on a class of 30 candidates at the next regular meeting to be held Thursday evening, December 9.

WELCOME CLASS

The Welcome class of the Presbyterian church will meet Tuesday afternoon, December 7, with Mrs. Mae Keyser, for their regular monthly business meeting and Christmas program.

GOOD CHEER CLUB

The Good Cheer class of the Baptist church will meet Friday evening at the home of Mr. and Mrs. Robert Gillespie on East Logan street. Popcorn and apples will be served.

If it is Made

And in Our Line

WE'LL HAVE IT

True, there are many items of hardware that are "out for the duration" but we still pride ourselves on being able to supply most of our customers.

This much is certain. If it's in our line and still made, we'll have it. If we do not have it, perhaps we can offer a substitute that will do just as well—at least "get you by" for the duration and until Victory.

CAN VITAMINS CHANGE GRAY HAIR?

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—58% of those tested had positive evidence of a return of some hair color.

● Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the highest amount) PLUS 400 U.S.P. units of B1. Try GRAYVITA. 30 day supply, $1.85. 2 mos. supply, $3.50. Plus, extra

Santa Claus Is Coming to Town

CHRISTMAS PARTY FOR CHILDREN TO BE STAGED AT STRAND THEATRE, DEC. 23RD

Santa Claus is coming to town! Yes, that was the announcement made by Wade L. Jones, secretary of the Chamber of Commerce, today following the receipt of a telegram from the North Pole to the effect that St. Nick would visit Tecumseh on Thursday afternoon, December 23.

"Because the forecast is for colder weather and snow," Mr. Jones said, "this year we have arranged a Santa Claus party at the Strand theatre, and on the afternoon that Santa is here all children in the local schools, up to and including the eighth grade, will be admitted to the show free of charge. The matinee will begin at 3 p.m., and Santa will arrive early enough to greet the kiddies as they come in and he is anxious that they tell him just what they want for Christmas."

Heretofore, the village has staged its Santa Claus party in the downtown district, Santa arriving by plane at the airport and being transported to the business district in a fire truck. This year, Jones said, because of the war, the customary street party has been abandoned for the matinee at the theatre.

Jones also said that the usual Christmas lights and other decorations on the streets here would not a... this year, because of th...

...e federal government has asked that Christmas lighting be held to a minimum, and Yule trees are scarce. We have, therefore, decided to forego all out-of-door decorations," the Chamber of Commerce secretary concluded.

Cooperating in the theatre matinee and sharing the expense are the Chamber of Commerce, the Rotary Club and the Village Council.

Baptist Pastor, Wife Guests at Reception

A reception was held Tuesday evening at the Baptist church for the new pastor Rev. B. O. Bashore and wife. Over 100 attended including the congregation and local ministers and their wives, Dr. and Mrs. Paul Wengel and daughter and Rev. and Mrs. W. R. Curtis of Adrian.

Mrs. Dean Van Valkenburg announced the following program in rhyme: Piano duet "Stars and Stripes Forever", Mrs. E. H. McConnell and Mrs. Howard Everhart; welcome song, Mrs. R. S. Moore; "The Voice of the Old Church Choir", by a double quartet in costume; reading, Mrs. Fred Sheldon; flute solo, Dorothy Schumm; vocal solo, Mrs. Harley McConnell; piano duet, "Blue Danube," Mrs. McConnell and Mrs. Everhart.

Following the program refreshments were served with Mrs. J. C. Murdoch and Mrs. N. MacNaughton pouring.

SPECIAL FRIENDS PROGRAM

"The Story of the Dynamic Kernels" will be presented Sunday evening at the Tecumseh Friends Church at 7:30 p.m. Ralph B. Comfort will show the motion pictures in color, and Perry Hayden will give the account of this interesting project since it was begun in the fall of 1940 to the present time. To date there have been four plantings of wheat and three harvests. Each year one tenth of the wheat crop is set aside and devoted to some Christian enterprise. At the service Sunday evening the Quaker Male Quartet will sing. The public is invited to this meeting.

MONDAY CLUB MEETS

Venezuela was the subject of this week's program of Tecumseh Monday Club. A tour of the country was described by Mrs. Robert Moore, Jr. and the national anthem played by Mrs. Kenton Hunt as a piano number. Two Spanish solos were sung by Mrs. J. M. Mahoney. A Christmas program will be presented at next Monday's meeting by Mrs. Burtsel Claus and it will be in the nature of a pageant. Tea will be served. A Christmas recess of three weeks will be taken after this meeting.

SPECIAL MEETING

The Spanish War Veterans Auxiliary will hold a special meeting this evening at the home of Mrs. R. R. Van Winkle. There will be inspection by the state president of the auxiliary and by the commander of the Veterans organization.

Indians Defeat Hudson Cagers

WILL PLAY MORENCI, THERE, THIS WEEK FRIDAY IN SECOND GAME OF THE SEASON

The Tecumseh High School indians won their opening basketball game of the season, last Friday evening, defeating Hudson high on the local school court by a score of 27 to 21. This week Friday, the Indians travel to Morenci for the second game, which will start at 8 p.m., Central War Time, one hour slower than Tecumseh's time.

The Tecumseh team in last Friday's game was made up of Murdoch, captain, forward, Brown, center, Costigan and Sisson, guards and Osburn, forward. Bancroft and Baker were the substitutes.

While the local team showed that there was still some of the football tactics left in their makeup, they played very good ball. True, there were a few of the out-of-the-season mistakes, but Coach Raizk is hopeful that the cagers will be able to clip off another league championship.

Last Friday Morenci defeated Adrian by a score of 26 to 21, which indicates that the Indians will be up against a tough scoring team this week-end.

Next week Friday, the Indians meet Clinton on the local court. In last week's game, Clinton defeated Addison by a score of 50 to 48. The game was played in overtime.

Mrs. Frank Hoekstra To Be Buried Saturday

Mrs. Marjorie Hoekstra, aged 48 years, wife of Frank Hoekstra, village engineer, died Tuesday morning at her home on North Pearl street after several months illness.

Mrs. Hoekstra was formerly Marjorie O. McClure, a daughter of Mr. and Mrs. John McClure and was born July 1, 1895 at McClure, Ohio. The family moved to this vicinity when she was 13 years of age. She attended the local high school and the county normal school in Blissfield and taught in the county rural schools until her marriage to Mr. Hoekstra June 6, 1921. Mrs. Hoekstra was a member of the Baptist church and the Past Chiefs club of the Pythian Sisters.

Survivors are her husband and a daughter Jane at home, two sons Bruce at home and Pvt. Robert Hoekstra who was inducted into the army December 1 and is stationed at Keesler Field, Miss.; her parents Mr. and Mrs. John McClure; six sisters Mrs. Bernice Lamkin who had been caring for her sister, Miss Fay McClure of Cincinnati, O., Mrs. Mabel Whistler and Mrs. Janice Upson of Kalamazoo, Mrs. Nora Hicks of Monroe and Mrs. Helen Witt of Springfield, O.; three brothers, Clifford and Herbert McClure of Tecumseh and Pvt. Donald McClure of Gulfport, Miss. Two sons T|5 Nelson Hoekstra and F-2-c Maurice Hoekstra were killed in an automobile accident recently.

Funeral services will be held Saturday afternoon at 2.30 at the Collins Funeral Home. Rev. Edward Ecolme will officiate and burial will be in Brookside cemetery.

HOME FOR HOLIDAYS

Pfc. Carroll Conklin who recently was returned to General Hospital in San Francisco, Calif., after 2½ years in service, most recently in Australia and New Guinea, has again be transferred to Brooks General Hospital at Ft. Sam Houston, Texas and expects to be with his parents Mr. and Mrs. John Conklin here, for the holidays. He will however return for further treatment. Pfc. Conklin, who earned the name of "miracle fighter" in Australia, was not wounded in action but is receiving medical treatment.

WE BEG YOUR PARDON

Due to a typographical error in last week's story of the contributions to the Lenawee County Patriotic League-Tecumseh Community Chest, it was reported that the gift of the office of the Tecumseh Products Co., amounted to $36. This should have read $436. An error also was made in the League office, reporting gifts at the Quaker Oats Co., of $190.50. This amount should have been $249.25.

VESPER SERVICE

At a recent special meeting of the Westminster Junior League held at the home of Mrs. Lawrence Vanderpool, plans were completed for the annual candlelight vesper service to be held December 19 at the Presbyterian church. The first rehearsal was held Thursday evening under the direction of Mrs. John McColl and following practice a weiner roast was enjoyed.

Barber Shop Singers To Meet Next Monday

The Tecumseh Barber Shoppers, members of the S.P.E.B.S.Q.S.A., (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America), composed of some 40 persons, are planning a "bust" at the club rooms in the Ford Garage building on Monday evening, December 13, at 8:30 p.m.

The program calls for the appearance of several out-of-town quarte's and auditions by four or five local quartets to determine which one will represent Tecumseh at the Parade of Quartets to be held at Battle Creek, January 29. The program also will include group barber shopping and at random quartet singing. Lunch will be served.

All members of the Society are asked to be present and to bring a guest. Anyone interested in barber shop quartet singing is invited to join the society or to attend the meeting.

Legion Spends $400 For Service Men's Gifts

The American Legion Auxiliary held its December meeting Monday evening in the Legion hall when plans were discussed and committees appointed for the annual family Christmas party. The committees who will work with a committee from the post include Mrs. A. Bagshaw, Mrs. Paul Keyser, Mrs. Vincent Haight, Mrs. Kenneth Will and Mrs. C. W. Howe dinner; Mrs. Louis Schneider, Mrs. Otto Baaske, Mrs. L. E. Brown and Mrs. R. K. Anderson, tables; Mrs. Ray Sluyter, Mrs H. H. Hammel and Mrs. T. Rentschler, gifts for children. The date of the party will be announced later.

Mrs. Howe gave a report of the mid-winter officers conference which she attended in Bay City over the weekend.

During the business session the unit voted to give $10 to the cigarette fund for the American Legion Hospital; $15 for canned fruit for the hospital and the Children's Billet at Otter Lake and $15 for an album of 48 records of service men. Nearly $400 has been expended for Christmas gifts for service men. To date 222 boys in service, both in the United States and overseas, are receiving The Tecumseh Herald regularly, and the auxiliary wishes to thank those organizations and individuals who contributed to the subscription fund to make it a success. They will continue to send The Herald to the boys as they enter service. Boxes are still in local business places for the playing card and writing paper fund.

Hostesses for Monday evening's meeting were Mrs. Thos. Gallant, Mrs. Lyman Curtiss and Mrs. Fred Marsh.

Clinton Farm House Destroyed By Flames

The house on the W. F. Van Tuyle farm south west of Clinton, occupied by George Johnson and family was completely destroyed by fire early Friday morning. A son Robert, discovered the fire at 2 a.m., when awakened by the smoke, and with his father and sister escaped from the burning building with only a scant amount of clothing. The Johnson family had lived on the farm for over 20 years.

The Clinton fire department was called but the fire which had started in the pantry spread so rapidly it was impossible to save the house or any of the contents, but firemen prevented the blaze from spreading to the other buildings. The loss is partly covered by insurance.

ROTARY CLUB MEETS

The regular dinner meeting of the Rotary club was held on Tuesday evening at Brees House. Louie Schneider, a state chairman of boy's work in the American Legion, was the guest speaker, discussing child delinquency. The Rev. John Scarlett of St. Peter's church, and the Rev. B. O. Bashore of the Baptist church, new ministers locally, were guests of the club.

AT NOTRE DAME

A|S Louis L. Schneider is now attending the U. S. Naval Reserve Midshipmen's school at the University of Notre Dame in Indiana. He is being drilled in seamanship, ordnance, damage control and compass compensation and other duties of an officer of the U. S. Navy. Upon successful completion of a seven-weeks course at Notre Dame he will be commissioned an ensign and assigned to active duty.

GRANGE TO MEET

Tecumseh Grange will meet tonight for potluck supper at 7:30 after which the third and fourth degrees will be conferred on a large class of candidates. The degree team will be assisted by James Marr, master of Pomona Grange.

Charles A. Matthews Buried In Brookside

Charles Albert Matthews, son of Mr. and Mrs. Howard Matthews, died Thursday at their home on West Logan street after a long illness. Charles who was 22 years of age had been an invalid from muscular trouble for the past 16 years. He was born in Raisin township October 11, 1921 and attended early grade school but was forced to give up his classes because of his illness. Although suffering so long and confined to his wheelchair Charles never complained. He made many friends among the young folks and enjoyed their companionship. He was a member of the Iron Creek Baptist church and of Tecumseh Grange.

Besides his parents he leaves two step-brothers Sgt. Max E. Umbarger of the Army Air Base at Greenville, S. Carolina, and Harold Umbarger of Long Beach, Calif., four step sisters Mrs. Leona Duncan of Mt. Union, Iowa; Mrs. Florence McCoy, Mrs. Wayne Edwards and Miss Aileen Umbarger, all of Detroit.

Funeral services were held Saturday afternoon at the Belding Funeral Home with Rev. A. C. Brazee officiating, assisted by Rev. B. O. Bashore. Bearers were Pfc. Carl Vest of Scott Field, Ill., Pfc. John Thompson of Ann Arbor, Glenn and Gayton Furgason, Frederick Bryan and Dalton Van Valkenburg, and burial was in Brookside cemetery.

Among those from away who attended the service were Sgt. Max Umbarger of Greenville, S. C., Mrs. McCoy, Mrs. Edwards and Miss Umbarger, Augustus Kempf and Mr. and Mrs. Harry Lucas of Detroit, Leroy Hoagland of Jackson and others from Deerfield, Adrian and the vicinity.

CHURCH REDECORATED

The Baptist church parlors and rear hall are being redecorated in preparation for the Christmas pageant.

This afternoon at 2 o'clock the ladies who will help with the repairing, pressing and fitting of costumes for the pageant, will meet at the home of Mrs. R. S. Moore. On Sunday at 3 o'clock the entire cast will meet at the church for rehearsal, also for stage setting and the assigning of costumes.

HILLS-PETER

Miss Laura Marie Peter and George L. Hills, both of Tecumseh were married Monday morning by Justice of the Peace Florence Howe in the office of F. C. Hanna. They will reside in Tecumseh.

Miss Louise Wintersteen Dies of Heart Attack

Miss Louise Anna Wintersteen, aged 22 years, twin daughter of Mr. and Mrs. George J. Wintersteen, died suddenly of a heart attack early this morning at her home in Macon. Miss Wintersteen was born in Tecumseh, May 14, 1921. She was employed as dietitian at Green Lane Academy.

Survivors are the parents, the twin sister, Lois, and two other sisters, Mrs. Virgil Linn of Britton and Mrs. Wilburn Adams of Lincoln Park, one nephew and twin nieces.

The body was brought to the Collins Funeral Home where the funeral will be held Sunday afternoon at 2:30, Rev. R. E. Simons of Flat Rock will officiate and burial will be in Macon cemetery.

2 Life Memberships Awarded By O. E. S.

Mr. and Mrs. Richard Moiles of Adrian were presented with life membership certificates at the regular meeting of Tecumseh chapter, Order of the Eastern Star, Thursday evening. New officers were in charge of the meeting.

During the business session the chapter voted to send Christmas gifts to Eastern Star Villa at Adrian, the Starr Commonwealth at Albion and the Masonic Home in Alma.

The program in charge of the Past Matrons included group singing of carols, a reading by Mrs. L. A. Carlson and a vocal solo by Mrs. Forrest Welchner. Gifts were presented to John J. Wings Awarded Local Fighters

LTS. AEBERSOLD AND CALHOUN GIVEN WINGS AND COMMISSIONS; CALHOUN HOME ON LEAVE

Headquarters Army Air Forces Central Flying Training Command, Randolph Field, Texas ,December 9—Climaxing a year of peak production of fighting airmen, the eleven advanced pilot schools of the central unit of the Army Air Forces Training Command this week awarded silver wings to thousands of new fighter and bomber pilots.

Even as the graduates were dispersed to new assignments preparatory to entering active operations against the Axis, the training stations were beginning work with a new group of advanced flying students who will form the first graduating class of 1944 early in January.

Fighter pilot stations participating in today's graduation ceremonies are those at Moore Field, in Mission, Eagle Pass, and Foster and Aloe Fields at Victoria, all in Texas. Potential bomber pilots were graduated at Brooks, Lubbock, Ellington, Pampa and Blackland Fields in Texas and at Altes and Frederick in Oklahoma.

Among the new pilots are five men from this area. They include; Lt. Edw. G. Aebersold, Tecumseh; Lt. John L. Calhoun, Holloway; Edward Hiser, Jr., Dundee; LeRoy C. Kishpaugh, Sand Creek; Lieut. H. F. Patterson, Adrian; Flight Officer F. G. Beyer, Adrian.

Lt. Calhoun is home on a 10-day leave.

WHO IS TO BLAME?

Continued controversy in the coal mines still threatens coal production. Strikes, the one contingency which the mine operators themselves admit can cause a coal shortage, are now occuring for the third time within the year.

If, as the grip of winter tightens, and as more American men fail to overseas, war production is endangered by lack of coal, the people are going to want to know who is to blame for the unnecessary coal shortage. There are three possible culprits: labor, government, or the mine operators.

The blame can hardly be placed on the operators and owners of the coal mines, because under the existing wartime "czar" system built up in government, they do as they are told even to the extent of handing their properties over to the government.

Labor, however, has proved more than once that it can dictate to government in the matter of coal production. Therefore, government authorities, who have total control of the coal mines and labor, must assume responsibility for mine closings. This becomes more evident each day.

Your Home of the Future Depends Upon Victory!
Though enemy bonds may fall—and torpedos shuttle through the seas—America's ships sail gloriously onward, unvanquished—clearing the lanes of Axis menace to our forward-moving troops and supplies.
Some day this war will end in Victory for the Allies. And when it does, we at home must be in a position to assume a new role—a role of honoring the returning heroes.
It is then that new homes must be built—homes that will afford the security for which these heroes are fighting.
It is our job today to keep these homes in the best possible repair for the duration. It is our job, when the war is won, to furnish these returning heroes with the materials necessary for the fulfillment of their dreams.

AND KEEP THE FAITH...W IT

From every church in America men and boys have gone away . . . to serve their country in its time of need.

We at home must fill their empty places.

We must share with them the spirit of their service . . . the burden of their sacrifice.

And, with them, we must keep the faith in which the freedom they defend was born—*faith in God.*

* * *

In this faith our country was founded . . . our institutions rooted . . . our liberties secured.

In this faith, more than ever before, America needs us strong today.

We must strengthen our belief in the spiritual realities which are the core of our American tradition.

We must return to the passionate convictions of our ancestors who wrote that faith into the motto of our country: "In God We Trust."

THE OLD JUDGE SAYS...

"Never knew that before, Judge... I would have sworn it was just the other way 'round."

"No, Arthur, the grain used in distilling war-alcohol is *not wasted*. In an efficient distillery up to 29% of it is reprocessed and is returned to farms like yours in the form of premium-quality livestock feed.

"Remember, this nourishing remainder is plumb full of protein, vitamins and carbohydrates and becomes a highly-prized feed concentrate.

"By developing new products from this processed grain, the modern distilling industry has taken a leading part in solving the vital shortage of cattle and poultry feed ingredients which are rich in vitamins B-1 and B-2, so essential to satisfactory growth and production.

"And what I have told you about the absence of grain waste in making war-alcohol, Arthur, also applies in the making of whiskey, *although not a drop has been made in this country for over a year.*"

School Plans For Christmas

ANNUAL PROGRAM TO BE PRESENTED DEC. 20; DANCE ON DEC. 23; RECESS DATES ANNOUNCED

The annual Christmas program will again be presented by the students of the central building next Monday evening, December 20, at 8:00 p.m. Following the procession-al, the program will be made up of two main parts. First, the singing of selected Christmas hymns and carols by various grade and high school groups under the direction of Mrs. John McColl, and, sec-ond, the presentation of the play "The Cratchit's Christmas" by a cast of pupils from the elementary grades in the Central Building under the direction of Miss Bernice Parker, Mrs. Cora Pfaus, Miss Eliz-abeth Cole, Mrs. Ina Baily and Miss Rita Fender.

The cast of characters in the play will include Scrooge—David Loft, Scrooge's Nephew—Gordon Keyser, Christmas Fairy—Sherry Lee Fielder, Mrs. Cratchit—Lenore McKenzie, Bob Cratchit—Leonard Stark, Martha—Jolene Barron, Pe-ter—David Van Winkle, Belinda—Patricia Schilberg, Fanny—Beverly Hay, Dick—Edward Lenahan, Tiny Tim—Carl Freckleton, and the mu-sical preludes to the various acts will be furnished by the combined grade chorus and a trio composed of Gordon Keyser, David Green, and Gerald VanValkenburg. Solo parts will be taken by David Green, Jack Tennenberger, Joyce Zeigler, Freddie Snyder, and Lillard Brown. Mrs. Hazel Dickinson and Miss Mary Jane Hayden will accompany at the piano and a clarinet descant will be rendered by Ellen Mohr.

This program, which has become a tradition in the local schools, will be open, free of charge to the pub-lic.

The school's annual Christmas party and dance, sponsored by the classes and the board of education will be held on Thursday evening, December 23, in the gymnasium.

The school's annual holiday re-cess begins in the afternoon of De-cember 23 and continues until af-ter New Year's, the reopening date having been set for Monday, Jan. 3.

Scout Court of Honor Held Here on Monday

A Boy Scout Court of Honor was held last Monday evening at the East Branch school when merit badges were presented by Scout-master B. C. Dannells to the fol-lowing scouts: Jimmy and Jerry Murphy, animal industry, horse-manship and dairying; Keith Swain horsemanship; Donald Maves, leathercraft, metal work, carpen-try, music and wood working, all first class awards. Second class awards were made to Billy Hayden, Harold Anderson and Don Maves and Tenderfoot awards to Scouts Comfort, Judd, Hoag, Rumler and Martin.

Troop officers were installed as follows: Lee Clark, senior patrol leader; Bob Randall, junior assist-ant scoutmaster; Billy Hayden, Harold Anderson, Keith Swain and Jerry Murphy, patrol leaders; Don Maves, Tate and Louden, assist-ants; D. Tate, librarian 2; Hay-den, bugler.

Arthur Eaton, M. W. Wilson, Paul Maves and Halsey Eggleston were installed as new committee men.

JAS. HORAK SPEAKS TO THE ROTARY CLUB

James Horak of Franklin town-ship, an English student at Adrian College and who in 1939 escaped from a German concentration camp and came to the United States, was an interesting speaker at Tuesday evening's meeting of the Rotary Club at Brees House. He was the guest of R. H. Moore.

Mr. Horak, a native of Czecho-slovakia, has had only 96 college hours of training in English, but he speaks very well. He told of the hardships endured in his homeland and declared that he is the hap-piest man on earth to be in Am-erica.

JUNIOR LEAGUE

The Westminster Junior League will meet Tuesday evening, De-cember 21 at the church for a pot-luck supper with husbands of mem-bers as guests.

Indians Will Meet Clinton Here, Friday

The Tecumseh High school In-dians will play their third cage game of the season here Friday evening when they meet Clinton high on the local school court. The game will start at 8 p.m., the re-serve at 7:15.

Clinton is expected to give the Indians considerable trouble in the game tomorrow, if past perform-ance is taken into account. Mor-enci has defeated Clinton by a score of 44 to 34, and also has de-feated Tecumseh, 33 to 22.

Last Friday, in Morenci, when the Indians lost their first game of the season, Brown and Costigan were both out of play, but it is expected that they will be in to-morrow's battle. In the Morenci fray, John Murdoch and Sisson were the outstanding players.

Local Fighter Dies In Italy

GORDON FURGASON, 19, KILL-ED IN ACTION NOV. 10; PAR-ENTS HERE ADVISED

Mr. and Mrs. Bernard Furgason were notified by the War Depart-ment Monday that their son Pfc. Gordon Furgason, had been killed in action in Italy on November 10. Gordon, who was 19 years of age, was inducted into the army March 27 and left the last of August for overseas service. He celebrated his 19th birthday September 7 in North Africa and soon after was trans-ferred to action in Italy. He at-tended the Ford School and at the time of his induction was employ-ed at the Willow Run bomber plant.

Besides his parents he leaves three brothers and five sisters and his grandparents Mr. and Mrs. Le-Roy Matthews and Edward Furga-son.

Royal Neighbors To Hold Holiday Party

The Royal Neighbors will hold their annual Christmas party for members and their families Tues-day evening, December 21 in their hall, with potluck supper followed by a program and exchange of gifts.

At their recent meeting the fol-lowing officers were elected for the coming year: Oracle, Ziska Alderdyce; vice oracle, Leila Wood; past oracle, Opal Brady; chancellor Blanche Sones; record-er Tillie Tuckey; receiver, Jennie Hodges; marshall, Marie Raymond; assistant marshall, Gilberta Mor-ley; managers, Eva Beevers, one year, Mayme Stevenson, two years; Gilberta Morley, three years; phy-sician, Dr. T. Rentschler; musician Martha Nye; installing officer, Opal Brady; staff captain, Mayme Stevenson; Endurance, Florence Kopke; Modesty, Jean Seitz; Faith, Goldie Topps; Unselfishness Ida Miller; Courage, Leila Van Winkle; flag bearer, Lenore Withee; inner sentinel, Velma Mil-ler; outer sentinel, Neva Woodcox; ceremonial marshall, Eva Beevers; assistant, Florence Kopka.

These officers will be installed in January.

NEW WATER ORDINANCE ORDERED BY COUNCIL

An ordinance, fixing water rates and time payment, was ordered by the village council, when it met in session Monday evening, and the village attorney is preparing the draft, to be submitted at the next meeting. The council's action fol-lowed the acceptance of an engin-ering firm's report relative to rates and proposed ordinance revisions.

The firm of Finkbiner, Pettis and Strout, Toledo engineers, was in-structed to prepare detail plans and costs of construction of post-war sewer mains and disposal plant, and necessary outfall sew-ers, forthwith. This program is in keeping with the council's post-war expansion plans.

CARS COLLIDE

At least four cars were involved in a traffic accident just west of Tecumseh, early Wednesday morn-ing, as the result of frosty wind-shields and the cold weather. The accident happened when Clayton Freshcorn, who lives west of town, stopped his car to disconnect an electric wire that has short circuit-ed. Floyd Dunscomb, of Onsted, who was driving behind Freshcorn, was unable to halt his car soon enough to avoid a crash and later a third car, driven by Leonard Cromwell of Addison, was involved and then a fourth, the name of the driver not learned. No one was seriously hurt but the cars were damaged.

R. A. M. ELECTS

At a recent meeting of Royal Arch Masons held in Blissfield, Leon Willnow, formerly of Tecum-seh, was re-elected king; Larry W. Larsen, captain of the host; Percy G. Heidenreich, royal arch captain; John H. Smith, master of the first veil. All are from Tecumseh.

Clinton Flyer Awarded Star

D. O. BELLMORE, ONE OF 22 TO GET HONOR FROM GENERAL GEO. KENNEY

Donald O. Bellmore of Clinton was one of 22 army airmen, crew members of two Liberator bombers to be awarded Silver stars by Lt. Gen. George C. Kenney, comman-der of Allied air forces in the Southwest Pacific. The bomber crews guarded the badly damaged third bomber on the way back from a raid on Rabaul. The Liber-ators were part of a formation which attacked Rabaul without fighter cover and in the face of severe anti-aircraft fire. On the re-turn the third bomber was falling back and losing altitude and was surrounded by about 50 Jap fight-ers.

In the 30 minute battle the two guarding Liberators shot down eight enemy fighters, and damaged two others. The stricken bomber had to crash in the water but the eight members were all saved.

Sgt. Bellmore celebrated his 23rd birthday December 1. Two brothers Robert and Raymond Bell-more live in Clinton.

Candlelight Service At 5 p. m., December 19

The Westminster Junior League will present its annual candlelight service Sunday evening December 19 at 5 o'clock in the Presbyterian church. The choirs will be under the direction of Mrs. John McColl with Mrs. Bertram Updyke as or-ganist. This beautiful Christmas service has been planned to help us keep the Christmas spirit in the hearts of the people of Tecumseh.

The old familiar carols such as "O Come, All Ye Faithful", "O Little Town of Bethlehem", and "Joy To The World" will be sung by the choirs and congregation with special numbers by the junior and adult choirs. Mrs. McColl has arranged a number "How Ra-diant Shines the Morning Star" by Peter Cornelius, with Wallace Whiting taking the solo part. Other special numbers include "Silent Night" with solo by Mrs. J. M. Hanna, and "O Holy Night" with Miss Crystal Wise as soloist. The Westminster Carol will be sung by the junior choir with the adult choir coming in on the chorus.

During the service girls from both the Junior and the Presby-terian League will care for small children in the nursery.

Monday Club Recessed Until After Holidays

The Tecumseh Monday Club held its weekly meeting Monday afternoon in the parlors of the Methodist church. The president Mrs. Clarence Fisher, presided and Mrs. Sidney Wilson was received as a new member. Mrs. Blair O. Bashore's name was presented for membership. Mrs. Burtsel Claus gave a dramatized reading of a Christmas story, "The Ragged Cloak" by Margaret E. Sangster, and Mrs. Robert Moore Jr. sang the solo parts that accompanied the reading. Tea was served by Mrs. George Green, Mrs. E. D. Brown and Mrs. Guy E. Belding. A holiday recess will now be taken until January 3, when Miss Ger-trude Spaulding, superintendent of Tecumseh hospital, will be in charge of the program.

SCHOOL BOARD MEETS

The board of education met in regular session at the high school, Tuesday evening. A night school program, after the holiday season, was approved for adults and class-es in wanted subjects will be of-fered. The board also further con-sidered the district's proposed school building program and will consider some definite steps in this direction at its January meeting.

WED IN FOSTORIA

Miss Margaret Clark, daughter of Mr. and Mrs. D. P. Clark of West Brown street and Robert MacDonald, son of Mr. and Mrs. W. H. MacDonald of Flint, were married Saturday, December 11 in Fostoria, O., by the Rev. Fred P. Fuge. After a short trip to Cleve-land, they returned to Tecumseh and are residing on North Maiden Lane. Both are employed by Meyer Aircraft.

YULE SERVICE PLANNED

Christmas services at the Gospel Tabernacle, 321 N. Pearl street, will be held Wednesday evening, December 22, at 8 o'clock. A pro-gram will be presented by the children and the girls choir will sing. Before and durnig the service Rev. and Mrs. Harold Speer will give selections on the Hawaiian and Spanish electric guitars.

TO MEET TUESDAY

The Presbyterian League will meet Tuesday evening December 21 at the home of Mrs. Howard Truesdale. A Christmas program will be given.

Flu Has Not Reached Epidemic Stage Here

Although illness from influenza has reached epidemic stages in some sections of Michigan, reports from Tecumseh today were the ef-fect that the disease here is in a very mild form and that there is no epidemic.

From the public schools, W. L. Berkhof, superintendent, said that about 10 per cent of the student body at the central building was absent because of illness. Factories however, said that absenteeism be-cause of illness and cold was very small, two or three per cent.

The extremely cold weather, doc-tors say, should check the spread of the influenza very quickly.

Tuesday night was the coldest reported here this winter, the mer-cury sinking to below the zero mark, some sections reporting tem-peratures as low as six degrees.

Santa Claus Party

A big red apple will be Santa's gift to the children here next Thursday when he meets them at Tecumseh's matinee theatre party for the youngsters, at the Strand. W. L. Jones, secretary of the Cham-ber of Commerce, said that Santa would arrive here about 2:45 and that pre-school age children might meet him at the theatre if they desired.

STORES OPEN EVENINGS

Commencing next week, many of Tecumseh's stores will remain open evenings to ac-commodate Christmas shop-pers.

The children's matinee, to which all school children through the eighth grade are invited, will be-gin at 3 p.m. Santa will be here throughout the show, Mr. Jones said.

The theatre praty is being given this year instead of the usual street party of former years. It is sponsored and financed by the Vil-lage Council, the Rotary Club and the Chamber of Commerce.

Blood Plasma Fund Is Aided By D. A. R.

Abi Evans chapter, Daughters of the American Revolution was en-tertained Friday afternoon in the home of Mrs. Neil Pearson on West Pottawatamie street. A decorated Christmas tree stood in the corner of the living room. After the open-ing ritual, a business session was held with the regent Mrs. Hoyt Whelan presiding and $10 was voted for the blood plasma fund. It was also decided that each mem-ber be asked to contribute person-ally as an addition to this amount. Used clothing and other contribu-tions were brought by members to be sent to the approved schools in the south and they were asked to bring contributions to the January meeting for disabled sailors and soldiers at Ellis Island. Mrs. Lewis Hoyt gave a talk on the subject, "What Our Flag Means to Us." This was taken from a speech de-livered by Charles Evans Hughes. Mrs. Cleveland R. Dustin gave a paper on antique jewelry and a dis-play was exhibited by members, each of whom gave the history of their display. Tea was served from a table covered by a lace cloth and centered by an attractive arrange-ment of Christmas candles. Mrs. B. B. Turnbull and Mrs. Arthur poured.

CHRISTMAS CAROL SERVICE TO BE HELD AT FRIENDS

On Sunday evening Dec. 19 at 7:30 p.m. a Christmas carol ser-vice will be held at the Tecumseh Friends Church. The familiar Christmas carols will be sung by the congregation. Special Christmas selections will be presented as fol-lows: solo, "Nazareth" by Ralph Comfort; trio. "There's A Song in the Air" Joan Smith, Pauline Van Valkenburg and Beppy Escolme; chistling solo, "A Christmas Med-ley" by Ardis Drewyor; duet, "Away in A Manger", Marian and Norma Comfort; a reading "Seek-ing a Manger" by Mrs. Emma Day; solo by Gordon Comfort; reading, "When the King Came" by Edward Escolme; solo "Saw You Never in the Twilight" by Mrs. Edward Es-colme.

LUTHERAN SERVICES

Christmas services at Grace Ev. Lutheran church will include a children's program at 7:30 Christ-mas Eve and a Communion service at 11 o'clock on Christmas Day. On December 26, divine service will be at 11 o'clock Sunday morn-ing.

A New Years Eve service is planned for December 31 at 8 o'clock and a New Year's service will be held January 2 at 11 a.m.

Child Rescued As Home Burns

SIX-YEAR-OLD BOY SAVED BY NEIGHBORS AS FLAMES DE-TROY LEO ERHART DWELL-ING.

The home of Mr. and Mrs. Leo Erhart just west of the village limits on M-50, was completely des-troyed by fire Friday morning, in-luding nearly all of the household furnishings, Charles, their six-year old son, who was at home alone, was rescued by neighbors.

The blaze was discovered about 10:30 a.m., by a bread truck driver who notified neighbors. Mr. Erhart was at work and Mrs. Erhart had gone shopping, leaving Charles at home. Three other children were in school and the baby was with Mrs. Erhart.

Miss Adeline Hammack and her father Benjamin Hammack, who live nearby, heard Charles crying and Miss Hammack rushed upstairs in search of the boy. Her father followed and helped the both to safety. Neighbors saved a few ar-ticles including a stove, washing machine and table.

The loss was partly covered by insurance. The members of the family are staying with friends until a house or apartment can be obtained.

Funeral Services Held For Mrs. Frank Hoekstra

Funeral services for Mrs. Frank Hoekstra were held Saturday af-ternoon at the Collins Funeral Home. Rev. Edward Escolme offi-ciated and bearers were Vern Mansfield, Harry Schuch, Floyd Billington, Chauncey Harrison, Kenneth Ives and Walter Prock-now. Burial was in Brookside cemetery.

Among those from away were the son Pvt. Robert Hoekstra of Keesler Field, Miss., a brother Pvt. Donald McClure of Gulfport, Miss., and other relatives and friends from Grand Rapids, Charlotte, Kalamazoo, Adrian, Monroe, Spring-field and Cincinnati.

A. E. KELLEY DIES AT HOME IN DETROIT

Word has been received here of the death of Arthur E. Kelley, aged 70 years, a former resident of Ridgeway, which occurred Friday at his home in Detroit after a short illness.

He leaves three sons Glen of Plymouth, Leon and Harold of De-troit, a daughter Noreen of Detroit, a brother F. L. Kelley of Adrian, two sisters Mrs. Cora Holdridge of Chesaning and Mrs. Dora Snede-her of Adrian.

The funeral and burial were held in Detroit.

HONOR BRIDE-TO-BE

Mrs. Elmer Burleson and Mrs. Nellie Furgason were hostesses last Wednesday evening at a per-sonal shower for Miss Joan Bar-ritt in honor of her approaching marriage to Lt. Ned Rosacrans of Newark, N. J. Christmas decora-tions were used and prizes won in the games and contests were pre-sented to the bride-elect who also received a shower of personal gifts. Refreshments were served in con-clusion.

Mrs. Russell Thurlby and Miss Geraldine Pennington were co-hostesses at a pre-nuptial break-fast Sunday morning for Miss Joan Barritt in honor of her ap-proaching marriage. Gloria Under-wood assisted in serving and Christmas decorations were used. Following breakfast Miss Barritt was presented with a shower of miscelleaneous gifts placed under a lighted Christmas tree.

OFFICERS INSTALLED

Recently elected officers of Te-cumseh Lodge, F. & A.M., were in-stalled at a meeting held Friday evening, by Willard J. Boyd, past master. They are Leroy H. Titley, worthy master; Kenton Hunt, sen-ior warden; L. W. Larsen, junior warden; K. G. Hall, treasurer; F. C. Dickinson, secretary; Rev. C. B. Gould, chaplain; Lawrence Hoagland, senior deason; Richard Preston, junior deason; Hoyt Ray-mond and James Elliott, stewards and J. H. Smith, tyler.

ACCIDENTALLY SHOT

Kenneth Will of South Union street, was accidentally shot in the lower legs and right arm, Wednes-day morning, while hunting on the Alderdyce farm in the Irish Hills. The party was made up of Don Goddard, Lillard Brown and Mr. Will. In the mill grass, Will acci-dentally came in the line of fire of Mr. Goddard's gun. He was taken to Ann Arbor hospital for treat-ment and then to his home here. His injuries are not believed to be serious, it was said.

MEETING CANCELLED

The Harmony Home Makers have cancelled their December meeting. The January meeting will be held at the home of Mrs. Thomas Mur-phy when Christmas gifts will be exchanged.

Local Hunters Rescued From Island By Guard

Ten deer hunters, marooned on Manitou Island in Lake Michigan, were rescued by the coast guard on Monday of this week and returned to their homes here on Tuesday. In the party were Jens Touborg, C. M. Brown and his son, Jack, Wil-liam Colgrove, R. T. Smith and his son, John, Chas. D'Olive, Don Ma-son, all of Tecumseh and Deerfield, and Lawrence and James Smith of Lyons, N. Y.

The men were on the island last week, deer hunting, and intended to return home over the week-end, but the severe storm and a 50-mile gale prevented their leaving. On Monday a coast guard boat came to their rescue and piloted them safe-ly to Glenn Harbor. They returned here, Tuesday night.

"It was a great trip," C. M. Brown said, "but we did get a little sick coming across the lake, Mon-day. However, we all got our deer and everything worked out all right."

Choir at Macon Plans Program

NEWLY-PUBLISHED CANTATA TO BE GIVEN AT MARTHA-MARY CHAPEL ON DEC. 19

On Sunday, December 19, at six o'clock, the Macon Community Choir in the Martha-Mary Chapel at Macon will present the Christ-mas cantata, "The Chorus in the Skies." This will be the first pre-sentation of this newly-published cantata in this area.

As has been the custom in the past, the service will be given by candlelight. Six o'clock was select-ed as the starting time for the program so as to have it begin while it is still daylight. Added effect is achieved in this way. Thus when the service begins, the light-ed candles are quite dim in con-trast to the daylight. But as dusk advances the candles seem to glow more and more brightly until when night has fallen and the last hymn has been sung, candlelight is the sole source of illumination in the chapel.

All of the music of the new can-tata is based upon and introduces the old, well-loved Christmas tunes. As the cantata progresses the con-gregation also enjoys participation in the production by singing some of the carols with the choir. The choir sings several numbers intro-ducing these fine old carols and then immediately after, choir and congregation join voices to sing the carol in its original majestic setting. Among the tunes present-ed in this manner are "O Come All Ye Faithful," "Joy to the World" and "As With Gladness Men of Old."

A number of soloists, all of whom are members of the choir, will assist in the delivery of the cantata. Mrs. Herbert Gilmore, con-tralto, and Mrs. Mills Swick, so-prano, will sing a duet on the fam-iliar song "While Shepherds Watch-ed Their Flocks by Night." Mrs. Carl McClue, mezzo-soprano, will sing a solo introducing parts of the song "There is Room in My Heart for Thee." Ray Waters, To-cumseh baritone, is singing "Mary Watched Beside the Manger." This is sung as an obligato to a rendi-tion of "Silent Night" by the Wo-men's Chorus. Herbert Gilmore, lyric tenor, is offering as his solo a song of wholesome sentiment and general appeal. "The Gift." Carl Thomas is singing the bass solo parts of an offering of the entire choir, "Follow Yonder Star." C. O. Bailey, an outstanding tenor who has recently moved to Tecumseh, will sing a dramatic song entitled, "The Birthday of a King."

Other members of the choir who sing in this cantata are Mr. and Mrs. Lilburn Burleson, Mrs. Merl Cross, Mrs. Edw. Kasnia, Miss Elizabeth Kovach, Miss Bertha Ko-vach, Carl McClue, Harold Minzey, Mr. and Mrs. Michael Papp, Miss Irene Papp and Mrs. Ray Waters.

All who may find it convenient to attend this vesper service are extended a cordial invitation to do so. Ralph Mehler and Robert Os-borne will be at the entrance of the Martha-Mary Chapel to assist visitors.

Mrs. Henry Cavill, 75, Buried at Holloway

NO "SAVINGS" VISIBLE

Some months ago the Army expected to spend $60,000,000,000 during the present fiscal year, but recently it appeared that its spending will be $13,153,519,000 less than this amount.

This announcement is the basis for statements that "savings" of $13,000,000,000 are in sight. As a matter of fact, "the prospective savings" are entirely a matter of bookkeeping as the following figures will show:

War expenditures of the United States are expected to aggregate $97,000,000,000 during the present fiscal year. The total income of the Federal Government is set at around $45,000,000,000. This means a deficit of more than $50,000,000,000.

All that the announcement in regard to Army expenditures means is that the deficit will be $13,000,000,000 less than expected last Spring. The miscalled savings represent a reduction in the deficit which is already included in the figures above cited and does not mean there is no occasion for levying heavier taxes.

A nation that is spending $4,000,000,000 a month more than it receives is entitled to some satisfaction that the monthly deficit is not $5,000,000,000 but by no stretch of the imagination can anyone find that it has saved money.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Somewhere in the South Pacific
Tuesday, Nov. 9, 1943

My dear Mrs. Smith:

I want you and the rest of the members to know how very pleased I was to receive your sweell Xmas gift. I know I should have waited until Christmas to open the package, but you never can tell when I'll be by that time. Air mail stationery is hard to get here so it will be very useful to me. I would appreciate it if you will tell the others how much I liked the gift.

Life in the South Seas is not quite like you see in the movies, but I guess I could find worse places. Living conditions are pretty good now and we do have a movie every night. The only fellow I have met from home was Bob Walters.

Once again, thanks lots.

As ever,

A child's faith

TAKE A CHILD TO CHURCH T

Few things are stronger than a child's Faith. Faith in his elders . . . in the world about him . . . in the invisible Power that he sees in everything that breathes and grows.

It is a precious heritage . . . doubly precious in a world of terror and confusion. Hard as these times are for grown men and women . . . how much harder can they be for children eager to believe in the Eternal Truths.

It is our sacred charge today to keep alive our children's Faith . . . to nourish in young hearts and minds the passionate conviction of our ancestors who wrote this Faith into the charter of American freedom.

Just as our country, in its youth, grew mighty in that trust in God . . . so our own sons and daughters, in their youth, will grow in moral stature and in spiritual strength through the continual assertion of their faith in God.

yours is the proud responsibility . . .

of helping to support your Church—giving it your time, your interest, your financial aid.

This week, and every week, attend Church regularly with your family. Make its principles a part of your daily life; make its work your work. For now more than ever, the Churches of America—and your Church—have the task of ministering to a war-torn world, and you are called upon to share in this task.

When You Buy Quality Your Ration Points Go Farther

It is true, and you can prove it to yourself, that quality foodstuffs do go farther, that you do save ration points in quality buying.

In these times, when most every article of food you buy is rationed, it is important that you be able to use every bit of everything that you buy. When you buy quality, there is no waste.

In the 75 years that we have been in business we have prided ourselves on the sale of quality merchandise. We have not changed our minds.

We invite you to become one of our quality satisfied customers.

Village Ready For Christmas

CHURCHES ANNOUNCE SPECIAL SERVICES; REUNIONS ORDER OF THE HOLIDAY

Tecumseh today announced its readiness for the arrival of Christmas as churches made final preparations for midnight and holiday services on Saturday, while in the homes last minute gift and menu arrangements were the order of the day. Generally speaking, a survey showed that the holiday will be spent in family reunions. While some family circles will be broken, because of the war, hopes were high that another Christmas—in 1944—will find Lenawee's young menfolk home from fields of battle to celebrate a victorious peace.

The schools will recess here tomorrow night for the Christmas-New Year's holiday. Stores, reporting the heaviest shopping season in many years, are remaining open here this week each evening 'till Xmas. Ornamental street lighting is out, because of the war, but many homes glow with twinkling holiday tree lights.

It is not, in any sense of the word, the merry, merry Christmas that Tecumseh has so often celebrated in the past. It is a Christmas in the midst of the sorrow and tragedy that has o'er-shadowed the world—an institution to which Americans turn for comfort, guidance and revived hopes.

In the churches these programs have been announced:

St. Peter's Church will be arrayed in Christmas greenery and illuminated by candlelight during the Christmas Season.

The traditional Christmas celebration of the Holy Communion at 11:30 p.m. Friday will be preceded by congregational singing of Christmas Carols accompanied by the Choir at 11:00 p.m.

The 11:30 service will be choral, set to the music of John N. Brown for the Holy Communion. The choir will also sing R. N. Stults' "There Were Shepherds", and Mr. Fred Dickinson, tenor, will sing "The Birthday of the King" by W. H. Neidlinger. The Rev. John R. Scarlett, rector, will give a brief Christmas message.

At ten o'clock Christmas Day there will be a celebration of the Holy Communion.

Sunday services will be at 8 and 11:15 in the morning. Both will be celebrations of the Holy Communion. Christmas hymns will constitute the music at 11:15, and the rector will preach.

Following is the Christmas program for children. At 9:45 Sunday morning confirmed children of the Junior and Senior departments of the Church School will make their Christmas Communions. All members of these departments will be in attendance at the service. No classes will be held. The Nursery and Primary departments will meet as usual at 11:15.

On Tuesday the children will partake of a chicken dinner prepared for them by their parents and Church school teachers. The Nursery and Primary children will dine at 5:00 p.m. and the Juniors and Seniors at 6:30. In between the two dinners, at 6:15, all members of the Church school will go into the church to present a special offering to be sent to Bishop Creighton of the Diocese of Michigan. This offering has been collected by the children in mite boxes during the Advent Season preceding Christmas. Bishop Creighton will use it, along with the offerings of children throughout the diocese, to aid and further his missionary program.

At Grace Evangelical Lutheran church, the pastor, J. deRuiter announces the children's Christmas program will be presented at 7:30

LAIDLAW FLIES HOME; SURPRISES PARENTS

Lt. David Laidlaw of Bowman Field, Louisville, Ky., arrived here Tuesday afternoon, surprising his parents, Mr. and Mrs. O .W. Laidlaw, for Christmas. "It was the grandest present in the world," said his mother. Lt. Laidlaw flew a plane from Kentucky to Tecumseh Airport. He leaves today for his home base, being unable to spend the holiday at his home.

B. & P. XMAS

The Business and Professional Woman's Club will meet Monday evening, December 27 at Brees House. Dinner will be followed by a Christmas party and each member is to bring a 25-cent gift for exchange. Reservations for dinner must be made not later than Friday by calling Mrs. Mertie Jones or Mrs. Dale Tingley.

TAX NOTICE

Beginning Friday, December 10, I will be at the United Savings Bank in Tecumseh, every Tuesday and Friday for the collection of taxes, dog tax and insurance.

Auto Strikes Train; Two Men Are Hurt

Robert LaPointe of Britton and Richard Langschied of Deerfield were brought to Tecumseh hospital Thursday night after their car had struck a moving Wabash freight train near Holloway, while on their way to work in Adrian. The accident occurred on the Rogers road, south west of Holloway and Mr. Langschied who was driving said he did not see the moving freight in time to stop his car. The train crew evidently did not know of the accident as they did not stop. The car was carried 50 feet down the track and was badly damaged.

The young men suffered only minor injuries, the driver being cut about the face and Mr. LaPointe on the head and legs.

Capt. Beardsley Weds Texas Girl

WILL MAKE THEIR HOME IN OKLAHOMA WHERE THE BRIDEGROOM IS STATIONED

At a ceremony held December 13 at the home of Captain and Mrs. W. D. Haden in Galveston, Texas, their granddaughter Miss Virginia Shearn Moody became the bride of Captain James C. Beardsley, son of Mrs. Mabel Beardsley of Albion and the late Dr. J. W. Beardsley of Tecumseh. The bride is the daughter of W. L. Moody III.

The service was read by the Rev. W. R. Johnson, the couple pledging their vows before the fire place, which was banked with white chrysanthemums and potted palms, with lighted candelabra at either side. Their attendants were Mrs. David R. T. Myrick, sister of the bride and Colonel John Hicks Anderson, formerly of Tecumseh, now of Galveston.

A reception followed the ceremony and later Captain and Mrs. Beardsley left on a short trip. They will make their home at Ardmore, Okla., where Captain Beardsley is stationed at the Army Air base.

The bride is a graduate of St. Mary's Hall in San Antonio, and attended Fairmont Junior College in Washington, D. C., and the University of Texas, at Austin. The groom is a graduate of Tecumseh high school and of Vanderbilt University at Nashville, Tenn., where he received his LL.D., degree.

Mr. and Mrs. Dale J. Bowen of Dallas, Texas, formerly of Tecumseh were among the guests.

Richard Hammel Named Honor Man at Gt. Lakes

GREAT LAKES, ILL., Dec. 22—Richard Theodore Hammel, 19, of 108 No. Union Street, Tecumseh, Michigan, was named an honor man of the class graduating today from the Hospital Corps School at the U. S. Naval Hospital here. He completed his six-week basic course with a grade average of 96 per cent, competing with 526 Bluejackets for the high rating.

The honor man is the son of Colonel H. H. Hammel, now serving with the U. S. Army Medical Corps. Young Hammel is a graduate of Tecumseh high school and prior to his enlistment in the Navy, he was a pre-medical student at the University of Michigan, Ann Arbor. While in high school, he played the lead in three operettas and won state awards in oratory and declamation.

Hammel's intensive studies included anatomy, physiology, hygiene and sanitation, materia-medica, weights and measures, first aid and bandaging, nursing, transportation of casualties and dietetics.

Now rated as a hospital apprentice, second class, Hammel and the other graduates of the school will be sent to Naval hospitals for additional training and then assigned to general duty at sea or at other shore stations.

GEO. DERBY WEDS

Mr. and Mrs. Lawrence E. Derby have received a cablegram from their son Staff-sergeant George L. Derby, in England, announcing his marriage December 15 to Miss Jeanne V. Simpson of Dunstable, Bedfordshire, England.

The couple were married in the Church of England and are spending their honeymoon at Devon, better known as the English Riveria. They expect to make their home here after the war.

ENROLLED AT KAZOO

Kalamazoo, Dec. 22—George Murdoch of Tecumseh is enrolled as a student in the V-12 Navy Training Program at Western Michigan College for the fall semester which opened November 1. He is a graduate of Tecumseh High school.

Cleaning Shop Scene of Fire

E. M. CAMPBELL, SLIGHTLY BURNED IN BLAZE HERE MONDAY; LOSS IS SMALL

E. M. Cmapbell, head of Campbell's Dry Cleaning Shop here, narrowly escaped serious burns, Monday morning, when gasoline caught fire in the shop's cleaning room. Mr. Campbell, who was at work there, suffered slight burns to his hands and his eye brows and hair was singed. His glasses protected his eyes.

The fire started from static electricity, caused when the cleaner was removing a fur-trimmed garment from the cleaning vat. The flames spread rapidly and enveloped the cleaning room, which is to the rear of the downtown shop. The fire department quickly subdued the flames and the loss, completely covered by insurance, is not expected to reach $150.

"The fire department was here before we hardly hung up the phone," Campbell said, "and they did excellent work. I want to express my thanks to the firemen. They did a great job."

Miss Kathleen Gray Bride of Merval Mattis

Miss Kathleen L. Gray, daughter of Mrs. Andrew Staib of Clinton and Merval D. Mattis, son of Mrs. Claude Mattis of Tecumseh were married Thursday, December 16 at St. Dominics Catholic church in Clinton.

The double-ring service was read by the Rev. Fr. John A. Roes at noon, before the side altar which was banked with white chrysanthemums and palms. The bride, who was given in marriage by her step father Andrew Staib, wore white satin with a short train and finger tip veil and carried a white prayer book with a single orchid and a crystal rosary, the gift of the groom. Miss Leva Gillespie of Ypsilanti was bridesmaid and Harold Calhoun of Clinton, the best man. The ushers were Ralph McGuire of Palmyra and Nelson Short of Bridgewater.

Preceding the service Mrs. Henry Vaughn accompanied by Mrs. John Fox sang Gounod's "Ave Maria". The processional and recessional were played by Mrs. K. E. Kehoe.

Following the ceremony a wedding breakfast was served to 55 guests from Akron, Ypsilanti, Manchester, Adrian, Palmyra, Saline, Bridgewater, Tecumseh and Clinton. Those serving were Mrs. Harold Calhoun, Mrs. Nelson Short, Mrs. John Fox, Mrs. Rex Winchell, Mrs. Frances Heckaman and Miss Norma Bechtel.

Later Mr. and Mrs. Mattis left on a short trip. They will reside in Clinton where their home was in readiness.

Until recently the bride has been employed in the United Savings Bank here. Mr. Mattis is employed at Ford Hayden Mill.

ROTARY MEETS

The Tecumseh Rotary Club held its annual meeting and Christmas party at Brees House, last evening. Following dinner there was a program presented by Boy Scouts, which organization is sponsored by Rotary in Tecumseh. Instead of the usual exchange of Christmas toys, the Rotarians this year contributed a cash fund to the Scouts to equip their vocational room with needed tools.

Capt. Ferris G. Hodge, home from N. Carolina on a brief leave, was at the meeting. Capt Hodge leaves today to return to his command.

WOUNDED IN ACTION

Mr. and Mrs. George Wittrup have received two telephone calls the past week from their son Petty Officer Roland G. Wittrup, who is an aviation machinists mate on an aircraft carrier. Roland had arrived in San Diego for ship repairs after covering the marines in the invasion of Tarawa. He was slightly wounded but expects to go to sea again after Christmas. This was their first word from him in six weeks.

CORN CHAMP

Robert Irwin, of Route 1, Tecumseh, won the champion corn project award for the best hybrid corn test plot in Lenawee county in combined 4-H and Future Farmer projects at the corn show in Adrian December 11. Robert who is a 4-H club member exhibited five carefully selected 10-ear samples. Robert McLain, a Future Farmer of Hudson, formerly of Tecumseh won fifth place.

MELVIN GREEN INJURED

Mrs. Melvin Green has been notified that her husbadn Pvt. Green, a member of the military police in Australia, was seriously injured when his motorcycle came in contact with a barbed wire entanglement. He suffered a probable loss of the left arm and other injuries.

Pupils Will Present A Christmas Program

A Christmas program of songs and recitations will be presented by the second grade at the West Branch school Thursday afternoon at 2 o'clock. Those taking part are Billy Bruce Berkhof, Mary Nixon, Billy Covell, Gerald Manning, Raymond Morley, Gaylen Stecker, Russell McKenzie, Bruce Falk, Dale Tingley, Donald Morgan, Roger Butler, Thomas Will, Douglas Hooton, Leonard Walker, Ernest Gomez, Charles Phillips, John Steele, Richard Heistand, Annette Bailey, Barbara Campbell, Joyce Gray, Marilou Burleson, Jean Johnson, Beverly Murphy.

They will be assisted by a choir composed of Thomas Baldwin, Leonard Walker, Dale Campbell, Jimmie Covell, Jennie Martin, Ernest Gomez, Albert Hart, Judith Sisson, Jack Reedy, Russell McKenzie, Bruce Hoekstra, Shirley Covell, Gracebeth Moore, Lowell Kelley, Leroy Vanderpool and Shirley Henderson.

Miss Sarah McNeil, 91, Buried In Brookside

Miss Sarah McNeil, aged 91 years, a life long resident of Tecumseh died Sunday morning at the home of Mr. and Mrs. Howard Matthews where she had made her home the past five months.

Miss McNeil was the daughter of the late Archibald and Mary Ann Boyanton McNeil and was born June 27, 1852, in the McNeil homestead just west of the boulevard where she spent her entire life until the past few years when her health failed. She was a tailoress by trade and worked for years in the Jones Tailor shop here. She was a member of the Universalist church and after its dissolution became a member of the Baptist church. She was also a member of the Macabees.

Survivors are two nieces Mrs. Jennie Van Etta of Cincinnati, O., and Mrs. Grace Silvers of Clinton and a nephew Truman McNeil of Jackson. She was the last member of her family of seven girls and two boys.

Funeral services were held Tuesday afternoon at the Belding Funeral Home. Rev. Alvin Brazee officiated and burial was in Brookside cemetery.

Bearers were Messrs. N. C. McConnell, Ernest Harris, Dean Van Valkenburg and Howard Matthews. Rev. Brazee was assisted by Rev. B. O. Bishore.

Nurse Tells of Front Line War

FORMER MEMBER OF TECUMSEH HOSPITAL STAFF NOW IN EUROPEAN BATTLE ZONE

Lt. Betty Harroun, of the Army Nurses Corps, writes an interesting letter from the European War Zone. Lt. Harroun before entering the service in June 1942 was a member of the nursing staff at Tecumseh hospital. She has been overseas about seven months and since writing the letter below has been made a member of the 8th Air Corps and is still in England.

Her letter follows:

Dear Folks:

Mary Mac and I are now on detached service helping to set up a Station Hospital at an air field. For a while we'll be attached to the Air Corps. Nothing permanent we hope, because we are anxious to rejoin our outfit—it is more likely to see action.

"We like taking care of casualties—then we feel as though we are really doing something—and those boys deserve it too—and appreciate it so much.

"Not long ago I had a patient whose arm was just about shot off in an air raid—he was only 22. He lay there that first night after we'd fixed him up—he lay there crying I thought it was with pain but he said "No, it's because everyone is so nice to me!" I almost cried then —there he was—crippled for life—he'd gone out that morning and risked his neck for us—and then cried because he thought we were good to him. I hope some one kicks the hell out of me everytime I don't treat a guy the best way I know how.

"Mary Mac, my room mate here is a girl that was with me at Custer. We've known one another more than a year now. She is a wonderful girl. She was going with a pilot of a B-17. He was a swell fellow. They loved one another—the real kind of love. Well, he went down two weeks ago and he won't be back! She probably cried, but none of us saw her do it; once in a while I see her wipe away a tear—never any more than that. She tells me about him—all day long she talks about things he used to do and say. I always listen and try to ask a question or two—that way she'll work it off her mind. She sleeps better at night now; for a while she didn't sleep at all.

"I thought she'd probably never want to see another Fortress, but she loves them and rides them at every opportunity. She sure can take it. To see her and talk with her you'd not realize the hell that had been wrung out of her heart.

"That's the way it is with so many of the boys, too—Crewmen on a ship are closer to one another than brothers ever could be. Sometimes when they go to bed at night the beds in the barracks are standing empty—a few of them. The men know why those beds are unoccupied—they know what became of the boys who used to sleep there. They go out and get drunk—absolutely blotto! They aren't boys of 19 to 23—they are men of 30 to 35 now.

Sept. 20, 1943

"Guess I must have been feeling low the other night when I wrote this, but every bit of it is true.

Well, well—guess what? We have a jeep. A whole, real jeep all to ourselves. Mac and I are the only two who have military driving licenses, so she and I alone can drive it. The distances between our great that it is necessary to travel in a jeep. I know Bob is envious—and they do all the things

Products Gets 3rd Navy Award

COMPANY GIVES 15-POUND TURKEYS TO EMPLOYEES; HERRICK SPEAKS AT MEETING

The Tecumseh Products Company has been awarded its third "star of efficiency" by the United States Navy and at a mass meeting of employees, held in the factory Monday afternoon, Ray W. Herrick, president of the company, expressed his gratitude for the excellent record the Products workers are making in the national defense program and declared that nothing will be left undone at the plant to hasten a victorious peace.

"We've set a record that no other plant in Michigan can touch," Mr. Herrick declared. "In the year just closing our payroll has amounted to about three million dollars. Our employees have purchased over $365,000 worth of War Bonds. That's twelve per cent. I know of no other place in the state where such a record has been made and my hat if off to you. You are backing our boys, your effort and your money. You are fulfilling your wartime obligation."

Products is the fourth plant in Michigan to receive its third Navy efficiency star, which is attached to the Navy "E" flag that flies over the institution. The Navy "E" flag was awarded to the workers on April 27, 1942.

Mr. Herrick told the Products employees that every effort must be bent to continue to back the attack on the war front. He repledged himself to a program, previously announced, that any Products employee now in service will find a job waiting for him when he returns to Tecumseh.

"These boys in service are commencing to wonder whether they'll find jobs when they return," he said. "I've pledged myself to find them jobs—our former employees —and I mean it. We'll have a job for every one of our former workers now in the service. If they come back ill or crippled we'll find a job that they can do. I feel that that is my obligation to my former employees who are out there fighting for all of us."

Mr. Herrick also announced some production figures —exceedingly high figures—which cannot be made public because of war regulations.

As for the post-war program, the president declared that Tecumseh Products faces a bright future.

"In our largest pre-war year," he said, "our company did about $7,500,000 worth of business. Our post-war program calls for $30,000,000 worth of business within three years after the war. That means more employees, larger buildings."

Mr. Herrick announced a staggered schedule of work that will permit employees to be with their families on Christmas and New Year's. He also declared that the company had purchased about 15,000 pounds of turkey, and that a bird will be given to the head of each family employed at the plant. This gift will be made Friday afternoon. To unmarried employees goes a large box of candied fruit.

Products also has remembered its 400 former employees in service, sending each of them a box valued at $6.50, containing candy and other needed supplies. In the program the Products Workers Union assisted financially.

Carl Fosbender, president of the union, spoke briefly following Mr. Herrick's talk, congratulating the employees upon the enviable record they have made in the nation's defense program. A quartet, made up of employees, sang several numbers.

Miss Mildred Birdsall Is Buried In Raisin

Mrs. Mildred Birdsall, widow of the late Daniel Birdsall, died Friday afternoon at the home of Mr. and Mrs. J. Wines in Raisin township after several months illness. WOMEN'S RIGHTS

George Bernard Shaw, the British author, asked how women could get rid of their handicaps, replied that the woman's freedom movement overshot itself and "it is the men who are handicapped now."

He knew of no patronizing attitude toward women, saying "men are abjectly afraid of women, not without reason." Morevover, "the country is run by women."

The movement for "complete emancipation," as the women refer to it, continues, however, with nearly all females convinced that they need legislative relief.

There is just the prospect, however, when women complete their self-assertion that they will find the sex has lost as much as it has gained.

Three times since Bismarck founded the Second Reich, the German nation has started war and, until the present aerial offensive, none of the fighting took place on German soil.

Thanks to the R. A. F. and the U. S. Air Force, the Germans are feeling some of the worst of warfare. They face the dismal prospect of an ever-increasing cascade of explosives which will blast their cities and destroy their industries.

It is an experience that may assist the world in establishing permanent peace. The lesson is terrible but it will be taught, even if the full 50,000 tons of bombs, promised Berlin, have to fall upon the German capital.

Yes! We Say—
Merry Christmas

In the midst of all of the sorrow and tragedy that has engulfed the world we should be happy that CHRISTMAS is an institution to which we may turn for comfort . . . to give us guidance . . . to revive our faith and to raise our hopes.

Faint rays of success are beginning to appear through the dark clouds of war hovering over the battle fields of the world. So . . .

Let us pray that soon we may again see "Peace On Earth, Good Will Toward All Men."

MICHIGAN ASSOCIATED TELEPHONE COMPANY

Christmas It will be almost the same Merry American Christmas enjoyed so often in the past. The house will be filled with the scent of good things cooking and the sound of children's voices . . . and though there will be perhaps an empty place at the dinner table it will be with pride not sadness that we think of those far from home. Make this Yuletide a time of prayer as well as joy . . . by attending church on Christmas Day. There midst neighbors and friends and the homespun sincere greetings of those you know will be found renewed faith in the true spirit of Christmas . . . and the belief that "peace on earth . . . good will toward men" shall once more live in the hearts of all men everywhere. To the countless wishes that come your way we should like to add ours to wish you a truly, Merry Christmas, and Victorious New Year.

THE OLD JUDGE SAYS...

"The men overseas don't mince any words about the way they want to find this country when they come marching home... do they, Judge?"

"They certainly don't, Herb...and they shouldn't. They're doing a masterful job fighting over there to protect our rights and they have good license to expect us to protect theirs back here at home. One thing they're mighty clear on is their stand on prohibition."

"I saw in the paper just the other day the results of a poll taken among American service men in England by the British Institute of Public Opinion. They asked hundreds of men point blank how they would vote on prohibition. 85% *of them* stated, in unmistakable terms, that they would vote *against* it. There's no doubt about it, Herb ...the men overseas don't want any action taken on that subject while they're away."

"And they're 100% right, Judge, because I know how I felt when I came home after the last war—only to learn that we had been over there fighting for so impractical a thing as Prohibition."

on Christmas eve. Communion service will be held on Christmas Day at 11 a.m.

On December 26 divine service will be at 11 a.m. and New Year services are planned for New Year's Eve at 8 o'clock and New Year's Day at 11 a.m.

A Christmas program will be presented this evening at 8 o'clock at the Gospel Tabernacle on North Pearl street, by children of the Sunday school and the girls choir. Rev. and Mrs. Harold Speer will give selections on the Spanish and Hawaiian electric guitars.

A midnight service will be held at the Presbyterian church on Christmas Eve from 11:30 p.m. to 12:15 a.m. There will be singing of carols, a sermon by Rev. J. C. Murdoch and the administering of Holy Communion.

Pre-Christmas programs were held in the Presbyterian, Baptist, Friends and Methodist churches Sunday evening. At the Presbyterian the Westminster Junior League presented their annual vesper service at 5 o'clock. The pageant "Holy Night" was presented at the Baptist church and a pageant "The Shepherd Lad's Gift," was the presentation at the Methodist church. A Christmas Carol service was held at the Friends church Sunday evening with the old familiar carols sung by the congregation. The program also included solos, duets and trios and a Christmas story read by Rev. Edward Escolme.

At the Martha-Mary Chapel in Macon a candlelight cantata "The Chorus in the Skies" was given by the choir, and was the first time this new cantata was presented in this area.

A program of hymns and carols under the direction of Mrs. John McColl was sung by groups from the grades and high school Monday evening in the high school auditorium. A play "The Crotcher's Christmas" was given by grade pupils under the direction of Miss Parker, Mrs. Pfaus, Miss Cole, Mrs. Bailey and Miss Fender.

The Lyster Junior Service League held a Christmas party last Wednesday evening at the home of Mrs. Thomas O'Hara, with games, refreshments and gift exchange.

CLINTON

WOMAN'S CLUB MEETS

The Clinton Woman's Club met Thursday afternoon at the library and Mrs. L. C. Weaver presided for a short business session. Gifts were collected for the county infirmary at Adrian. A special offering of $8 was given for the Michigan Children's Aid Society. Mrs. Alice Mayhew was received as a new member. Mrs. W. D. Moats had arranged a Christmas program which was announced by Mrs. J. M. Reiser. Christmas carols were led by Mrs. Henry Vaughan with Mrs. J. C. Campbell at the piano. A skit "Bringing Home Christmas," was given by Mrs. E. E. Hoyt, Mrs. Glen Randall, Mrs. Moats, Jane Van Tuyle and Phyllis Moats. Mrs. Vaughn sang a group of songs and was accompanied by Adeline Venman of Detroit. Christmas poems were read by Mrs. Georgia Sturm. The club will not meet again until Jan. 6.

The house east of Clinton occupied by Mr. and Mrs. George Hausen, and owned by Kehoe Bros., was damaged by fire Thursday, which burned a hole through the roof and into an upstairs room. The blaze was discovered by the Hansen children while on their way to school.

The Child Study Club held a Christmas party at the Congregational church Saturday afternoon for first graders children of preschool age. Gifts were exchanged.

Miss Marguerite Ingraham, daughter of Mr. and Mrs. Clarence Ingraham who was operated on recently for appendicitis at Mt. Carmel Mercy hospital in Detroit, is recovering satisfactorily.

Clinton Rotary Club met Thursday evening at the Methodist church with L. C. House of Macon school as speaker. The next meeting will be held January 6.

The Clinton school will present its Christmas program Thursday evening, December 23, at 7:30. On Friday the school will close for two weeks recess.

XMAS PARTY

The Junior Christian Endeavor Society held a Christmas party last Wednesday afternoon at the Presbyterian manse. The program included carols by the children and a Christmas story by Mrs. Murdoch. Gifts were exchanged and refreshments served.

Nurse Tells

(Continued from Page 1)

they are cracked up to do. We can't get side curtains—consequently we are blown about a bit, but we are used to that.

"Yesterday we went for a ride in a B-17. What a thrill to take off in one of those babies. Before taking off we were parked at the end of the runway; behind us was a little old Piper Cub waiting for us to clear the field. What a contrast. Who the tail fins on a Fort are bigger than a Cub.

"For a while I rode in the nose on the bombardier's chair—then I went back to the tail-gunner's position (better known as the Purple Heart position). Gets a bit rugged back there!

"These Forts are some airplanes! No day bomber can beat them. We wore headphones too—one of the crew tuned in a good musical program on the inter-com. for us. The pilot made a beautiful landing—then finally after we had taxied to the dispersals area and stopped, the old girl rocked a bit like a contented duck on a mill pond, finally becoming quiet. We hope to go up again soon—really love it.

"Remember I told you once about Ted's Flying Circus. Well, those are the men who bombed the Rumanian oil fields. Saw one of the chaps who had been on that raid. That was some job—it takes nerve to do a job like that! It reads beautiful in the paper, but the paper never has the real story. The fellows we went with from the outfit got what we call "have had it" over the target! All fine fellows—two of them West Pointers.

"Am going to close for now—will write more soon. Love to all,

Betty.

ONSTED

Roland Russell, Marybelle Swain, Ellen Denslow, Mapledown Costerline and Oralee Vallad recently spent the day with Kenneth Baker, a shut-in. All are members of the 1937 class of Onsted high school.

Our Christmas Message is a Prayer for Peace---

Santa will be clambering out the chimney; the children will be seeking out their gifts; lights will burn early in millions of American homes this year as Christmas dawns upon a war-weary world.

We believe in Santa Claus—because he's the symbol of benevolence and generosity! In his name, then, we say, "Merry Christmas."

And with that wish we offer a prayer—a prayer for Victory and Peace; a prayer for the return of our loved ones from the fields of war.

To those of us who are at home this Christmas Day we say—Have strength; have courage; have faith.

This is the second Christmas Day in as many years that has found our Nation in the midst of total war. May it be the last. May Christmas, 1944, find the world at peace, families re-united, everywhere.

Food Wasted In Homes In This County Would Supply Many Soldiers

Lenawee County's 13,000 housewives could feed 2,664 soldiers for a year with the food wasted annually in homes of the county, an official of the country's leading food distributor estimated today.

This amazing figure is based on accurate government statistics which indicate that at least 7,001,975 pounds of food are wasted annually in Lenawee county homes, according to Harvey A. Baum, head of A & P Tea Company's produce-buying operations.

"Food is a munition of war and everyone must fight waste of it now," Baum pointed out. "Efficient food producers, processors and distributors have worked for years to reduce waste. Our company, for example, has cut waste and spoilage on perishable fruits and vegetables by 50 per cent during the past 20 years," he added, "Now the government is urging a similar war on food waste in the home."

Kitchen efficiency, Baum suggested, should include three points: (1) Buy as nearly as possible just the required amount; (2) serve moderate helpings, and (3) use all leftovers.

Baum said that although housewives have eliminated much food waste since Pearl Harbor, over eight per cent of all food bought for home consumption is still wasted. While it is obvious that waste cannot be prevented entirely, he added, carefully planned conservation should cut the loss in half and thus 1, 827 soldiers could be fed with the resulting savings in homes of this county.

Civilians eat about 1,514 pounds of food each year, he concluded, while the average soldier "puts away" 1,916 pounds annually.

Have you met the latest, home-front bluff: the man or woman, forever talking about victory, and doing nothing at all on the home-front?

NEWS FROM BOYS IN UNIFORM

Trinidad, B. W. I.
Nov. 28, 1943

Dear Ladies:

Thanks very much for the Xmas package. It helps the morale of us boys to know that the people back home think of us, no matter what part of the world we are in.

Yours thankfully,
George Brady

Mrs. Jack Smith:

I want to thank very much for the swell stationery. For that is something I can always use.

We are out here on the Mohave Desert, and to top things off—we're on maneuvers. It gets pretty hot and dry during the day, but at night it is quite cool.

Again I'll thank you, and may this war end soon.

As ever,

"To meet its heavy wartime burdens, your church needs extra support today

THE CHURCHES OF AMERICA

join hands to talk with the people of America

There are over 200,000 churches in America. In the emergency of war, as in all emergencies, these churches become of greater importance in the lives of millions of people.

To many of these millions it comes home, in troubled times, that it is not material things that nourish the heart, but things of the spirit—kindness, and love, and faith.

NEW FUNCTIONS, NEW ACTIVITIES

The churches cannot fail the millions who now need encouragement, comfort and faith, as they have never needed it in their lives before. So the churches have to take on new functions, new activities of many kinds.

Many of the millions who turn to their church for extra help, forget that the church needs extra help from them, too. The churches cannot meet the greatly increased demands on them, unless we in turn support them.

* * *

At present, churches of many denominations, all faced with the same problem, have joined hands to talk with the people of their communities. Speaking as one in this way, they can more effectively put before all people the necessities that the churches face. They can let all people know that the churches are rising to meet their greater problems.

A Mistake

"Does your pastor sometimes make the mistake of talking too long?" asked one parishioner of another.

And the other said: "Does he! Yesterday at breakfast he talked after his wife had told him to quit."

On a Sunday Morning

Person (meeting a neighbor bringing home a load of hay)—Jenkins! Wouldn't it be better if you attended services instead of working this way?

Jenkins—Mr. Dawkins, I don't know whether it would be best to sit on a load of hay and think of religion or sit in the church and think of the hay.

Some civilians can hardly bear the thought of being chilly next Winter, even if some of our fliers have to do without fuel at the front.

CAN VITAMINS CHANGE GRAY HAIR?
According to Good Housekeeping tests with Calcium Pantothenate on gray hair:
Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.
Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.
Time—varied from 1 month to 6 months.
Results—58% of those tested had positive evidence of a return of some hair color.
Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the tested amount) PLUS other U.S.P. units of B. Try GRAYVITA. 30 day supply, $1.85, 250 days, $4.00. Phone, write

$9,000 Loss In Fire at Onsted

BLAZE STARTED FROM EXPLOSION OF PAN OF OIL; RIDGEWAY CHURCH DAMAGED

A fire, which started from the explosion of a pan of motor oil, resulted in $9,000 damage in Onsted Village Friday morning, with only a part of the loss covered by insurance. Fire departments from Adrian and Brooklyn aided the Onsted volunteers to keep the blaze under control.

The explosion resulted when Warren Miner put a pan of oil on a stove in the garage to heat, to aid in starting an automobile. A mass of flames followed the explosion and the Onsted fire trucks were hampered by the shortage of water because of a lack of fire hydrants. Water had to be carried to service the chemical tanks and large tank, and a bucket brigade was formed to bring water from the stores. Four small trucks also brought water in milk cans from nearby farms. The fire raged for two hours before it was brought under control.

The property burned was on the east side and north end of Onsted main street and included a garage and living apartments of Mr. and Mrs. S. F. Ketlar; a house trailer of Mr. and Mrs. Warren Miner; a house trailer and car of Mr. and Mrs. John McCoy and the home of Mr. and Mrs. Frank Morrill. Mr. and Mrs. Ketlar also lost their clothing and furniture and the Miner and McCoy families also lost their clothing. Only a few pieces of furniture were saved from the Morrill house.

The Delbert Myers house next to the Morills was kept wet from the hose line when threatened by the flames, and the furniture was carried out but the house did not catch fire.

Fire at Ridgeway

Fire of unknown origin, destroyed a desk and Sunday school records and burned a part of the floor and wall, at the Ridgeway Methodist church early Thursday morning. The fire was discovered about 2 o'clock by Warren Benham, which fact probably prevented serious damage. The Ridgeway fire department was called and the blaze was extinguished before it had gained headway.

A meeting had been held in the church the evening before and everything was in satisfactory condition on leaving. Sunday school officers had locked the desk and the church as usual. Upon investigation it was decided the fire probably started from spontaneous combustion.

The principal damage was from smoke and water.

GEO. E. BURTLESS DIES IN JACKSON

George E. Burtless, aged 67 years, a former resident of Tipton, died last Wednesday at his home in Jackson.

He leaves the widow Bessie, two daughters Gladys and Vertie, one son Kenneth, a sister Mrs. Cora Young of Milwaukee and a brother Clarence of Santa Barbara, Calif.

Funeral services were held Friday afternoon in Jackson and later at the Tipton Community church. Burial was in Tipton cemetery.

Miss E. Joan Barritt Weds Lieut. Rosacrans, Christmas Afternoon

VOWS ARE SPOKEN AT PRETTY SERVICE AT THE PRESBYERIAN CHURCH HERE

At a beautiful wedding held Christmas afternoon in the Presbyterian church, Miss E. Joan Barritt, daughter of Mr. and Mrs. Frank C. Barritt became the bride of Lt. Ned M. Rosacrans, of Newark, N. J., son of Mr. and Mrs. Leon F. Rosacrans of Tecumseh. The church was decorated with poinsettas and Christmas greenery for the occasion. Preceding the ceremony Mrs. Bertram Updyke presented a brief organ recital of nuptial music and Wallace Whiting sang "Because". The Rev. James Cameron Murdoch read the service at 4 o'clock.

The bride, who was given in marriage by her father, wore a brocaded satin gown with sweetheart neckline and long train, and long lace-edge veil held by a coronet of seed pearls. She carried a shower bouquet of white roses and lilies of the valley. Mrs. Wilson Haight of Ann Arbor was matron of honor and Mrs. Everett Furgason and Mis Beth Smith were the bridesmaids. All wore gowns in pastel shades, Mrs. Haight in ice blue, Mrs. Furgason in yellow and Miss Smith in pink, all styled alike and with hats and muffs to match. Donna and Mary Lou Burleson were the flower girls, and were dressed in aqua and rose with matching hats and muffs. Lt. Rosacrans was attended by Wilson Haight of Ann Arbor and the ushers were Ralph Hodges and Winthrop Winfield. The bride's mother wore American Beauty crepe and the groom's mother a fushia crepe, both with a corsage of gardenias.

Following the ceremony a reception was held at the Barritt honie on North Oneida street where punch was served by Mrs. Ralph Hodges, Joan Hanna and Margaret Orr to friends and relatives from Detroit, Toledo, Ann Arbor, Belleville, Adrian, Clinton and Tecumseh.

Lt. and Mrs. Rosacrans left Christmas night for the east and will make their home in East Orange, N. J. Lt. Rosacrans is connected with the army finance division in Newark.

Both young people are graduates of Tecumseh high school and the groom also attended Chicago University. At the time of his induction into the army he was employed at Tecumseh Products Company.

Several parties were given for the bride-elect, among them a dinner last week at Brees House with Mrs. Robert Hanna, Mrs. Ralph Hodges, Mrs. George Elliottt, Mrs. Laine Holden, Mrs. Winthrop Winfield, Mrs. Walter Morden, Mrs. Leo Stoll and Miss Beth Smith the hostesses. Mrs. Florence Bbacock Mrs. Anna Hardenburg and Mrs. Ethel Koch also entertained at a miscellaneous shower and supper in the home of Mrs. Koch.

Mrs. Paul Neff, 31. Formerly of Clinton, Dies

Mrs. Paul Neff, aged 31 years, a former resident of Clinton, died last Wednesday of a heart attack in Ann Arbor where she had lived for three years. Mrs. was formerly Joan Rebecca Kinney, daughter of Mr. and Mrs. James Kinney of Adrian.

1944 Business Boom Forecast; F. D. R. May Seek 4th Term

FARM INCOMES TO INCREASE; ROOSEVELT EXPECTED TO BE 4th TERM CANDIDATE

BY GENE ALLEMAN
(Special to The Herald)

Lansoing, Dec. 29—"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way—in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only."

When were these words written? No, guess again.

Possessing all the timeliness of 1944, they were written in 1860 by Charles Dickens. The words form the initial paragraph of Dickens' greatest work, "A Tale of Two Cities," a story of the French revolution 70 years earlier.

Approaching events of history cast their shadow ahead. On the basis of current information, we predict for 1944:

* * *

BUSINESS. Another boom year! The curve of the industrial index is climbing higher. It makes the pre-war years look like the first steps of a tall ladder. Back in 1929 when they say we had prosperity. The peace-time record was $48 billions. The estimated sales total for 1943 is $63 billions, and the experts insist that higher prices in 1944 should boost this dizzy sum to around $65 billions! As long as Germany holds out, American arms production generally must continue at high level.

* * *

FARM INCOME. Cash farm income is expected to rise 5 to 10 per cent in 1944 for another new record. Yet the sale of goods to farmers may decline due to shortage of merchandise. Farmers are accumulating surplus earnings for the post-war period. They will be heavy buyers of consumer durable goods (refrigerators, etc.) when the situation eases. Watch for a farm land boom. It's already on the way.

* * *

INVASION. The big chanel invasion is likely to take place between April and June. The Balkans invasion, probably a diversionary thrust, may come earlier. Invasions will bring new gasoline restrictions for American motorists. Casualty lists will grow. The time is here for frontal attack by the doughboy, supported by air and land artillery. Air power alone will not knock out Germany. We predict: Unconditional surrender of the Nazis by late autumn.

* * *

POLITICS. President Roosevelt will be a candidate for a fourth term, and the Republicans' national choice will be either Thomas Dewey or Wendell Willkie. Vandenburg's pro-MacArthur boom is a tactical more only. Michigan Republicans are confident that Harry F. Kelly will be re-elected, and this cocksureness is enhanced by uncertainty among Democrats as to their leader. Inability of soldiers and sailors to vote in the 1944 election, due to lack of time, handicap of distance and inadequate legislation, appears to favor G.O.P. chances.

* * *

LEGISLATURE. Michigan's special session of the legislature will convene about Feb. 1 at Lansing for consideration of limited fiscal and war needs. With $50 millions in sight for post-war planning and the sales tax assuring continued revenue throughout 1944, legislators will be inclined to be generous. The governor's program of long-range planning and year-to-year spending will be put to practical test in 45 days.

* * *

GRAND JURY. Michigan law definitely provides for dual responsibilities: To Judge Leland Carr of Lansing, full responsibility for the grand jury investigation and indictments; to Attorney General Herbert J. Rushton, full responsibility for trial prosecutions. We predict: That when the facts are revealed WHY Jay Linsey of Grand Rapids was named prosecutor, Rushton will emerge stronger than ever in public confidence.

* * *

LOBBYISTS. The grand jury investigation has resulted in indictment of several legislators and a few individuals who were interested in pending legislation at Lansing. Hence, the so-called lobbyists are vulnerable in 1944 to legislative reform. Any severe restriction would affect legislators as well as lobbyists, for it is ethically possible for an attorney to serve both the people and a private client when he votes as a member of the house or senate. We predict that the legislature will impose mild regulations, if any.

* * *

TIMBER. Forests of Michigan are being depleted rapidly of valuable timber. The Lake Superior region once supplied from a quarter to a third of the nation's total lumber cuttings. Today, it possesses less than 4 per cent of the nation's standing timber, and one-half of this is held by big corporations such as General Motors, Ford Motor, and Calumet-Hecla. The state planning commission recommends that the state acquire the largest unbroken tract of virgin hardwood timber in the United States—130,000 acres comprising the Porcupine Mountains in Gogebic and Ontonagon counties. This is a beautiful and spectacularly scenic region. Lumberjacks are now at its borders. Action by 1945 may be too late.

* * *

AUTOS. General Motors reports it is possible, with government cooperation, for Michigan automobile plants to reconvert and retool in three months and to effect full production of automobiles by Thanksgiving. We predict: New automobiles not later than spring of 1945 for essential war workers.

* * *

RESORTS. Our third summer in war, plus nerve jitters from invasions, will stimulate public demand for rest and relaxation. Michigan's northland resorts should have a fine season, if their facilities are adequately publicized.

Dairy Sold Here

TECUMSEH DAIRY BUYS SMITH; CHANGE IN OWNERSHIP EFFECTIVE JANUARY 1

Sale of the Smith Dairy to the Tecumseh Dairy was announced today, the change in ownership to become effective on January 1.

The Smith Dairy is the oldest dairy business in Tecumseh, having served its customers continuously for more than 17 years.

In announcing the purchase of the Smith business, C. W. Gilman of Tecumseh Dairy, in an advertisement elsewhere in this newspaper, makes known a new schedule of delivery, in keeping with an order from the Office of Defense Transportation. The new schdeule calls for delivery of milk to residences on an every-other-day schedule, to conserve manpower, tires and gasoline.

OPA Regulates Sale of Autos

IMPORTANT CHANGE IN LAW BECOMES EFFECTIVE ON JANUARY 1, LOCAL BOARD WARNS

Important regulations of the OPA regarding automobile sales starting with the new year were announced today by Guy E. Nemire, chief clerk of the ration board at Adrian.

A summary of the regulations affecting car sales was prepared by Mr. Nemire as follows:

After December 31st any person who transfers a motor vehicle shall deliver to the transferee at the time of transfer duplicate copies of a receipt duly issued by a board, on form OPA R-569.

In addition to both copies of the receipt the seller or transferer must also give his current tire inspection record, if any, to the new owner of the vehicle. The new owner will be required to surrender the tire inspection record and obtain a new one when he applies for a gasoline ration to his board.

After Dec. 31, the transferee of a motor vehicle in any state for use, shall present the original copy of the receipt on form OPA-569 to the registrar of motor vheieles. The duplicate copy of the receipt shall be submitted by the transferee of the motor vehicle to the board at the time he applies for a ration for the vehicle.

The proper part of a NEW car ration certificate (now part B of form OPA R-214 revised) must also be presented to the motor vehicle registrar in order to obtain a registration for a 1942 car which has changed ownership. When issuing duplicate receipts (form OPA R-569 to a person about to dispose of a 1942 automobile, he should be advised that the purchaser is required to have a ration certificate or a clearance statement. If the car is sold to a dealer for resale, the dealer is not required to have such a certificate or statement.

Mrs. Martha H. Vedder Buried in Brookside

Mrs. Martha H. Vedder, aged 95 years, widow of Chauncey Vedder, died Thursday evening at the home of her son-in-law Lavern C. Harrison west of Tecumseh, where she had made her home for eight years.

1944 OFFERS SORROW

The beginning of a New Year has been the occasion, since time immemorial, for human beings to consider their progress and to make plans for the future.

It is generally featured, in the present age of the printed word, by reviews of what has happened in the year ending and by prophecies as to what is about to occur.

These psychological pauses in the process of existence serve a useful purpose, provided the individual understands that the calendar year is a device of man to record the cycle of life and that what men and women think and do are more important than the current season.

As Americans await the fruits of 1944 there is one thought uppermost in the minds of the nation. We know that, in the next twelve months, thousands of young men must buy, with their lives, the precious heritage of liberty, which has been bequeathed to us by the past.

Many families, in this land, will mark 1944 by the loss of loved ones, slain in the areas of combat, scattered throughout the world. They will be grief-stricken and ponder the poignant pain that stabs into their hearts. They will wonder no doubt, if the sacrifice is vain.

Many other Americans will not have this sad experience but they have a tremendous obligation as loyal patriots. It is their task to make certain the gains of freedom and to guarantee, by their conduct, that no American shall die on the battlefield for naught.

It is not a pleasant prospect that looms before us, as Americans. In other years we could expect pleasures and prosperity. Now, we must await inexorable fate that will scatter sorrow and death among our homes. It is time for us to rededicate ourselves to the faiths and the hopes and the promises of real Americanism.

1944 is not a year for profit-making, for self-seeking. It is destined to belong to those who suffer, sacrifice and serve. Its gifts will include death and sorrow to many, many thousands and life and liberty to many, many millions. Besides these fruits, what else matters?

THE OLD JUDGE SAYS...

"The men overseas don't mince any words about the way they want to find this country when they come marching home... do they, Judge?"

"They certainly don't, Herb...and they shouldn't. They're doing a masterful job fighting over there to protect our rights and they have good license to expect us to protect theirs back here at home. One thing they're mighty clear on is their stand on prohibition."

"I saw in the paper just the other day the results of a poll taken among American service men in England by the British Institute of Public Opinion. They asked hundreds of men point blank how they would vote on prohibition. *85% of them* stated, in unmistakable terms, that they would vote *against* it. There's no doubt about it, Herb ...the men overseas don't want any action taken on that subject while they're away."

"And they're 100% right, Judge, because I know how I felt when I came home after the last war—only to learn that we had been over there fighting for so impractical a thing as Prohibition."

WIN THE WAR in '44

WE'VE all got to give our young champion '44 all the backing we can . . . to help him win this fight soon! Sure we've all got the will to win, but it takes a lot more than that alone! It takes tanks, guns, planes and bombs! And it takes the loan of your money to buy them. Remember, your brothers', sons' and husbands' lives may depend on that equipment! It's up to us to get it to them . . . as much as they need . . . as quickly as possible . . . so they can black out the Gerries and the Japs, and make all our dreams of peace come true soon! Put every penny you can into that soundest of all investments . . . War Bonds and Stamps, and make '44 "the champ" of Victory!

We Can . . .
We Will . .
We **MUST TRY**

To Win the War in '44

And we can! . . . if we all stick together and keep showing our determination in cooperative action. We'll black out the Axis for good by giving all we've got on the home front . . . in salvage drives . . . in civilian defense . . . in coping with rationing and shortages willingly . . . and, above all, in buying War Bonds . . . as many and as often as possible. Let's make it our New Year's resolution . . . to win the war in '44!

LITTLE '44 is all hepped to the Victory tune! He wants to make the coming 365 days really memorable! Because in that time he can point the way to the end of the war! But we've got to help him . . . by doing everything we possibly can, saving, working and in civilian defense . . . AND by the greatest Victory measure . . . our purchases of War Bonds and Stamps!

Wehr Pharmacy

LET'S help little '44 paint the sign of Victory all over the world soon! The best way every last one of us can do it, is to buy War Bonds and Stamps as often as we possibly can, out of our current incomes! Then just watch '44 develop into the year of Victory!

Announcement!

To our many patrons and friends some of whom we have served for the past 17 years, we wish to announce that we have sold our route and equipment to the Tecumseh Dairy. The new owner will be pleased to serve you in the future, starting Jan. 1.

Thanking you for your patronage and assuring you that it has been a pleasure to serve you, and wishing you a Happy New Year.

An Important Announcement Concerning Your Milk Supply!

We desire to announce that we have purchased the Smith Dairy, the transaction to become effective on Saturday, January 1, 1944,

There will be no interruption in service to any customers of either the Smith Dairy or our own, and Mr. Murphy and Mr. Hamilton will continue to deliver milk as in the past

We have, however, been instructed to comply with Defense Transportation Order (O. D. T. No. 6) curtailing our vehicle mileage to conserve tires, gasoline and equipment.

Effective at once on all Tecumseh Dairy routes and on January 1 on all Smith Dairy routes, milk will be delivered only EVERY OTHER DAY. The O. D. T. also has ordered us to eliminate all call-back and special deliveries.

We believe this new order will not work a hardship on anyone; that housewives can and will cooperate with the war-time program by ordering a sufficient supply of milk to last them two days instead of one.

We pledge the best possible service to all milk customers in Tecumseh that it is possible for us to give. Please cooperate with us.

We Greet A New Year--

Saturday a New Year dawns—a year we fear that will bring sadness to many homes who have loved ones on the fields of battle.

May the New Year also bring peace to the World —a Victorious Peace to the Allied Nations.

Our resolution for the New Year is complete cooperation with the war effort and the best service possible to our customers.

SACRIFICE....

Filled with hope and with sorrow a New Year will dawn on Saturday.

It is a year, we pray, that will see the end of the war on the Continent of Europe, if not with the Japanese. It is a year, we know, that will bring greater sacrifices than the one just drawing to a close; a year, we are certain, that will bring more heart aches to America than any year in history.

It is a year, therefore, that we must look to Him for divine guidance both at home and one the battle front. Twelve months of sacrifice and sorrow that will try our Faith and our Souls. A time when Prayer for Direction and Guidance must be the order of the day.

We at home speak of sacrifice. Have we any right to consider the little we are giving up sacrifice? How about our boys at Pearl Harbor, Manila, Guadalcanal, North Africa, Italy—your own son, perhaps, or cousin or nephew? They've experienced true sacrifice; many the supreme sacrifice of death!

To them it's all in the line of duty—the only way to win. And that must be our attitude that must determine us to really making some sacrifice that counts.

We of the Tecumseh Products Company are proud of the production records that we have established during the 12 months now drawing to a close. We have kept our production for National Defense to such a level that we have been awarded a third star for our Navy E flag. We have turned over more than 12 per cent of our $3,000,000 payroll to the purchase of War Bonds. We have kept faith with our Nation and our fighting brothers.

In the New Year we pledge ourselves to maintain this production schedule and to better it. We pledge our lives and our funds in support of the war effort.

And when a Victorious Peace has been declared Tecumseh Products pledges a job to each of its 400 employees now in military service.

We ask for God's guidance and direction in our New Year's program.

CAN VITAMINS CHANGE GRAY HAIR?

According to Good Housekeeping tests with Calcium Pantothenate on gray hair:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—86 % of those tested had positive evidence of a return of some hair color.

At New Thriftimade use GRAYVITA, which contains 10 mgms. of Calcium Pantothenate (Vitamin Complex) PLUS 450 U.S.P. units of Vitamin A (activated). 30 day supply, $1.39, Tax GRAYVITA, 30 day supply, $1.39, Tax Extra. Rexall. Prices, watch.
